

City of Newburgh Council Work Session
*Sesion de trabajo del Concejal de la
Ciudad de Newburgh*
April 20, 2023
6:00 PM

Council Meeting Presentations/ Presentaciones de la Reunion General

1. Presentation by Environmental Design & Research, Landscape Architecture, Engineering & Environmental Services, D.P.C. for Consultant Services for the Development of a Brownfield Opportunity Area (BOA) for the City of Newburgh

Presentación de Environmental Design & Research, Landscape Architecture, Engineering & Environmental Services, D.P.C. para los servicios de consultoría para el desarrollo de un área de oportunidad de brownfield (BOA) para la Ciudad de Newburgh

Work Session Presentations/ Presentaciones de la Session de Trabajo

2. Engineering Department Presentation on LTCP Newburgh Combined Sewer Control Facility

A work session presentation by the City's Engineering Department on the future LTCP Newburgh Combined Sewer Control Facility Project planned at the Wastewater Treatment Plant.

Una presentación para la sesión de trabajo por el Departamento de Ingeniería de la Ciudad sobre el futuro Proyecto de Instalación de Control de Alcantarillado Combinado LTCP Newburgh diseñado en la Planta de Tratamiento de Aguas Residuales

Engineering/Ingeniería

3. Resolution Setting Public Meeting and Public Hearing for LTCP Newburgh Combined Sewer Control Facility Project

Resolution scheduling a public hearing for May 8, 2023 to hear public comment concerning the City of Newburgh Long term Control Plan Combined Sewer Control Facility Project at the Wastewater Treatment Plant

Resolución programando una reunión pública para el Proyecto de Instalación de Control de Alcantarillado Combinado LTCP Newburgh el 8 de mayo de 2023

4. PIN No. 8761.39 Lake Drive Bridge Replacement Project NYSDOT Supplemental Agreement No. 3

Resolution authorizing the City Manager to execute Supplemental Agreement No. 3 with the New York State Department of Transportation to fund in the first instance 100% of the Federal-Aid and Non-Federal Aid eligible costs for the construction phase for the replacement of the Lake Drive Bridge

Resolución que autoriza al Gerente de la Ciudad a ejecutar el Acuerdo Suplementario No. 3 con el Departamento de Transportación del Estado de Nueva York para financiar en primera instancia el 100% de los costos elegibles de Ayuda Federal y Ayuda No Federal para la fase de construcción para el reemplazo del Puente de Lake Drive

5. Downing Pond Outlet & Third Street Stormsewer Change Order No. 7G TAM Enterprises, Inc.

Resolution authorizing Change Order No. 7G to the construction contract with TAM Enterprises, Inc. for the Downing Pond and Third Street Storm Sewer Project

Resolución que autoriza la Orden de Cambio no. 7G al contrato de construcción con TAM Enterprises, Inc. para el Proyecto de Alcantarilla de Tormentas de Downing y Third Street

6. Downing Pond Outlet & Third Street Stormsewer Change Order No. 8G TAM Enterprises, Inc.

Resolution authorizing Change Order No. 8G to the construction contract with TAM Enterprises, Inc. for the Downing Pond and Third Street Storm Sewer Project

Resolución que autoriza la Orden de Cambio no. 8G al contrato de construcción con TAM Enterprises, Inc. para el Proyecto de Alcantarilla de Tormentas de Downing y Third Street

Finance/Finanza

7. Surplus Property - Department of Public Works and Police Department

Resolution declaring Department of Public Works and Police Department vehicles and equipment as surplus

Resolución declarando vehículos y equipaje del Departamento de Obras Públicas y del Departamento de Policía como excedentes

8. Energo- Natural Gas Services Agreement - Gas Bid Ratification

Resolution to ratify the award of a bid and the execution of a contract with Energo Energy f/k/a Marathon Energy for gas supply services to the City of Newburgh for a fixed term commencing in October 2023 and ending in April 2024 at a cost of \$0.5209 per Therm and \$0.5376 per Ccf (Centum Cubic Feet)

Resolución para ratificar la otorgación de una licitación y la ejecución de un contrato con Energo Energy f/k/a Marathon Energy para los servicios de suministro de gas a la Ciudad de Newburgh por un plazo fijo que comienza en octubre de 2023 y finaliza en abril de 2024 a un coste de \$0.5209 por Therm y \$0.5376 por Ccf (Centum Cubic Feet)

Grants/Contracts/Agreements / Becas /Contratos/Convenios

9. Conservation Advisory Council 2023 Environmental Justice Fellows Program - Greater Newburgh Parks Conservancy Agreement

Resolution authorizing the City Manager to execute an agreement with the Greater Newburgh Parks Conservancy, Inc. for the 2023 Environmental Justice Fellow Program in the amount of \$15,000.00

Resolución que autoriza al Gerente de la Ciudad a ejecutar un acuerdo con Greater Newburgh Parks Conservancy, Inc. para el Programa de Becarios de la Justicia Ambiental 2023 por un monto de \$15,000.00

10. Water Supply Property - Department of the Army Right of Entry Agreement

Resolution authorizing the City Manager to execute a Right of Entry Agreement with the United States Department of the Army and its contracted agents to allow access to City owned property in connection with a remedial investigation project of the Stewart Air National Guard Base Area

Resolución que autoriza al Gerente de la Ciudad a ejecutar un Acuerdo de Derecho de Entrada con el Departamento del Ejército de los Estados Unidos y sus agentes contratados para permitir el acceso a la propiedad de la Ciudad en relación con un proyecto de investigación correctiva del Área de la Base de la Guardia Nacional Aérea de Stewart

Ordinances/ Decretos

11. Zoning Amendment (Cannabis) - Declaring SEQRA Lead Agency and a Type I Action

Resolution of the City Council of the City of Newburgh declaring itself Lead Agency and declaring the matter a Type I action, both pursuant to the State Environmental Quality Review Act ("SEQRA"), with respect to the adoption of a revision to Chapter 300 entitled "Zoning" of the Code of Ordinances of the City of Newburgh

Resolución del Concejo Municipal de la Ciudad de Newburgh declarándose Agencia Principal y declarando el caso una Acción de Tipo I, ambos en conformidad con la Ley Estatal de Revisión de Calidad Ambiental ("SEQRA"), con respecto a la adopción de una revisión del Capítulo 300 titulado "Zonificación" del Código de Ordenanzas de la Ciudad de Newburgh

12. Zoning Amendment (Cannabis) - Scheduling a Second Public Hearing

Resolution scheduling a public hearing for May 8, 2023 to hear public comment concerning the adoption of the revised Chapter 300 entitled "Zoning" of the Code of Ordinances of the City of Newburgh

Resolución que programa una audiencia pública para el 8 de mayo de 2023 para escuchar comentarios públicos sobre la adopción del Capítulo 300 revisado titulado "Zonificación" del Código de Ordenanzas de la Ciudad de Newburgh

Executive Session/ Sesión Ejecutiva

13. Proposed, pending or current litigation

Litigio propuesto, pendiente o actual

14. The medical, financial, credit or employment history of a particular person or corporation, or matters leading to the appointment, employment, promotion, demotion, discipline, suspension, dismissal or removal of a particular person or corporation

El historial médico, financiero, de crédito o de empleo de una persona o corporación en particular, o asuntos que conduzcan al nombramiento, empleo, promoción, descenso, disciplina, suspensión, despido o remoción de una persona o corporación en particular

Newburgh Combined Sewer Control Facility Public Participation Plan

This Public Participation Plan has been prepared in accordance with the New York State Department of Environmental Conservation Commissioner (NYS DEC) Policy-29, Environmental Justice and Permitting.

Background

The City of Newburgh (City) is under a Long-Term Control Plan (LTCP) Order on Consent with the NYS DEC related to the City's compliance with the United States Environmental Protection Agency's (US EPA) Combined Sewer Overflow (CSO) Control Policy.

The goal of the LTCP is to meet the CSO Control Policy criteria of 85% capture utilizing the presumptive approach. To meet these requirements, the City undertake a number of infrastructure projects listed in the LTCP Schedule of Compliance. Several of these infrastructure projects will increase the capacity of the combined sewer system to convey additional wet weather flows to the Water Pollution Control Plant (WPCP) and the future CSO Satellite Treatment Facility (Facility). Currently, the WPCP has capacity to screen and disinfect 23 million gallons per day (MGD) prior to discharge to the Hudson River. In the future, wet weather flows to the WPCP will be limited to 18 MGD, which is the capacity of the primary clarifiers and the Facility will be designed with a capacity of 31 MGD to meet the presumptive approach.

This approach was accepted by the NYS DEC and is outlined in the *City of Newburgh CSO Long Term Control Plan Addendum*, dated March 2015, as prepared by Arcadis. A Preliminary Engineering Report (PER) which outlines the design of the future Facility, was prepared and submitted to the NYS DEC in May of 2021. The objective or purpose of the report was to obtain NYS DEC consensus regarding the proposed disinfection and screening technologies to be employed in the design of the future Facility, as well as the suitability of the proposed sites in consideration of construction and operational issues, permitting and environmental justice issues, environmental benefits and potential impacts, and construction and long-term operational costs.

A Basis of Design (BOD) Report for the Facility was submitted to the DEC in July of 2021, revised in June of 2022, and was also subsequently approved by the Department. The purpose of this document was to present information based on design for the various components of the Project so that Stakeholders would have a clear understanding of the design intent. This document was intended to finalize schematic design and advance spatial design to an acceptable level for the City to confirm the Project scope was consistent with the Project's design intent. The various

process equipment design parameters were outlined and control philosophy for the operation of facilities were presented at a level of detail suitable for the reviewing regulatory agencies to appropriately comment on the proposed design criteria.

Upon acceptance of the BOD Report, the design of the Facility was advanced through preliminary design. This project involves the construction of the Facility near the WPCP that enables the screening and disinfection of combined sewer overflows and is the basis for the State Pollution Discharge Elimination System (SDPES) permit modification request.

Project Description

The Project generally consists of the items required to construct and operate the Facility adjacent to the WPCP. Per the executed Order on Consent, construction for the Project is scheduled to be completed by April 1, 2026 with an operational startup date proposed for May 1, 2026.

Listed below is a brief description of the improvements that will be constructed:

- Relocate the WPCP Influent Sewer above ground on a structural support system and connect into the existing WPCP Influent Sewer upstream of the Energy Dissipator.
- Mechanically raked CSO screens and flow regulating gate with real-time controls (RTC) associated with the influent flow to the WPCP.
- A chlorine contact tank.
- Chemical addition building that will include chemical storage tanks, chemical dosing pumps and controls for both sodium hypochlorite and sodium bisulfite, odor control and a chemical filling station.
- Pump station to drain captured CSOs within the chlorine contact tank to the WPCP after a wet weather event is completed.
- A new outfall sewer to the Hudson River (CSO No.14).
- Optimization of Regulators No. 1 and 3-11 to maximize flows to the Facility and reduce volume and frequency of CSO's.

Facility Operations

Dry and wet weather flows will be directed through the Facility. Dry weather flows will pass through a regulating structure and continue to the WPCP for treatment. During wet weather, flow through the structure will be controlled by a real-time motor actuated modulating slide gate. The regulating gate will modulate depending on the flow rate at the WPCP. The slide gate will modulate during wet weather events to reduce the influent flow to the WPCP to 18 MGD.

Wet weather flows in excess of 18 MGD will pass through the CSO screens at the new Facility, be dosed with sodium hypochlorite and flow into the chlorine contact tank (CCT). If flows directed through the CSO screens exceed 31 MGD, a signal will be sent to Regulator 2 currently equipped with RTCs and combined sewage flow will be reduced in the South Interceptor.

Disinfected wet weather flow will pass through the CCT and subsequently dosed with sodium bisulfite, for dechlorination, prior to discharge to the Hudson River through a new outfall (CSO No. 14). When the wet weather event concludes, the CCT will be drained through a pump station and pumped back to the the WPCP for full

treatment. A flushing sequence of the CCT will be commenced at the Facility. A chemical storage area will be located adjacent to the CCT and the Facility will be odor controlled.

Project Site Considerations

The Project site is adjacent to the WPCP along the Hudson River and is presently owned by the City of Newburgh. The following design considerations apply to the Project site:

- Due to its close vicinity to the Hudson River, the existing project site is subject to some risk of flooding and is likely affected by the tidal and flow conditions in the Hudson River. As such, the structures for this project are designed such that the lowest floor and all critical equipment is higher than a design flood elevation reviewed and approved of by the NYS DEC. This elevation was determined by identifying the 500-year vertical flood elevation on the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Maps (FIRFM) map and adding three feet of freeboard in accordance with the Community Risk and Resiliency Act (CRRRA).
- A geotechnical investigation was completed in February 2020 to aid in the design and construction of the Facility. The results of the investigation found the composition of soils adequate for the construction of the Facility with the use of deep foundations (piles). Bedrock was not encountered at the proposed project site during the investigation. Groundwater was encountered at depths approximately 7 to 10 feet below the surface in the proposed project area and is likely to be encountered during construction.
- Measures will be taken to provide appropriate odor control for the screening and disinfection facility given the location and adjacent land uses.

Geographic Context

The proposed site for the Facility is allocated in an unimproved parking lot on the west bank of the Hudson River, adjacent to the City's WPCP which is located to the north of the proposed location. A recreational rowing club is located south of the Facility project site. This recreational rowing club occupies a specific area described by metes and bounds through a license agreement with the City. The WPCP Influent Sewer begins where the North and South Interceptors join; immediately north of Regulator No. 1 at a tee connection approximately 0.2-miles southwest of the WPCP.

Based on the available DEC guidance tools, the project is in a Potential Environmental Justice Area (PEJA). The City has reviewed the Commissioner Policy 29 (CP-29) guidelines to prepare a program for engaging community leadership, organizations, stakeholders and residents surrounding the proposed project area. See **Appendix A** for a NYSDEC PEJA map of the proposed project area.

In general, the goals and objectives of this public participation plan (PPP) are as follows:

- Provide the City of Newburgh leadership a better sense of public perspective on issues that affect the community,
- Establish communication with the affected public; including a wide array of key stakeholders and interested organizations as well as regulatory agencies,

- Solicit the opinions and address issues and concerns from the affected public, stakeholders, and interested parties,
- Enhance the public participation and public notification mechanisms, including those most effected in potential environmental justice areas,
- Make the technical aspects of the project clear, relatable, and understandable to the public, and
- Build awareness of the issues associated with the City's LTCP and new Facility to reduce untreated combined sewage overflows; while gaining broad support by involving the public throughout the development process.

Project Contact and Central Communications

The City will post information on the City's website and the City's Facebook page for the City's CSO Control Policy compliance activities.

- Preparatory and presentation materials for public briefings and meetings
- Fact sheets and Frequently Asked Questions flysheet (FAQs, see **Appendix B**)
- Summary reports from public meetings
- Construction Bulletins and Project Update Reports
- Reports to NYSDEC on implementation of the Public Participation Plan
- Contact information for the City Engineering Department
- Functionality for receiving and posting public comments on the Project

For those who do not have access to the internet, documents will be kept in a repository and will be available for viewing at the Newburgh Free Library, 124 Grand Street, Newburgh, New York 12550. Questions and comments may be submitted to the City at NewburghCSO@cityofnewburgh-ny.gov or by calling (845) 569-7447. Furthermore, hard copies of educational materials to support the public education process will be made readily available at the local meetings.

Moving forward, the City anticipates that considerable communications with the Stakeholders and community at-large will be necessary to provide updates on the construction activities, including any potential issues which may impact the adjoining property owners and neighborhood (e.g., traffic or parking disturbances, construction traffic patterns, major delivery schedules, extended or weekend construction hours). In addition, the City will prepare progress reports on a quarterly basis which will summarize the outreach activities during the previous period; and respond to comments and questions collected on the website or by phone. Summary responses to major themes and issues raised on the website may be addressed, as appropriate, at public meetings or outreach efforts described in more detail below.

The primary contact for the Project:

Jason Morris, P.E.
Commissioner of Public Works & City Engineer
83 Broadway
Newburgh, New York 12550
(845) 569-7447

Stakeholders

To involve a wide coverage of the community at large, the City will target several specific groups for their participation in the program, including the following:

- City of Newburgh ratepayers/taxpayers
- City of Newburgh Residents
- City of Newburgh City Council
- Other leadership in the community
- Local schools
- Environmental advocate groups
- NYS DEC
- NYS Environmental Facilities Corporation

This list of projected participants includes the Project Stakeholders within a half-mile radius of the project detailed in **Appendix C**. The PPP was implemented in conjunction with the design development phase to ensure the public had an opportunity to express their concerns and influence the direction of the Project. As such, parts of the outreach program were completed prior to the permit modification application submission, in accordance with suggested policy within CP-29. As a result, the public comments and concerns have significantly influenced the final recommended solution. A list of the Project Stakeholders is also attached in **Appendix C**.

Meeting Postings and Notifications

The City intends to provide distribution of information about public meetings, as well as background and follow-up documentation, in accordance with the procedures outlined below.

Notifications: Notice of public meetings will be accomplished by:

- Direct mailers (included as **Appendix D**) to Stakeholders that will include the FAQ flysheet, date, time, and location of meetings inviting the public to provide comments.
- The official City of Newburgh newspapers.
- Postings on the City's website, and other social media platforms, as deemed most appropriate.

Location and Timing: All meetings will be held at the City Hall in the City Counsel Chambers and scheduled for weekday nights that do not coincide with major religious or secular holidays and will be conducted after working hours, generally during the period between 6:00 p.m. and 9:00 p.m. This practice is planned for all meetings, unless otherwise determined as a result of discussion with Stakeholders.

Public Meeting 1: May 8, 2023, at 7:00 pm in the City Council Chamber at City Hall 83 Broadway, Newburgh, New York 12250. This public meeting is subject to City Council approval that is scheduled for April 24, 2023.

Meeting Materials: Materials prepared for public meetings will be made available to the Stakeholders list upon request and will be generally posted on the City website and Facebook and once they become available included in this Plan and the online document repository. This shall include the FAQ sheet attached as **Appendix B**. The City will also expand the public record by including future responses to specific inquiries or concerns that have arisen during the meetings, in postings on Facebook and on the City website.

Public Briefings and Dialogues

The meetings described below capture only the more structured elements of the PPP. Furthermore, this PPP was developed to outline the goals and objectives of the program and outline strategies for the distribution of project information and solicitation of comments from the general public.

This Public Participation Plan was prepared, as a required element for the permit modification request, to document the City's public education and outreach efforts undertaken during the development of the design for the satellite treatment facility, as well as the ongoing community communications and outreach as the Project advances through the final permitting, bidding, and construction phases.

Design Development Phase

Public education and outreach efforts began in 2012 during the development of the LTCP elements which solicited extensive public involvement and comments. The PPP implementation to date was previously summarized and presented within the LTCP, which was previously submitted in the NYSDEC.

Early workshop with Project Stakeholders and the public focused on the following topics and issues:

- General overview of the City's combined sewer system and US EPA's CSO Control Policy;
- Alternatives for meeting the CSO Control Policy based on technology, feasibility, cost and social impacts;
- Presentation of the recommended approach to meeting the CSO Control Policy;
- Preference for the investigation and possible use of green infrastructure, and;
- Emphasis on alleviating bottleneck condition at Regulator No. 2.

Document Repositories

Project documentation covering the PPP for the Facility will be stored at the Newburgh Free Library, 124 Grand Street, Newburgh, New York 12550. The same materials will be made available on the City's website (<https://www.cityofnewburgh-ny.gov/368/Planning-Documents-Studies-Resources>). Stakeholders, as well as other interested parties, will be encouraged to share any documents that they recommend be posted as part of the public record and Project documentation; and all materials will be made readily available to parties upon request.

Progress Reports

The City anticipates that progress reports or updates will be provided to Stakeholders and interested parties at key milestones during the execution of the Project. The reports will generally include any public documents produced during the previous period, transcripts of any formal public meetings, descriptions of other outreach activities, and other work completed in support of the program. The progress reports will be posted on the City's Project website and will be made available upon request.

Final Report

Upon completion of the construction for the Facility, a final report on the public participation for the Project will be prepared, along with supporting documentation of the process as appendices. The City is presently required

under the Order on Consent to complete construction and an operational start date for the Project by May 1, 2026. As such, the City would anticipate issuance of the final PPP report upon startup of the facility in 2026. Upon acceptance of the final report, the City will post the materials on the City's Project website and will provide the information to interested parties upon request.

Appendix B: FAQs Sheet

Frequently Asked Questions

THE CITY OF
NEWBURGH
NEW YORK

1. Why is the CSO Satellite Treatment Facility Project needed?

Hidden below the City of Newburgh's streets, buildings and parks are sewers. Although parts of the sewer system are more than 140 years old, it works remarkably well—except when there's a heavy storm. The City's sewer system was originally designed to collect both wastewater and stormwater into a common sewer network for transport and discharge to the Hudson River. In the 1960's, the City constructed a Water Pollution Control Plant to intercept this combined sewer and treat it before discharge to the Hudson River. However, when a heavy rain event occurs and inundates the combined sewer with stormwater flows, the Water Pollution Control Plant cannot handle the added volume and some of the combined sewage is discharged through outfalls into the Hudson River. This occurrence is called a Combined Sewer Overflow (CSO). The City of Newburgh is required to remedy the situation under a Consent Decree that was signed with the State and Federal governments in 2015.

2. What are the goals of the Project?

The primary goal of the Project is to reduce the volume of untreated flows discharged to the Hudson River through the construction of a CSO satellite treatment facility. Construction of this facility supports the City's CSO Long Term Control Plan (LTCP) to achieve State and Federal water quality standards in the Hudson River, and which improves the "quality of life" for City of Newburgh residents. The Project will reduce untreated overflows by 100 million gallons of CSO's annually and is consistent with the City's sustainability programs and initiatives.

3. Why is the Project along the Hudson River?

Two large "intercepting" sewers merge into a single main influent sewer along water street and cross the railroad to transport combined sewer to the City's Water Pollution Control Plant. The proposed CSO satellite treatment facility will be located along this main influent sewer to the south of the existing Water Pollution Control Plant. This location places the facility in an ideal spot from a treatment process perspective and allows the City to provide for fast response times to the CSO Satellite Treatment Facility which must be staffed during wet weather events. This location

also maximizes treatment of combined sewage to improve water quality in the Hudson River and is in a historically industrial area of the City.

4. How does the CSO satellite treatment facility work?

During wet weather periods, solid materials (debris, trash and leaves) will be screened-out of the wastewater flow and conveyed directly to the bar screen facilities at the Water Pollution Control Plant for removal and disposal. This will allow the solid materials to bypass the outfall and avoid being discharged to the Hudson River. The remaining combined sewer flows will then be disinfected with dilute chlorine within a contact tank prior to being dechlorinated and then discharged to the Hudson River. After this process, typical overflows to the Hudson River will be free of solid materials and treated for the removal of harmful bacteria.

5. What is the difference between a water pollution control plant and a CSO satellite treatment facility?

A water pollution control plant provides physical, chemical and biological processes to remove contaminants and produce treated wastewater. The City's Water Pollution Control Plant provides screening, settling of solids, biological treatment, and disinfection. The proposed additional CSO satellite treatment facility provides screening and disinfection only, and is intended to improve the water quality of wet weather combined sewer overflows to the Hudson River.

6. Will the Project impact traffic?

The proposed project is located along the Hudson River at the end of Renwick Street close to the existing Water Pollution Control Plant. This location is away from areas of regular traffic. This proposed project will have little, if any, impact to local traffic.

7. Will the Project create odor or air quality issues?

No, the facility will employ comprehensive odor control measures. Air will be treated with carbon filters prior to release to the atmosphere

8. What is the Project's schedule for completion?

Construction is anticipated to begin in 2024, with scheduled completion in 2026.

9. What is the cost of the project?

The Project is a component of the LTCP. These costs were estimated in the LTCP that was approved by the NYSDEC and agreed upon by the City of Newburgh. The current economic climate has caused a dramatic increase in construction costs. Construction of the CSO Satellite Treatment Facility Project is currently estimated to cost \$36.4 million. The cost of the project is the responsibility of City of Newburgh. The City actively pursues grants and zero or low interest loans to construct sewer related projects. To date, the City has received more than \$55million in grants to assist with similar LTCP projects. The City will pursue grants and zero or low interest loans to construct this Project. Ultimately, any remaining costs not funded by future grants will be the responsibility of the City's sewer rate payers.

RE: City of Newburgh Combined Sewer Control Facility Public Comments

Dear [Addressee],

Pursuant to New York State Department of Environmental Conservation (NYS DEC) Commissioner Policy 29 (CP-29), the City of Newburgh would like to inform you that your property is within a half mile of the site of a future Newburgh Combined Sewer Control Facility to be located on River Street adjacent to the City's Water Pollution Control Plant. This project is part of the City's Long Term CSO Control Plan to reduce untreated wastewater from entering the Hudson River. In accordance with CP-29, the City is holding a public meeting to present the project and seek questions and comments from the public on this project. The date, time, and location of the public meeting is provided below:

Date: Monday, May 8, 2023

Time: 7:00 p.m.

Location: City Council Chambers
City Hall
83 Broadway
Newburgh, New York 12550

The event will be live streamed and can be accessed from City's Live Video Stream at <https://www.cityofnewburgh-ny.gov/289/Live-Video-Streaming>. Meeting materials will also be made available at the City of Newburgh Free Public Library as well as online at <https://www.cityofnewburgh-ny.gov/368/Planning-Documents-Studies-Resources> along with the recorded meeting. Questions and comments may be submitted in advance to the City at NewburghCSO@cityofnewburgh-ny.gov or by calling (845) 569-7447.

RESOLUTION NO.: _____ - 2023

OF

APRIL 24, 2023

**RESOLUTION SCHEDULING A PUBLIC HEARING FOR MAY 8, 2023
TO HEAR PUBLIC COMMENT CONCERNING THE CITY OF NEWBURGH
LONG TERM CONTROL PLAN COMBINED SEWER CONTROL FACILITY PROJECT
AT THE WASTEWATER TREATMENT PLANT**

WHEREAS, the City of Newburgh is subject to an Order on Consent with the New York State Department of Environmental Conservation (“NYDEC”) to resolve violations at the Wastewater Treatment Plant and for the development of the CSO Long Term Control Plan (“LTCP”); and

WHEREAS, pursuant to the LTCP, the City is undertaking the Combined Sewer Control Facility Project at the Wastewater Treatment Plant; and

WHEREAS, pursuant to NYS DEC Policy-29, Environmental Justice and Permitting, the City has prepared a Public Participation Plan for engaging community leadership, organizations, stakeholders and residents surrounding the proposed project area; and

WHEREAS, the City Council has determined it is in the best interests of the City to ensure the public has an opportunity to express their concerns and influence the direction of the Project;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York, that there is hereby scheduled a public hearing to receive comments concerning the City of Newburgh Long Term Control Plan Combined Sewer Control Facility Project; and that such public hearing be and hereby is duly set for the next regular meeting of the Council to be held at 7:00 p.m. on the 8th day of May, 2023, in the Activity Center, 401 Washington Street, Newburgh, New York.

SUBJECT

City of Newburgh Long Term CSO Control Plan
Newburgh Combined Sewer Control Facility
Public Participation Plan

DATE

October 26, 2022
Revised March 24, 2023

TO

Jason Morris, PE

Newburgh Combined Sewer Control Facility Public Participation Plan

This Public Participation Plan has been prepared in accordance with the New York State Department of Environmental Conservation Commissioner (NYS DEC) Policy-29, Environmental Justice and Permitting.

Background

The City of Newburgh (City) is under a Long-Term Control Plan (LTCP) Order on Consent with the NYS DEC related to the City's compliance with the United States Environmental Protection Agency's (US EPA) Combined Sewer Overflow (CSO) Control Policy.

The goal of the LTCP is to meet the CSO Control Policy criteria of 85% capture utilizing the presumptive approach. To meet these requirements, the City undertake a number of infrastructure projects listed in the LTCP Schedule of Compliance. Several of these infrastructure projects will increase the capacity of the combined sewer system to convey additional wet weather flows to the Water Pollution Control Plant (WPCP) and the future CSO Satellite Treatment Facility (Facility). Currently, the WPCP has capacity to screen and disinfect 23 million gallons per day (MGD) prior to discharge to the Hudson River. In the future, wet weather flows to the WPCP will be limited to 18 MGD, which is the capacity of the primary clarifiers and the Facility will be designed with a capacity of 31 MGD to meet the presumptive approach.

