Re.: 47 Lutheran Street, Newburgh, NY 12550 (Garage Building)
Request for Proposal – Pre-Demolition Asbestos Survey

Dear Mr. Morris,

Quality Environmental Solutions & Technologies, Inc. (**QuES&T**) is pleased to submit the attached proposal to perform a Pre-Demolition Asbestos Survey in support of the demolition of the garage building, located at 47 Lutheran Street, Newburgh, NY 12550.

QuES&T is a NYS Certified Minority Business Enterprise committed to remaining a leader in the environmental training and technical consulting industry. **QuES&T**'s extensive Nuclear Power Industry experience makes us uniquely qualified to provide technical support in state-of-the-art techniques for engineering and contamination control. Additionally, this experience enables us to integrate the essential concepts of "critical path" schedules and minimizing personnel exposures while maintaining a high level of attention to the specific details of each project. **QuES&T** personnel satisfy numerous ANSI and NUREG experience requirements of the Nuclear Regulatory Commission. Our staff has served in various capacities in the Health Physics and Nuclear Engineering disciplines in operational power reactors, nuclear powered vessels, radio-pharmaceuticals and government prototypes.

We are confident you recognize that selection of a qualified technical consultant for professional services, such as pre-construction inspection, project design, project management and air monitoring, represents a step as critical as selecting a reputable environmental remediation contractor. **QuES&T** feels strongly that the success of any remediation project is defined primarily in the planning and design phase. A technically sound project design combined with proper oversight provides the most cost-effective solution and ensures the gains recognized are not at the expense of future liability to the City of Newburgh.

In this regard, **QuES&T** has successfully completed remediation projects, for our client companies, in support of Nuclear and Fossil commercial power plant maintenance outages, facility renovation and demolition, cGMP facility upgrades, recovery from contamination following catastrophic events (e.g. steam line explosions, fires), school building renovations, Corporate asbestos management programs, facility Operations & Maintenance (O&M) programs, UST removals, sub-surface investigations, contaminated soil remediation, LBP stabilization and commercial/residential asbestos & lead abatements.

Technical consulting services are available in the area of regulatory compliance audits, OSHA safety, air monitoring, respiratory protection, laboratory services, building hazard assessments (EPA, HUD, commercial), LBP Risk Assessments, management plans, NYS/NESHAP pre-demolition inspections and full scope project management; including development of remediation response actions and management of all required project and personnel records. Our staff of experienced environmental professionals can prepare all required specifications and procedures to ensure your programs comply with federal, state and municipal regulatory requirements.

QuES&T offers a wide range of OSHA and environmental safety training. Our full range of asbestos safety certification training ensures that our client's employees receive the appropriate training to maximize their safety and minimize your liability. **QuES&T** offers accredited initial and refresher training programs for Operations & Maintenance (O&M), Asbestos Abatement Workers and Supervisors, Project Monitors, Asbestos Project Sampling Technicians (RH-II), Asbestos Project Designers, Asbestos Inspectors (RH-III) and Management Planners. Our accredited training facility (EPA, NYS) contains the most modern equipment to support the hands-on portion of each training program. On-site training services are available for groups of at least twenty-five students and can be tailored to meet the specific needs of the City of Newburgh.

QuES&T provides a full range of services in the area of Respiratory Protection. Our technical staff has extensive experience in the development of regulatory compliance programs for NUREG 0041 and OSHA 1910.134 Respiratory Protection Programs. Quantitative or qualitative respirator fit services can be provided at **QuES&T**'s facility or yours.

For additional information concerning this submittal, please contact us at (845) 298-6031. We look forward to working with the City of Newburgh in the environmental consulting and remediation services area.

STANDARD TERMS:

1. City of Newburgh acquired title to this property in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, the parcel shall be defined by its section, block and lot number on the City of Newburgh Tax Map.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid school taxes for the tax year of **2023-2024**, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any school taxes paid by the City for the tax year **2023-2024**, and subsequent levies up to the date of the closing. Upon the closing, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within (18) months of the date of the deed. Within such eighteen (18) month time period the purchaser must either: (i) obtain a Certificate of Occupancy for all buildings on the property; (ii) make all buildings granted a Certificate of Occupancy before the date of purchase fit for the use stated in such Certificate of Occupancy; or (iii) demolish any buildings deemed structurally unsound by a New York State-licensed engineer and by the Building Inspector. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for its consideration.
6. The City makes no representation as to whether the property is vacant and/or unoccupied. Evictions, if necessary, are solely the responsibility of the purchaser after closing and recording of the deed. The parcel is being sold subject to the City's Vacant Property Ordinance (Chapter 121) and all provisions of law applicable thereto. Within 30 days of closing, the purchaser must register the property and pay any applicable fees or submit an acceptable rehabilitation plan to the Building Department.

7. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date upon which the sale is scheduled to take place. Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.
8. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the purchaser following the closing of sale.
9. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Property may contain paint or other similar surface coating material containing lead. Purchaser shall be responsible for the correction of such conditions when required by applicable law. Property also may contain other environmental hazards. Purchaser shall be responsible for ascertaining and investigating such conditions prior to bidding. Purchaser shall be responsible for investigating and ascertaining from the City Building Inspector's records the legal permitted use of any property prior to closing. Purchaser acknowledges receivership of the pamphlet entitled "Protecting Your Family from Lead in Your Home." Purchaser also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
10. The entire purchase price and all closing costs/fees must be paid by money order or guaranteed funds to the City of Newburgh Comptroller's Office by the date listed in the approved City Council Resolution, notwithstanding any extensions of time granted pursuant to terms contained herein ("Closing Deadline"). Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept credit card payments for the purchase price and closing costs/fees.* **The City is not required to send notice of acceptance or any other notice to a purchaser.**
11. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days from the Closing Deadline. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for its consideration.
12. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the purchaser shall be entitled only to a refund of the purchase money paid. Purchaser agrees that he shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
13. Sale shall be final, absolute and without recourse once title is conveyed on the actual day of closing. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
14. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, tax reimbursements, buyer's premium (if applicable), and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon conveyance of deed.**
15. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. *The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.*

16. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh. Any survey description shall be provided to the City Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City's Engineer.
17. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 36 months subsequent to the Closing Deadline date. If such conveyance occurs, purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.
18. The property is sold subject to an owner-occupancy restriction. The purchaser has agreed to purchase the property subject to the ten (10) year owner occupancy restriction shall, within 18 months of the delivery of the deed, establish his domicile and principal residence at said premises and maintain his domicile and principal residence at said premises for a period of at least five (5) years thereafter, provided that within said ten (10) year period, the purchaser may convey said premises to another who shall also maintain their domicile and principal residence at said premises for said period. This shall be set forth as a restrictive covenant in the deed, subject upon its breach, to a right of re-entry in favor of the City of Newburgh. This shall be in addition to all other provisions, covenants and conditions set forth in the Terms of Sale.
19. Within ten (10) business days of approval of sale by the City of Newburgh, the purchaser shall tender a non-refundable downpayment in the amount of **\$3,150.00** payable to "City of Newburgh" by money order or guaranteed funds to the "City of Newburgh". At closing, the downpayment amount shall be credited against the purchase price.
20. In the event that Seller engaged the services of a New York State Licensed Real Estate Broker in connection with this sale, Seller shall pay said Broker any commission earned pursuant to a separate agreement between Seller and Broker.

VENDOR agrees to perform the SERVICES in accordance with the terms and conditions of this Agreement. It is specifically agreed that the CITY will not compensate VENDOR for any SERVICES provided outside those specifically identified in Schedule A, without prior authorization, evidenced only by a written Addendum to this Agreement executed by the City Manager of the CITY after consultation with the City Department Head responsible for the oversight of this Agreement (hereinafter “Department Head”). In the event of a conflict between the body of this Agreement and Schedule A, the provisions in the body of this Agreement shall govern.

ARTICLE 2. TERM OF AGREEMENT

VENDOR agrees to perform the SERVICES and/or supply goods beginning _____, 2024, and ending December 31, 2024.