This approach was accepted by the NYS DEC and is outlined in the *City of Newburgh CSO Long Term Control Plan Addendum*, dated March 2015, as prepared by Arcadis. A Preliminary Engineering Report (PER) which outlines the design of the future Facility, was prepared and submitted to the NYS DEC in May of 2021. The objective or purpose of the report was to obtain NYS DEC consensus regarding the proposed disinfection and screening technologies to be employed in the design of the future Facility, as well as the suitability of the proposed sites in consideration of construction and operational issues, permitting and environmental justice issues, environmental benefits and potential impacts, and construction and long-term operational costs.

A Basis of Design (BOD) Report for the Facility was submitted to the DEC in July of 2021, revised in June of 2022, and was also subsequently approved by the Department. The purpose of this document was to present information based on design for the various components of the Project so that Stakeholders would have a clear understanding of the design intent. This document was intended to finalize schematic design and advance spatial design to an acceptable level for the City to confirm the Project scope was consistent with the Project's design intent. The various

process equipment design parameters were outlined and control philosophy for the operation of facilities were presented at a level of detail suitable for the reviewing regulatory agencies to appropriately comment on the proposed design criteria.

Upon acceptance of the BOD Report, the design of the Facility was advanced through preliminary design. This project involves the construction of the Facility near the WPCP that enables the screening and disinfection of combined sewer overflows and is the basis for the State Pollution Discharge Elimination System (SDPES) permit modification request.

Project Description

The Project generally consists of the items required to construct and operate the Facility adjacent to the WPCP. Per the executed Order on Consent, construction for the Project is scheduled to be completed by April 1, 2026 with an operational startup date proposed for May 1, 2026.

Listed below is a brief description of the improvements that will be constructed:

- Relocate the WPCP Influent Sewer above ground on a structural support system and connect into the existing WPCP Influent Sewer upstream of the Energy Dissipator.
- Mechanically raked CSO screens and flow regulating gate with real-time controls (RTC) associated with the influent flow to the WPCP.
- A chlorine contact tank.
- Chemical addition building that will include chemical storage tanks, chemical dosing pumps and controls for both sodium hypochlorite and sodium bisulfite, odor control and a chemical filling station.
- Pump station to drain captured CSOs within the chlorine contact tank to the WPCP after a wet weather event is completed.
- A new outfall sewer to the Hudson River (CSO No.14).
- Optimization of Regulators No. 1 and 3-11 to maximize flows to the Facility and reduce volume and frequency of CSO's.

Facility Operations

Dry and wet weather flows will be directed through the Facility. Dry weather flows will pass through a regulating structure and continue to the WPCP for treatment. During wet weather, flow through the structure will be controlled by a real-time motor actuated modulating slide gate. The regulating gate will modulate depending on the flow rate at the WPCP. The slide gate will modulate during wet weather events to reduce the influent flow to the WPCP to 18 MGD.

Wet weather flows in excess of 18 MGD will pass through the CSO screens at the new Facility, be dosed with sodium hypochlorite and flow into the chlorine contact tank (CCT). If flows directed through the CSO screens exceed 31 MGD, a signal will be sent to Regulator 2 currently equipped with RTCs and combined sewage flow will be reduced in the South Interceptor.

Disinfected wet weather flow will pass through the CCT and subsequently dosed with sodium bisulfite, for dechlorination, prior to discharge to the Hudson River through a new outfall (CSO No. 14). When the wet weather event concludes, the CCT will be drained through a pump station and pumped back to the the WPCP for full

treatment. A flushing sequence of the CCT will be commenced at the Facility. A chemical storage area will be located adjacent to the CCT and the Facility will be odor controlled.

Project Site Considerations

The Project site is adjacent to the WPCP along the Hudson River and is presently owned by the City of Newburgh. The following design considerations apply to the Project site:

- Due to its close vicinity to the Hudson River, the existing project site is subject to some risk of flooding and is likely affected by the tidal and flow conditions in the Hudson River. As such, the structures for this project are designed such that the lowest floor and all critical equipment is higher than a design flood elevation reviewed and approved of by the NYS DEC. This elevation was determined by identifying the 500-year vertical flood elevation on the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Maps (FIRFM) map and adding three feet of freeboard in accordance with the Community Risk and Resiliency Act (CRRRA).
- A geotechnical investigation was completed in February 2020 to aid in the design and construction of the Facility. The results of the investigation found the composition of soils adequate for the construction of the Facility with the use of deep foundations (piles). Bedrock was not encountered at the proposed project site during the investigation. Groundwater was encountered at depths approximately 7 to 10 feet below the surface in the proposed project area and is likely to be encountered during construction.
- Measures will be taken to provide appropriate odor control for the screening and disinfection facility given the location and adjacent land uses.

Geographic Context

The proposed site for the Facility is allocated in an unimproved parking lot on the west bank of the Hudson River, adjacent to the City's WPCP which is located to the north of the proposed location. A recreational rowing club is located south of the Facility project site. This recreational rowing club occupies a specific area described by metes and bounds through a license agreement with the City. The WPCP Influent Sewer begins where the North and South Interceptors join; immediately north of Regulator No. 1 at a tee connection approximately 0.2-miles southwest of the WPCP.

Based on the available DEC guidance tools, the project is in a Potential Environmental Justice Area (PEJA). The City has reviewed the Commissioner Policy 29 (CP-29) guidelines to prepare a program for engaging community leadership, organizations, stakeholders and residents surrounding the proposed project area. See **Appendix A** for a NYSDEC PEJA map of the proposed project area.

In general, the goals and objectives of this public participation plan (PPP) are as follows:

- Provide the City of Newburgh leadership a better sense of public perspective on issues that affect the community,
- Establish communication with the affected public; including a wide array of key stakeholders and interested organizations as well as regulatory agencies,

- Solicit the opinions and address issues and concerns from the affected public, stakeholders, and interested parties,
- Enhance the public participation and public notification mechanisms, including those most effected in potential environmental justice areas,
- Make the technical aspects of the project clear, relatable, and understandable to the public, and
- Build awareness of the issues associated with the City's LTCP and new Facility to reduce untreated combined sewage overflows; while gaining broad support by involving the public throughout the development process.

Project Contact and Central Communications

The City will post information on the City's website and the City's Facebook page for the City's CSO Control Policy compliance activities.

- Preparatory and presentation materials for public briefings and meetings
- Fact sheets and Frequently Asked Questions flysheet (FAQs, see **Appendix B**)
- Summary reports from public meetings
- Construction Bulletins and Project Update Reports
- Reports to NYSDEC on implementation of the Public Participation Plan
- Contact information for the City Engineering Department
- Functionality for receiving and posting public comments on the Project

For those who do not have access to the internet, documents will be kept in a repository and will be available for viewing at the Newburgh Free Library, 124 Grand Street, Newburgh, New York 12550. Questions and comments may be submitted to the City at NewburghCSO@cityofnewburgh-ny.gov or by calling (845) 569-7447. Furthermore, hard copies of educational materials to support the public education process will be made readily available at the local meetings.

Moving forward, the City anticipates that considerable communications with the Stakeholders and community at-large will be necessary to provide updates on the construction activities, including any potential issues which may impact the adjoining property owners and neighborhood (e.g., traffic or parking disturbances, construction traffic patterns, major delivery schedules, extended or weekend construction hours). In addition, the City will prepare progress reports on a quarterly basis which will summarize the outreach activities during the previous period; and respond to comments and questions collected on the website or by phone. Summary responses to major themes and issues raised on the website may be addressed, as appropriate, at public meetings or outreach efforts described in more detail below.

The primary contact for the Project:

Jason Morris, P.E.
Commissioner of Public Works & City Engineer
83 Broadway
Newburgh, New York 12550
(845) 569-7447

Stakeholders

To involve a wide coverage of the community at large, the City will target several specific groups for their participation in the program, including the following:

- City of Newburgh ratepayers/taxpayers
- City of Newburgh Residents
- City of Newburgh City Council
- Other leadership in the community
- Local schools
- Environmental advocate groups
- NYS DEC
- NYS Environmental Facilities Corporation

This list of projected participants includes the Project Stakeholders within a half-mile radius of the project detailed in **Appendix C**. The PPP was implemented in conjunction with the design development phase to ensure the public had an opportunity to express their concerns and influence the direction of the Project. As such, parts of the outreach program were completed prior to the permit modification application submission, in accordance with suggested policy within CP-29. As a result, the public comments and concerns have significantly influenced the final recommended solution. A list of the Project Stakeholders is also attached in **Appendix C**.

Meeting Postings and Notifications

The City intends to provide distribution of information about public meetings, as well as background and follow-up documentation, in accordance with the procedures outlined below.

Notifications: Notice of public meetings will be accomplished by:

- Direct mailers (included as **Appendix D**) to Stakeholders that will include the FAQ flysheet, date, time, and location of meetings inviting the public to provide comments.
- The official City of Newburgh newspapers.
- Postings on the City's website, and other social media platforms, as deemed most appropriate.

Location and Timing: All meetings will be held at the City Hall in the City Counsel Chambers and scheduled for weekday nights that do not coincide with major religious or secular holidays and will be conducted after working hours, generally during the period between 6:00 p.m. and 9:00 p.m. This practice is planned for all meetings, unless otherwise determined as a result of discussion with Stakeholders.

Public Meeting 1: May 8, 2023, at 7:00 pm in the City Council Chamber at City Hall 83 Broadway, Newburgh, New York 12250. This public meeting is subject to City Council approval that is scheduled for April 24, 2023.

Meeting Materials: Materials prepared for public meetings will be made available to the Stakeholders list upon request and will be generally posted on the City website and Facebook and once they become available included in this Plan and the online document repository. This shall include the FAQ sheet attached as **Appendix B**. The City will also expand the public record by including future responses to specific inquiries or concerns that have arisen during the meetings, in postings on Facebook and on the City website.

Public Briefings and Dialogues

The meetings described below capture only the more structured elements of the PPP. Furthermore, this PPP was developed to outline the goals and objectives of the program and outline strategies for the distribution of project information and solicitation of comments from the general public.

This Public Participation Plan was prepared, as a required element for the permit modification request, to document the City's public education and outreach efforts undertaken during the development of the design for the satellite treatment facility, as well as the ongoing community communications and outreach as the Project advances through the final permitting, bidding, and construction phases.

Design Development Phase

Public education and outreach efforts began in 2012 during the development of the LTCP elements which solicited extensive public involvement and comments. The PPP implementation to date was previously summarized and presented within the LTCP, which was previously submitted in the NYSDEC.

Early workshop with Project Stakeholders and the public focused on the following topics and issues:

- General overview of the City's combined sewer system and US EPA's CSO Control Policy;
- Alternatives for meeting the CSO Control Policy based on technology, feasibility, cost and social impacts;
- Presentation of the recommended approach to meeting the CSO Control Policy;
- Preference for the investigation and possible use of green infrastructure, and;
- Emphasis on alleviating bottleneck condition at Regulator No. 2.

Document Repositories

Project documentation covering the PPP for the Facility will be stored at the Newburgh Free Library, 124 Grand Street, Newburgh, New York 12550. The same materials will be made available on the City's website (<https://www.cityofnewburgh-ny.gov/368/Planning-Documents-Studies-Resources>). Stakeholders, as well as other interested parties, will be encouraged to share any documents that they recommend be posted as part of the public record and Project documentation; and all materials will be made readily available to parties upon request.

Progress Reports

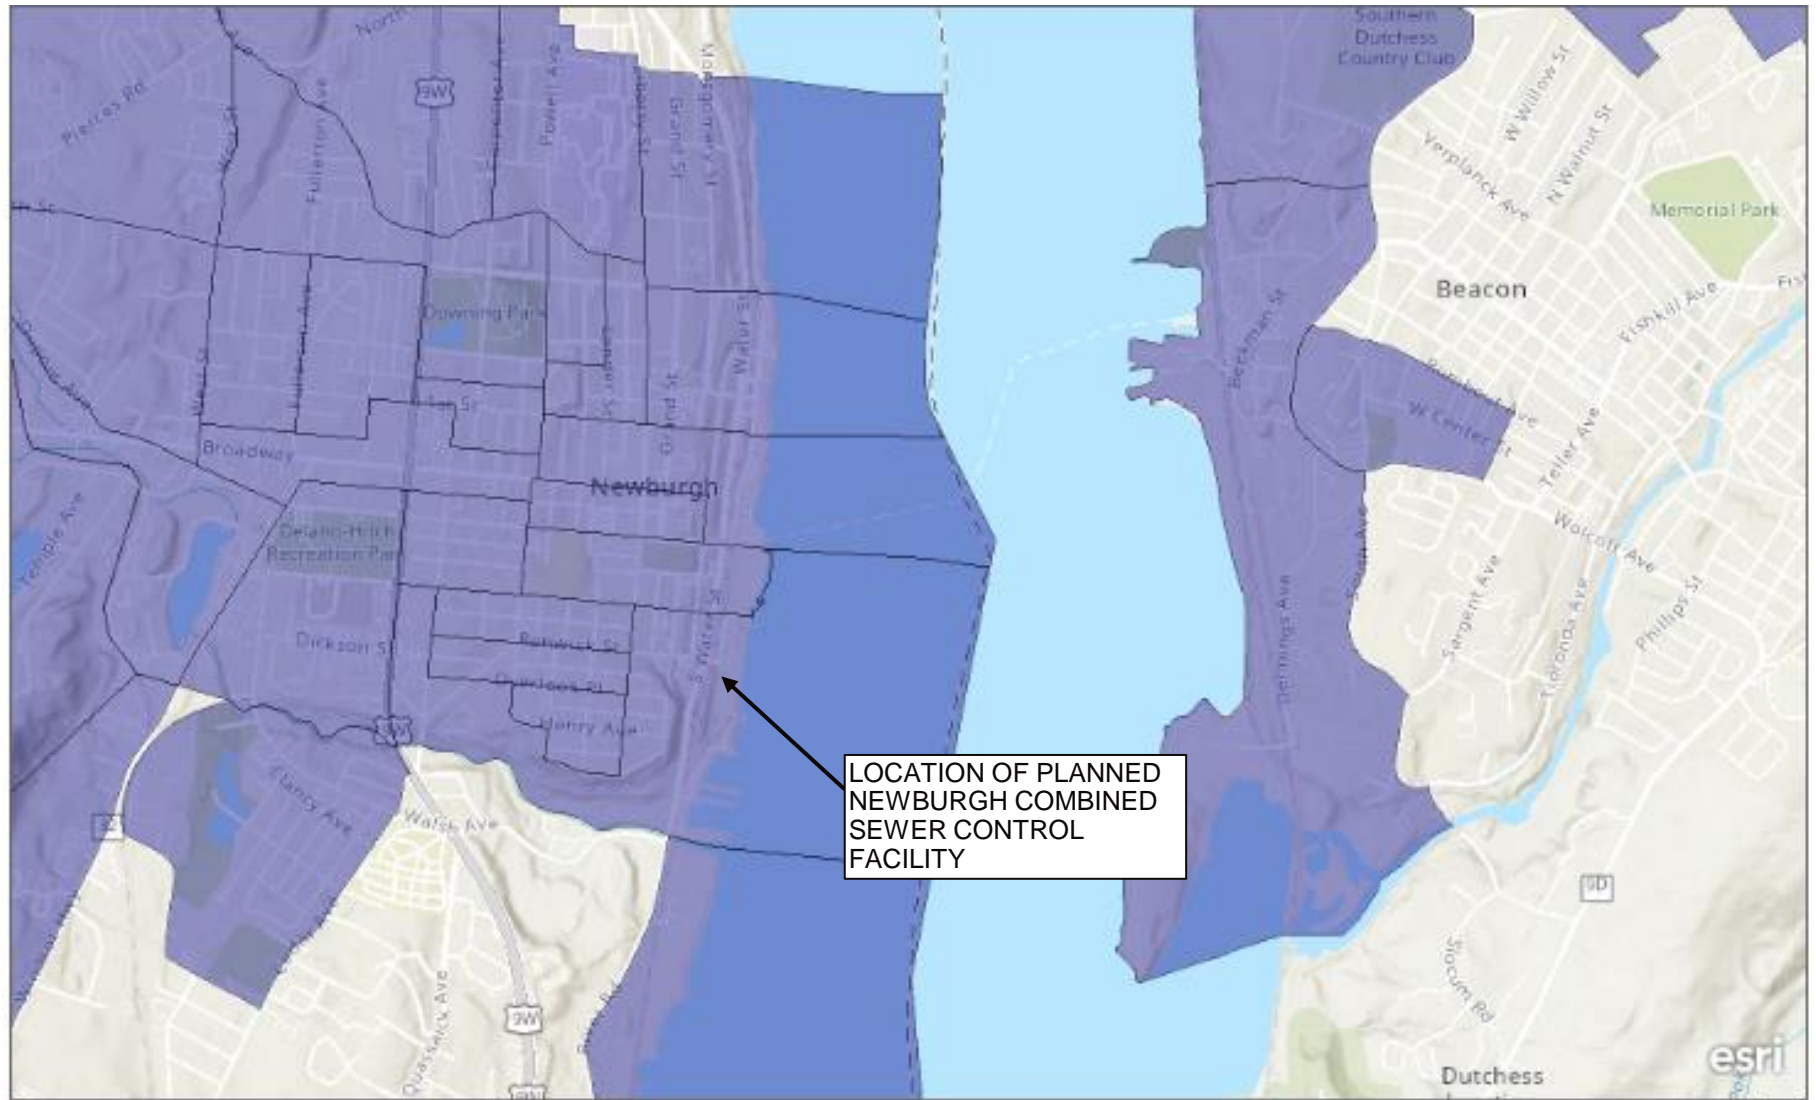

The City anticipates that progress reports or updates will be provided to Stakeholders and interested parties at key milestones during the execution of the Project. The reports will generally include any public documents produced during the previous period, transcripts of any formal public meetings, descriptions of other outreach activities, and other work completed in support of the program. The progress reports will be posted on the City's Project website and will be made available upon request.

Final Report

Upon completion of the construction for the Facility, a final report on the public participation for the Project will be prepared, along with supporting documentation of the process as appendices. The City is presently required

under the Order on Consent to complete construction and an operational start date for the Project by May 1, 2026. As such, the City would anticipate issuance of the final PPP report upon startup of the facility in 2026. Upon acceptance of the final report, the City will post the materials on the City's Project website and will provide the information to interested parties upon request.

Appendix B: FAQs Sheet

Frequently Asked Questions

THE CITY OF
NEWBURGH
NEW YORK

1. Why is the CSO Satellite Treatment Facility Project needed?

Hidden below the City of Newburgh's streets, buildings and parks are sewers. Although parts of the sewer system are more than 140 years old, it works remarkably well—except when there's a heavy storm. The City's sewer system was originally designed to collect both wastewater and stormwater into a common sewer network for transport and discharge to the Hudson River. In the 1960's, the City constructed a Water Pollution Control Plant to intercept this combined sewer and treat it before discharge to the Hudson River. However, when a heavy rain event occurs and inundates the combined sewer with stormwater flows, the Water Pollution Control Plant cannot handle the added volume and some of the combined sewage is discharged through outfalls into the Hudson River. This occurrence is called a Combined Sewer Overflow (CSO). The City of Newburgh is required to remedy the situation under a Consent Decree that was signed with the State and Federal governments in 2015.

2. What are the goals of the Project?

The primary goal of the Project is to reduce the volume of untreated flows discharged to the Hudson River through the construction of a CSO satellite treatment facility. Construction of this facility supports the City's CSO Long Term Control Plan (LTCP) to achieve State and Federal water quality standards in the Hudson River, and which improves the "quality of life" for City of Newburgh residents. The Project will reduce untreated overflows by 100 million gallons of CSO's annually and is consistent with the City's sustainability programs and initiatives.

3. Why is the Project along the Hudson River?

Two large "intercepting" sewers merge into a single main influent sewer along water street and cross the railroad to transport combined sewer to the City's Water Pollution Control Plant. The proposed CSO satellite treatment facility will be located along this main influent sewer to the south of the existing Water Pollution Control Plant. This location places the facility in an ideal spot from a treatment process perspective and allows the City to provide for fast response times to the CSO Satellite Treatment Facility which must be staffed during wet weather events. This location

also maximizes treatment of combined sewage to improve water quality in the Hudson River and is in a historically industrial area of the City.

4. How does the CSO satellite treatment facility work?

During wet weather periods, solid materials (debris, trash and leaves) will be screened-out of the wastewater flow and conveyed directly to the bar screen facilities at the Water Pollution Control Plant for removal and disposal. This will allow the solid materials to bypass the outfall and avoid being discharged to the Hudson River. The remaining combined sewer flows will then be disinfected with dilute chlorine within a contact tank prior to being dechlorinated and then discharged to the Hudson River. After this process, typical overflows to the Hudson River will be free of solid materials and treated for the removal of harmful bacteria.

5. What is the difference between a water pollution control plant and a CSO satellite treatment facility?

A water pollution control plant provides physical, chemical and biological processes to remove contaminants and produce treated wastewater. The City's Water Pollution Control Plant provides screening, settling of solids, biological treatment, and disinfection. The proposed additional CSO satellite treatment facility provides screening and disinfection only, and is intended to improve the water quality of wet weather combined sewer overflows to the Hudson River.

6. Will the Project impact traffic?

The proposed project is located along the Hudson River at the end of Renwick Street close to the existing Water Pollution Control Plant. This location is away from areas of regular traffic. This proposed project will have little, if any, impact to local traffic.

7. Will the Project create odor or air quality issues?

No, the facility will employ comprehensive odor control measures. Air will be treated with carbon filters prior to release to the atmosphere.

8. What is the Project's schedule for completion?

Construction is anticipated to begin in 2024, with scheduled completion in 2026.

9. What is the cost of the project?

The Project is a component of the LTCP. These costs were estimated in the LTCP that was approved by the NYSDEC and agreed upon by the City of Newburgh. The current economic climate has caused a dramatic increase in construction costs. Construction of the CSO Satellite Treatment Facility Project is currently estimated to cost \$36.4 million. The cost of the project is the responsibility of City of Newburgh. The City actively pursues grants and zero or low interest loans to construct sewer related projects. To date, the City has received more than \$55million in grants to assist with similar LTCP projects. The City will pursue grants and zero or low interest loans to construct this Project. Ultimately, any remaining costs not funded by future grants will be the responsibility of the City's sewer rate payers.

RE: City of Newburgh Combined Sewer Control Facility Public Comments

Dear [Addressee],

Pursuant to New York State Department of Environmental Conservation (NYS DEC) Commissioner Policy 29 (CP-29), the City of Newburgh would like to inform you that your property is within a half mile of the site of a future Newburgh Combined Sewer Control Facility to be located on River Street adjacent to the City's Water Pollution Control Plant. This project is part of the City's Long Term CSO Control Plan to reduce untreated wastewater from entering the Hudson River. In accordance with CP-29, the City is holding a public meeting to present the project and seek questions and comments from the public on this project. The date, time, and location of the public meeting is provided below:

Date: Monday, May 8, 2023

Time: 7:00 p.m.

Location: City Council Chambers
City Hall
83 Broadway
Newburgh, New York 12550

The event will be live streamed and can be accessed from City's Live Video Stream at <https://www.cityofnewburgh-ny.gov/289/Live-Video-Streaming>. Meeting materials will also be made available at the City of Newburgh Free Public Library as well as online at <https://www.cityofnewburgh-ny.gov/368/Planning-Documents-Studies-Resources> along with the recorded meeting. Questions and comments may be submitted in advance to the City at NewburghCSO@cityofnewburgh-ny.gov or by calling (845) 569-7447.

RESOLUTION NO.: _____ - 2023

OF

APRIL 24, 2023

**A RESOLUTION AUTHORIZING THE CITY MANAGER
TO EXECUTE SUPPLEMENTAL AGREEMENT NO. 3
WITH THE NEW YORK STATE DEPARTMENT OF TRANSPORTATION
TO FUND IN THE FIRST INSTANCE 100% OF THE FEDERAL-AID AND NON-FEDERAL
AID ELIGIBLE COSTS FOR THE CONSTRUCTION PHASE
FOR THE REPLACEMENT OF THE LAKE DRIVE BRIDGE**

WHEREAS, a Project for the **Bridge Replacement of Lake Drive over Quassaick Creek (BIN 2223630) in the City of Newburgh, Orange County, PIN 8761.39** (the “Project”) is eligible for funding under Title 23 U.S. Code, as amended, that calls for the apportionment of the costs such program to be borne at the ratio of 80% Federal funds and 20% non-federal funds; and

WHEREAS, Resolution No. 157-2019 adopted by the City of Newburgh on July 8, 2019 approved and agreed to advance the Project by making a commitment of 100% of the non-federal share of the costs of right-of-way acquisition work; and

WHEREAS, Resolution No. 196-2016 adopted by the City of Newburgh on August 8, 2016 approved and agreed to advance the Project by making a commitment of 100% of the non-federal share of the costs of preliminary engineering and right-of-way incidental work; and

WHEREAS, Resolution No. 28-2021 adopted by the City of Newburgh on February 22, 2021 approved and agreed to advance the Project by making a commitment of 100% of the non-federal share of the costs of the construction and construction inspection work; and

WHEREAS, it was subsequently found necessary to undertake additional right-of-way incidental, right-of-way acquisition, construction, and construction inspection work not contemplated in the original agreement authorized by the previous Resolution; and

WHEREAS, it has been found necessary to increase the federal and non-federal share of costs for the additional right-of-way incidental, right-of-way acquisition, construction, and construction inspection work for the project; and

WHEREAS, the City of Newburgh desires to advance the Project by making a commitment of 100% of the non-federal share of the costs of right-of-way incidental, right-of-way acquisition, construction, and construction inspection work for the Project or portions thereof;

NOW, THEREFORE, the Newburgh City Council, duly convened does hereby

RESOLVE, that the Newburgh City Council hereby approves the above-subject Project; and it is hereby further

RESOLVED, that the Newburgh City Council hereby authorizes the City of Newburgh to pay in the first instance 100% of the federal and non-federal share of the cost of right-of-way incidental, right-of-way acquisition, construction, and construction inspection for the Project or portions thereof; and it is further

RESOLVED, that the sum of \$700,670 (\$2,779,215 minus the previous \$2,078,545) is hereby appropriated from OCTC TIP Reserve Fund A.0000.0882.0000 and the 2016 BAN H1.5110.0208.8102.2016 and made available to cover the cost of participation in the above phase of the Project; and it is further

RESOLVED, that in the event the full federal and non-federal share costs of the project exceeds the amount appropriated above, the Newburgh City Council shall convene as soon as possible to appropriate said excess amount immediately upon the notification by the City Manager thereof; and it is further

RESOLVED, that the Newburgh City Manager be and is hereby authorized to execute all necessary Agreements, certifications or reimbursement requests for Federal Aid and/or applicable Marchiselli Aid on behalf of the City of Newburgh with the New York State Department of Transportation in connection with the advancement or approval of the Project and providing for the administration of the Project and the municipality's first instance funding of project costs and permanent funding of the local share of federal-aid and state-aid eligible Project costs and all Project costs within appropriations therefore that are not so eligible; and it is further

RESOLVED, that in addition to the City Manager, the following municipal titles: Mayor, Deputy Mayor, Commissioner of Public Works/City Engineer, and City Comptroller, are also hereby authorized to execute any necessary Agreements or certifications on behalf of the Municipality/Sponsor, with NYSDOT in connection with the advancement or approval of the project identified in the State/Local Agreement; and it is further

RESOLVED, that a certified copy of this resolution be filed with the New York State Commissioner of Transportation by attaching it to any necessary Agreement in connection with the Project; and it is further

RESOLVED, this Resolution shall take effect immediately.

STATE OF NEW YORK)

) ss:

COUNTY OF ORANGE)

I, _____, Clerk of the City of Newburgh, New York, do hereby certify that I have compared the foregoing copy of this Resolution with the original on file in my office, and that the same is a true and correct transcript of said original Resolution and of the whole thereof, as duly adopted by said _____ at a meeting duly called and held at the _____ on _____ by the required and necessary vote of the members to approve the Resolution.

WITNESS My Hand and the Official Seal of the City of Newburgh, New York, this _____ day of _____, 2023.

Clerk, City of Newburgh

March 28, 2023

Mr. Jason Morris, P.E., City Engineer
City of Newburgh
83 Broadway
Newburgh, NY 12550

**RE: PIN 8761.39 – CONSTRUCTION PHASE LAKE
DRIVE/QUASSAICK CREEK
CITY OF NEWBURGH, ORANGE COUNTY**

SUPPLEMENTAL AGREEMENT #3 – D035371

Dear Mr. Morris,

Attached is one (1) Supplemental Agreement to include the additional right-of-way incidental, right-of-way acquisition, construction, construction inspection funds, decreases the preliminary engineering funds, and changes the contract end date from 12/2021 to 12/2026 for the above-referenced project. One (1) executed copy of the agreement, along with one (1) individually signed signature page, **EACH with original signatures and notarizations, and one (1) certified seal-stamp resolution should be provided.** The complete package should be returned to this office. A sample resolution is included for your use.