ARTICLE 3. COMPENSATION

For satisfactory performance of the SERVICES or, as such SERVICES or goods may be modified by mutual written agreement, the CITY agrees to compensate VENDOR in accordance with the fees and expenses as stated in Schedule B, which is attached to and is part of this Agreement. VENDOR shall submit to the CITY an itemized invoice for SERVICES rendered, as set forth in Schedule B, and prepared in such form and supported by such documents as the CITY may reasonably require. The CITY will pay the proper amounts due VENDOR within 30 days after the CITY receives Claimant’s Certification form. A not-to-exceed cost of \$5,000.00 has been established for the scope of SERVICES rendered by VENDOR. Costs in excess of such not-to-exceed cost, if any, may not be incurred without prior written authorization

of the City Manager of the CITY, evidenced only by an Addendum to this Agreement, after consultation with the Department Head. It is specifically agreed to by VENDOR that the CITY will not be responsible for any additional cost or costs in excess of the above noted not-to-exceed cost if the CITY'S authorization by the City Manager is not given in writing prior to the performance of the SERVICES giving rise to such excess or additional costs.

VENDOR further represents and warrants that no payment, gift or thing of value has been made, given or promised to obtain this or any other agreement between the parties. VENDOR makes such representations and warranties to induce the CITY to enter into this Agreement and the CITY relies upon such representations and warranties in the execution hereof.

For a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim or be entitled to recover, any sum or sums otherwise due under this Agreement. This

remedy, if effected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law or pursuant to this Agreement.

ARTICLE 6. CONFLICT OF INTEREST

VENDOR represents and warrants that neither it nor any of its directors, officers, members, partners or employees, have any interest nor shall they acquire any interest, directly or indirectly which would or may conflict in any manner or degree with the performance or rendering of the SERVICES herein provided. For failure to submit such letter of disclosure, or for a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim for, or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if elected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment to or to take any other action provided for by law, in equity or pursuant to this Agreement.

ARTICLE 7. FAIR PRACTICES

VENDOR and each person signing on behalf of the VENDOR represents, warrants and certifies under penalty of perjury, that to the best of their knowledge and belief:

A. The prices in this Agreement have been arrived at independently by VENDOR without collusion, consultation, communication, or agreement with any other bidder, proposer or with any competitor as to any matter relating to such prices which has the effect of, or has as its purpose, restricting competition;

B. Unless otherwise required by law, the prices which have been quoted in this Agreement and on the proposal or quote submitted by VENDOR have not been knowingly disclosed by VENDOR prior to the communication of such quote to the CITY or the proposal opening directly or indirectly, to any other bidder, proposer or to any competitor; and

C. No attempt has been made or will be made by VENDOR to induce any other person, partnership, corporation or entity to submit or not to submit a proposal or quote for the purpose of restricting competition.

The fact that VENDOR (i) has published price lists, rates, or tariffs covering items being procured, (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has provided the same items to the other customers at the same prices being bid or quoted does not constitute, without more, a disclosure within the meaning of this Article.

ARTICLE 8. INDEPENDENT CONTRACTOR

In performing the SERVICES and incurring expenses under this Agreement, VENDOR shall operate as, and have the status of, an independent contractor and shall not act as agent, or be an agent, of the CITY. As an independent contractor, VENDOR shall be solely responsible for determining the means

and methods of performing the SERVICES and shall have complete charge and responsibility for VENDOR'S personnel engaged in the performance of the same.

In accordance with such status as independent contractor, VENDOR covenants and agrees that neither it nor its employees or agents will hold themselves out as, nor claim to be officers or employees of the CITY, or of any department, agency or unit thereof by reason hereof, and that they will not, by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the CITY including, but not limited to, Worker's Compensation coverage, health coverage, Unemployment Insurance Benefits, Social Security coverage or employee retirement membership or credit.

ARTICLE 9. ASSIGNMENT AND SUBCONTRACTING

VENDOR shall not assign any of its rights, interest or obligations under this Agreement, or subcontract any of the SERVICES to be performed by it under this Agreement, without the prior express written consent of the City Manager of the CITY. Any such subcontract, assignment, transfer, conveyance, or other disposition without such prior consent shall be void and any SERVICES provided thereunder will not be compensated. Any subcontract or assignment properly consented to by the CITY shall be subject to all of the terms and conditions of this Agreement.

Failure of VENDOR to obtain any required consent to any assignment, shall be grounds for termination for cause, at the option of the CITY and if so terminated, the CITY shall thereupon be relieved and discharged from any further liability and obligation to VENDOR, its assignees or transferees, and all monies that may become due under this Agreement shall be forfeited to the CITY except so much thereof as may be necessary to pay VENDOR'S employees for past service.