As a reminder per Chapter 15, Administering Construction Contracts; Section 15.4.8 Civil Rights Reporting:

The Contractor and all subcontractors and suppliers will utilize New York State Department of Transportation Equal Employment Opportunity reporting software, which is currently “Equitable Business Opportunities” (EBO). The Sponsor will monitor prime’s payments to subcontractor and ensure that subcontractors are paid promptly per specifications. In addition, the sponsor is to monitor EEO goals on a monthly basis and take corrective action if goals are not being met; reference NYSDOT Standard Specifications Section 102-11, Equal Employment Opportunity Requirements.

Your assistance in having the agreement approved by the Newburgh City Council, and signed by the City Manager and City Attorney is appreciated. Of course, if you have any questions, please call me at (845) 431-5731 or e-mail me at Giselle.gutierrez@dot.ny.gov.

Sincerely,

A handwritten signature in cursive script that reads "Giselle Gutierrez".

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$25,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law § 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this

contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment, nor subject any individual to harassment, because of age, race, creed, color, national origin, sexual orientation, gender identity or expression, military status, sex, disability, predisposing genetic characteristics, familial status, marital status, or domestic violence victim status or because the individual has opposed any practices forbidden under the Human Rights Law or has filed a complaint, testified, or assisted in any proceeding under the Human Rights Law. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law.

Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2 NYCRR § 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, the "Records"). The

Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee's Federal employer identification number, (ii) the payee's Federal social security number, and/or (iii) the payee's Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.

In accordance with Section 312 of the Executive Law and 5 NYCRR Part 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor's equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a," "b," and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and

improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this clause. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development's Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State

or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in § 165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES (APPLICABLE ONLY IN NON-FEDERAL AID NEW YORK STATE CONTRACTS). In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

20. OMNIBUS PROCUREMENT ACT OF 1992 (APPLICABLE ONLY IN NON-FEDERAL AID NEW YORK STATE CONTRACTS). It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority- and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

Information on the availability of New York State subcontractors and suppliers is available from:

NYS Department of Economic Development
Division for Small Business
Albany, New York 12245
Telephone: 518-292-5100
Fax: 518-292-5884
email: opa@esd.ny.gov

A directory of certified minority- and women-owned business enterprises is available from:

NYS Department of Economic Development
Division of Minority and Women's Business Development
633 Third Avenue
New York, NY 10017

The Omnibus Procurement Act of 1992 (Chapter 844 of the Laws of 1992, codified in State Finance Law § 139-i and Public Authorities Law § 2879(3)(n)-(p)) requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority- and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively, codified in State Finance Law § 165(6) and Public Authorities Law § 2879(5))) require that they be denied contracts which they would otherwise obtain. NOTE: As of October 2019, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii.

22. COMPLIANCE WITH BREACH NOTIFICATION AND DATA SECURITY LAWS. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law § 899-aa and State Technology Law § 208) and commencing March 21, 2020 shall also comply with General Business Law § 899-bb.

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4)(g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law §§ 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law §§ 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law § 5-a, if the contractor fails to make the certification required by Tax Law § 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law § 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law § 165-a that it is not on the "Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012" ("Prohibited Entities List") posted at: <https://ogs.ny.gov/list-entities-determined-be-non-responsive-biddersofferers-pursuant-nys-iran-divestment-act-2012>

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law § 165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

27. ADMISSIBILITY OF REPRODUCTION OF CONTRACT. Notwithstanding the best evidence rule or any other legal principle or rule of evidence to the contrary, the Contractor acknowledges and agrees that it waives any and all objections to the admissibility into evidence at any court proceeding or to the use at any examination before trial of an electronic reproduction of this contract, in the form approved by the State Comptroller, if such approval was required, regardless of whether the original of said contract is in existence.

SAMPLE RESOLUTION BY MUNICIPALITY
(Locally Administered Project)
RESOLUTION NUMBER:_____

Authorizing the implementation, and funding in the first instance 100% of the federal-aid [[[and State "Marchiselli" Program-aid]]] eligible costs, of a transportation federal-aid project, and appropriating funds therefore.

WHEREAS, a Project for the **Bridge Replacement of Lake Drive over Quassaick Creek (BIN 2223630) in the City of Newburgh, Orange County, PIN 8761.39** (the "Project") is eligible for funding under Title 23 U.S. Code, as amended, that calls for the apportionment of the costs such program to be borne at the ratio of 80% Federal funds and 20% non-federal funds; and

WHEREAS, Resolution No. 157-2019 adopted by the City of Newburgh on July 8, 2019 approved and agreed to advance the Project by making a commitment of 100% of the non-federal share of the costs of right-of-way acquisition work.

WHEREAS, Resolution No. _____ adopted by the City of Newburgh on _____ approved and agreed to advance the Project by making a commitment of 100% of the non-federal share of the costs of preliminary engineering and right-of-way incidental work.

WHEREAS, Resolution No. _____ adopted by the City of Newburgh on _____ approved and agreed to advance the Project by making a commitment of 100% of the non-federal share of the costs of the construction and construction inspection work.

WHEREAS, it was subsequently found necessary to undertake additional right-of-way incidental, right-of-way acquisition, construction, and construction inspection work not contemplated in the original agreement authorized by the previous Resolution; and

WHEREAS, it has been found necessary to increase the federal and non-federal share of costs for the additional right-of-way incidental, right-of-way acquisition, construction, and construction inspection work for the project; and

WHEREAS, the City of Newburgh desires to advance the Project by making a commitment of 100% of the non-federal share of the costs of right-of-way incidental, right-of-way acquisition, construction, and construction inspection work for the Project or portions thereof.

NOW, THEREFORE, the Newburgh City Council, duly convened does hereby

RESOLVE, that the Newburgh City Council hereby approves the above-subject project; and it is hereby further

RESOLVED, that the Newburgh City Council hereby authorizes the City of Newburgh to pay in the first instance 100% of the federal and non-federal share of the cost of right-of-way incidental, right-of-way acquisition, construction, and construction inspection for the Project or portions thereof; and it is further

RESOLVED, that the sum of \$700,670 (\$2,779,215 minus the previous \$2,078,545) is hereby appropriated from _____ [or, appropriated pursuant to _____] and made available to cover the cost of participation in the above phase of the Project; and it is further

RESOLVED, that in the event the full federal and non-federal share costs of the project exceeds the amount appropriated above, the Newburgh City Council shall convene as soon as possible to appropriate said excess amount immediately upon the notification by the City Manager thereof, and it is further

RESOLVED, that the Newburgh City Manager be and is hereby authorized to execute all necessary Agreements, certifications or reimbursement requests for Federal Aid and/or applicable Marchiselli Aid on behalf of the City of Newburgh with the New York State Department of Transportation in connection with the advancement or approval of the Project and providing for the administration of the Project and the municipality's first instance funding of project costs and permanent funding of the local share of federal-aid and state-aid eligible Project costs and all Project costs within appropriations therefore that are not so eligible, and it is further

RESOLVED, that in addition to the City Manager, the following municipal titles: Mayor, Deputy Mayor, City Engineer, City Comptroller, _____ are also hereby authorized to execute any necessary Agreements or certifications on behalf of the Municipality/Sponsor, with NYSDOT in connection with the advancement or approval of the project identified in the State/Local Agreement;

RESOLVED, that a certified copy of this resolution be filed with the New York State Commissioner of Transportation by attaching it to any necessary Agreement in connection with the Project, and it is further

RESOLVED, this Resolution shall take effect immediately.

STATE OF NEW YORK)
) SS:
COUNTY OF ORANGE)

I, _____, Clerk of the City of Newburgh, New York,
do hereby certify that I have compared the foregoing copy of this Resolution with the
original on file in my office, and that the same is a true and correct transcript of said
original Resolution and of the whole thereof, as duly adopted by said
_____ at a meeting duly called and held at the
_____ on _____ by the required and necessary
vote of the members to approve the Resolution.

WITNESS My Hand and the Official Seal of the City of Newburgh, New York, this
_____ day of _____, 2023.

Clerk, City of Newburgh

RESOLUTION NO.: _____ - 2023

OF

APRIL 24, 2023

**A RESOLUTION AUTHORIZING CHANGE ORDER NO. 7G TO
THE CONSTRUCTION CONTRACT WITH TAM ENTERPRISES, INC. FOR
THE DOWNING POND AND THIRD STREET STORM SEWER PROJECT**

WHEREAS, by Resolution No. 218-2021 of September 27, 2021, the City Council of the City of Newburgh, New York awarded a bid to TAM Enterprises, Inc. in the amount of \$3,100,000.00 for the construction of the Downing Pond Drain Outlet and Third Street Storm Sewer Project; and

WHEREAS, additional work consisting of unanticipated costs for the removal of unsuitable subbase and the addition of driveway ramps added \$35,998.83 to the contract price increasing the contract amount to \$4,229,355.33; and

WHEREAS, TAM Enterprises, Inc. has submitted Change Order No. 7G with funding for the change order derived from the CHIPS program; and

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he hereby is authorized to execute Change Order No. 7G with the TAM Enterprises, Inc. in the amount of \$35,998.83 in the Downing Pond Drain Outlet and Third Street Storm Sewer Project.

Date of Issuance: March 29, 2023	Effective Date: April____, 2023
Owner: City of Newburgh	Owner's Contract No.: 11.21
Contractor: TAM Enterprises Inc	Contractor's Project No.:
Engineer: Arcadis of New York, Inc	Engineer's Project No.: 30055884
Project: New Drain Outlet at Downing Park and Third Street Storm Sewer	Contract Name: General Construction

The Contract is modified as follows upon execution of this Change Order:

Description:

Add \$35,998.83 to Item No. 9 "Pavement Reclamation" to make the total amount for Item No. 9 be \$421,993.68. This increase to Item No. 9 covers unanticipated costs that were paid as part of Pavement Reclamation Contingency Authorization #1 for removal of unsuitable subbase and the addition of driveway ramps.

RESOLUTION NO.: _____ - 2023

OF

APRIL 24, 2023

**A RESOLUTION AUTHORIZING CHANGE ORDER NO. 8G TO
THE CONSTRUCTION CONTRACT WITH TAM ENTERPRISES, INC. FOR
THE DOWNING POND AND THIRD STREET STORM SEWER PROJECT**

WHEREAS, by Resolution No. 218-2021 of September 27, 2021, the City Council of the City of Newburgh, New York awarded a bid to TAM Enterprises, Inc. in the amount of \$3,100,000.00 for the construction of the Downing Pond Drain Outlet and Third Street Storm Sewer Project; and

WHEREAS, the construction of two additional catch basins and new 12-inch storm sewer on Dubois Street connected to the 24-inch storm sewer on Third Street by a blind connection; the investigation of unknown and unmarked electrical line discovered during construction; additional trench paving and site restoration as part of lead water service line replacements; and the construction of a sump pump to the Electrical and Controls Vault added a net increase of \$60,052.92 to the contract price increasing the contract amount to \$4,289,408.25; and

WHEREAS, TAM Enterprises, Inc. has submitted Change Order No. 8G with funding for the change order in an amount of \$57,031.09 to be derived from an existing NYSEFC grant/loan C3-7332-11-00. in an amount of \$3,021.83 to be derived from HF1.8396.0448.0000; and

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he hereby is authorized to execute Change Order No. 8G with the TAM Enterprises, Inc. in the amount of \$60,052.92 in the Downing Pond Drain Outlet and Third Street Storm Sewer Project.

Change Order No. 8G

Date of Issuance: March 29, 2023	Effective Date: April ____, 2023
Owner: City of Newburgh	Owner's Contract No.: 11.21
Contractor: TAM Enterprises Inc	Contractor's Project No.:
Engineer: Arcadis of New York, Inc	Engineer's Project No.: 30055884
Project: New Drain Outlet at Downing Park and Third Street Storm Sewer	Contract Name: General Construction

The Contract is modified as follows upon execution of this Change Order:

Description:

1. Construction of two additional catch basin and new 12-inch storm sewer on Dubois Street that is connected to the 24-inch storm sewer on Third Street via a blind connection. Total cost of this change amounted to \$51,761.15.
2. Investigation of unknown and unmarked electrical line that was discovered while constructing the Electrical and Controls Vault. Total cost of this investigation amounted to \$3,541.49.
3. Additional trench paving and site restoration was required as part of replacing lead water service lines. Total cost of this work amounted 3,021.83.
4. Construction of a sump pump to the Electrical and Controls Vault to remove any groundwater that seeps in and condensation that builds up. Total cost of this change amounted to \$1,728.45.

Attention: Chad Young

Re: Downing Park Drainage, Newburgh NY

Dear Mr. Young,

On behalf of Advance Testing, I would like to thank you for giving us the opportunity to submit a proposal for the Downing Park Drainage project located in Newburgh, NY.

I have attached a fee schedule and contract for your review. If you have any questions or would like more information, please do not hesitate to contact me at (845) 496-1600 ext. 238 or email me at adimarco@advancetesting.com.

Thank you again for considering Advance Testing.

Sincerely,

Anthony DiMarco
Business Development Associate

Chad Young
TAM Enterprises
May 25, 2022

Downing Park Drainage, Newburgh NY
Proposal #P22_0727

FEE SCHEDULE

Technician Type*:	Half Day Rate	Full Day Rate
Soil Compaction Technician	\$ 370.00	\$ 685.00
Concrete** Technician	\$ 370.00	\$ 685.00

Other Services:	Rate
Professional Engineer (<i>if needed</i>), per hour	\$ 195.00

***Technician Notes:**

- Rate is per each inspector, Monday-Friday. Half day rate includes travel time, mileage, and up to four hours of time on site. Full day rate includes travel time, mileage, and up to eight hours of time on site. Overtime and Saturday rates will be charged at 1.5 times the regular rate. Sunday and Holiday rates will be charged at 2.0 times the regular rate. Any necessary travel/hotel/parking expenses will be billed to client at cost. Please call Advance Testing for all contracted inspection services 24 hours in advance.

****Concrete Notes:**

- In accordance with ACI 318-11 and ACI 301-10, Building Code Requirements for Structural Concrete, Advance Testing copies the concrete supplier on all concrete compressive strength results. If you would prefer that Advance Testing not send these results to the supplier, please inform Advance Testing of this preference in writing prior to the start of the project.
- Concrete cylinders are required to be picked up from the project site within 48 hours of being cast. Advance Testing will follow this procedure and pick up any cylinders cast within 48 hours, unless otherwise requested not to do so in writing. Cylinder pick-ups are invoiced at the noted sample pick-up rates as shown on the Fee Schedule.
- Except as otherwise required by the project specifications, Advance Testing will cast one set of cylinders per 50 yards³ of concrete placed.
- Advance Testing is not responsible for the mix design or for the QC/QA at the producer unless expressly set forth in Advance Testing's Scope of Work annexed hereto; or for the supplier or contractor's failure to comply with the design, the drawings and specifications, or applicable codes and standards; or for the contractor's means and methods of construction.
- This Fee Schedule is subject to the terms and conditions of the annexed Service Agreement, which is incorporated as if set forth fully herein.

Downing Park Drainage, Newburgh NY
Proposal #P22_0727

FEE SCHEDULE

Sample Pick-up:	Per Trip
Sample Pick-up Charges (<i>as needed</i>)	\$95.00

Equipment:	Per Day
Density Gauge	\$ 80.00

Laboratory Testing:	Price Per Test
Soil Gradation Analysis	\$ 50.00
Wash Sieve Analysis	\$ 35.00
Full Standard or Modified Proctor Test for Soils (min. of 4 points)	\$ 190.00
Compressive Strength of Advance Testing-cast Concrete Cylinders	\$ 14.75
Compressive Strength of Client-cast Concrete Cylinders (incl. capping/sample prep)	\$ 16.50

**To indicate acceptance of this fee schedule for the above-mentioned project,
Please return a signed copy to our office via email or fax at your earliest convenience.**

Payment Terms: Advance Testing Company will prepare a bi-weekly bill which will set forth services rendered and other charges. The amount is due upon receipt of the bill. All amounts not paid within thirty (30) days after the invoice date shall bear an additional charge of one and one-half (1 ½) percent per month until paid.

Respectfully submitted by: Anthony DiMarco

Proposal #P22_0727

SERVICE AGREEMENT

This Agreement was made as of May 25, 2022 by and between ADVANCE TESTING COMPANY, INC., which is a Delaware corporation with principal offices located at 3348 Route 208, Campbell Hall, NY (Hereinafter called "ADVANCE"), and TAM Enterprises (Hereinafter called "CLIENT"). CLIENT'S project is Downing Park Drainage, Newburgh NY (Hereinafter called "PROJECT").

The CLIENT and ADVANCE, for mutual considerations hereinafter set forth, agree as follows:

1. SCOPE OF SERVICES AND SCHEDULE OF PERFORMANCE: As per attached Proposal dated May 25, 2022.
2. COMPENSATION: In consideration of the services rendered, the CLIENT agrees to pay ADVANCE as per attached Fee Schedule to the extent ADVANCE performs the services requested.
3. COMMENCEMENT OF SERVICES: ADVANCE shall not begin work until ADVANCE has received a fully executed AGREEMENT; and an advance payment of \$ ____N/A____.
4. PAYMENT TERMS: ADVANCE will prepare a bi-weekly bill which will set forth services rendered and other charges. The amount is due upon receipt of the bill. All amounts not paid within thirty (30) days after the bill's mailing date shall bear an additional charge of one and one-half (1 ½) percent per month until paid. Whenever the amount is past due more than forty-five (45) days after bill mailing, ADVANCE may suspend any further work or document delivery called for by this AGREEMENT until such account is made current. The fact that ADVANCE may continue to work beyond the time during which it may have suspended the work shall not be deemed to be a waiver of its rights hereunder. The CLIENT shall be responsible and shall pay ADVANCE for all costs, including attorney's fees, incurred as a result of the collection of any overdue balances. Any advance payment shall be applied to the last charges on the project.
5. INSURANCE AND LIMITATIONS: ADVANCE will maintain statutory workman's compensation insurance, and auto liability insurance to the extent required by law; and general liability insurance as may be reasonably available in the insurance market.
 - a. ADVANCE'S liability for damages resulting from Professional Services errors and omissions shall be limited to a sum not to exceed \$5,000.00 or ADVANCE'S fee, whichever is greater.
 - b. In the event the CLIENT makes a claim in litigation against ADVANCE under the provisions of this AGREEMENT and the CLIENT fails to prove such claim, then the CLIENT shall pay all reasonable charges for ADVANCE'S work, and all costs and expense incurred by ADVANCE in defending itself against the claim, including reasonable attorney fees.
6. ADVANCE shall have the right to declare this AGREEMENT null and void if not executed and returned to ADVANCE by the CLIENT within 30 days.
7. The unit rates in this proposal are based upon the work being performed during regular daytime shifts, Monday through Friday.
8. An automatic increase of 4% will be added at the end of each year.
9. Management time will be billed at \$ 95.00 per hour (minimum 4 hour charge/meeting) for attendance at jobsite meetings, if we are requested to be there by the CLIENT.
10. If overtime, weekend or holiday work is required, the following rates shall apply:
 - a. Monday – Friday: overtime shall apply after the initial 8 hours of work, and equal 1.5 times the regular rate of the task(s) being performed
 - b. Saturday: all time worked shall be billed at 1.5x the regular rate for the task(s) being performed
 - c. Sunday and Holidays: all time worked shall be billed at 2.0 times the regular rate for the task(s) being performed.

Downing Park Drainage, Newburgh NY
Proposal #P22_0727

11. A cancellation charge, equal to half-day unit rate (4 hour minimum), will be charged if the scheduled ADVANCE personnel are en route to jobsite, provided and are not utilized, or cannot perform their work because of weather conditions, site conditions, and/or forces beyond their control.
12. While traveling to and from project site, if Advance Testing technician encounters traffic conditions out of our control that results in additional travel time beyond expected average commute to project site, this additional travel time will be billed.
13. Weekend and holiday cancellation charge will be billed at the applicable full-day rate.
14. Parking fees will be charged separately at cost.
15. Reimbursable expenses shall include transportation and per diem expense for out-of-town work, special delivery services, and unusual reproduction expenses.
16. CLIENT is responsible for notifying ADVANCE of all requested testing and inspection services at least 24 hours prior to the date such services are required, as well as for re-inspection of all non-conforming items.
17. ADVANCE reserves the right to adjust the rates quoted herein if this agreement is not approved and returned by the CLIENT within 30 days.
18. The rates used in this proposal are valid for one (1) year from date of issuance.
19. Professional Engineering services will be invoiced at \$ 195.00 per hour subject to adjustment as provided herein.
20. Free and clear access to the work must be provided to ADVANCE personnel by the CLIENT. The CLIENT represents that it has the full legal right, as an owner, tenant, contractor or representative of such party to engage ADVANCE for the services requested and to provide ADVANCE legal access to the premises in order to perform the services, and shall indemnify and hold harmless ADVANCE and its employees against all claims, loss, injury and damage including without limitation ADVANCE'S reasonable legal fees and costs in the event such representation is not true.
21. CLIENT agrees that a scanned and electronically stored version of this document may be employed for all purposes, and shall be admissible in any legal proceeding as if it were an original.
22. ADVANCE shall not be responsible for continuous or exhaustive inspection or testing, it being understood that ADVANCE shall conduct such inspections and testing in accordance with prevailing industry standards.
23. No party other than the CLIENT shall be entitled to rely or claim reliance on services performed by ADVANCE hereunder.
24. This document embodies the complete integration of the parties' agreement and all prior representations, promises and conditions are merged herein. This agreement may not be changed or modified except in a writing signed by both parties.

This AGREEMENT is effective on the last signed date.

Attention: Chad Young

Re: Downing Park Drainage, Newburgh NY

Dear Mr. Young,

On behalf of Advance Testing, I would like to thank you for giving us the opportunity to submit a proposal for the Downing Park Drainage project located in Newburgh, NY.

I have attached a fee schedule and contract for your review. If you have any questions or would like more information, please do not hesitate to contact me at (845) 496-1600 ext. 238 or email me at adimarco@advancetesting.com.

Thank you again for considering Advance Testing.

Sincerely,

Anthony DiMarco
Business Development Associate

Chad Young
TAM Enterprises
May 25, 2022

Downing Park Drainage, Newburgh NY
Proposal #P22_0727

FEE SCHEDULE

Technician Type*:	Half Day Rate	Full Day Rate
Soil Compaction Technician	\$ 370.00	\$ 685.00
Concrete** Technician	\$ 370.00	\$ 685.00

Other Services:	Rate
Professional Engineer (<i>if needed</i>), per hour	\$ 195.00

***Technician Notes:**

- Rate is per each inspector, Monday-Friday. Half day rate includes travel time, mileage, and up to four hours of time on site. Full day rate includes travel time, mileage, and up to eight hours of time on site. Overtime and Saturday rates will be charged at 1.5 times the regular rate. Sunday and Holiday rates will be charged at 2.0 times the regular rate. Any necessary travel/hotel/parking expenses will be billed to client at cost. Please call Advance Testing for all contracted inspection services 24 hours in advance.

****Concrete Notes:**

- In accordance with ACI 318-11 and ACI 301-10, Building Code Requirements for Structural Concrete, Advance Testing copies the concrete supplier on all concrete compressive strength results. If you would prefer that Advance Testing not send these results to the supplier, please inform Advance Testing of this preference in writing prior to the start of the project.
- Concrete cylinders are required to be picked up from the project site within 48 hours of being cast. Advance Testing will follow this procedure and pick up any cylinders cast within 48 hours, unless otherwise requested not to do so in writing. Cylinder pick-ups are invoiced at the noted sample pick-up rates as shown on the Fee Schedule.
- Except as otherwise required by the project specifications, Advance Testing will cast one set of cylinders per 50 yards³ of concrete placed.
- Advance Testing is not responsible for the mix design or for the QC/QA at the producer unless expressly set forth in Advance Testing's Scope of Work annexed hereto; or for the supplier or contractor's failure to comply with the design, the drawings and specifications, or applicable codes and standards; or for the contractor's means and methods of construction.
- This Fee Schedule is subject to the terms and conditions of the annexed Service Agreement, which is incorporated as if set forth fully herein.

Chad Young
TAM Enterprises
May 25, 2022

Downing Park Drainage, Newburgh NY
Proposal #P22_0727

FEE SCHEDULE

Sample Pick-up:	Per Trip
Sample Pick-up Charges (<i>as needed</i>)	\$95.00

Equipment:	Per Day
Density Gauge	\$ 80.00

Laboratory Testing:	Price Per Test
Soil Gradation Analysis	\$ 50.00
Wash Sieve Analysis	\$ 35.00
Full Standard or Modified Proctor Test for Soils (min. of 4 points)	\$ 190.00
Compressive Strength of Advance Testing-cast Concrete Cylinders	\$ 14.75
Compressive Strength of Client-cast Concrete Cylinders (incl. capping/sample prep)	\$ 16.50

**To indicate acceptance of this fee schedule for the above-mentioned project,
Please return a signed copy to our office via email or fax at your earliest convenience.**

Payment Terms: Advance Testing Company will prepare a bi-weekly bill which will set forth services rendered and other charges. The amount is due upon receipt of the bill. All amounts not paid within thirty (30) days after the invoice date shall bear an additional charge of one and one-half (1 ½) percent per month until paid.

Respectfully submitted by: Anthony DiMarco

RESOLUTION NO.: _____ - 2023

OF

APRIL 24, 2023

**A RESOLUTION DECLARING DEPARTMENT OF PUBLIC WORKS AND
POLICE DEPARTMENT VEHICLES AND EQUIPMENT AS SURPLUS**

WHEREAS, the City of Newburgh Department of Public Works possesses one 2007 Dodge RAM 3500 dump truck, 2007 Dodge RAM 2500 pick-up truck, one 2006 Dodge RAM 2500 pick-up truck, one 2006 Dodge RAM 3500 dump truck, one 1995 Chevrolet 2500 pick-up truck, one 1989 Chevrolet pick-up truck, one 2010 10-1 International VacCon, a MI-T-M pressure washer, three air/hydraulic jacks, one Jumping Jack Tamper, and one John Deere 25A flail mower, which are no longer of use to the City; and

WHEREAS, the City of Newburgh Police Department possesses one 2011 Chevrolet Tahoe and 7 to 10 miscellaneous vehicle seats, which are no longer of use to the City; and

WHEREAS, the City Departments have requested that the vehicles and equipment be designated as surplus and sold; and

WHEREAS, the City Council has determined that declaring the vehicles and equipment as surplus is in the best interests of the City of Newburgh; and

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the vehicles and equipment identified on the schedule attached hereto and made part hereof are hereby declared to be surplus and of no further use or value to the City of Newburgh; and

BE IT FURTHER RESOLVED, that the City Manager and/or City Comptroller be and they are hereby authorized to execute any required documents and conduct all necessary transactions to dispose of said surplus vehicles in accordance with the City of Newburgh's Surplus Property Disposition Policy and Procedure adopted by Resolution No. 174-2014 of July 14, 2014.

RESOLUTION NO.: _____ - 2023

OF

APRIL 24, 2023

**A RESOLUTION TO RATIFY THE AWARD OF A BID AND THE EXECUTION OF
A CONTRACT WITH ENERGO ENERGY F/K/A MARATHON ENERGY
FOR GAS SUPPLY SERVICES TO THE CITY OF NEWBURGH
FOR A FIXED TERM COMMENCING IN OCTOBER 2023 AND
ENDING IN APRIL 2024 AT A COST OF \$0.5209 PER THERM
AND \$0.5376 PER CCF (*CENTUM CUBIC FEET*)**

WHEREAS, by Resolution No.: 56-2023 of April 10, 2023, this Council authorized the bid for the gas supply services contract to be awarded to the lowest responsible bidder, providing for a six month winter term beginning in October 2023 and ending in April 2024, and further authorized the City Manager to execute a contract for the provision of gas services, with all such terms and conditions as may be required by the Corporation Counsel and subject to ratification of the final pricing by this Council; and

WHEREAS, on behalf of the City of Newburgh, M & R Energy Resources Corporation has duly advertised for bids for the gas supply services contract; and

WHEREAS, bids were duly received and opened and Energo Energy f/k/a Marathon Energy is the low bidder for the gas supply services;

NOW, THEREFORE, BE IT RESOLVED, that the Council of the City of Newburgh New York, hereby ratifies the bid for the gas supply services contract with Energo Energy f/k/a Marathon Energy, providing for a six month winter term beginning in October 2023 and ending in April 2024, at a cost of \$0.5209 per therm and \$0.5376 per Ccf (centum cubic feet).