The provisions of this clause shall not hinder, prevent, or affect any assignment by VENDOR for the benefit of its creditors made pursuant to the laws of the State of New York.

This agreement may be assigned by the CITY to any corporation, agency, municipality or instrumentality having authority to accept such assignment.

ARTICLE 10. BOOKS AND RECORDS

VENDOR agrees to maintain separate and accurate books, records, documents and other evidence and accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

ARTICLE 11. RETENTION OF RECORDS

VENDOR agrees to retain all books, records and other documents relevant to this Agreement for six (6) years after the final payment or termination of this Agreement, whichever later occurs. CITY, or any State and/or Federal auditors, and any other persons duly authorized by the CITY, shall have full access and the right to examine any of said materials during said period.

ARTICLE 12. AUDIT BY THE CITY AND OTHERS

All Claimant Certification forms or invoices presented for payment to be made hereunder, and the books, records and accounts upon which said Claimant's Certification forms or invoices are based are subject to audit by the CITY. VENDOR shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the CITY so that it may evaluate the reasonableness of the charges, and VENDOR shall make its records available to the CITY upon request. All books, Claimant's Certification forms, records, reports, cancelled checks and any and all similar material may be subject to periodic

inspection, review and audit by the CITY, the State of New York, the federal government, and/or other persons duly authorized by the CITY. Such audits may include examination and review of the source and application of all funds whether from the CITY, State, the federal government, private sources or otherwise. VENDOR shall not be entitled to any interim or final payment under this Agreement if any audit requirements and/or requests have not been satisfactorily met.

ARTICLE 13. INSURANCE

For all of the SERVICES set forth herein and as hereinafter amended, VENDOR shall maintain or cause to be maintained, in full force and effect during the term of this Agreement, at its expense, insurance as may be required by law. Such policies are to be in the broadest form available on usual commercial terms and shall be written by insurers of recognized financial standing satisfactory to the CITY who have been fully informed as to the nature of the SERVICES to be performed. Where applicable, the CITY shall be an additional insured on all such policies with the understanding that any obligations imposed upon the insured (including, without limitation, the liability to pay premiums) shall be the sole obligation of VENDOR and not those of the CITY. Notwithstanding anything to the contrary in this Agreement, VENDOR irrevocably waives all claims against the CITY for all losses, damages, claims or expenses resulting from risks commercially insurable under this insurance described in this Article 13. The provisions of insurance by VENDOR shall not in any way limit VENDOR'S liability under this Agreement.

When applicable, VENDOR shall attach to this Agreement certificates of insurance evidencing VENDOR'S compliance with the following requirements:

Each policy of insurance shall contain clauses to the effect that (i) such insurance shall be primary without right of contribution of any other insurance carried by or on behalf of the CITY with respect to its interests, (ii) it shall

not be cancelled, including, without limitation, for non-payment of premium, or materially amended, without fifteen (15) days prior written notice to the CITY, directed to the City Manager, the Corporation Counsel and to the Department Head and the CITY shall have the option to pay any necessary premiums to keep such insurance in effect and charge the cost back to VENDOR.

To the extent it is commercially available, each policy of insurance shall be provided on an "occurrence" basis. If any insurance is not so commercially available on an "occurrence" basis, it shall be provided on a "claims made" basis, and all such "claims made" policies shall provide that:

A. Policy retroactive dates coincide with or precede VENDOR'S start of the performance of this Agreement (including subsequent policies purchased as renewals or replacements);

B. VENDOR will maintain similar insurance for at least six (6) years following final acceptance of the SERVICES;

C. If the insurance is terminated for any reason, VENDOR agrees to purchase an unlimited extended reporting provision to report claims arising from the SERVICES performed or goods provided for the CITY; and

D. Immediate notice shall be given to the CITY through the City Manager of circumstances or incidents that might give rise to future claims with respect to the SERVICES performed under this Agreement.