RESOLUTION NO.: 56 - 2023

OF

APRIL 10, 2023

**A RESOLUTION TO AUTHORIZE THE AWARD OF A BID AND THE EXECUTION
OF A CONTRACT FOR GAS SUPPLY TO THE CITY OF NEWBURGH FOR
A WINTER TERM TO THE LOWEST RESPONSIBLE BIDDER**

WHEREAS, on behalf of the City of Newburgh, M&R Energy Resources Corporation has duly advertised for bids for the electric supply services contract and for gas supply services contract in 2015, 2017, 2019 and 2021; and

WHEREAS, M&R Energy Resources Corporation has advised that there are several factors driving volatility in the New York gas market; and

WHEREAS, M&R Energy Resources Corporation intends to extend the time to submit bids to lock in rates for a winter term beginning in October 2023 and ending in April 2024 in order to obtain the best possible renewal pricing and yield predictable natural gas costs for the renewal period; and

WHEREAS, securing the lowest bid and locking in the greatest annual savings, gas supply services contracts will occur between City Council meetings; and

WHEREAS, the City Council finds that authorizing M&R Energy Resources Corporation to duly advertise for bids for the gas supply services contract and to open and return said bids before the next City Council meeting and authorizing the City Manager to execute contracts for the lowest prices to be in the best interest of the City of Newburgh;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York, that the bid for the gas supply services contract be and hereby is awarded to the lowest responsible bidder, providing for a six month winter term beginning in October 2023 and ending in April 2024, and that the City Manager be and he is hereby authorized to execute a contract for the provision of gas services, with all such terms and conditions as may be required by the Corporation Counsel and subject to ratification of the final pricing by this Council.

CUSTOMER DISCLOSURE STATEMENT

Price	Fixed, NYMEX+, Electric Index + or Variable
How Price is Determined	<p>Electric: Fixed, Electric Index + or Variable Price per the UOM as indicated above <input type="checkbox"/> (Does not include Gross Receipts Tax if box is checked)</p> <p>Gas: Fixed, NYMEX+ or Variable Price per the UOM as indicated above <input type="checkbox"/> (Does not include Line Losses if box is checked)</p> <p>Gas Variable Price shall reflect each month the cost to Marathon to obtain natural gas on your behalf, including, but not limited to, commodity, fuel losses, term capacity, storage, balancing, and transportation to the Delivery Point, plus all fees, applicable taxes, charges, or other assessments, and Marathon's costs, expenses, and profit margins. Weather patterns may cause increases in the variable rate.</p> <p>Electric Variable Price shall reflect each month the cost to Marathon to obtain electricity on your behalf, including, but not limited to, energy, UFE losses, capacity, balancing, settlement, ancillaries, and related transmission and distribution charges, and other market-related factors, plus all fees, applicable taxes, charges, or other assessments, and Marathon's costs, expenses, and margins.</p> <p>NYMEX+ Pricing: shall reflect each month a floating price that may vary based on the monthly NYMEX Henry Hub Natural Gas settlement price on the last day of trading per Dth (adjusted for line losses, converted to the UOM as indicated above, adjusted for POR, each where applicable), prorated by the number of days applicable to each month for the billing cycle, plus the Fixed adder per the UOM as indicated above.</p> <p>Electric Index Price shall reflect each month a floating price that may vary based on the weighted average Day Ahead Locational Based Marginal Pricing (LBMP) price per the UOM as indicated above of the ISO Zone for Customer's service location weighted by Customer's load profile as determined by Customer's LDC, plus losses, adjusted for POR where applicable, plus the fixed adder per the UOM as indicated above. Customer has been advised of all risks associated by signing this contract. Once account has been enrolled, and the LDC has identified a different service class, Marathon reserves the right to adjust the account according to LDC rate classification at current corresponding price plan.</p> <p>In the event of any changes in capacity, transmission related charges, changes to environmental attributes (including zero-emission credits or ZECs) and/or regulatory or other changes, Marathon reserves the right to increase or decrease pricing and/or terminate this Agreement. See sections 4 – Pricing and 17 – Applicable Laws</p>
Length of the agreement and end date ("Term")	For Variable Price Service, the Term continues until either party terminates this Agreement. For Non-Variable Price Service, the Term is for 12 months, unless otherwise specified above (the "Initial Term"). See section 5 – Term.
Process customer may use to rescind the agreement	Door-to-door Customers may rescind by calling the toll-free number at 888-378-9898 within three (3) business days of receipt of the sales agreement.
Early Termination Fees ("ETF") and method of calculation	No ETF for Variable Price service. If Non-Variable Price service, the projected amount of natural gas and/or electricity to be consumed by customer for the remainder of the current Term (see section 5 – Term) multiplied by the difference between the Non-Variable price in effect for the remainder of the current Term and the price at which Marathon can sell such gas and/or electricity following the termination; however, for all customers solicited through door-to-door marketing, the ETF will be no greater than \$100.00 if the remaining term is less than 12 months and \$200.00 if the remaining term is 12 months or more. See Section 6 – Termination of Non-Variable Agreements. Agreement is based on the energy consumption used in the prior year. A deviation of 100 % or more may result in additional fees for all commercial customers. See section 4 – Pricing.
Amount of Late Payment Fee and method of calculation	1.5% per month on overdue balances.
Provisions for renewal of the agreement	For Variable Price Service, the Term continues until either party terminates this Agreement. For Non-Variable Price Service, after the end of the Initial Term, this Agreement will automatically continue at a variable rate methodology unless and until this Agreement is terminated by customer. Not less than 15 days and no more than 60 days prior to the expiration of the Initial Term, Marathon will notify Customer in writing and/or by email of the switch to variable rate methodology at which Marathon will continue to serve Customer. Customer will have 15 days from Customer's receipt of such renewal notice to reject this offer and terminate the Agreement. If Marathon does not receive notice of Customer's termination of this Agreement, this Agreement will continue in full force and effect until canceled by customer. See Section 5 – Term.
Regulatory or Other Changes	If at some future date there is a change in law, rule, regulation, guideline, procedure, tariff, utility, ISO design, ICAP tag, formula or formula input, demand charge, regulatory structure, environmental attribute, emissions requirement, production requirement, component level, component price level or the interpretation or application of any of the foregoing that impacts any term, condition or provision of the agreement, including, but not limited to price, Marathon shall have the right to modify the Agreement. See sections 4 – Pricing and 17 – Applicable Laws. For the avoidance of doubt, any item that is not within the direct control of Marathon and that does or is forecasted to impact Marathon's costs, may result in a modification.
Guaranteed Savings	This Agreement does not offer guaranteed savings and your rate may be higher than the Utility rate.

General Terms and Conditions

1. **Agreement to Sell and Purchase Energy.** This is an agreement between Marathon Power, LLC D/B/A Marathon Energy ("Marathon"), an independent energy services company, and you ("Customer") under which Customer authorizes Marathon to initiate natural gas and/or electricity supply service and begin Customer's enrollment with Marathon ("Agreement"). Subject to the terms and conditions of this Agreement, Marathon agrees to sell, and Customer agrees to purchase and accept all the natural gas and/or electricity required to serve Customer's account(s) listed on Schedule A of this Agreement ("Base Load"). Marathon does not guarantee savings under this Agreement. Customer's utility ("LDC") will continue to deliver the natural gas and/or electricity supplied by Marathon. Marathon is not affiliated with and does not represent Customer's LDC.
2. **Information Release Authorization.** Customer authorizes Marathon to obtain and review information regarding Customer's credit history from credit reporting agencies and information from Customer's LDC, which shall include but not be limited to the following: consumption history, billing determinants, account numbers, credit information; data applicable to cold weather periods under section 32(3) of the NY Public Service Law; information pertaining to section 33 of the NY Public Service Law; tax status; and eligibility for economic development or other incentives (collectively, "Customer Information"). This information may be used by Marathon to determine whether it will commence and/or continue to provide energy supply service to Customer and will not be disclosed to a third party unless required by law. Customer's execution of this Agreement shall constitute authorization for the release of this information to Marathon. Marathon reserves the right to refuse to provide service to Customer under this Agreement if it is unable to obtain the necessary Customer Information or it obtains Customer Information that it considers unsatisfactory. This authorization will remain in effect during any initial or renewal term of this Agreement; provided, however, that Customer may rescind this authorization at any time by providing written notice to Marathon or by calling Marathon at 1-888-378-9898. Marathon reserves the right to cancel this Agreement in the event Customer rescinds such authorization. The data obtained pursuant to this authorization may be retained by Marathon for a period of six years post-termination of this Agreement consistent with the statute of limitations for contractual disputes and may be used by Marathon in connection with any ongoing business or legal purpose with respect to its obligations under the Agreement, or to offer additional products or services to Customer during the Term, or any Renewal Terms, or at any time in the six year period after the Agreement terminates, or as contained in any derivative work created by Marathon in association with its business as a retail energy provider.
3. **Guaranty.** In consideration of the extensions and maintenance of credit from time to time by Marathon, the undersigned Applicant (1) warrants that the representation made herein are true and accurate and agrees to promptly notify Marathon in writing of any change in financial condition that would adversely affect his/her responsibility and (2) for good and valuable consideration, hereby personally, individually, jointly and severally, guarantees payment to Marathon, its successors and its assigns, of all existing and future indebtedness of the Applicant, including service charges together with accrued interest thereon, collections costs and attorneys' fees. This guaranty shall be effective without first requiring Marathon to proceed against any other party, and the undersigned hereby waive(s) notice of acceptance of this guaranty, default and non-payment and consent(s) to waiver, extension or modification of credit terms. This shall be an open and continuing guaranty that may only be revoked upon written notice to Marathon by certified mail, return receipt requested, which revocation shall be effective 10 days after Marathon's receipt of such notice and shall only release the undersigned from liability for indebtedness incurred after the effective date of such revocation.
4. **Pricing.** Customer's pricing under this Agreement shall be as follows:
 - a. **Electricity/Natural Gas Variable Pricing:** If Customer is receiving electricity or natural gas supply service at a variable price, Customer shall be billed at a variable price that may vary each billing cycle based on the costs including but not limited to commodity, losses, capacity, storage and balancing, ancillary services, related transmission and distribution charges, all supply and agency functions that Marathon performs for the Customer, transportation to the Delivery Point, plus all applicable taxes, fees, charges or other assessments plus Marathon's costs, expenses, and profit margins. There is no guaranteed savings compared to the Utility rate; your rate may be higher than the Utility rate, and there is no limit on how much the price of supply service may change from one billing cycle to the next.
 - b. **Electric and/or Natural Gas Fixed Pricing:** If Customer is receiving natural gas or electric supply service at a Fixed price, Customer will be billed at the Fixed price indicated on page 1 of this Agreement for the Initial Fixed Term, subject, among other things, to Section 4(f) of this Agreement.
 - c. **Natural Gas NYMEX+ Pricing:** If Customer is receiving natural gas supply service at a NYMEX + price for the Initial Term Customer shall be billed at a floating price that may vary based on the monthly NYMEX Henry Hub Natural Gas settlement price on the last day of trading per Dth (adjusted for line losses, converted to the UOM as indicated on page 1, adjusted for POR, each where applicable), prorated by the number of days applicable to each month for the billing cycle, plus the Fixed adder per the UOM as indicated on page 1 (converted to dth/ccf/mcf where applicable) set forth on page 1 of this Agreement, subject, among other things, to Section 4(f) of this Agreement.
 - d. **Electric Index Pricing:** If Customer is receiving electric supply service at an Electric Index+ price for the Initial Term, Customer shall be billed at a floating price that may vary based on the weighted average Day Ahead Locational Based Marginal Pricing (LBMP) price per the UOM as indicated on page 1 of the ISO Zone for Customer's service location weighted by Customer's load profile as determined by Customer's LDC, plus losses, adjusted for POR where applicable, plus the fixed adder per the UOM as indicated on page 1 set forth on page 1 of this Agreement, subject to, among other things, Section 4(f) of this Agreement.
 - e. **All Pricing:** Under all pricing options, Customer is also responsible for paying and reimbursing Marathon for all applicable taxes and other government fees, assessments, and charges, however designated, relating to the service provided under this Agreement. This may not include, but shall not be limited to, utility taxes, gross receipts taxes, and sales and use taxes imposed on Marathon and/or Customer by federal, state, and/or local authorities that Marathon passes through to Customer. If Customer is tax exempt or eligible for economic development incentives, Customer must furnish Marathon with an exemption certificate or other evidence of same satisfactory to Marathon before service commence.
 - f. **Price Adjustments:** Notwithstanding anything else set forth herein, the following potential adjustments may affect Customer's price under this Agreement (see also #17):
 - i. **Service Class:** If during the enrollment process the LDC determines that Customer's service classification is different from the service classification indicated on Schedule A, Marathon reserves the right to adjust Customer's price under this Agreement to reflect that of the service classification identified by the LDC.

- ii. **Transportation Adjustment Clause Charge ("TAC Charge"):** If Customer is receiving natural gas supply service under a Fixed or NYMEX + price and Customer's gas utility shifts any TAC Charge from Customer's gas transportation charges to Customer's gas supply portion, Marathon may adjust Customer's gas supply price to include such additional TAC Charge. Marathon will provide Customer 15 days' written notice of any such adjustment in charges.
- iii. **Quantity Variances:** Unless otherwise indicated on page 1 of this Agreement, for all Fixed, LBMP Index + and NYMEX + agreements, if usage in any period exceeds the level of usage in the same period indicated in the "Usage Base Load" on Schedule A by more than the tolerance band indicated, Marathon reserves the right to charge a customer the current variable price for all usage in excess of the Usage Base Load. If a customer's usage in any period falls by the tolerance band indicated or more below the level of usage in the same period indicated in the Usage Base Load, Marathon reserves the right to charge such Customer an additional amount equal to the Fixed price indicated on page 1 of this agreement multiplied by the difference between the Usage Base Load and Customer's actual usage. Marathon also reserves the right to charge a customer for all hedging, cash-out, settlement, and/or balancing costs related to the positive difference between the Usage Base Load and actual usage. The previous 12 months of the Customer's historical usage obtained from the LDC shall be used where no Usage Base Load addendum is attached hereto.
- iv. **Changes in Capacity, Transmission or Transmission Related Charges, Environmental Attributes, Non-Market Based Rates or POR Rates:** Any increase in obligations (net quantity or net price) from the Fixed Capacity, Transmission Values, Purchase of Receivables ("POR"), Environmental Attributes (e.g. REC's, ZEC's, OREC's, carbon, or any other future environmental related surcharge that may be imposed), Non-Market Based Rates (e.g. NTAC, SSC&D, Black Start) at the time of this Agreement, specified in Schedule A, or in effect at the time of contract consummation, may result in the additional cost being passed through at the prevailing market rate. As such, Marathon reserves the right to pass through to Customer any and all fees, costs, expenses and charges associated with and/or arising out of any change to Customer's capacity obligation, transmission obligation, pipeline allocation, or gas capacity rates, POR rates, any change in the price or cost of environmental attributes (including zero-emission credits or ZEC's), or any changes outside of Marathon's control since the time of contracting. This may result in a change in price. Schedule A shall be provided to Customer upon acceptance of this Agreement.
- v. **On-site and off-site Generation.** The Customer agrees to provide Marathon sixty (60) days' prior written notice of (1) installation of solar or other on-site generation or energy storage equipment and/or (2) Customer's participation in or utilization of baseload generation, community solar subscriptions, net metering, onsite renewable energy including wind, solar and/or biomass, and power purchase agreements. If Customer utilizes any of the foregoing, Marathon reserves the right to modify the rate or terminate this Agreement and recover costs, if any.

5. Term.

- a. **Variable Price Supply Service:** If Customer is receiving variable pricing, this Agreement shall commence as of the date set by Customer's LDC and shall continue until either party cancels or terminates this Agreement by providing at least 30 days' advance written notice of such termination to the other. There will be no charge to Customer for cancelling variable price natural gas and/or electric supply service from Marathon if Customer does so in accordance with the terms of this Agreement.
- b. **Non-Variable Price Service:** If Customer is receiving non-Variable price service (Fixed price, NYMEX + or Electric Index +), this Agreement shall commence as of the date set by Customer's LDC and shall continue in full force and effect until the service end date set forth on page 1 of this Agreement (the "Initial Fixed Term"). If the service start date established by the Customer's LDC is delayed for any reason due to no fault of Marathon (e.g., blocked account, customer delay, etc.), then the original intended service end date for this Agreement, determined by the term length set forth on page 1 of this Agreement and the original projected service start date, will remain as the service end date or adjusted, at Marathon's discretion unless otherwise agreed to by Customer and Marathon, if Customer is receiving supply service under a Non-Variable price service, after the end of the Initial Fixed Term, this Agreement will automatically continue at a variable rate methodology unless and until this Agreement is terminated by customer. Not less than 15 days and no more than 60 days prior to the expiration of the Initial Fixed Term, Marathon will notify Customer in writing and/or by email of the switch to variable rate methodology at which Marathon will continue to serve Customer. Customer will have 15 days from Customer's receipt of such renewal notice to reject this offer and terminate the Agreement. If Marathon does not receive notice of Customer's termination of this Agreement, this Agreement will continue in full force and effect until canceled by Customer.

- 6. **Termination of Non-Variable Price Agreements:** If there is a material adverse change in the business or financial condition of Customer on a Non-Variable Price Agreement, or a material adverse change in the cost to Marathon to continue supplying and/or servicing this Customer, as determined by Marathon at its sole discretion, or if Marathon terminates its service offerings in Customer's LDC service territory or across New York State, or if such Customer fails to meet any of its obligations under this Agreement, then in addition to any other remedies Marathon may have, Marathon may terminate this Agreement upon 15 days' written notice to Customer. In addition, if Customer terminates this Agreement prior to the end of the Initial Fixed Term, Customer shall pay Marathon all outstanding gas and/or electric supply charges and other amounts owing to Marathon as well all reasonable attorneys' fees and expenses incurred by Marathon in connection with Marathon's attempt to collect and recover same. If Customer terminates this Agreement by returning to Customer's LDC or switching to another ESCO, the effective date of any such switch from Marathon will be determined by Customer's LDC. As an ETF, if Customer terminates this Agreement prior to the end of the Initial Fixed Term, or if Marathon terminates this Agreement due to Customer's breach of this Agreement, Customer shall pay Marathon, in addition to any other applicable charges, the projected amount of natural gas and/or electricity to be consumed by customer for the remainder of the current Term (see section 5 – Term) multiplied by the difference between the Non-Variable price in effect for the remainder of the current Term and the price at which Marathon can sell such gas and/or electricity following the termination. If a Customer that Marathon, in its discretion, determines to be Single Utility Billed, fails to qualify for the LDC's POR program, Marathon may terminate the Agreement and Customer shall be liable to Marathon for any loss it incurs (using the calculation methodology described above). However, for all customers solicited through door-to-door marketing, the ETF will be no greater than \$100.00 if the remaining term is less than 12 months and \$200.00 if the remaining term is 12 months or more. In addition, for all customers solicited through door-to-door marketing, in the event of a renewal of a Non-Variable Price agreement, Customer shall not be charged an ETF if Customer objects to such renewal within 3 business days of receipt of the first billing statement under the renewed agreement. In addition, if there

is a gap in service due to the customer's termination and subsequent request for re-enrollment, during the non-Variable contract period, the customer may be liable to Marathon for any loss it incurs (using the calculation methodology described above).

The services provided by Marathon to Customer are governed by the Terms & Conditions of this Agreement. Marathon shall have the right to terminate this Agreement in the event of a breach of the term(s) of the Agreement by Customer, including, but not limited to, failure to remit payment as required under this Agreement. Marathon may cancel this Agreement at any time and for any reason. Marathon will provide at least 30 days' written notice prior to the termination of service and provide Customer with the opportunity to remedy the termination condition. A final bill will be rendered within thirty (30) days after the final scheduled meter reading or if access is unavailable, an estimate of consumption will be used in the final bill, which will be trued up subsequent to the final meter reading. Switching to a competitive Third-Party Supplier ("TPS") is not mandatory and Customer has the option of remaining with the LDC for basic gas supply service or basic electric generation service.

7. **Billing:** Customer's LDC or Marathon may send Customer a single bill for both supply and delivery charges ("Consolidated Billing"), or Customer's LDC may send a separate bill for Customer's delivery charges and Marathon may send Customer a separate bill for Customer supply and charges ("Dual Billing"). Customer will pay Marathon for natural gas supply service and/or electric supply service based on meter readings and consumption information measured by and/or received from Customer's LDC ("Billing Quantity"). Marathon will have the option to adjust the Billing Quantity for fuel and distribution/line loss retained by the LDC and interstate transporters from the Purchase Quantity. Payment for gas and/or electric supply service is due on Customer's receipt of the bill(s). Customer shall pay a late payment charge on all unpaid amounts (including arrears and late payment charges) owing and not received by Marathon within twenty (20) days of the date of the bill at a rate of 1.5% per month or the maximum attorneys' fees and expenses incurred by it in collecting any payment from you. Marathon may delay enforcing its rights and/or accept late payments, partial payments, or partial payments marked to the effect of "payment in full" without losing any of its rights under this Agreement or applicable law. Customer payments remitted for Consolidated Billing that are not in dispute shall be allocated in the following order of priority of payment: (1) to amounts owed to avoid termination, suspension, or disconnection of commodity or delivery service; (2) to amounts owed under a deferred payment agreement; (3) to arrears; and (4) to current charges not associated with a deferred payment agreement. Payments will be pro-rated to the charges within each of the above categories in proportion to Marathon's and the LDC's charges in that category. Marathon may assign and sell Customer accounts receivable to the LDC. Failure by a non-residential customer to remit full payment of Marathon charges due on any Consolidated Bill prepared by the LDC or Marathon will be grounds for disconnection of utility services in accordance with NYPSC rules and regulations on the termination of service to non-residential customers, 16 NYCRR Part 13. A \$30.00 fee will be charge for all returned payments.
8. **Consumer Protections.** Marathon will provide at least 15 days' notice prior to the cancellation of service to Customer. In the event of non-payment of any charges owed to Marathon, Customer may be subject to termination of commodity service and the suspension of distribution service under procedures approved by the Department of Public Service ("DPS"). Customer may obtain additional information by contacting Marathon at 1-888-378-9898 or the DPS at 1-800-342-3377, or by writing to the DPS at: New York State Department of Public Service, Office of Consumer Services, Three Empire State Plaza, Albany, New York 12223, or through its website at: www.dps.ny.gov. Customer may also contact the DPS's ESCO hotline for inquiries regarding the competitive retail energy market at 1-888-697-7728.
9. **Rescission.** A door-to-door Customer may rescind this Agreement within three (3) business days after Customer's signing or receipt of this Agreement, whichever comes first, by contacting Marathon at 1-888-378-9898 or in writing at 62-01 34th Avenue, Woodside, NY 11377. If Customer rescinds this Agreement, Marathon will provide Customer a cancellation number.
10. **Agency. Gas:** Customer hereby designates Marathon as agent to (a) arrange and administer contracts and service arrangements between Customer and Customer's LDC and between Customer and the interstate transporters of Customer's natural gas (including capacity release, re-release and recall arrangements); (b) nominate and schedule with interstate pipeline(s) the transportation of Customer's natural gas supplies from the Sales Point(s) to the Delivery Point(s), and with the LDC for the transportation of the Customer's natural gas supplies from the Delivery Point(s) to the Customer's end- use premises; and (c) aggregate, if necessary, Customer's natural gas supplies with such supplies of other customers served by Marathon to qualify for LDC transportation service, and to address and resolve imbalances (if any) that may arise during the term of this Agreement. As Agent of Customer, Marathon will schedule the delivery of supplies of natural gas at the Sales Point(s) necessary to meet the Customer's city gate requirements based on the consumption and other information that Marathon receives from the LDC. The Sales Point(s) for the natural gas will be a point or points located outside of New York State selected from time to time by Marathon to assure service reliability. The Delivery Point(s) for the natural gas transported by the interstate pipeline(s) will be the city gate stations of the LDC. As Customer's agent, Marathon agrees to arrange for the transportation of the natural gas supplied under this Agreement from the Sales Point(s) to the Delivery Point(s) and from the Delivery Point(s) to the Customer's end-use premises. These services are provided on an arm's-length basis. **Electric:** Customer hereby designates Marathon as Customer's agent for the purpose of arranging, contracting for, and administering transmission services (including those provided by Customer's LDC) for the delivery of electricity. The Sales Point(s) for electricity will be one or more points on the NYISO-administered transmission system (located outside of the jurisdictional limits of the municipality of Customer's service address location), selected from time to time by Marathon to assure service reliability. The Delivery Point(s) for electricity will be one or more points at which Marathon, as Customer's agent, has arranged for the delivery of electricity to Customer or to a third party (such as Customer's LDC) for Customer's account. These services are provided on an arm's-length basis.
11. **Title, Risk of Loss.** Title to, control of, and risk of loss of the Purchase Quantities supplied under this Agreement will transfer from Marathon to Customer at the Sales Point(s). Marathon and Customer agree that transactions under this Agreement are originated and consummated outside the jurisdictional limits of the municipality, county or other taxing authority where Customer's service address(es) is located. If a taxing authority determines that a gross receipts tax or other tax is applicable to the sale of natural gas or electric supply under this Agreement, Customer agrees to pay such tax.
12. **No Warranties.** MARATHON MAKES NO REPRESENTATIONS, WARRANTIES, AFFIRMATIONS OF FACT, OR PROMISES, EXPRESS OR IMPLIED, OTHER THAN THOSE EXPRESSLY SET FORTH IN THIS AGREEMENT AND MARATHON EXPRESSLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE.