ARTICLE 14. INDEMNIFICATION

VENDOR agrees to defend, indemnify and hold harmless the CITY, including its officials, employees and agents, against all claims, losses, damages, liabilities, costs or expenses (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement), whether incurred as a result of a claim by a third party or any other person or entity, arising out of

the SERVICES performed pursuant to this Agreement which the CITY or its officials, employees or agents, may suffer by reason of any negligence, fault, act or omission of VENDOR, its employees, representatives, subcontractors, assignees, or agents.

In the event that any claim is made or any action is brought against the CITY arising out of the negligence, fault, act, or omission of an employee, representative, subcontractor, assignee, or agent of VENDOR either within or without the scope of his respective employment, representation, subcontract, assignment or agency, or arising out of VENDOR'S negligence, fault, act or omission, then the CITY shall have the right to withhold further payments hereunder for the purpose of set-off of sufficient sums to cover the said claim or action. The rights and remedies of the CITY provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 15. PROTECTION OF CITY PROPERTY

VENDOR assumes the risk of and shall be responsible for, any loss or damage to CITY property, including property and equipment leased by the CITY, used in the performance of this Agreement and caused, either directly or indirectly by the acts, conduct, omissions or lack of good faith of VENDOR, its officers, directors, members, partners, employees, representatives or assignees, or any person, firm, company, agent or others engaged by VENDOR as an expert consultant specialist or subcontractor hereunder.

In the event that any such CITY property is lost or damaged, except for normal wear and tear, then the CITY shall have the right to withhold further payments hereunder for the purposes of set-off in sufficient sums to cover such loss or damage.

VENDOR agrees to defend, indemnify and hold the CITY harmless from any and all liability or claim for loss, cost, damage or expense (including, without limitation,

reasonable attorney fees and costs of litigation and/or settlement) due to any such loss or damage to any such CITY property described in this Article.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or by this Agreement.

ARTICLE 16. CONFIDENTIAL INFORMATION

The City of Newburgh (“City”) is seeking proposals for arts programming and projects (“Proposal(s)”) from qualified Respondents (“Respondent(s)”). Selected Respondents will be retained by the City as Consultants (“Consultant(s)”) to implement the proposed arts programming and/or projects.

To perform this work, the selected artists will work with the City of Newburgh and Newburgh Arts & Cultural Commission.

BACKGROUND

The City of Newburgh is located approximately sixty (60) miles north of New York City on the west side of the Hudson River in Orange County New York. Newburgh is a small, densely populated city with a population of approximately 29,000 people, covering a surface area of 3.5 square miles, and bounded by the Town of Newburgh to the north and west, the Hudson River on the east and the Town of New Windsor to the south.

Newburgh Public Art Works (“Project”) is the City’s non-capital public art program. More information on the City’s various arts and culture initiatives, including those dedicated to capital art (permanent physical installations) can be found at www.newburgharts.org.

The Project’s goals are to enrich and expand the experience of public art for all City of Newburgh residents by reaching historically underserved residents, while increasing economic opportunities for local artists and small arts organizations in the City. These goals are aligned with the City’s vision for a more dynamic and equitable city of and for the arts. They are also aligned with

several goals and strategies of the Newburgh Arts and Culture Study found at www.newburgharts.org.

In this round of the public arts program, a total of \$30,000 will fund diverse arts programming and projects that benefit the Newburgh community. The concept for the Project was developed by the Newburgh Arts & Cultural Commission.

Respondents may submit a funding request for \$5,000. Each Respondent may only submit one funding request.

EVALUATION CRITERIA

The following is a summary of the proposal evaluation criteria. It is within the City’s sole discretion to determine the value assigned to each of these criteria.

- A. Proposal quality: Taking into consideration the project design, proposed artists, audience experience, and artist’s past activities. Does the proposal illustrate a well-considered plan?
- B. Proposal feasibility: The project has clearly defined activities and the Respondent demonstrates the ability to successfully complete the project. Is the budget and timeline feasible?
- C. Public benefit: Is the Proposal aligned with the Project’s goals to enrich and expand the

experience of public art for all City residents by reaching historically underserved residents, while increasing economic opportunities for local artists and small arts organizations in the City of Newburgh? If there is a cost to participants/audiences, the City reserves the right to assess whether the Project is sufficiently “open to the public”, creates a new program, fosters an emerging arts discipline, or increases opportunities for local artists.