13. **Force Majeure.** Marathon will make commercially reasonable efforts to provide natural gas and/or electricity supply service hereunder, but Marathon does not guarantee a continuous supply of natural gas and/or electricity to Customer. Certain causes and events out of the control of Marathon ("Force Majeure Events") may result in interruptions in service. Marathon will not be liable for any such interruptions caused by a Force Majeure Event. A Force Majeure Event means a material or unavoidable occurrence beyond Marathon's control and shall include but not be limited to acts of God or public enemy, fire, flood, storm, hurricane, explosion, terrorism, war, civil disturbance, pandemics or other medical outbreaks and emergencies, acts of any governmental authority, accidents, strikes, labor disputes or problems, required maintenance work, inability to access the local distribution utility system, non-performance by the LDC (including, but not limited to, a facility outage on its gas distribution lines or electric facilities), or any other cause beyond Marathon's control.
14. **Limitation of Liability.** TO THE FULLEST EXTENT PERMITTED BY APPLICABLE NEW YORK LAW, NEITHER YOU NOR MARATHON WILL BE LIABLE TO THE OTHER FOR ANY CONSEQUENTIAL, EXEMPLARY, PUNITIVE, INCIDENTAL, OR INDIRECT DAMAGES ARISING FROM ANY CLAIM OR LEGAL PROCEEDING BETWEEN YOU AND MARATHON, INCLUDING, WITHOUT LIMITATION, LOST PROFITS OR LOST REVENUES. THE REMEDY FOR ANY CLAIM OR SUIT AGAINST MARATHON WILL BE LIMITED TO DIRECT ACTUAL DAMAGES, WHICH SHALL NOT EXCEED THE AMOUNT OF CUSTOMER'S SINGLE LARGEST MONTHLY INVOICE DURING THE PRECEDING 12 MONTHS. CUSTOMER SHALL NOT PURSUE OR RECOVER ANY ADDITIONAL DAMAGES OR AMOUNTS FROM MARATHON, AND HEREBY WAIVES ALL OTHER REMEDIES IN LAW OR EQUITY. THESE LIMITATIONS APPLY WITHOUT REGARD TO THE CAUSE OF ANY LIABILITY OR DAMAGES. CUSTOMER AND MARATHON ACKNOWLEDGE THAT THERE ARE NO THIRD-PARTY BENEFICIARIES TO THIS AGREEMENT.
15. **Marathon Contact Information.** Customer may contact Marathon's Customer Service Center at 1-888-378-9898, Monday through Friday 9:00AM - 4:00PM EST (contact hours' subject to change). Customer may also contact Marathon Energy by mail at: 100 Elwood Davis Rd, Syracuse, NY 13212, or email at customerservice@mecny.com.
16. **Arbitration of Disputes, Waiver of Jury Trial, and Participation in Class Actions.** MARATHON AND CUSTOMER SHALL NOT BE PERMITTED TO JOIN OR CONSOLIDATE COMPLAINTS, CLAIMS, OR DISPUTES INVOLVING OTHERS, NOR SHALL ANY COMPLAINTS, CLAIMS, OR DISPUTES BE BROUGHT OR MAINTAINED AS A CLASS ACTION OR IN ANY REPRESENTATIVE CAPACITY. **MARATHON AND CUSTOMER UNDERSTAND AND AGREE THAT THEY ARE KNOWINGLY, VOLUNTARILY, AND WILLINGLY WAIVING THE RIGHT TO A TRIAL BY JURY. MARATHON AND CUSTOMER UNDERSTAND AND AGREE THAT THEY ARE KNOWINGLY, VOLUNTARILY, AND WILLINGLY WAIVING THE RIGHT TO PARTICIPATE IN OR BE REPRESENTED IN ANY CLASS ACTION OR CLASS ARBITRATION.** Any questions or complaints should be directed to Marathon's Customer Service Center. The parties are required to use their best efforts to resolve any disputes that may arise. Any unresolved disputes may be presented to a court of competent jurisdiction in New York County, New York. During the pendency of any dispute, Customer must pay all bills in full, except for the specific disputed amount, if any. Alternatively, a dispute or complaint may be submitted by either party at any time to the DPS Office of Consumer Services, New York State Public Service Commission, Office of Consumer Services, Three Empire State Plaza, Albany, New York 12223; by phone at 1-888-697-7728 or by visiting www.dps.state.ny.us.
17. **Applicable Laws.**
- Applicable Laws.** This Agreement is subject to all applicable federal, state, and local laws, and the orders, rules, and regulations of the governmental agencies having jurisdiction over the subject matter of this Agreement, including the DPS. This Agreement shall be construed under and shall be governed by the laws of the State of New York without regard to the application of its conflicts of law principles. Venue for any lawsuit brought to enforce any term or condition of this Agreement or to construe the terms hereof shall lie exclusively in the State of New York.
 - Regulatory or Other Changes.** Marathon and Customer recognize that a change in any law, rule, regulation, guideline, procedure, tariff, utility, ISO design, ICAP tag, gas capacity release, formula or formula input, demand charge, transmission value, Environmental Attribute (e.g. RECs, ZECs, carbon), Non-Market Based Rates (e.g. NTAC, SSC&D, Black Start), regulatory structure, or the interpretation or application of any of the foregoing applicable to Marathon or this Agreement by any entity, including but not limited to the LDC, Department of Public Service, New York State Public Service Commission, New York State Energy Research and Development Authority, Federal Energy Regulatory Commission or the New York Independent System Operator (each, a "Regulatory or Other Change") could materially impact a term, condition, or provision of this Agreement including, but not limited to price. Marathon and Customer further recognize that Marathon's ability to perform under this Agreement or the financial impact of a Regulatory Change that occurred prior to the date the parties executed this Agreement (the "Execution Date") may not be known until a future date. Accordingly, Marathon retains the right, at its sole discretion to (i) terminate this Agreement and return the Customer to the LDC at the next available meter read date; (ii) modify this Agreement to reflect a Regulatory Change that occurs after the Execution Date, including modifying Customer's price; and/or (iii) pass through to Customer any capital, operating, commodity, or other costs it incurs as a result of a Regulatory or Other Change ("New Costs") that occurred prior to the Execution Date where such: (a) New Costs were unknown or (b) New Costs did not become effective until after the Execution Date. In all cases, Marathon shall provide 15 days' prior written notice to Customer of any termination or modification to this Agreement resulting from a Regulatory or Other Change and/or application of any New Costs.
 - Material Adverse Changes.** If there is a material adverse change in the business operation or financial condition and/or creditworthiness of Customer (as determined by Marathon at its discretion) or if Customer fails to meet its obligations under this Agreement or pay or post any required security deposit, or if Marathon terminates its service offerings in Customer's LDC service territory or across New York State, then, in addition to any other remedies that it may have, Marathon may terminate this Agreement upon 15 days' written notice to Customer. If Customer's Usage indicates that Customer belongs to a different Customer Class than determined by Marathon at the time of contracting, Marathon shall have the option to drop Customer's supply back to the LDC and charge Customer an ETF as set forth in Section 6 of this Agreement.
 - Non-Mass Market Customer.** Customer represents, warrants, and covenants that (i) it is not a mass market customer, as defined by the New York State Public Service Commission. Customer agrees that if it is or becomes a mass market customer then the breach of the foregoing covenant is a default under this Agreement by Customer, and notwithstanding anything to the contrary herein, this Agreement may be

terminated by Marathon without further notice and Customer shall be liable to Marathon for any loss it incurs (using the calculation methodology described in Section 6).

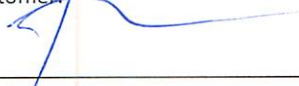

18. **Emergency Service.** Customer's LDC will continue to respond to leaks and emergencies. In the event of a gas leak, electric service interruption, or other emergency, Customer should immediately DIAL 911. Then call LDC emergency personnel. Customer may also call Marathon at 1-888-378-9898.

19. **Assignment.** Customer may not assign its interests in or delegate its obligations under this Agreement without the express written consent of Marathon. Marathon may sell, transfer, pledge, or assign the accounts, revenues, or proceeds hereof, in connection with any financing agreement or receivables purchase program, and may, upon 30 days' prior written notice to you, assign this Agreement to another energy supplier, energy services company or other entity as authorized by the DPS, without Customer's consent.
20. **Miscellaneous.** This Agreement, including any enrollment form and applicable attachments, is the entire Agreement between Customer and Marathon with respect to the subject matter hereof and there are no promises, covenants, or undertakings other than those expressly set forth in this Agreement. This Agreement will inure to and be binding upon the successors and assignees of the parties. If any provision of the Agreement is held by a Court or regulatory agency of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall continue in full force without being invalidated in any way. No waiver of any provision of this Agreement shall be construed as a continuing waiver or shall constitute a waiver of any other provision.
21. **Electronic Signature.** Any signature (including any electronic symbol or process attached to, or associated with, this Agreement and adopted by Customer or Marathon with the intent to sign, authenticate, or accept such Agreement) hereto, or to any other certificate or document related to this transaction, through electronic means shall have the same legal validity and enforceability as a manually executed signature to the fullest extent permitted by applicable law, including the Federal Electronic Signatures in Global and National Commerce Act and the New York State Electronic Signatures and Records Act, and the parties hereby waive any objection to the contrary.
22. **Electronic Communications.** By signing this Agreement, Customer consents to receiving any notice or correspondence (and for dual billed customers, bills) from Marathon by email. Customer may send any notice or correspondence to Marathon by email at customerservice@mecny.com. Customer agrees to provide Marathon with a current email address and to notify Marathon of any change of Customer's email address. Notwithstanding anything contained in this Agreement, if you are a customer enrolled as a result of door-to-door marketing, any renewal notice will be sent to you by U.S. Mail.
23. **Renewably Sourced Energy.** Marathon Energy will match the Customer's selected electric percentage with renewable energy credits (RECs) from nationally sourced resources. RECs represent the environmental attributes associated with the applicable amount of renewable energy generation from various renewable sources including, but not limited to, solar thermal, photovoltaics, on land and offshore wind, hydroelectric, geothermal electric, geothermal ground source heat, tidal energy, wave energy, ocean thermal, and fuel cells, or other qualifying renewable resources. RECs will be purchased and retired to satisfy the percentage of renewable generation guaranteed by this Agreement.

IN WITNESS WHEREOF Customer hereby accepts all Terms & Conditions set forth above and incorporated herein, and have caused this Agreement to be executed:

RESOLUTION NO.: _____ - 2023

OF

APRIL 24, 2023

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE AN
AGREEMENT WITH THE GREATER NEWBURGH PARKS CONSERVANCY, INC.
FOR THE 2023 ENVIRONMENTAL JUSTICE FELLOWS PROGRAM
IN THE AMOUNT OF \$15,000.00**

WHEREAS, the City of Newburgh Conservation Advisory Council, the Greater Newburgh Parks Conservancy, Inc. and Outdoor Promise, Inc. successfully undertook an Environmental Justice Fellows Program in 2022; and

WHEREAS, the City of Newburgh Conservation Advisory Council, the Greater Newburgh Parks Conservancy, Inc. will continue the Environmental Justice Fellows Program in 2023; and

WHEREAS, the 2023 Environmental Justice Fellows Program is an 8-month program providing educational and leadership opportunities for City of Newburgh youth interested in the environment and the benefits of street trees in urban areas; and

WHEREAS, the Greater Newburgh Parks Conservancy will provide administration, management and supervision services to the 2023 Environmental Justice Fellows Program and requires an agreement with the City of Newburgh on behalf of the Conservation Advisory Council; and

WHEREAS, the funding for the services provided under the agreement will be in the amount of \$15,000.00 and derived from A.7129.0448; and

WHEREAS, this Council has determined that entering into an agreement with the Greater Newburgh Parks Conservancy, Inc. for the purpose of undertaking the 2023 Environmental Justice Fellows Program is in the best interests of the City of Newburgh and its further development;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he is hereby authorized to execute a vendor services agreement the Greater Newburgh Parks Conservancy, Inc. for the 2023 Environmental Justice Fellows Program in the amount of \$15,000.00.

AGREEMENT FOR VENDOR SERVICES

THIS AGREEMENT is entered into as of this _____ day of _____, 20____, by and between the **CITY OF NEWBURGH**, a municipal corporation chartered under the authority of the State of New York, hereinafter referred to as the “**CITY**,” with principal offices at 83 Broadway, City Hall, Newburgh, New York 12550; and the **GREATER NEWBURGH PARKS CONSERVANCY, INC.**, a New York not-for-profit corporation with an address of 28 Bay View Terrace, Newburgh New York 12550, hereinafter referred to as “**VENDOR**.”

ARTICLE 1. SCOPE OF WORK

VENDOR agrees to perform the SERVICES identified in Schedule A, (the “SERVICES”) which is attached to, and is part of this Agreement. VENDOR agrees to perform the SERVICES in accordance with the terms and conditions of this Agreement. It is specifically agreed that the CITY will not compensate VENDOR for any SERVICES provided outside those specifically identified in Schedule A, without prior authorization, evidenced only by a written Change Order or Addendum to this Agreement executed by the City Manager of the CITY after consultation with the City Department Head responsible for the oversight of this Agreement (hereinafter “Department Head”). In the event of a conflict between the body of this Agreement and Schedule A, the provisions in the body of this Agreement shall govern.

ARTICLE 2. TERM OF AGREEMENT

VENDOR agrees to perform the SERVICES beginning May ____, 2023, and ending December 31, 2023.

ARTICLE 3. COMPENSATION

For satisfactory performance of the SERVICES or, as such SERVICES may be modified by mutual written agreement, the CITY agrees to compensate VENDOR in accordance with the fees and expenses as stated in Schedule B, which is attached to and is part of this Agreement. VENDOR SHALL receive the not to exceed cost of the contract in 2 lump sum payments. VENDOR SHALL submit to the CITY a monthly itemized statement of expenditures for SERVICES

rendered and expenses incurred during the prior month and prepared in such form and supported by such documents as the CITY may reasonably require. The CITY will pay to VENDOR the first lump sum in the amount equal to 75% of the not-to-exceed cost of the Agreement within thirty (30) days after approval of this Agreement and the second lump sum in the amount equal to 25% of the not-to-exceed cost of the Agreement on or before September 1, 2023.

A not-to-exceed cost of \$ 15,000.00 has been established for the scope of SERVICES rendered by VENDOR. Costs in excess of such not-to-exceed cost, if any, may not be incurred without prior written authorization of the City Manager of the CITY, evidenced only by a written Change Order or Addendum to this Agreement, after consultation with the Department Head. It is specifically agreed to by VENDOR that the CITY will not be responsible for any additional cost or costs in excess of the above noted not-to-exceed cost if the CITY’S authorization by the City Manager is not given in writing prior to the performance of the SERVICES giving rise to such excess or additional costs.

Any bills or invoices sent by VENDOR to the CITY more than one (1) year after services which are the subject of such billing have been rendered shall not be paid by the CITY and the CITY shall have no liability therefor.

ARTICLE 4. EXECUTORY CLAUSE

The CITY shall have no liability under this Agreement to VENDOR or to anyone else beyond funds appropriated and available for this Agreement.

ARTICLE 5. PROCUREMENT OF AGREEMENT

VENDOR represents and warrants that no person or selling agency has been employed or retained by VENDOR to solicit or secure this Agreement upon an agreement or upon an understanding for a commission, percentage, a brokerage fee, contingent fee or any other compensation. VENDOR further represents and warrants that no payment, gift or thing of value has been made, given or promised to obtain this or any other agreement between the parties. VENDOR makes such representations and warranties to induce the CITY to enter into this Agreement and the CITY relies upon such representations and warranties in the execution hereof.

For a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if effected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law or pursuant to this Agreement.

ARTICLE 6. CONFLICT OF INTEREST

VENDOR represents and warrants that neither it nor any of its directors, officers, members, partners or employees, have any interest nor shall they acquire any interest, directly or indirectly which would or may conflict in any manner or degree with the performance or rendering of the SERVICES herein provided. VENDOR further represents and warrants that in the performance of this Agreement, no person having such interest or possible interest shall be employed by it and that no elected official or other officer or employee of the CITY, nor any person whose salary is payable, in whole or in part, by the CITY, or any corporation, partnership or association in which such official, officer or employee is directly or indirectly interested

shall have any such interest, direct or indirect, in this Agreement or in the proceeds thereof, unless such person submits a letter disclosing such an interest, or the appearance or potential of same, to the City Manager and a copy to the Corporation Counsel of the CITY in advance of the negotiation and execution of this Agreement.

For failure to submit such letter of disclosure, or for a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim for, or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if elected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment to or to take any other action provided for by law, in equity or pursuant to this Agreement.

ARTICLE 7. FAIR PRACTICES

VENDOR and each person signing on behalf of the VENDOR represents, warrants and certifies under penalty of perjury, that to the best of their knowledge and belief:

A. The prices in this Agreement have been arrived at independently by VENDOR without collusion, consultation, communication, or agreement with any other bidder, proposer or with any competitor as to any matter relating to such prices which has the effect of, or has as its purpose, restricting competition;

B. Unless otherwise required by law, the prices which have been quoted in this Agreement and on the proposal or quote submitted by VENDOR have not been knowingly disclosed by VENDOR prior to the communication of such quote to the CITY or the proposal opening directly or indirectly, to any other bidder, proposer or to any competitor; and

C. No attempt has been made or will be made by VENDOR to induce any other

person, partnership, corporation or entity to submit or not to submit a proposal or quote for the purpose of restricting competition.

The fact that VENDOR (i) has published price lists, rates, or tariffs covering items being procured, (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has provided the same items to the other customers at the same prices being bid or quoted does not constitute, without more, a disclosure within the meaning of this Article.

ARTICLE 8. INDEPENDENT CONTRACTOR

In performing the SERVICES and incurring expenses under this Agreement, VENDOR shall operate as, and have the status of, an independent contractor and shall not act as agent, or be an agent, of the CITY. As an independent contractor, VENDOR shall be solely responsible for determining the means and methods of performing the SERVICES and shall have complete charge and responsibility for VENDOR'S personnel engaged in the performance of the same.

In accordance with such status as independent contractor, VENDOR covenants and agrees that neither it nor its employees or agents will hold themselves out as, nor claim to be officers or employees of the CITY, or of any department, agency or unit thereof by reason hereof, and that they will not, by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the CITY including, but not limited to, Worker's Compensation coverage, health coverage, Unemployment Insurance Benefits, Social Security coverage or employee retirement membership or credit.

ARTICLE 9. ASSIGNMENT AND SUBCONTRACTING

VENDOR shall not assign any of its rights, interest or obligations under this Agreement, or subcontract any of the SERVICES to be performed by it under this Agreement, except as provided in Exhibit "B" and Exhibit "C",

without the prior express written consent of the City Manager of the CITY. Any such subcontract, assignment, transfer, conveyance, or other disposition without such prior consent shall be void and any SERVICES provided thereunder will not be compensated. Any subcontract or assignment properly consented to by the CITY shall be subject to all of the terms and conditions of this Agreement.

Failure of VENDOR to obtain any required consent to any assignment, shall be grounds for termination for cause, at the option of the CITY and if so terminated, the CITY shall thereupon be relieved and discharged from any further liability and obligation to VENDOR, its assignees or transferees, and all monies that may become due under this Agreement shall be forfeited to the CITY except so much thereof as may be necessary to pay VENDOR'S employees for past service.

The provisions of this clause shall not hinder, prevent, or affect any assignment by VENDOR for the benefit of its creditors made pursuant to the laws of the State of New York.

ARTICLE 10. BOOKS AND RECORDS

VENDOR agrees to maintain separate and accurate books, records, documents and other evidence and accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

VENDOR shall submit a report to the City identifying prescribed services contracted for under this Agreement prior to the termination of this Agreement. VENDOR shall also submit reports identifying prescribed services contracted for under this Agreement upon request by the City while this Agreement is in effect.

ARTICLE 11. RETENTION OF RECORDS

VENDOR agrees to retain all books, records and other documents relevant to this Agreement for six (6) years after the final payment or termination of this Agreement,

whichever later occurs. CITY, or any State and/or Federal auditors, and any other persons duly authorized by the CITY, shall have full access and the right to examine any of said materials during said period.

ARTICLE 12. AUDIT BY THE CITY AND OTHERS

All Claimant Certification forms or invoices presented for payment to be made hereunder, and the books, records and accounts upon which said Claimant's Certification forms or invoices are based are subject to audit by the CITY. VENDOR shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the CITY so that it may evaluate the reasonableness of the charges, and VENDOR shall make its records available to the CITY upon request. All books, Claimant's Certification forms, records, reports, cancelled checks and any and all similar material may be subject to periodic inspection, review and audit by the CITY, the State of New York, the federal government, and/or other persons duly authorized by the CITY. Such audits may include examination and review of the source and application of all funds whether from the CITY, State, the federal government, private sources or otherwise. VENDOR shall not be entitled to any interim or final payment under this Agreement if any audit requirements and/or requests have not been satisfactorily met.

ARTICLE 13. INSURANCE

For all of the SERVICES set forth herein and as hereinafter amended, VENDOR shall maintain or cause to be maintained, in full force and effect during the term of this Agreement, at its expense, Workers' Compensation insurance, liability insurance covering personal injury and property damage, and other insurance with stated minimum coverages, all as listed below. Such policies are to be in the broadest form available on usual commercial terms and shall be written by insurers of recognized financial standing satisfactory to the CITY who have been fully informed as to the nature of the SERVICES to be performed. Except for Workers'

Compensation and professional liability, the CITY shall be an additional insured on all such policies with the understanding that any obligations imposed upon the insured (including, without limitation, the liability to pay premiums) shall be the sole obligation of VENDOR and not those of the CITY. Notwithstanding anything to the contrary in this Agreement, VENDOR irrevocably waives all claims against the CITY for all losses, damages, claims or expenses resulting from risks commercially insurable under this insurance described in this Article 13. The provisions of insurance by VENDOR shall not in any way limit VENDOR'S liability under this Agreement.

<u>Type of Coverage</u>	<u>Limit of Coverage</u>
Worker's Compensation	Statutory
Employer's liability or similar insurance	\$1,000,000 each occurrence
Automobile liability aggregate	\$1,000,000
Comprehensive General Liability, including Broad form contractual Liability, bodily injury and property damage	\$1,000,000 aggregate \$2,000,000 each occurrence

VENDOR shall attach to this Agreement certificates of insurance evidencing VENDOR'S compliance with these requirements.

Each policy of insurance shall contain clauses to the effect that (i) such insurance shall be primary without right of contribution of any other insurance carried by or on behalf of the CITY with respect to its interests, (ii) it shall not be cancelled, including, without limitation, for non-payment of premium, or materially amended, without fifteen (15) days prior written notice to the CITY, directed to the City Manager, the Corporation Counsel and to the Department Head and the CITY shall have the option to pay any necessary premiums to keep such insurance in effect and charge the cost back to VENDOR.

To the extent it is commercially available, each policy of insurance shall be provided on an "occurrence" basis. If any insurance is not so commercially available on an "occurrence" basis, it shall be provided on a "claims made" basis, and all such "claims made" policies shall provide that:

A. Policy retroactive dates coincide with or precede VENDOR'S start of the performance of this Agreement (including subsequent policies purchased as renewals or replacements);

B. VENDOR will maintain similar insurance for at least six (6) years following final acceptance of the SERVICES;

C. If the insurance is terminated for any reason, VENDOR agrees to purchase an unlimited extended reporting provision to report claims arising from the SERVICES performed or goods provided for the CITY; and

D. Immediate notice shall be given to the CITY through the City Manager of circumstances or incidents that might give rise to future claims with respect to the SERVICES performed under this Agreement.

ARTICLE 14. INDEMNIFICATION

VENDOR agrees to defend, indemnify and hold harmless the CITY, including its officials, employees and agents, against all claims, losses, damages, liabilities, costs or expenses (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement), whether incurred as a result of a claim by a third party or any other person or entity, arising out of the SERVICES performed and/or goods supplied pursuant to this Agreement which the CITY or its officials, employees or agents, may suffer by reason of any negligence, fault, act or omission of VENDOR, its employees, representatives, subcontractors, assignees, or agents.

In the event that any claim is made or any action is brought against the CITY arising out of the negligence, fault, act, or omission of an employee, representative, subcontractor,

assignee, or agent of VENDOR either within or without the scope of his respective employment, representation, subcontract, assignment or agency, or arising out of VENDOR'S negligence, fault, act or omission, then the CITY shall have the right to withhold further payments hereunder for the purpose of set-off of sufficient sums to cover the said claim or action. The rights and remedies of the CITY provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 15. PROTECTION OF CITY PROPERTY

VENDOR assumes the risk of and shall be responsible for, any loss or damage to CITY property, including property and equipment leased by the CITY, used in the performance of this Agreement and caused, either directly or indirectly by the acts, conduct, omissions or lack of good faith of VENDOR, its officers, directors, members, partners, employees, representatives or assignees, or any person, firm, company, agent or others engaged by VENDOR as an expert consultant specialist or subcontractor hereunder.

In the event that any such CITY property is lost or damaged, except for normal wear and tear, then the CITY shall have the right to withhold further payments hereunder for the purposes of set-off in sufficient sums to cover such loss or damage.

VENDOR agrees to defend, indemnify and hold the CITY harmless from any and all liability or claim for loss, cost, damage or expense (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement) due to any such loss or damage to any such CITY property described in this Article.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or by this Agreement.

ARTICLE 16. CONFIDENTIAL INFORMATION

In the course of providing the SERVICES and/or goods hereunder, VENDOR may acquire knowledge or come into possession of confidential, sensitive or proprietary information belonging to CITY. VENDOR agrees that it will keep and maintain such information securely and confidentially, and not disclose such information to any third parties, including the media, nor use such information in any manner publicly or privately, without receiving the prior approval, in writing, of the CITY authorizing such use. VENDOR'S obligations under this clause to maintain the confidentiality of such information and to refrain from using such information in any manner without the prior written approval of the CITY shall survive the termination or expiration of this Agreement.

ARTICLE 17. TERMINATION

Either party may terminate this Agreement by providing 30 days' written notice to the parties listed in this Article 17. Upon receipt of notice of termination, the VENDOR shall comply with any and all CITY closeout procedures, including, but not limited to:

A. Accounting for and refunding to the CITY within thirty (30) days, any unexpended funds which have been paid to VENDOR pursuant to this Agreement; and

B. Furnishing within thirty (30) days an inventory to the CITY of all equipment and material purchased by VENDOR through or under this Agreement. Any completed reports and any other material obtained in the preparation of reports under this Agreement, whether such reports are completed or not, shall become property of the CITY, and such records shall be submitted to it.

Notices shall be provided as follows:

If to CITY:
City of Newburgh
Office of the Corporation Counsel
83 Broadway, 2d Floor
Newburgh, NY 12550

If to VENDOR:
Greater Newburgh Parks Conservancy
Attn.: Kathy Lawrence
28 Bay View Terrace, 2d Floor
Newburgh, NY 12550.

Notwithstanding any other provision of this Agreement, VENDOR shall not be relieved of liability to the CITY for damages sustained by the CITY by virtue of VENDOR'S breach of the Agreement or failure to perform in accordance with applicable standards. In the event of termination, VENDOR shall be entitled to receive equitable compensation for any work completed to the satisfaction of the CITY. However, if termination is affected by the CITY because of default or breach of VENDOR, the CITY may withhold any payments due VENDOR for the purpose of set-off in such amount that the CITY reasonably determines to be the damages due it by VENDOR.

ARTICLE 18. GENERAL RELEASE

The acceptance by VENDOR or its assignees of the final payment under this Agreement, whether by Claimant's Certification form, judgment of any court of competent jurisdiction, or administrative means shall constitute and operate as a general release to the CITY from any and all claims of VENDOR arising out of the performance of this Agreement.

ARTICLE 19. NO ARBITRATION

Any and all disputes involving this Agreement, including the breach or alleged breach thereof, may not be submitted to arbitration unless specifically agreed thereto in writing by the City Manager of the CITY, but must instead only be heard in the Supreme Court of the State of New York, with venue in Orange County or if appropriate, in the Federal District Court with venue in the Southern District of New York, White Plains division.

ARTICLE 20. GOVERNING LAW

This Agreement shall be governed by the laws of the State of New York. VENDOR shall

render all SERVICES under this Agreement in accordance with applicable provisions of all federal, state and local laws, rules and regulations as are in effect at the time such SERVICES are rendered.

ARTICLE 21. CURRENT OR FORMER CITY EMPLOYEES

VENDOR represents and warrants that it shall not retain the SERVICES of any CITY employee or former CITY employee in connection with this Agreement or any other agreement that said VENDOR has or may have with the CITY without the express written permission of the CITY. This limitation period covers the preceding three (3) years or longer if the CITY employee or former CITY employee has or may have an actual or perceived conflict of interests due to their position with the CITY.

For a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim for or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if effected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law or pursuant to this Agreement.

ARTICLE 22. ENTIRE AGREEMENT

The rights and obligations of the parties and their respective agents, successors and assignees shall be subject to and governed by this Agreement, including Schedules A and B, which supersede any other understandings or writings between or among the parties.

ARTICLE 23. MODIFICATION

No changes, amendments or modifications of any of the terms and/or conditions of this Agreement shall be valid unless reduced to writing and signed by the party to be bound. Changes in the scope of SERVICES in this Agreement shall not be binding, and no payment shall be due in connection therewith, unless prior to the performance of any such SERVICES, the City Manager of the CITY, after consultation with the Department Head and Corporation Counsel, executes an Addendum or Change Order to this Agreement, which Addendum or Change Order shall specifically set forth the scope of such extra or additional SERVICES and the amount of compensation and the extension of the time for performance, if any, for any such SERVICES. Unless otherwise specifically provided for therein, the provisions of this Agreement shall apply with full force and effect to the terms and conditions contained in such Addendum or Change Order.

EXHIBIT A-SCOPE OF WORK

The Greater Newburgh Parks Conservancy will partner with the City of Newburgh Conservation Advisory Committee on the 2023 Environmental Justice Fellowship (EJF) program funded in part by the City of Newburgh.

- Plan, implement and manage the 2023 Environmental Justice Fellowship program May – December 2023. Provide monthly production reports reflecting work done by administrative staff and EJ Fellows.
- Administrative costs not to exceed 40% of total budget costs.
- Conduct outreach, identify and interview potential Environmental Justice Fellows.
- Select, orient, train, support, provide a stipend, and create leadership and public speaking opportunities for no more than five (5) young people from the City of Newburgh. Any increase in the number of EJ Fellows must be prior approved by the City of Newburgh.
- Provide community outreach, engagement, education and activation.
- Create and distribute social media posts, public education fliers and newspaper articles on street tree benefits, planting and maintenance.
- Plan, conduct and generate participation in online EJF workshops.
- Coordinate planting of up to 43 trees throughout the 4 wards of the City of Newburgh by surveying residents, cross-referencing with TreeKeeper, encouraging property owners to help water and monitor the health of trees, and recommending tree planting locations. May help with soil amendments, mulching, staking, installing watering devices on tree planting days. Any increase in the quantity of trees planted must be prior approved by the City of Newburgh.
 - Trees and associated materials (compost, stakes, guy wires, watering devices etc.) to be purchased by CAC.
 - 811 requests, tree pit excavation, and tree planting to be done by DPW in coordination with the CAC and the Conservancy.
- Mobilize community stewardship of street trees through community engagement, tree care workshops and hand-on training in caring for and maintaining street trees.
- Assist the City of Newburgh and CAC with other duties that may be reasonably requested, related to tree care and tree stewardship.