- D. Experience: Does the Respondent have experience providing the same or similar services? Did the references verify that capacity?
- E. Local Impact and Inclusivity: The City favors contracting with firms located in the City of Newburgh and a preference will be given to Consultants located in the City, through an additional weighting of 10%. Non-local firms may wish to consider partnerships or other collaborative arrangements with local firms as a strategy to address this criterion. Note that location within the city is defined by the boundary of the city, not a Newburgh ZIP code.
- F. Other Criteria: Other criteria may be considered and evaluated by the City if it is determined to be in the best interest of the City and the success of the Project to do so.

The selection of a Consultant is within the City’s sole discretion and no reasons for rejection or acceptance of a proposal are required to be given. Although costs are an important consideration, the decision will be based on qualifications and compliance with the requirements of this RFP and not solely on cost. The City reserves the right to reject any or all proposals or to accept a proposal that does not conform to the terms set forth herein. The City further reserves the right to waive or modify minor irregularities in the proposals and negotiate with Consultants to serve the City’s best interest and the goals of the Project.

C. No attempt has been made or will be made by VENDOR to induce any other person, partnership, corporation or entity to submit or not to submit a proposal or quote for the purpose of restricting competition.

The fact that VENDOR (i) has published price lists, rates, or tariffs covering items being procured, (ii) has informed prospective customers of proposed or pending publication of new or revised price lists for such items, or (iii) has provided the same items to the other customers at the same prices being bid or quoted does not constitute, without more, a disclosure within the meaning of this Article.

ARTICLE 8. INDEPENDENT CONTRACTOR

In performing the SERVICES and incurring expenses under this Agreement, VENDOR shall operate as, and have the status of, an independent contractor and shall not act as

agent, or be an agent, of the CITY. As an independent contractor, VENDOR shall be solely responsible for determining the means and methods of performing the SERVICES and shall have complete charge and responsibility for VENDOR'S personnel engaged in the performance of the same.

In accordance with such status as independent contractor, VENDOR covenants and agrees that neither it nor its employees or agents will hold themselves out as, nor claim to be officers or employees of the CITY, or of any department, agency or unit thereof by reason hereof, and that they will not, by reason hereof, make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the CITY including, but not limited to, Worker's Compensation coverage, health coverage, Unemployment Insurance Benefits, Social Security coverage or employee retirement membership or credit.

ARTICLE 9. ASSIGNMENT AND SUBCONTRACTING

VENDOR shall not assign any of its rights, interest or obligations under this Agreement, or subcontract any of the SERVICES to be performed by it under this Agreement, without the prior express written consent of the City Manager of the CITY. Any such subcontract, assignment, transfer, conveyance, or other disposition without such prior consent shall be void and any SERVICES provided thereunder will not be compensated. Any subcontract or assignment properly consented to by the CITY shall be subject to all of the terms and conditions of this Agreement.

Failure of VENDOR to obtain any required consent to any assignment, shall be grounds for termination for cause, at the option of the CITY and if so terminated, the CITY shall thereupon be relieved and discharged from any further liability and obligation to VENDOR, its assignees or transferees, and all monies that may become due under this Agreement shall be forfeited to the CITY except so much thereof as may be necessary

to pay VENDOR'S employees for past service.

The provisions of this clause shall not hinder, prevent, or affect any assignment by VENDOR for the benefit of its creditors made pursuant to the laws of the State of New York.

This agreement may be assigned by the CITY to any corporation, agency, municipality or instrumentality having authority to accept such assignment.

ARTICLE 10. BOOKS AND RECORDS

VENDOR agrees to maintain separate and accurate books, records, documents and other evidence and accounting procedures and practices which sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this Agreement.

ARTICLE 11. RETENTION OF RECORDS

VENDOR agrees to retain all books, records and other documents relevant to this Agreement for six (6) years after the final payment or termination of this Agreement, whichever later occurs. CITY, or any State and/or Federal auditors, and any other persons duly authorized by the CITY, shall have full access and the right to examine any of said materials during said period.