EXHIBIT B - 2023 EJ Fellowship Program Budget

Item	Cost	Notes
<u>Community/Volunteer Education & Training</u>		
EJ Fellows Leadership Development Stipend	\$7,000	Not to exceed 5 Fellows: \$20/hour x 10hrs a month x 7 months (May - Nov.)
Community Engagement & Tracking	\$6,000	Build out Tree Care Corps; plan and implement tree care workshops/volunteer days, maintain regular communication with tree stewards, EJF Fellows, allied groups; enhance work with key allied organizations, track & respond to public inquiries. Oversee Fellows Canvassing/Community Engagement Issues: Trees, NRI, Air Climate Task Force; Quality Days of action: EJF sponsored + allied group led. \$25/hour x 8 hours/week x 30 weeks
Learning Management System Fee	\$100	Online course hosting. Accessible to full City and beyond. Content archivable and usable.
<u>Community Events</u>		
Liability Insurance	\$950	As required in Vendor Services Agreement
Videography/Photography	\$500	Create 2023 EJFP Wrap Up Video
<u>Media/Marketing</u>		
EJF branded uniform for Fellows	\$450	Branded Activewear
	\$15,000	

RESOLUTION NO.: _____ - 2023

OF

APRIL 24, 2023

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A
RIGHT OF ENTRY AGREEMENT WITH
THE UNITED STATES DEPARTMENT OF THE ARMY AND
ITS CONTRACTED AGENTS TO ALLOW ACCESS TO CITY OWNED PROPERTY
IN CONNECTION WITH A REMEDIAL INVESTIGATION PROJECT
OF THE STEWART AIR NATIONAL GUARD BASE AREA**

WHEREAS, the United States Department of the Army is undertaking a remedial investigation of the Stewart Air National Guard Base Area; and

WHEREAS, the United States Department of the Army has requested access to City-owned water supply property identified as Section 4, Block 1, Lot 12.2, Section 4, Block 3, Lot 1.1, Section 32, Block 2, Lot 53, and Section 97, Block 3, Lot 10 on the official tax map of Orange County (“the City Property”) for the purposes of installing monitoring wells for soil and groundwater sampling; and

WHEREAS, the City agrees to provide access to the United States Department of the Army and its contracted agents to the portions of the City Property to allow the United States Department of the Army to perform the work, subject to the conditions provided within the attached Rite of Entry Agreement; and

WHEREAS, this Council has reviewed the attached Right of Entry Agreement and has determined that entering into the same is in the best interests of the City of Newburgh and its further development;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he is hereby authorized to execute the Right of Entry Agreement with the United States Department of the Army and their contracted agents to allow them access to City owned property in connection with the remedial investigation project of the Stewart Air National Guard Base Area.

DEPARTMENT OF THE ARMY
RIGHT-OF-ENTRY
Per and Polyfluoroalkyl Substances (PFAS) Program

Project: Stewart Air National Guard Base Area

Property I.D. #: Assessor Parcel Numbers (APNs) 4-1-12.2, 4-3-1.1 and 32-2-53 in the Town of New Windsor, and APN 97-3-10 in the Town of Newburgh.

The undersigned, the City of Newburgh, hereinafter called the "City," in consideration for the mutual benefits of the work described below, hereby grants the **UNITED STATES OF AMERICA**, Department of the Army, hereinafter called the "Government," a right-of-entry upon the following terms and conditions:

1. The City hereby grants to the Government, its employees, officers, and contractors, an assignable right to enter in, on, over and across the land described below in APNs 4-1-12.2, 4-3-1.1, 32-2-53, and 97-3-10 for the purpose of conducting remedial investigation as determined by the Government for a period not to exceed thirty-six (36) months or for a period not less than the duration of the remedial investigation phase, beginning with the date of the signing of this instrument for use by the Government, its representatives, agents, contractors, and assigns, as a work area for the PFAS Program, whichever is sooner, and perform any other such work as may be further described in the Government's remedial investigation Scope of Work and Site Access Plan, Revision 2, dated April 5, 2023, as previously reviewed and approved by the City.
2. The City also grants the right to the Government to request entry from the City to any other adjoining lands owned by the City, as may be necessary in order to use the lands described herein and for the purposes listed in the Right of Entry, Scope of Work, and Site Access Plan. If access to such adjoining land is required, the Government will provide remedial investigation scope of work and site access plan for the adjoining land for the City's review. The City's approval of such request by the Government not to be unreasonably denied.
3. All proposed activities will be coordinated with the City five (5) days prior to the start of a phase of field work.
4. All tools, equipment, and other property taken upon or placed upon the land by the Government shall remain the property of the Government and shall be removed by the Government at any time within a reasonable period after the expiration of this permit of right-of-entry.
5. If any action of the Government's employees or agents in the exercise of this right-of-entry results in damage to the real property, the Government will, in its sole discretion, either repair such damage or make an appropriate settlement with the City. In no event shall such repair or settlement exceed the fair market value of the fee title to the real property at the time immediately preceding such damage. The Government's liability under this clause is subject to the availability of appropriations for such payment, and nothing contained in this agreement may be considered as implying that Congress will at a later date appropriate funds sufficient to meet deficiencies. The provisions of this

clause are without prejudice to any rights the City may have to make a claim under applicable laws for any damages other than those provided for herein.

6. The land affected by this right-of-entry is located in Orange County, New York, and is described as follows: APNs 4-1-12.2, 4-3-1.1 and 32-2-53 in the Town of New Windsor, and APN 97-3-10 in the Town of Newburgh, as shown on **EXHIBIT "A"** attached hereto.

7. This Right of Entry includes and incorporates by reference Exhibit "A" depicting the lands affected, the Addendum, Scope of Work and Site Access Plan, Revision 2, dated April 5, 2023, and the insurance certificates required by this Right of Entry and the Addendum.

Dated this _____ day of _____, 2023.

Signature¹: _____

¹ Certificate of authority is required if owner is a corporation, company, agency, etc. to verify that the person who signed this page has the proper authority to sign on owner or agency's behalf.

ADDENDUM

1. This Right of Entry is only assignable to another agency or branch of the U.S. Government.
2. All work described in the attached Scope of Work, relative to this Right of Entry, will be at the expense of the Government, subject to the appropriation of funding for such purposes.
3. The Government will coordinate with the City, in order for a designated City representative to be present during the performance of work, as described in the Scope of Work, at the sites, and to also have an engineering consultant, as designated by the City, to be present, with the ability to obtain a split of any samples taken. Any and all costs of such split samples will be the responsibility of the City. The Government makes no warranty herein, and also, assumes no risk or liability therein, as may arise with such split samples taken.
4. It is acknowledged, that by separate agreement, any contractors of the Government shall maintain or cause to be maintained, the following policies of insurance, as procured from insurance companies authorized to do business in New York: (a) Workers Compensation Insurance and Employer Liability Insurance providing statutory benefits and limits; (b) Motor Vehicle Insurance with coverage for all owned, non-owned and hired vehicles with combined single limits of not less than \$1,000,000.00 per occurrence for bodily injury and property damage; (c) Commercial General Liability Insurance with combined single limits of not less than \$2,000,000.00 per occurrence for bodily injury and property damage naming the City of Newburgh as an additional insured; and (d) pollution liability insurance.
5. Upon completion of the work, subject to this Right of Entry and related Scope of Work, the Government shall provide the City with a copy of any laboratory analytical reports and any final written report, regarding the work, subject to this Right of Entry and related Scope of Work.
6. The Scope of Work and Site Access Plan are attached hereto, and also herein, incorporated by reference into this Right of Entry. It is understood by the Government and acknowledged by the City, that the City has reviewed and approved the attached Scope of Work and Site Access Plan.
7. Whenever there arises a conflict between the terms of the Right of Entry including exhibits and this Addendum, the terms of this Addendum shall prevail.

EXHIBIT A

Proposed Environmental Drilling and Sampling Scope of Work
City of Newburgh, New York Property
Phase 1 Per- and Polyfluoroalkyl Substances (PFAS) Remedial Investigation
Stewart Air National Guard Base
December 22, 2022
REVISION 1: January 25, 2023
REVISION 2: April 5, 2023

AECOM Technical Services, Inc. (AECOM), under contract with USACE, is conducting a Phase 1 Per- and Polyfluoroalkyl Substances (PFAS) Remedial Investigation (RI) at the Stewart Air National Guard Base (SANGB) in Newburgh, NY. As part of the approved Uniform Federal Policy-Quality Assurance Project Plan (UFP-QAPP) for the RI, twelve (12) sampling locations are proposed to be completed under field Mobilization 1 on City of Newburgh, NY properties, which include Lake Washington, the Silver Stream diversion basin, and Brown's Pond. These proposed Mobilization 1 sampling locations, including one new groundwater monitoring well and eleven surface water and sediment samples, are shown on attached **Figures 1 and 2**.

AECOM's drilling subcontractor, AARCO Environmental Services Corp. (AARCO), will use a rotosonic drilling rig to advance a test boring for the installation of the new monitoring well LWMW-04BR (**Figure 1**). This boring and completed monitoring well will be located east of Route 300, near the northwestern perimeter of Lake Washington. Before commencing drilling, AECOM's utility clearance subcontractor will use ground-penetrating radar (GPR) and electro-magnetic induction equipment to survey each drilling location to locate and avoid subsurface utilities. In addition, AARCO will contact DigSafely NY to complete public utility location clearance for the location and will also hand clear the boring to a depth of five feet with a hand auger.

AARCO will complete boring LWMW-04BR (**Figure 1**) as a permanent monitoring well installed in the upper 20 feet of bedrock. The boring for well LWMW-04BR will be advanced to the top of rock and the sonic casing will then be seated at least one foot into bedrock. The boring will then be continued up to twenty feet into bedrock using HQ wireline rock coring methods. Upon completion of drilling, a 2-inch diameter PVC monitoring well will be installed in the bedrock core hole. The well will be constructed with 10 feet of PVC screen and solid riser pipe extending to ground surface. Quartz silica sand will be placed around the well screen to a depth of up to 3 feet above the top of screen. A 3-foot thick bentonite pellet seal will then be installed above the top of the sand pack and the remaining borehole annulus will be sealed with cement-bentonite grout as the sonic casing is extracted. Depending on the City's direction, the top of the well will be completed with either a flush-mount or standpipe (with bollard posts) and locking protective casing. AECOM will collect groundwater samples from the well for laboratory analysis at least three times after it is installed and prior to the scheduled completion date of RI field work, July 2024.

AARCO will complete borehole drilling using a Geoprobe® brand sonic drill rig Model #8140LC and a Geoprobe® Model 7822DT rig for rock coring. Specification sheets for the rigs are attached. Drill cuttings and excess drilling water and purged groundwater generated during the work will be placed into 55-gallon steel drums and transported to SANGB upon completion. The work area around the boreholes will be restored as practicable to existing conditions.

The 11 remaining locations are "non-intrusive" (i.e., no drill rig required) proposed for the collection of surface water and sediment samples. Eight of the proposed locations include surface water and sediment samples within Lake Washington or the Silver Stream diversion basin (LW01, LW02, LW03, LW04, LW05, LWB01, SS03, and SSDB01; **Figure 1**), and three of the locations are within Brown's Pond (SSR01, SSR02 and SSR03; **Figure 2**). AECOM will conduct two sampling rounds at these locations.

Detailed Access Plan:

- The installation and sampling of monitoring well LWMW-04BR, and the collection of surface water/sediment samples at the eleven (11) other locations will occur under multiple and separate mobilizations that will occur throughout the course of the RI.
- AECOM will notify the Commissioner of Public Works, Jason Morris, P.E., at (845) 569-7448 (jmorris@cityofnewburgh-ny.gov) and the City Water Superintendent, Wayne Vradenburgh,

at (845) 565-3356 at least 10 days in advance (of each mobilization) of anticipated access to and conduct of field work on City property.

- All work will be conducted generally Monday through Friday during daytime hours (i.e., 7:00 a.m. to 5:00 p.m.).
- Prior to drilling LWMW-04BR, AECOM's drilling subcontractor (AARCO) will file a Dig-Safely NY 811 notice and AECOM's utility locating subcontractor (GPRS) will use geophysical instruments including GPR to clear the borehole location of underground utilities. At the start of work, AARCO will hand-clear the borehole to a depth of 5-feet bgs using a hand auger.
- The exact proposed location of monitoring well LWMW-04BR, and notes regarding plans to access this location, are shown in the attached **Figure 1A**. Notes regarding the means by which AECOM will access the proposed surface water and sediment sampling locations are shown in attached **Figures 1B and 2A**. Note that **Figure 2A** does not describe how AECOM will access Brown's Pond for the collection of surface water sample locations SSR02 or SSR03; these samples will be collected from the shoreline and accessed from the Mt. Airy Road public right-of-way.
- Access to, and installation of, monitoring well LWMW-04BR and surface water/sediment sample locations will not cause disturbance to City of Newburgh infrastructure(s).
- Investigation Derived Waste (IDW) generated during the work, including excess soil from drill cuttings, excess water used and generated during drilling and equipment decontamination, and groundwater purged from the wells, will be placed into DOT-approved steel 55-gallon drums for disposal at a permitted landfill. Representative samples of each IDW waste stream will be collected for laboratory waste characterization analysis as required by the disposal facility. Copies of waste characterization analytical results and disposal manifests for the IDW will be provided to the City.
- Controls that will be implemented during drilling and installation of monitoring well LWMW-04BR, to mitigate impact to stormwater in this MS4 area, will include the containerization in drums of excess drill cuttings and drilling fluids.
- No intrusive activities are planned within I87 Thruway Authority property or ROW so no approval of temporary access permits are required.
- No intrusive activities are being conducted within a dam, so there are no NYSDEC or NYCDEP dam safety permits required for this project.
- AECOM and its subcontractors will not park its vehicles or operate in any way that would interfere with, or cause delays of, day-to-day operations at either the Washington Lake Park or Brown's Pond properties.
- Monitoring well LWMW-04BR will be installed with a locked protective surface casing to prevent unauthorized access to the well. Only AECOM and the SANGB environmental manager will hold the key for this locked well casing.

RESOLUTION NO.: _____ - 2023

OF

APRIL 24, 2023

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEWBURGH
DECLARING ITSELF LEAD AGENCY AND DECLARING THE MATTER
A TYPE I ACTION, BOTH PURSUANT TO THE STATE ENVIRONMENTAL QUALITY
REVIEW ACT ("SEQRA"), WITH RESPECT TO THE ADOPTION OF A REVISION
TO CHAPTER 300 ENTITLED "ZONING" OF THE
CODE OF ORDINANCES OF THE CITY OF NEWBURGH**

WHEREAS, the City of Newburgh proposes the adoption of a revision to Chapter 300, entitled "Zoning", of the City Code of Ordinances of the City of Newburgh; and

WHEREAS, the City of Newburgh proposes to undertake the adoption of the proposed revision in compliance with the terms of New York State law and hereby wishes to review the project in accordance with the State Environmental Quality Review Act ("SEQRA"); and

WHEREAS, by Resolution No. 40-2023 of March 13, 2023, in compliance with the SEQRA process, the City Council of the City of Newburgh declared its intent to assume Lead Agency status, classify the project as a Type I action, and accept as complete a Full Environmental Assessment Form ("FEAF"), as well as refer the proposed revision to the Orange County Planning Department pursuant to General Municipal Law Section 239-m and all other interested or involved agencies; and

WHEREAS, the City Council has received no objections from any interested or involved agencies to the City Council's intent to act as Lead Agency pursuant to SEQRA for the proposed revisions; and

NOW, THEREFORE, BE IT RESOLVED, in compliance with the SEQRA process, the City Council of the City of Newburgh declares itself to be Lead Agency for environmental review of the action, and declares the proposed revision a Type I action.

RESOLUTION NO.: 40 - 2023

OF

MARCH 13, 2023

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEWBURGH DECLARING ITS INTENT TO BE LEAD AGENCY UNDER THE STATE ENVIRONMENTAL QUALITY REVIEW ACT ("SEQRA") WITH RESPECT TO AMENDING CHAPTER 300 ENTITLED "ZONING" OF THE CODE OF ORDINANCES OF THE CITY OF NEWBURGH, DECLARING THE PROJECT TO BE A TYPE I ACTION, CONSIDERING A FULL ENVIRONMENTAL ASSESSMENT FORM ("FEAF") AND REFERRING THE SAME TO THE ORANGE COUNTY DEPARTMENT OF PLANNING AND OTHER INTERESTED OR INVOLVED AGENCIES

WHEREAS, the City of Newburgh is proposing to amend Chapter 300 entitled "Zoning" of the City Code of Ordinances of the City of Newburgh and the Zoning Map of the City of Newburgh; and

WHEREAS, the City of Newburgh proposes to undertake the adoption of the amendments of Chapter 300 entitled "Zoning" in compliance with the terms of state law and does hereby wish to review the project in accordance with the State Environmental Quality Review Act ("SEQRA"); and

WHEREAS, in compliance with SEQRA, the City Council of the City of Newburgh wishes to declare its intent to assume Lead Agency status, classify the project as a Type I action, proposes to accept a Full Environmental Assessment Form ("FEAF") and refer the proposed amendments to the Orange County Planning Department pursuant to General Municipal Law Section 239-m and to other interested or involved agencies; and

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York, as follows:

1. That the City Council of the City of Newburgh hereby declares its intent to assume Lead Agency status for the environmental review of the action pursuant to 6 NYCRR 617.6; and
2. That this Council classifies the action as a Type I Action; and
3. That this Council proposes to accept Part I of the Full Environmental Assessment Form ("FEAF") attached hereto; and
4. That this Council authorizes the City Manager to circulate the FEAF to other "Interested Agencies" or "Involved Agencies"; and

5. That this Council refers the proposed amendments to Chapter 300, entitled "Zoning" of the Code of Ordinances of the City of Newburgh to the Orange County Planning Department as required by General Municipal Law Section 239-m.

I, Katrina Cotten, Deputy City Clerk of the City of Newburgh hereby certify that I have compared the foregoing with the original resolution adopted by the Council of the City of Newburgh at a regular meeting held 3/13/23 and that it is a true and correct copy of such original.

Witness my hand and seal of the City of Newburgh this 14th day of Mar. 20 23

Katrina Cotten
Deputy City Clerk

Full Environmental Assessment Form
Part 1 - Project and Setting

Instructions for Completing Part 1

Part 1 is to be completed by the applicant or project sponsor. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either "Yes" or "No". If the answer to the initial question is "Yes", complete the sub-questions that follow. If the answer to the initial question is "No", proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. Section G requires the name and signature of the applicant or project sponsor to verify that the information contained in Part 1 is accurate and complete.

A. Project and Applicant/Sponsor Information.

Name of Action or Project: City of Newburgh Zoning Code Update, 2023		
Project Location (describe, and attach a general location map): City of Newburgh, County of Orange, New York		
Brief Description of Proposed Action (include purpose or need): The Proposed Action would acknowledge and incorporate Cannabis, Cannabis-related business types, and Cannabis-related uses into Chapter 300 of the Newburgh City Code, all in accordance with the Cannabis Law of the State of New York. The proposed amendments would take effect city-wide, though the proposed actions have application in limited, specific geographic locations. The Proposed Action for purposes of environmental review is being considered by the City Council of the City of Newburgh, which seeks to act as Lead Agency pursuant to SEQRA.		
Name of Applicant/Sponsor: City of Newburgh	Telephone: 845-569-7301	
	E-Mail:	
Address: 83 Broadway

e. County agencies <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	General Municipal Law 239 referral	
f. Regional agencies <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		
g. State agencies <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		
h. Federal agencies <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		
i. Coastal Resources.		
i. Is the project site within a Coastal Area, or the waterfront area of a Designated Inland Waterway?		<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
ii. Is the project site located in a community with an approved Local Waterfront Revitalization Program?		<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
iii. Is the project site within a Coastal Erosion Hazard Area?		<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No

C. Planning and Zoning

C.1. Planning and zoning actions.

Will administrative or legislative adoption, or amendment of a plan, local law, ordinance, rule or regulation be the only approval(s) which must be granted to enable the proposed action to proceed? ☒ Yes ☐ No

- If Yes, complete sections C, F and G.
- If No, proceed to question C.2 and complete all remaining sections and questions in Part 1

C.2. Adopted land use plans.

a. Do any municipally- adopted (city, town, village or county) comprehensive land use plan(s) include the site where the proposed action would be located? ☒ Yes ☐ No

If Yes, does the comprehensive plan include specific recommendations for the site where the proposed action would be located? ☐ Yes ☒ No

b. Is the site of the proposed action within any local or regional special planning district (for example: Greenway; Brownfield Opportunity Area (BOA); designated State or Federal heritage area; watershed management plan; or other?) ☒ Yes ☐ No

If Yes, identify the plan(s):

Brownfield Remediation Site: 336042, 336009, 336031, B00127, B00136, 546031, 336063, V00117, B00188, B00189, E336074, E336075, C336085, 336085, 336055, Brownfield Opportunity Area Nomination (census tract 5); Hudson River Greenway; Hudson River National Heritage Area; CoN LWRP; HMP; East End Historic District.

c. Is the proposed action located wholly or partially within an area listed in an adopted municipal open space plan, or an adopted municipal farmland protection plan? ☐ Yes ☒ No

If Yes, identify the plan(s):

C.3. Zoning	
a. Is the site of the proposed action located in a municipality with an adopted zoning law or ordinance. If Yes, what is the zoning classification(s) including any applicable overlay district? Proposed Action would result in an update to Chapter 300 of the City's Code of Ordinances, including text amendments.	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
<hr/>	
b. Is the use permitted or allowed by a special or conditional use permit?	<input type="checkbox"/> Yes <input type="checkbox"/> No
Not applicable.	
c. Is a zoning change requested as part of the proposed action? If Yes,	<input type="checkbox"/> Yes <input type="checkbox"/> No
i. What is the proposed new zoning for the site? See proposed zoning map.	
<hr/>	
C.4. Existing community services.	
a. In what school district is the project site located? Newburgh Enlarged City School District	
<hr/>	
b. What police or other public protection forces serve the project site? City of Newburgh Police Department, Orange County Sheriff, New York State Police	
<hr/>	
c. Which fire protection and emergency medical services serve the project site? City of Newburgh Fire Department	
<hr/>	
d. What parks serve the project site? Includes, but not limited to: 9/11 Memorial Park; Aquatic Center; Audrey Carey Park; Broadway Park; Clinton Square; Delano-Hitch Recreation Park; Delano-Hitch Stadium; Desmond Tennis Courts; Downing Park; Gidney Avenue Basketball Courts; Hasbrouck Street Park; Newburgh Boat Launch.	
<hr/>	

D. Project Details

D.1. Proposed and Potential Development (Entirety of Section D is N/A)	
a. What is the general nature of the proposed action (e.g., residential, industrial, commercial, recreational; if mixed, include all components)? Incorporation of Cannabis, Cannabis-related business types, and Cannabis-related uses into the City's zoning code.	
<hr/>	
b. a. Total acreage of the site of the proposed action?	_____ acres
b. b. Total acreage to be physically disturbed?	_____ acres
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor?	_____ acres
c. Is the proposed action an expansion of an existing project or use? <input type="checkbox"/> Yes <input type="checkbox"/> No	
i. If Yes, what is the approximate percentage of the proposed expansion and identify the units (e.g., acres, miles, housing units, square feet)? % _____ Units: _____	
d. Is the proposed action a subdivision, or does it include a subdivision? <input type="checkbox"/> Yes <input type="checkbox"/> No	
If Yes,	
i. Purpose or type of subdivision? (e.g., residential, industrial, commercial; if mixed, specify types)	
<hr/>	
ii. Is a cluster/conservation layout proposed? <input type="checkbox"/> Yes <input type="checkbox"/> No	
iii. Number of lots proposed? _____	
iv. Minimum and maximum proposed lot sizes? Minimum _____ Maximum _____	
e. Will the proposed action be constructed in multiple phases? <input type="checkbox"/> Yes <input type="checkbox"/> No	
i. If No, anticipated period of construction: _____ months	
ii. If Yes:	
<ul style="list-style-type: none"> • Total number of phases anticipated _____ • Anticipated commencement date of phase 1 (including demolition) _____ month _____ year • Anticipated completion date of final phase _____ month _____ year • Generally describe connections or relationships among phases, including any contingencies where progress of one phase may determine timing or duration of future phases: _____ 	
<hr/>	
<hr/>	

f. Does the project include new residential uses? <input type="checkbox"/> Yes <input type="checkbox"/> No If Yes, show numbers of units proposed.				
	<u>One Family</u>	<u>Two Family</u>	<u>Three Family</u>	<u>Multiple Family (four or more)</u>
Initial Phase	_____	_____	_____	_____
At completion of all phases	_____	_____	_____	_____

g. Does the proposed action include new non-residential construction (including expansions)? <input type="checkbox"/> Yes <input type="checkbox"/> No If Yes,	
i. Total number of structures _____ ii. Dimensions (in feet) of largest proposed structure: _____ height; _____ width; and _____ length iii. Approximate extent of building space to be heated or cooled: _____ square feet	

h. Does the proposed action include construction or other activities that will result in the impoundment of any liquids, such as creation of a water supply, reservoir, pond, lake, waste lagoon or other storage? <input type="checkbox"/> Yes <input type="checkbox"/> No If Yes,	
i. Purpose of the impoundment: _____ ii. If a water impoundment, the principal source of the water: <input type="checkbox"/> Ground water <input type="checkbox"/> Surface water streams <input type="checkbox"/> Other specify: _____ iii. If other than water, identify the type of impounded/contained liquids and their source. _____ iv. Approximate size of the proposed impoundment. Volume: _____ million gallons; surface area: _____ acres v. Dimensions of the proposed dam or impounding structure: _____ height; _____ length vi. Construction method/materials for the proposed dam or impounding structure (e.g., earth fill, rock, wood, concrete): _____	

D.2. Project Operations

a. Does the proposed action include any excavation, mining, or dredging, during construction, operations, or both? (Not including general site preparation, grading or installation of utilities or foundations where all excavated materials will remain onsite) <input type="checkbox"/> Yes <input type="checkbox"/> No If Yes:	
i. What is the purpose of the excavation or dredging? _____ ii. How much material (including rock, earth, sediments, etc.) is proposed to be removed from the site? • Volume (specify tons or cubic yards): _____ • Over what duration of time? _____ iii. Describe nature and characteristics of materials to be excavated or dredged, and plans to use, manage or dispose of them. _____ _____ _____ iv. Will there be onsite dewatering or processing of excavated materials? <input type="checkbox"/> Yes <input type="checkbox"/> No If yes, describe. _____ _____ _____ v. What is the total area to be dredged or excavated? _____ acres vi. What is the maximum area to be worked at any one time? _____ acres vii. What would be the maximum depth of excavation or dredging? _____ feet viii. Will the excavation require blasting? <input type="checkbox"/> Yes <input type="checkbox"/> No ix. Summarize site reclamation goals and plan: _____ _____ _____ _____	

b. Would the proposed action cause or result in alteration of, increase or decrease in size of, or encroachment into any existing wetland, waterbody, shoreline, beach or adjacent area? <input type="checkbox"/> Yes <input type="checkbox"/> No If Yes:	
i. Identify the wetland or waterbody which would be affected (by name, water index number, wetland map number or geographic description): _____ _____ _____	

ii. Describe how the proposed action would affect that waterbody or wetland, e.g. excavation, fill, placement of structures, or alteration of channels, banks and shorelines. Indicate extent of activities, alterations and additions in square feet or acres:

iii. Will the proposed action cause or result in disturbance to bottom sediments? ☐ Yes ☐ No
If Yes, describe: _____

iv. Will the proposed action cause or result in the destruction or removal of aquatic vegetation? ☐ Yes ☐ No
If Yes:

- acres of aquatic vegetation proposed to be removed: _____
- expected acreage of aquatic vegetation remaining after project completion: _____
- purpose of proposed removal (e.g. beach clearing, invasive species control, boat access): _____
- proposed method of plant removal: _____
- if chemical/herbicide treatment will be used, specify product(s): _____

v. Describe any proposed reclamation/mitigation following disturbance: _____

c. Will the proposed action use, or create a new demand for water? ☐ Yes ☐ No
If Yes:

i. Total anticipated water usage/demand per day: _____ gallons/day

ii. Will the proposed action obtain water from an existing public water supply? ☐ Yes ☐ No
If Yes:

- Name of district or service area: _____
- Does the existing public water supply have capacity to serve the proposal? ☐ Yes ☐ No
- Is the project site in the existing district? ☐ Yes ☐ No
- Is expansion of the district needed? ☐ Yes ☐ No
- Do existing lines serve the project site? ☐ Yes ☐ No

iii. Will line extension within an existing district be necessary to supply the project? ☐ Yes ☐ No
If Yes:

- Describe extensions or capacity expansions proposed to serve this project: _____
- Source(s) of supply for the district: _____

iv. Is a new water supply district or service area proposed to be formed to serve the project site? ☐ Yes ☐ No
If Yes:

- Applicant/sponsor for new district: _____
- Date application submitted or anticipated: _____
- Proposed source(s) of supply for new district: _____

v. If a public water supply will not be used, describe plans to provide water supply for the project: _____

vi. If water supply will be from wells (public or private), what is the maximum pumping capacity: _____ gallons/minute.

d. Will the proposed action generate liquid wastes? ☐ Yes ☐ No
If Yes:

i. Total anticipated liquid waste generation per day: _____ gallons/day

ii. Nature of liquid wastes to be generated (e.g., sanitary wastewater, industrial; if combination, describe all components and approximate volumes or proportions of each): _____

iii. Will the proposed action use any existing public wastewater treatment facilities? ☐ Yes ☐ No
If Yes:

- Name of wastewater treatment plant to be used: _____
- Name of district: _____
- Does the existing wastewater treatment plant have capacity to serve the project? ☐ Yes ☐ No
- Is the project site in the existing district? ☐ Yes ☐ No
- Is expansion of the district needed? ☐ Yes ☐ No

<ul style="list-style-type: none"> • Do existing sewer lines serve the project site? _____ • Will a line extension within an existing district be necessary to serve the project? _____ <p>If Yes:</p> <ul style="list-style-type: none"> • Describe extensions or capacity expansions proposed to serve this project: _____ 	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Yes <input type="checkbox"/> No
<hr/>	
<p>iv. Will a new wastewater (sewage) treatment district be formed to serve the project site? _____</p> <p>If Yes:</p> <ul style="list-style-type: none"> • Applicant/sponsor for new district: _____ • Date application submitted or anticipated: _____ • What is the receiving water for the wastewater discharge? _____ 	<input type="checkbox"/> Yes <input type="checkbox"/> No
<hr/>	
<p>v. If public facilities will not be used, describe plans to provide wastewater treatment for the project, including specifying proposed receiving water (name and classification if surface discharge or describe subsurface disposal plans): _____</p>	
<hr/>	
<p>vi. Describe any plans or designs to capture, recycle or reuse liquid waste: _____</p>	
<hr/>	
<p>e. Will the proposed action disturb more than one acre and create stormwater runoff, either from new point sources (i.e. ditches, pipes, swales, curbs, gutters or other concentrated flows of stormwater) or non-point source (i.e. sheet flow) during construction or post construction? _____</p> <p>If Yes:</p> <p>i. How much impervious surface will the project create in relation to total size of project parcel?</p> <p style="padding-left: 40px;">_____ Square feet or _____ acres (impervious surface)</p> <p style="padding-left: 40px;">_____ Square feet or _____ acres (parcel size)</p> <p>ii. Describe types of new point sources. _____</p>	<input type="checkbox"/> Yes <input type="checkbox"/> No
<hr/>	
<p>iii. Where will the stormwater runoff be directed (i.e. on-site stormwater management facility/structures, adjacent properties, groundwater, on-site surface water or off-site surface waters)? _____</p>	
<hr/>	
<p>• If to surface waters, identify receiving water bodies or wetlands: _____</p>	
<hr/>	
<p>• Will stormwater runoff flow to adjacent properties? _____</p>	<input type="checkbox"/> Yes <input type="checkbox"/> No
<hr/>	
<p>iv. Does the proposed plan minimize impervious surfaces, use pervious materials or collect and re-use stormwater? _____</p>	<input type="checkbox"/> Yes <input type="checkbox"/> No
<hr/>	
<p>f. Does the proposed action include, or will it use on-site, one or more sources of air emissions, including fuel combustion, waste incineration, or other processes or operations? _____</p> <p>If Yes, identify:</p> <p>i. Mobile sources during project operations (e.g., heavy equipment, fleet or delivery vehicles) _____</p> <p>ii. Stationary sources during construction (e.g., power generation, structural heating, batch plant, crushers) _____</p> <p>iii. Stationary sources during operations (e.g., process emissions, large boilers, electric generation) _____</p>	<input type="checkbox"/> Yes <input type="checkbox"/> No
<hr/>	
<p>g. Will any air emission sources named in D.2.f (above), require a NY State Air Registration, Air Facility Permit, or Federal Clean Air Act Title IV or Title V Permit? _____</p> <p>If Yes:</p> <p>i. Is the project site located in an Air quality non-attainment area? (Area routinely or periodically fails to meet ambient air quality standards for all or some parts of the year) _____</p> <p>ii. In addition to emissions as calculated in the application, the project will generate:</p> <ul style="list-style-type: none"> • _____ Tons/year (short tons) of Carbon Dioxide (CO₂) • _____ Tons/year (short tons) of Nitrous Oxide (N₂O) • _____ Tons/year (short tons) of Perfluorocarbons (PFCs) • _____ Tons/year (short tons) of Sulfur Hexafluoride (SF₆) • _____ Tons/year (short tons) of Carbon Dioxide equivalent of Hydrofluorocarbons (HFCs) • _____ Tons/year (short tons) of Hazardous Air Pollutants (HAPs) 	<input type="checkbox"/> Yes <input type="checkbox"/> No

<p>h. Will the proposed action generate or emit methane (including, but not limited to, sewage treatment plants, landfills, composting facilities)? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Estimate methane generation in tons/year (metric): _____</p> <p>ii. Describe any methane capture, control or elimination measures included in project design (e.g., combustion to generate heat or electricity, flaring): _____</p>			
<p>i. Will the proposed action result in the release of air pollutants from open-air operations or processes, such as quarry or landfill operations? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes: Describe operations and nature of emissions (e.g., diesel exhaust, rock particulates/dust): _____</p>			
<p>j. Will the proposed action result in a substantial increase in traffic above present levels or generate substantial new demand for transportation facilities or services? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p>i. When is the peak traffic expected (Check all that apply): <input type="checkbox"/> Morning <input type="checkbox"/> Evening <input type="checkbox"/> Weekend <input type="checkbox"/> Randomly between hours of _____ to _____.</p> <p>ii. For commercial activities only, projected number of truck trips/day and type (e.g., semi trailers and dump trucks): _____</p> <p>iii. Parking spaces: Existing _____ Proposed _____ Net increase/decrease _____</p> <p>iv. Does the proposed action include any shared use parking? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>v. If the proposed action includes any modification of existing roads, creation of new roads or change in existing access, describe: _____</p> <p>vi. Are public/private transportation service(s) or facilities available within ½ mile of the proposed site? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>vii. Will the proposed action include access to public transportation or accommodations for use of hybrid, electric or other alternative fueled vehicles? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>viii. Will the proposed action include plans for pedestrian or bicycle accommodations for connections to existing pedestrian or bicycle routes? <input type="checkbox"/> Yes <input type="checkbox"/> No</p>			
<p>k. Will the proposed action (for commercial or industrial projects only) generate new or additional demand for energy? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Estimate annual electricity demand during operation of the proposed action: _____</p> <p>ii. Anticipated sources/suppliers of electricity for the project (e.g., on-site combustion, on-site renewable, via grid/local utility, or other): _____</p> <p>iii. Will the proposed action require a new, or an upgrade, to an existing substation? <input type="checkbox"/> Yes <input type="checkbox"/> No</p>			
<p>l. Hours of operation. Answer all items which apply.</p> <table style="width: 100%;"> <tr> <td style="width: 50%; vertical-align: top;"> <p>i. During Construction:</p> <ul style="list-style-type: none"> • Monday - Friday: _____ • Saturday: _____ • Sunday: _____ • Holidays: _____ </td> <td style="width: 50%; vertical-align: top;"> <p>ii. During Operations:</p> <ul style="list-style-type: none"> • Monday - Friday: _____ • Saturday: _____ • Sunday: _____ • Holidays: _____ </td> </tr> </table>		<p>i. During Construction:</p> <ul style="list-style-type: none"> • Monday - Friday: _____ • Saturday: _____ • Sunday: _____ • Holidays: _____ 	<p>ii. During Operations:</p> <ul style="list-style-type: none"> • Monday - Friday: _____ • Saturday: _____ • Sunday: _____ • Holidays: _____
<p>i. During Construction:</p> <ul style="list-style-type: none"> • Monday - Friday: _____ • Saturday: _____ • Sunday: _____ • Holidays: _____ 	<p>ii. During Operations:</p> <ul style="list-style-type: none"> • Monday - Friday: _____ • Saturday: _____ • Sunday: _____ • Holidays: _____ 		

<p>m. Will the proposed action produce noise that will exceed existing ambient noise levels during construction, operation, or both? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If yes:</p> <p>i. Provide details including sources, time of day and duration:</p> <p>_____</p>	
<p>ii. Will the proposed action remove existing natural barriers that could act as a noise barrier or screen? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>Describe: _____</p>	
<p>n. Will the proposed action have outdoor lighting? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If yes:</p> <p>i. Describe source(s), location(s), height of fixture(s), direction/aim, and proximity to nearest occupied structures:</p> <p>_____</p>	
<p>ii. Will proposed action remove existing natural barriers that could act as a light barrier or screen? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>Describe: _____</p>	
<p>o. Does the proposed action have the potential to produce odors for more than one hour per day? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes, describe possible sources, potential frequency and duration of odor emissions, and proximity to nearest occupied structures: _____</p> <p>_____</p>	
<p>p. Will the proposed action include any bulk storage of petroleum (combined capacity of over 1,100 gallons) or chemical products 185 gallons in above ground storage or any amount in underground storage? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Product(s) to be stored _____</p> <p>ii. Volume(s) _____ per unit time _____ (e.g., month, year)</p> <p>iii. Generally, describe the proposed storage facilities: _____</p>	
<p>q. Will the proposed action (commercial, industrial and recreational projects only) use pesticides (i.e., herbicides, insecticides) during construction or operation? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Describe proposed treatment(s):</p> <p>_____</p> <p>_____</p>	
<p>ii. Will the proposed action use Integrated Pest Management Practices? <input type="checkbox"/> Yes <input type="checkbox"/> No</p>	
<p>r. Will the proposed action (commercial or industrial projects only) involve or require the management or disposal of solid waste (excluding hazardous materials)? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Describe any solid waste(s) to be generated during construction or operation of the facility:</p> <ul style="list-style-type: none"> • Construction: _____ tons per _____ (unit of time) • Operation : _____ tons per _____ (unit of time) <p>ii. Describe any proposals for on-site minimization, recycling or reuse of materials to avoid disposal as solid waste:</p> <ul style="list-style-type: none"> • Construction: _____ • Operation: _____ <p>iii. Proposed disposal methods/facilities for solid waste generated on-site:</p> <ul style="list-style-type: none"> • Construction: _____ • Operation: _____ 	

s. Does the proposed action include construction or modification of a solid waste management facility? ☐ Yes ☐ No

If Yes:

i. Type of management or handling of waste proposed for the site (e.g., recycling or transfer station, composting, landfill, or other disposal activities): _____

ii. Anticipated rate of disposal/processing:

- _____ Tons/month, if transfer or other non-combustion/thermal treatment, or
- _____ Tons/hour, if combustion or thermal treatment

iii. If landfill, anticipated site life: _____ years

t. Will the proposed action at the site involve the commercial generation, treatment, storage, or disposal of hazardous waste? ☐ Yes ☐ No

If Yes:

i. Name(s) of all hazardous wastes or constituents to be generated, handled or managed at facility: _____

ii. Generally describe processes or activities involving hazardous wastes or constituents: _____

iii. Specify amount to be handled or generated _____ tons/month

iv. Describe any proposals for on-site minimization, recycling or reuse of hazardous constituents: _____

v. Will any hazardous wastes be disposed at an existing offsite hazardous waste facility? ☐ Yes ☐ No

If Yes: provide name and location of facility: _____

If No: describe proposed management of any hazardous wastes which will not be sent to a hazardous waste facility: _____

E. Site and Setting of Proposed Action (Entirety of Section E is N/A)

E.1. Land uses on and surrounding the project site

a. Existing land uses.

i. Check all uses that occur on, adjoining and near the project site.

☐ Urban ☐ Industrial ☐ Commercial ☐ Residential (suburban) ☐ Rural (non-farm)

☐ Forest ☐ Agriculture ☐ Aquatic ☐ Other (specify): _____

ii. If mix of uses, generally describe: _____

b. Land uses and covertypes on the project site.

Land use or Covertype	Current Acreage	Acreage After Project Completion	Change (Acres +/-)
• Roads, buildings, and other paved or impervious surfaces			
• Forested			
• Meadows, grasslands or brushlands (non-agricultural, including abandoned agricultural)			
• Agricultural (includes active orchards, field, greenhouse etc.)			
• Surface water features (lakes, ponds, streams, rivers, etc.)			
• Wetlands (freshwater or tidal)			
• Non-vegetated (bare rock, earth or fill)			
• Other Describe: _____			

<p>c. Is the project site presently used by members of the community for public recreation? <i>i. If Yes: explain:</i> _____</p>	<input type="checkbox"/> Yes <input type="checkbox"/> No
<p>d. Are there any facilities serving children, the elderly, people with disabilities (e.g., schools, hospitals, licensed day care centers, or group homes) within 1500 feet of the project site? If Yes, <i>i. Identify Facilities:</i> _____ _____</p>	<input type="checkbox"/> Yes <input type="checkbox"/> No
<p>e. Does the project site contain an existing dam? If Yes: <i>i. Dimensions of the dam and impoundment:</i></p> <ul style="list-style-type: none"> • Dam height: _____ feet • Dam length: _____ feet • Surface area: _____ acres • Volume impounded: _____ gallons OR acre-feet <p><i>ii. Dam's existing hazard classification:</i> _____ <i>iii. Provide date and summarize results of last inspection:</i> _____ _____</p>	<input type="checkbox"/> Yes <input type="checkbox"/> No
<p>f. Has the project site ever been used as a municipal, commercial or industrial solid waste management facility, or does the project site adjoin property which is now, or was at one time, used as a solid waste management facility? If Yes: <i>i. Has the facility been formally closed?</i> • If yes, cite sources/documentation: _____</p> <p><i>ii. Describe the location of the project site relative to the boundaries of the solid waste management facility:</i> _____ _____</p> <p><i>iii. Describe any development constraints due to the prior solid waste activities:</i> _____ _____</p>	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Yes <input type="checkbox"/> No
<p>g. Have hazardous wastes been generated, treated and/or disposed of at the site, or does the project site adjoin property which is now or was at one time used to commercially treat, store and/or dispose of hazardous waste? If Yes: <i>i. Describe waste(s) handled and waste management activities, including approximate time when activities occurred:</i> _____ _____</p>	<input type="checkbox"/> Yes <input type="checkbox"/> No
<p>h. Potential contamination history. Has there been a reported spill at the proposed project site, or have any remedial actions been conducted at or adjacent to the proposed site? If Yes: <i>i. Is any portion of the site listed on the NYSDEC Spills Incidents database or Environmental Site Remediation database? Check all that apply:</i></p> <div style="display: flex; justify-content: space-between;"> <div style="width: 45%;"> <input type="checkbox"/> Yes – Spills Incidents database <input type="checkbox"/> Yes – Environmental Site Remediation database <input type="checkbox"/> Neither database </div> <div style="width: 50%;"> Provide DEC ID number(s): _____ Provide DEC ID number(s): _____ </div> </div> <p><i>ii. If site has been subject of RCRA corrective activities, describe control measures:</i> _____ _____</p> <p><i>iii. Is the project within 2000 feet of any site in the NYSDEC Environmental Site Remediation database?</i> If yes, provide DEC ID number(s): _____</p> <p><i>iv. If yes to (i), (ii) or (iii) above, describe current status of site(s):</i> _____ _____</p>	<input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Yes <input type="checkbox"/> No

Page 11 of 13

<p>m. Identify the predominant wildlife species that occupy or use the project site: _____</p> <p>_____</p> <p>_____</p>
<p>n. Does the project site contain a designated significant natural community? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p style="margin-left: 20px;">i. Describe the habitat/community (composition, function, and basis for designation): _____</p> <p style="margin-left: 20px;">ii. Source(s) of description or evaluation: _____</p> <p style="margin-left: 20px;">iii. Extent of community/habitat:</p> <ul style="list-style-type: none"> • Currently: _____ acres • Following completion of project as proposed: _____ acres • Gain or loss (indicate + or -): _____ acres
<p>o. Does project site contain any species of plant or animal that is listed by the federal government or NYS as endangered or threatened, or does it contain any areas identified as habitat for an endangered or threatened species? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p style="margin-left: 20px;">i. Species and listing (endangered or threatened): _____</p> <p>_____</p> <p>_____</p>
<p>p. Does the project site contain any species of plant or animal that is listed by NYS as rare, or as a species of special concern? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p style="margin-left: 20px;">i. Species and listing: _____</p> <p>_____</p> <p>_____</p>
<p>q. Is the project site or adjoining area currently used for hunting, trapping, fishing or shell fishing? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If yes, give a brief description of how the proposed action may affect that use: _____</p> <p>_____</p>
<p>E.3. Designated Public Resources On or Near Project Site</p>
<p>a. Is the project site, or any portion of it, located in a designated agricultural district certified pursuant to Agriculture and Markets Law, Article 25-AA, Section 303 and 304? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes, provide county plus district name/number: _____</p>
<p>b. Are agricultural lands consisting of highly productive soils present? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p style="margin-left: 20px;">i. If Yes: acreage(s) on project site? _____</p> <p style="margin-left: 20px;">ii. Source(s) of soil rating(s): _____</p>
<p>c. Does the project site contain all or part of, or is it substantially contiguous to, a registered National Natural Landmark? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p style="margin-left: 20px;">i. Nature of the natural landmark: <input type="checkbox"/> Biological Community <input type="checkbox"/> Geological Feature</p> <p style="margin-left: 20px;">ii. Provide brief description of landmark, including values behind designation and approximate size/extent: _____</p> <p>_____</p> <p>_____</p>
<p>d. Is the project site located in or does it adjoin a state listed Critical Environmental Area? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes:</p> <p style="margin-left: 20px;">i. RESOLUTION NO.: _____ - 2023

OF

APRIL 24, 2023

**A RESOLUTION SCHEDULING A PUBLIC HEARING
FOR MAY 8, 2023 TO HEAR PUBLIC COMMENT CONCERNING
THE ADOPTION OF THE REVISED CHAPTER 300 ENTITLED “ZONING”
OF THE CODE OF ORDINANCES OF THE CITY OF NEWBURGH**

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York, that there is hereby scheduled a public hearing to receive comments concerning the adoption of the revised Chapter 300 entitled “Zoning” of the Code of Ordinances of the City of Newburgh; and that such public hearing be and hereby is duly set for the next regular meeting of the City Council to be held at 7:00 p.m. on the 8th day of May, 2023.

PROPOSED CHANGES
CHAPTER 300 (ZONING) OF CITY OF NEWBURGH CODE OF ORDINANCES

Article II
Definitions and Word Usage

§ 300-6. Word usage; terms defined.

A. Except where specifically defined herein, all words used in this chapter shall carry their customary meanings. Words used in the present tense include the future and the plural the singular. The word "shall" is intended to be mandatory, while "should" is not; and "occupied" or "used" shall be considered as though followed by the words "or intended, arranged, or designed to be used or occupied." In general, this chapter uses the word "permitted" to describe an action that requires a permit and "allowed" when a permit is not required.

B. Definitions. As used in this chapter, the following terms shall have the meanings indicated:

ACTIVITY FACILITY — A business which, for compensation, offers indoor recreational activities, such as dance, martial arts, arts and crafts, musical or theatrical instruction, children's gyms and play centers, and other places of public or private entertainment. Activity facilities shall not include facilities intended primarily for spectator activities, such as, but not limited to, stadiums and arenas, automotive tracks, bowling alleys, parlors or amusement parks.

ADULT DAY-CARE FACILITY — An establishment which provides day-care services for hire to adults who, by reason of physical or other limitations associated with age, physical or mental disabilities or other factors, are unable or substantially unable to live independently without supervision.

ADULT USES — An adult bookstore, adult motion-picture theater, or adult entertainment cabaret, as defined herein.

- (1) **ADULT BOOKSTORE** — An establishment having as a substantial or significant portion of its stock-in-trade books, magazines, or other periodicals, films, slides and videotapes which are distinguished or characterized by their emphasis on matter depicting, describing, or relating to sexual activities or exposing specified anatomical areas as defined below.
- (2) **ADULT FILM THEATER** — An enclosed building used primarily for presenting material in the form of motion pictures, films, slide shows or videotapes distinguished or characterized by an emphasis on matters depicting, describing or relating to sexual activities or exposing specified anatomical areas.
- (3) **ADULT ENTERTAINMENT CABARET** — A building or portion thereof regularly featuring dancing or other live entertainment if the dancing or entertainment that constitutes the primary live entertainment is distinguished or characterized by an emphasis on the exhibiting of sexual activities or specified anatomical areas for observation by patrons therein.

Underline denotes additions

~~Strikethrough~~ denotes deletions

AGRICULTURE — An activity which includes the cultivation of the soil for food products or other useful or valuable growths of the field or garden, nursery stock and commercial greenhouses, but does not include dairying, raising of livestock, breeding or keeping of animals, fowl or birds where the same is carried on as a business or gainful occupation. Agriculture includes also the sale at retail of farm, garden or nursery products produced on the premises.

AMUSEMENT CENTER — A place of business wherein three or more coin-operated machines, games of skill or chance or other machines of a similar nature are available for use or play by the general public.

ANIMAL CARE CENTER — Any building or portion of a building designed or used for the care, observation, or treatment of domestic animals, or for the keeping, breeding or boarding for compensation of dogs, cats, or other domestic animals, when such boarding is for more than three consecutive hours.

APARTMENT, ACCESSORY — A self-contained residential dwelling unit, clearly incidental and secondary to the principal dwelling of which it is a part, having a separate entrance and containing separate cooking, eating, sanitation and sleeping facilities for the exclusive use of the occupant, in a one-family dwelling, or in a separate accessory structure on the same lot as a one-family dwelling.

APARTMENT HOUSE (same as "multifamily dwelling") — A residential building that contains more than four dwelling units, with one primary entrance to access all dwelling units contained therein. An apartment house may include accessory uses shared by residents of the apartment house, including recreational facilities, laundry rooms, parking, seating areas and open space for the exclusive use of residents residing in the complex.

ASSEMBLY HALL/BANQUET HALL — Buildings in which the primary or intended occupancy or use is the assembly for amusement, athletic, civic, dining, educational, entertainment, political, recreational, religious, social, or similar purposes, except an assembly hall shall not include any use defined elsewhere herein, in which kitchen facilities may or may not exist.

AUTOMOBILE GASOLINE STATION — Any building or land area used for the retail dispensing or sales of automobile fuels, which activity may be accompanied by accessory uses, such as sales of lubricants, tires, accessories or supplies, and prepackaged food items and tangible consumer goods, primarily for self-service by the customer.

AUTOMOBILE SALES — Any building, land area or other premises used for the display, sale or lease of new or used automobiles, vans, trucks, trailers, or boats, but not including any repair work. Such facilities may not conduct repair services as an accessory use other than warranty or other minor repair service.

AUTOMOBILE-SERVICE/REPAIR — Any area of land, including structures thereon, available to the public, operated for gain, and which is used for repair, greasing, washing, servicing, adjusting or equipping of automobiles or other vehicles.

Underline denotes additions

~~Strikethrough~~ denotes deletions

AUTOMOBILE WASH — Any building or land area, the use of which is devoted to the business of washing or waxing automobiles for a fee, whether by automated cleansing devices or otherwise.

BANK — A financial institution that is open to the public and engaged in deposit banking, and that may perform closely related functions, such as making loans, investments, and fiduciary activities.

BAR — A commercial establishment, open to the general public, which sells and serves alcoholic beverages for consumption on the premises and where food may be served as an accessory use. The term "bar" includes "barroom," "wine bar," "tavern," "pub," and "saloon."

BASEMENT — A story that is wholly or partly below grade, but at least 1/2 of its height, measured from floor to ceiling, is above the average established curb level or finished grade of the ground adjoining the building.

BED-AND-BREAKFAST — A lodging facility in an owner-occupied dwelling, offering from two to five guest rooms, without separate kitchen facilities, for paying, transient guests for a period not to exceed 15 consecutive days per guest. A dining room and kitchen may be provided for serving guests of the facility, but shall not be open to the public. An Airbnb rental is a variant of this use. "Short-term, in-home lodging" shall apply for one room for up to three paying guests.

BILLIARD PARLOR — A building, or portion thereof, having within its premises three or more pool tables, billiard tables, or a combination thereof.

BOARDINGHOUSE — An owner-occupied dwelling unit, with nontransient boarders, and with common rooms used and accessible to all residents, within which are boarding units that are rented individually and occupied for sleeping and/or living purposes to nontransient occupants. A boardinghouse shall not be considered a rooming home.

BOARDING UNIT — Any room or group of rooms forming a habitable unit used or intended to be used for living or sleeping but not used for cooking purposes.

BOAT REPAIR — A facility where boats are repaired and may be stored.

BOWLING ALLEY — Indoor facility for the sport of bowling, with customary accessory uses, such as snack bars.

BUILDING — (Includes "structure.") Anything constructed or erected, the use of which requires location on the ground or attachment to something having location on the ground.

BUILDING, ACCESSORY — A building, the use and size of which is incidental to, and complementary of, the principal building on a lot.

BUILDING FRONT LINE — The line of the face of the building nearest the front lot line. The face includes covered porches, but does not include steps.

Underline denotes additions

~~Strikethrough~~ denotes deletions

BUILDING, MAIN (PRINCIPAL) — The building in which is conducted the primary use of the lot on which it is located.

CABARET — Any room, place, or space in which any musical entertainment, singing, dancing, or other similar amusement takes place in connection with a bar and/or restaurant, except for an adult cabaret.

CANNABIS, ADULT-USE ON-SITE CONSUMPTION – as defined in the Cannabis Law of New York State.

CANNABIS, INDUSTRIAL – includes licenses to operate as: Adult-Use Cooperative, Adult-Use Cultivator, Adult-Use Distributor, Adult-Use Processor, Conditional Adult-Use Cultivator, Nursery, Registered Organization Adult-Use Cultivator Processor Distributor Retail Dispensary, or Registered Organization Adult-Use Cultivator Processor and Distributor, as defined in the Cannabis Law of New York State.

CANNABIS, RETAIL – includes licenses to operate as: Adult-Use Retail Dispensary, Delivery, or Microbusiness, as defined in the Cannabis Law of New York State.

CAR RENTAL — A business that rents vehicles to persons or businesses for use on a transient basis. The business may include on-site facilities for servicing, storing, repairing, and fueling the vehicles.

CELLAR — That space of a building that is partly or entirely below grade which has more than half of its height, measured from floor to ceiling, below the average established curb level or finished grade of the ground adjoining the building.

CEMETERY — A place used for the interment of human or animal remains or cremated remains.

CHILD DAY-CARE CENTER — A facility, that is not also a dwelling unit, that provides care for infants and preschool children, and may offer prekindergarten educational service, on a regular basis for more than three hours per child and is defined in 18 NYCRR Part 413 and regulated in accordance with 18 NYCRR 418.

COLLEGE/UNIVERSITY — An institution for post-secondary education, which is licensed by the State of New York to grant associate, baccalaureate, or higher degrees.

COMMERCIAL LAUNDRY — An establishment that launders and/or dries articles for commercial and not individual customers.

COMMUNITY CENTER — A place, structure, area, or other facility used for providing religious, fraternal, social, educational, or recreational programs generally open to the public, not operated for profit, and designed to accommodate and serve significant segments of the local community.

Underline denotes additions

~~Strikethrough~~ denotes deletions

COOPERATIVE HOUSE — A dwelling unit that is rented as a singular unit and not occupied by a family, as defined in this chapter, within which are two or more boarding units occupied for sleeping and/or living purposes by nontransient occupants. A cooperative house shall not be considered to be a rooming house.

COTTAGE INDUSTRY — A use that is conducted wholly within an enclosed building that involves the manufacturing, production, processing, fabrication, assembly, treatment, repair, or packing of finished products predominantly from previously prepared or refined materials (or from raw materials that do not need refining). Light industry is capable of operation in such a manner that does not cause a noticeable amount of noise, dust, odor, smoke, glare, or vibration outside of the building in which the activity takes place. Such a use may or may not contain retail space. A machine shop is included in this category. **COVERAGE, BUILDING** — The area that is covered by all of the buildings on the lot.

CURB LEVEL — The established elevation of the street grade at the point that is opposite the center of the wall nearest to and facing the street line. Where a building is on a corner lot, the curb level is the average of the mean levels of the curblines on the two intersecting streets. Where there is uncertainty about the curb level, it shall be determined by the City Engineer.

DISTRIBUTION FACILITY/WAREHOUSE — A facility involving the storage and the shipment of goods in allotments. This use does not involve the manufacture or sale of goods from the premises.

DORMITORY — A building intended or used principally for sleeping accommodations, where such building is directly related to an educational or public institution, or house of worship. Such building may include common kitchen and gathering rooms, but does not contain complete dwelling units.

DRIVE-THRU (BANK, FAST-FOOD RESTAURANT, PHARMACY) — An establishment that dispenses products or services to patrons who remain in vehicles.

DRY CLEANER — An establishment for the on-premises mechanical cleaning of garments, articles or goods of fabric for retail customers, or where dropoff and pickup occurs for garments or articles that are sent to another location for mechanical cleaning or laundering. A dry cleaning establishment does not include a laundry or laundromat, which provides self-service washing or drying for use by retail customers.

DWELLING — Any building or portion thereof designed or used exclusively for nontransient residential use.

DWELLING, DETACHED — A dwelling having no common walls, floors or ceilings with any other dwelling unit.

DWELLING, FOUR-FAMILY — A building containing four dwelling units only, on a single lot of record.

Underline denotes additions

~~Strikethrough~~ denotes deletions

DWELLING, MULTIFAMILY — See "apartment house."

DWELLING, ROW OR ATTACHED (TOWNHOME) — A dwelling, having common walls with one or more dwelling units, also referred to as a "townhome." A row dwelling sharing one common wall shall be deemed an end unit. This term shall also refer to two dwellings sharing one party or lot line wall and commonly referred to as a "duplex."

DWELLING, SINGLE-FAMILY — A building containing not more than one dwelling unit and not having more than one kitchen on a single lot of record.

DWELLING, THREE-FAMILY — A building containing three dwelling units only on a single lot of record.

DWELLING, TWO-FAMILY — A building containing two dwelling units only on a single lot of record.

DWELLING UNIT — A single unit with one or more rooms with provisions for living, cooking, sanitary and sleeping facilities arranged for the use of one family only.

FAMILY — One, two, or more persons occupying a dwelling unit and living together as a traditional family or the functional equivalent of a traditional family.

FAMILY DAY-CARE — A facility located in a residential structure, which is owner occupied as a family residence, that provides daytime care of more than three hours per day per child for three to 12 infants, preschool children, and school age children six to 12 years of age for compensation. A family day-care includes those day-care facilities defined by New York State in 18 NYCRR Part 413 as "family day-care home" and "group family daycare home." Such facility must be licensed by New York State and operated in accordance with all applicable regulations.

FLOOR AREA, BUILDING — The sum of the gross horizontal area of the several floors of a building and its accessory buildings on the same lot, excluding cellar and basement floor areas not devoted to residential use but including the area of roofed porches and roofed terraces. All dimensions shall be measured between exterior faces of walls.

FRONTAGE — The length of a lot that borders a single street.

FRONTAGE OCCUPANCY — The percentage of the lot width which must be occupied by either a front building facade or structures that screen parking, located within the area of the front lot line and the maximum front yard setback.

FUNERAL HOME — The establishment of a funeral director or undertaker, which includes facilities for the conduct of funeral services, but not cremation.

GARAGE, PRIVATE — Part of a principal residential building, or an accessory building located on the same lot as the principal residential building, designed primarily for the storage of motor vehicles.

Underline denotes additions

~~Strikethrough~~ denotes deletions

HEIGHT, BUILDING — The vertical distance measured from curb or grade level at the front of the building to the highest level of a flat or mansard roof or to the average height of a pitched, gable, hip or gambrel roof, excluding bulkheads, and similar constructions enclosing equipment or stairs, provided that they are less than 12 feet in height and do not occupy more than 30% of the area of the roof upon which they are located.

HOME OCCUPATION — Any use customarily conducted entirely within a dwelling or its accessory structures and carried on by the inhabitants thereof, which use is clearly incidental and secondary to the use of dwelling for residential purposes and does not change the character thereof.

HOSPITAL — An institution, licensed by the State of New York, which provides primarily transient or acutely needed human physical and/or mental health services and which includes inpatient facilities.

HOTEL — A building, or portion thereof, containing rooms occupied by transient guests who are lodged for payment, with or without meals, and in which there may be provided such services as are accessory and incidental to the use thereof as a temporary residence, such as dining, conference centers, recreational facilities and gift shops for the guests of the hotel.

HOUSE OF WORSHIP — A building, or portion thereof, together with its accessory buildings and uses, where persons regularly assemble for religious worship, services, and social events and which building, together with its accessory buildings and uses, is maintained and controlled by a religious body organized to sustain ceremonies and purposes.

INDUSTRIAL USES — A business use or activity at a scale greater than home industry, involving the manufacture, fabrication, processing, reduction, assembly, or destruction of any article, substance, or commodity, or any other treatment thereof in such a manner as to change the form, character, or appearance thereof.

IN-LAW APARTMENT — See "apartment, accessory."

LAUNDROMAT — A facility which provides self-service washing or drying for use by retail customers.

LIVE/WORK — A dwelling which is owner-occupied, and which provides a commercial ground floor space and residential space above, for the family, craft or business and retail space for creating sales.

LOT — (Includes "plot") A parcel of land occupied or capable of being occupied by one building and the accessory buildings or uses customarily incident to it, including such open spaces as are required by this chapter.

LOT, CORNER — A lot at the junction of, and having frontage on, two or more intersecting streets.

Underline denotes additions

~~Strikethrough~~ denotes deletions

LOT, DEPTH — The mean distance between the front and rear lot lines, measured in the general direction of its side lot lines.

LOT LINE — Any line dividing one lot from another or separating a lot from a street right-of-way line.

LOT, THROUGH — A lot having frontage on two streets, but not at the intersection of those two streets.

LOT, WIDTH — The mean distance of a lot measured at right angles to its depth, at the required setback line.

MEMBERSHIP CLUB — An unincorporated association of persons for common social purpose or an association incorporated under the Membership Association Law, and which association or membership corporation is not conducted for profit and is not a part of, related to, or associated with a profit-making venture and which is managed by officers or directors, serving without pay and chosen or elected directly by members who form such an association or membership corporation.

MIXED USE — A development or a single building in which there may be a blend of uses, including residential, commercial, cultural, institutional, or industrial, where those functions are physically and functionally integrated; most prominently a ground floor with a restaurant, theater, or retail shop and offices and/or residential use above.

MOBILE HOME — A structure mounted on axles and wheels containing living facilities and which was designed to be towed by an automobile or truck from place to place. Such structure will not be considered a mobile home for purposes of this chapter if it is placed on a permanent foundation and modified to meet applicable building code requirements for a residential structure.

MOTEL — See "hotel."

MUSEUM — A building serving as a repository for a collection of natural, scientific or literary curiosities, objects of interest or works of art, and arranged, intended and designed to be used by members of the public for viewing, with or without an admission charge, together with customary accessory uses, including, for example, retail sale of goods to the public; cafe food service, art, dance and music performances, literary readings, and showing of films.

NEIGHBORHOOD RETAIL — A store serving the local retail business needs of the residents of the neighborhood, including but not limited to books, flowers, clothing, groceries, and pharmaceuticals.

NONCONFORMING LOT — Any lot lawfully existing on record on the effective date of this chapter, or any amendment thereto, that does not meet the bulk and area requirements of this chapter for the zoning district in which such lot is situated as a result of the enactment.

Underline denotes additions

~~Strikethrough~~ denotes deletions

NONCONFORMING STRUCTURE — Any building lawfully existing on the effective date of this chapter, or any amendment thereto, that does not meet the bulk and area requirements of this chapter for the zoning district in which such building is situated as a result of the enactment.

NONCONFORMING USE — Any use lawfully existing on the effective date of this chapter, or any amendment thereto, that does not conform to the district use regulations of this chapter for the zoning district in which such use is situated as a result of the enactment.

NURSING HOME — An institution, licensed by the State of New York, which provides nursing care and related medical services on a twenty-four-hour basis to primarily nontransient clients for remuneration.

OFFICE PARK — A group of two or more principal buildings and their accessory uses, together with any open space remaining, located on one lot, which buildings have a unified site plan and shall be designed to function as one project. The buildings in an office park shall be occupied or used principally for businesses or professional offices that are designed, constructed, and maintained on a coordinated basis.

OPEN SPACE — That portion of the lot that is unencumbered by any structure or any other impervious surface.

PARKING AREA, COMMUNITY — A building, or part thereof, or a surface used for parking vehicles for remuneration.

PARKING SPACE — A space available for the parking of one vehicle.

PARKS, OPEN SPACE AND RECREATION — Those areas owned or used by the City, other public entity or government, or nonprofit organizations that are devoted to parks, playgrounds, recreation areas, nature preserves, or open space.

PERSONAL SERVICES — An establishment that is primarily engaged in frequent or recurring provision of individual services generally related to personal needs, and is not separately defined herein. These uses may also include accessory retail sales of products related to the service provided. Examples of personal services include but are not limited to: barbershops, nail salons, massage facilities, tailors.

PROFESSIONAL OFFICE — The office of a member of a recognized profession maintained for the conduct of that profession in any of the following related categories: architectural, engineering, planning, law, interior design, accounting, insurance, real estate, medical, dental, optical, or any similar type of profession.

PUBLIC UTILITY — Any person, firm, corporation, or governmental agency duly authorized to furnish to the public, under governmental regulation, electricity, gas, water, sewage treatment, steam, cable television, telephone, or telecommunications but shall not mean any person or entity that provides wireless telecommunication services to the public.

Underline denotes additions

~~Strikethrough~~ denotes deletions

RECREATIONAL VEHICLE — A vehicular unit, which is designed as a temporary dwelling for travel, recreational, and vacation use, and which is self-propelled, mounted on, or pulled by another vehicle. Examples include, but are not limited to a travel trailer, camping trailer, truck camper, motor home, fifth-wheel trailer, or van camper.

RESIDENTIAL CARE FACILITY — A supervised residential board and care establishment, used as a group residence or extended care facility for the care of persons, where compensation and/or reimbursement of costs is paid to an operator, pursuant to state or federal standards, licensing requirements, or programs funding residential care services. The residential care facility provides common eating facilities for residents and common meeting or social or recreation areas. Such housing may also include daily activity assistance, such as dressing, grooming, bathing, etc.

RESTAURANT — Any establishment where the principal use is the preparation and sale of food and beverages to customers seated at a table or counter, served by a waiter or waitress, or at a buffet for consumption of the food on the premises. A restaurant may include the serving of alcoholic beverages and the provision of carry-out food service if they are incidental to the consumption of food and beverages. The term "restaurant" does not include a business whose principal operation is as a bar, cabaret, carry-out food service, or a fast-food establishment.

RESTAURANT, CARRY-OUT — Any establishment where food and/or beverages are prepared and served in a ready-to-consume state and whose design or principal method of operation includes one or both of the following characteristics: customers order from a menu board or serve themselves from a buffet and principally carry out their food and/or beverages for consumption off premises.

RESTAURANT, FAST-FOOD — Restaurants where most customers order and are served food inside the premises at a counter, to be taken to a table for consumption or in packages prepared to leave the premises. See "drive-thru" for where customers are served their food in a motor vehicle through a service window, in packages prepared to leave the premises.

RETAIL — A business that sells goods directly to the general public, for business, personal or household consumption, where such goods are available for immediate purchase and removal from the premises by the purchaser and are not defined elsewhere in this chapter. Retail businesses include but are not limited to hardware stores, liquor stores, newsstands, shoe stores, stationery stores, convenience stores.

RIGHT OF WAY – a legal right that allows for passage over another person's ground. As used in §300-21, a parcel of property over which pedestrians or vehicles may legally pass over or through for purposes of public travel.

ROOMING HOUSE — Any dwelling, other than a boardinghouse, within which are boarding units rented individually and occupied for sleeping and/or living purposes to nontransient occupants. No common rooms are provided for the use of the residents.

SCHOOL OF GENERAL INSTRUCTION (EDUCATIONAL SERVICES) — Any public school operated under the laws of the State of New York or nonpublic school offering courses in general

Underline denotes additions

~~Strikethrough~~ denotes deletions

instruction at least five days per week and seven months per year and generally serves students in grades corresponding to Pre-K through 12th grade.

SELF-STORAGE — A building or group of buildings consisting of individual, self-contained units leased to individuals, organizations, or businesses for storage of personal property.

SETBACK — The horizontal distance from such lot line to the part of the building which is nearest to such line.

SHOPPING CENTER — An area planned, as a whole with one site plan approval, for occupancy by three or more retail stores, light industrial uses, or professional offices with common accessory parking, that are designed, constructed, and maintained on a coordinated basis.

SHORT-TERM, IN-HOME LODGING FACILITY— Lodging for paying guests for no more than one room and no more than three guests and for no more than 15 days. (See "bed-and-breakfast.")

SIGN — Includes every sign, billboard, general sign, wall sign, roof sign, illuminated sign, projecting sign, temporary sign, marquee and canopy and shall include any announcement, declaration, demonstration, display, illustration or insignia used to advertise or promote the interests of any person when the same is placed out-of-doors in view of the general public.

STORAGE YARD — A building or area of land where a person, firm or corporation engaged in the construction business, or a related field, stores building materials, equipment and supplies exclusively in the business as a contractor.

STORY — The portion of a building which is between one floor level and the next higher floor level, or the roof. If a mezzanine floor area exceeds 1/3 of the area of the floor immediately below, it shall be deemed to be a story. A basement shall be deemed to be a story when its ceiling is six or more feet above the finished grade. A cellar shall not be deemed to be a story if unfinished and without human occupancy.

STORY, HALF — A story under a gable, hip, or gambrel roof, the wall plates of which on at least two opposite exterior walls are not more than two feet above the floor of such story.

STREET — A public or private way which affords the principal means of access to abutting properties.

TATTOO PARLOR — Any building or premises in which a tattooist lawfully conducts his or her practice of marking a body with indelible ink or pigments.

TAXI SERVICE — A service that offers transportation in motor vehicles to persons for compensation. The business may include facilities for servicing, storing, and fueling the vehicles.

TECHNICAL SCHOOL — A school established to provide for the teaching of industrial, clerical, managerial, trade, or artistic schools.

Underline denotes additions

~~Strikethrough~~ denotes deletions

THEATER/AUDITORIUM — A place of public assembly used for spectator presentations including movie or professional theater, indoor concert venue or other performance with temporary or permanent seating, for admission to which an entrance fee is received.

TOWNHOME — See "dwelling, row or attached."

TRAILER — Any vehicle without motive power, designed to be towed by a motor vehicle, except as defined elsewhere herein.

TRANSIENT — Temporary daily or weekly occupancy.

USE, ACCESSORY — A use that is clearly incidental to the principal use of a building or lot.

WHOLESALE — An establishment primarily engaged in the display, storage, distribution and sale of merchandise to retailers, to industrial, commercial, institutional, or professional business users, or to other wholesalers, or acting as agents or brokers and buying merchandise for or selling to such individuals or companies. Such establishments are not generally open to the general public.

YARD (FROM REAR, SIDE) — The portion of the lot between the lot line and the required setback; or if no minimum setback is required the portion of the lot between the lot line and the facade of the building.

§ 300-47 **Neighborhood Commercial Overlay District.**

A. The purpose and intent of the Neighborhood Commercial Overlay District (NC) is to:

- (1) Recognize the existing development pattern within the area of the City along the gateways to the City and westernmost portion of Broadway.
- (2) To allow multiple uses within buildings and within lots in order to promote market-driven uses and redevelopment within targeted areas of the City, as identified in the Future Land Use Plan.

B. Within the NC Overlay District, the following uses are added to the list of uses permitted as of right but require site plan approval.

- (1) Retail store.
- (2) Restaurant.
- (3) Personal services.
- (4) Professional office.
- (5) Mixed use.
- (6) Animal care facility.
- (7) Adult day-care facility.
- (8) Child-care center.
- (9) Technical school.
- (10) Cannabis, Retail

C. Within the NC Overlay District, the following uses are added to the list of uses permitted as of right but require special use permit approval.

- (1) Cannabis, Adult-Use On-Site Consumption

D. Off-street parking. Off-street parking required for the uses listed in ~~Subsection B~~ Subsections B and C shall be the same as those listed for the ~~CD~~ Commercial District.

E. Bulk and area requirements for the uses listed in ~~Subsection B~~ Subsections B and C above shall be the same as the underlying zoning.

DRAFT for Review

A new Part 119, titled Municipality Rulemaking, is added to read as follows:

Part 119

Municipality Rulemaking

Part 119- Municipality Rulemaking

§ 119.1 Preemption and Prohibitions on Municipality Rulemaking.

§ 119.2 Authorizations for Municipality Rulemaking.

§ 119.3 Notifications to Municipalities.

§ 119.4 Measurement of Distance from School Grounds, Houses of Worship, Community Facilities and Between Adult-Use Retail Dispensaries and On-Site Consumption Sites

§ 119.5 Unreasonably Impracticable; Review and Determination.

§ 119.6 Severability.

§119.1 Preemption and Prohibitions on Municipality Rulemaking.

(a) Pursuant to section 131(2) and 85(12) of the Cannabis Law, the governing body of a county, town, city and village are preempted from adopting any law, rule, ordinance, regulation or prohibition pertaining to the operation or registration, licensure, or permitting of a registered organization, adult-use cannabis license or cannabinoid hemp license. The Board prohibits municipalities to pass local laws and regulations governing the following activities:

- (1) adopting local laws that impose a special fee that is specific to cannabis businesses on the approved licensee that intends to operate within their jurisdiction;
- (2) adopting local laws that impose a fee on adult-use retail dispensary or on-site consumption licenses, except where the fees are also applicable to off-premises liquor establishments licensed under the State Liquor Authority prior to the thirty first of March two thousand twenty-one, and such law does not conflict with the Cannabis Law or this Part.
- (3) adopting local laws that impose a tax or a fee on the cultivation, processing, manufacturing, distribution or sale of cannabis or cannabis product in this State other than any usual and customary fees associated with similarly situated businesses.
- (4) adopting local laws that prohibit a premises, for which an adult-use cannabis retail dispensary or on-site consumption license has been issued, from being located within a distance, to be measured in accordance with section 119.5 of this Title, that is:
 - (i) no less than a 1,000 foot radius of another premises for which a license of the same type has been issued in a city, town or village having a population of 20,000 or more; and
 - (ii) no less than a 2,000 foot radius of another premises for which a license of the same type has been issued in a city, town or village having a population of 20,000 or less.

(5) adopting or executing any agreement where the municipality, community organization or association affiliated with such municipality, otherwise receives any additional benefit outside of general operation from or imposes any duty or obligation on any applicant, registrant, licensee or permittee of the Board;

(6) adopting a local law that would deny any right, privilege, permit, variances, approvals to any licensed adult-use retail dispensary premises that has been in existence continuously from a date prior to the date when a building on the same road or street within:

(i) 500 feet of said licensed adult-use retail dispensary premises has been occupied exclusively as school grounds;

(ii) 200 feet of said licensed adult-use retail dispensary premises has been occupied exclusively as a house of worship; or

(iii) 500 feet of said licensed adult-use retail dispensary premises has been occupied as a community facility, if the municipality has passed such ordinance.

(b) A retail dispensary shall be in a location consistent with public convenience and advantage standards as determined by the Board.

(c) The Board may issue a license pursuant to this section for a premises which shall be within a 2,000 foot radius of an existing premises licensed and operating in a city, town, or

village having a population of 20,000 or less, pursuant to this section, after it determines that granting such license would be in the public interest.

§ 119.2 Authorizations for Municipality Rulemaking.

(a) All municipalities and counties are hereby preempted from adopting any law, rule, ordinance, regulation or prohibition pertaining to the registration, licensing, permitting or operation of registered organizations, adult-use cannabis businesses, or, or cannabinoid hemp businesses, provided however, such municipality may enact local laws and regulations governing the time, place and manner of the operation of licensed adult-use cannabis retail dispensaries and/or on-site consumption sites, provided that such law or regulation shall not make the operation of such licensed retail dispensaries or on-site consumption sites unreasonably impracticable as determined by the Board. To the extent the following is not unreasonably impracticable, the Board authorizes municipalities to pass local laws and regulations governing the time, place, and manner, which shall mean and apply to the following activities:

(1) the hours of operation for adult-use retail dispensary, during which cannabis products can be sold at retail, which:

(i) shall not be allowed to operate from 2:00 ante meridiem to 8:00 ante meridiem, unless given express written permission by such municipality, or the municipality passes a local ordinance, authorizing it to operate beyond such hours; and

(ii) shall not restrict operations to less than 70 hours a week, provided however, this provision shall not be construed as removing the licensees' discretion to operate for less hours of operation.

(2) the hours of operation for on-site consumption site, during which cannabis products can be sold at retail, which:

(i) shall not be allowed to operate from 4:00 ante meridiem to 8:00 ante meridiem.

(ii) shall not restrict operations to less than 70 hours a week provided however, this provision shall not be construed as removing the licensees' discretion to operate for less hours of operation.

(3) business operations within historical districts;

(4) parking;

(5) traffic control including, but not limited to, pedestrian and vehicular traffic;

(6) odor, consistent with the Public Health Law Article 13-E and the Clean Indoor Air Act;

(7) noise; and

(8) distance requirements between a licensed premises and a community facility, provided however, that such distance requirement is no greater than 500 feet from the licensed premises and the community facility. This provision shall not apply to licensees operating pursuant to Part 116 of this Title.

§ 119.3 Notifications to Municipalities.

(a) Pursuant to section 76 of the Cannabis Law, notifications to municipalities regarding adult-use retail dispensary or on-site consumption licenses shall be in a form provided by the Office, and contain the following information:

- (1) applicant contact information;
- (2) trade name or “doing business as” name;
- (3) full name of the applicant;
- (4) street address of the establishment, including the floor location or room number, if applicable;
- (5) the mailing address of the establishment, if different than the street address;
- (6) the name, address and telephone number of the attorney or representative of the applicant, if any;

- (7) a statement indicating whether the application is for:
 - (i) a new establishment;
 - (ii) a transfer of an existing licensed business;
 - (iii) a renewal of an existing license; or
 - (iv) an alteration of an existing licensed premises;
 - (8) if the establishment is a transfer or previously licensed premises, the name of the old establishment and such establishment's registration or license number;
 - (9) in the case of a renewal or alteration application, the registration or license number of the applicant; and
 - (10) the type of license.
- (b) A municipality shall have 30 days from the receipt of the notification from an applicant to express an opinion for or against the granting of such registration, license or permit application and any such opinion shall be part of the record upon which the Office makes its recommendation to the Board to grant or deny an application; Provided however, a municipality

may request additional time in writing and upon showing a reasonable documented effort for an extension.

§ 119.4 Measurement of Distance from School Grounds, Houses of Worship, Community Facilities and Between Adult-Use Retail Dispensaries and On-Site Consumption Premises

(a) No adult-use retail dispensary or on-site consumption license shall be granted for any premises which shall be:

(1) on the same road and within 200 feet of a building occupied exclusively as a house of worship;

(2) on the same road and within 500 feet of school grounds;

(3) on the same road of a community facility if the municipality has enacted an ordinance in accordance with section 119.2 of this Title;

(4) in a city, town or village having a population of 20,000 or more within a 1,000 foot radius of another premises for which a license of the same type has been issued;

(5) in a city, town or village having a population of 20,000 or less within a 2,000 foot radius of another premises for which a license of the same type has been issued;

(6) The measurements in subdivision (a) of this section are to be taken in a straight line from the center of the nearest entrance of such house of worship or the nearest point of school grounds to the center of the nearest entrance of each such premises licensed and operating pursuant to this section 72 and section 77 of the Cannabis Law; except, however that no renewal license shall be denied to any premises at which a license under this Chapter has been in existence continuously from a date prior to the date when a building on the same road and within 200 feet of said premises has been occupied exclusively as a house of worship or 500 feet of said premises has been occupied by schoolgrounds.

(i) Within the content of this paragraph, the “entrance” shall mean a main door of a house of worship, or of premises licensed and operating pursuant to this section, regularly used to give ingress to the students of the school, to the general public attending the house of worship, and to patrons or guests of the premises licensed and operating pursuant to this section or of the premises sought to be licensed, except that where a school or house of worship or premises licensed and operating pursuant to this section or the premises sought to be licensed is set back from a public thoroughfare, the walkway or stairs leading to any such door shall be deemed an entrance; and the measurement shall be taken to the center of the walkway or stairs at the point where it meets the building line or public thoroughfare. Such definition shall not include cellars, back and side doors, delivery entrances, or emergency exits.

(ii) If the school or house of worship or premises licensed and operating pursuant to this section or the premises sought to be licensed is located in a multi-story building, the building “entrance” at the road level is used.

(iii) If the school or house of worship or premises licensed and operating pursuant to this section or the premises sought to be licensed is situated on a corner lot, such establishment is considered to be on both roads of the intersection, whether or not there is an entrance to the building on both roads.

(iv) A door which has no exterior hardware, or which is used solely as an emergency or fire exit, or for maintenance purposes, or which leads directly to a part of a building not regularly used by the general public or patrons, is not deemed an “entrance.”

(v) Within the context of this section, a building occupied as a house of worship does not cease to be “exclusively” occupied as a house of worship by incidental uses that are not of a nature to detract from the predominant character of the building as a house of worship, such uses including, but not limited to:

(a) the conduct of legally authorized games of bingo or other games of chance held as a means of raising funds for the not-for-profit religious organization which conducts services at the house of worship or for other not-for-profit organizations or groups;

(b) use of the building for fund-raising performances by or benefitting the not-for-profit religious organization which conducts services at the house of worship or other not-for-profit organizations or groups;

(c) the use of the building by other religious organizations or groups for religious services or other purposes;

(d) the conduct of social activities by or for the benefit of the congregants;

(e) the use of the building for meetings held by organizations or groups providing bereavement counseling to persons having suffered the loss of a loved one, or providing advice or support for conditions or diseases including, but not limited to, alcoholism, substance use disorder, cancer, cerebral palsy, Parkinson's disease, or Alzheimer's disease; the use of the building for blood drives, health screenings, health information meetings, yoga classes, exercise classes or other activities intended to promote the health of the congregants or other persons; and

(f) use of the building by non-congregant members of the community for private social functions.

(vi) The building occupied as a house of worship does not cease to be "exclusively" occupied as a house of worship where the not-for-profit religious organization occupying the house of worship accepts the payment of funds to defray costs related to another party's use of the building.

§119.5 Unreasonably Impracticable; Review and Determination.

(a) Pursuant to section 131(2) of the Cannabis Law and in accordance with this Part, no rules, regulation, ordinance, or actions of the municipality shall be effective or enforceable if

such action otherwise impedes on duties and obligations of the Board as set forth under the Cannabis Law, violates any provision of the Cannabis Law or this Part, or discriminates against or frustrates the registrant, licensee, or permittee's ability to carry out the operation of such registration, license, or permit as issued by the Board.

(b) Should an unreasonable impractical claim be brought before the Office by a claimant contesting the validity of such local law or regulation, the Board may conduct a review of such law and issue an advisory opinion as to whether the law is “unreasonably impracticable”.

(c) Upon review and determination of an application to the Board, the Office shall send a copy of the advisory opinion to claimant and the municipality from where the local law originates. Should the local law:

(1) be adopted prior to the advisory opinion, the claimant can use the advisory opinion as prima facie evidence of the Board’s opinion that the local law violates Cannabis Law section 131(2); or

(2) be proposed but not adopted, the municipality shall be preempted from adopting the local law as the local law, if adopted, would be unreasonably impracticable, as determined by the Board, pursuant to Cannabis Law section 131(2).

§ 119.6 Severability. If any provision of this Part or its application to any particular person or circumstance is held invalid, the remainder of this Part and its application to other persons and circumstances shall not be affected thereby.