ARTICLE 12. AUDIT BY THE CITY AND OTHERS

All Claimant Certification forms or invoices presented for payment to be made hereunder, and the books, records and accounts upon which said Claimant's Certification forms or invoices are based are subject to audit by the CITY. VENDOR shall submit any and all documentation and justification in support of expenditures or fees under this Agreement as may be required by the CITY so that it may evaluate the reasonableness of the charges, and VENDOR shall make its records available to the CITY upon request. All books,

Claimant's Certification forms, records, reports, cancelled checks and any and all similar material may be subject to periodic inspection, review and audit by the CITY, the State of New York, the federal government, and/or other persons duly authorized by the CITY. Such audits may include examination and review of the source and application of all funds whether from the CITY, State, the federal government, private sources or otherwise. VENDOR shall not be entitled to any interim or final payment under this Agreement if any audit requirements and/or requests have not been satisfactorily met.

ARTICLE 13. INSURANCE

For all of the SERVICES set forth herein and as hereinafter amended, VENDOR shall maintain or cause to be maintained, in full force and effect during the term of this Agreement, at its expense, insurance as may be required by law. Such policies are to be in the broadest form available on usual commercial terms and shall be written by insurers of recognized financial standing satisfactory to the CITY who have been fully informed as to the nature of the SERVICES to be performed. Where applicable, the CITY shall be an additional insured on all such policies with the understanding that any obligations imposed upon the insured (including, without limitation, the liability to pay premiums) shall be the sole obligation of VENDOR and not those of the CITY. Notwithstanding anything to the contrary in this Agreement, VENDOR irrevocably waives all claims against the CITY for all losses, damages, claims or expenses resulting from risks commercially insurable under this insurance described in this Article 13. The provisions of insurance by VENDOR shall not in any way limit VENDOR'S liability under this Agreement.

When applicable, VENDOR shall attach to this Agreement certificates of insurance evidencing VENDOR'S compliance with the following requirements:

Each policy of insurance shall contain clauses to the effect that (i) such insurance shall be

primary without right of contribution of any other insurance carried by or on behalf of the CITY with respect to its interests, (ii) it shall not be cancelled, including, without limitation, for non-payment of premium, or materially amended, without fifteen (15) days prior written notice to the CITY, directed to the City Manager, the Corporation Counsel and to the Department Head and the CITY shall have the option to pay any necessary premiums to keep such insurance in effect and charge the cost back to VENDOR.

To the extent it is commercially available, each policy of insurance shall be provided on an "occurrence" basis. If any insurance is not so commercially available on an "occurrence" basis, it shall be provided on a "claims made" basis, and all such "claims made" policies shall provide that:

A. Policy retroactive dates coincide with or precede VENDOR'S start of the performance of this Agreement (including subsequent policies purchased as renewals or replacements);

B. VENDOR will maintain similar insurance for at least six (6) years following final acceptance of the SERVICES;

C. If the insurance is terminated for any reason, VENDOR agrees to purchase an unlimited extended reporting provision to report claims arising from the SERVICES performed or goods provided for the CITY; and

D. Immediate notice shall be given to the CITY through the City Manager of circumstances or incidents that might give rise to future claims with respect to the SERVICES performed under this Agreement.

ARTICLE 14. INDEMNIFICATION

VENDOR agrees to defend, indemnify and hold harmless the CITY, including its officials, employees and agents, against all claims, losses, damages, liabilities, costs or expenses (including, without limitation, reasonable attorney fees and costs of

litigation and/or settlement), whether incurred as a result of a claim by a third party or any other person or entity, arising out of the SERVICES performed pursuant to this Agreement which the CITY or its officials, employees or agents, may suffer by reason of any negligence, fault, act or omission of VENDOR, its employees, representatives, subcontractors, assignees, or agents.

In the event that any claim is made or any action is brought against the CITY arising out of the negligence, fault, act, or omission of an employee, representative, subcontractor, assignee, or agent of VENDOR either within or without the scope of his respective employment, representation, subcontract, assignment or agency, or arising out of VENDOR'S negligence, fault, act or omission, then the CITY shall have the right to withhold further payments hereunder for the purpose of set-off of sufficient sums to cover the said claim or action. The rights and remedies of the CITY provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 15. PROTECTION OF CITY PROPERTY

VENDOR assumes the risk of and shall be responsible for, any loss or damage to CITY property, including property and equipment leased by the CITY, used in the performance of this Agreement and caused, either directly or indirectly by the acts, conduct, omissions or lack of good faith of VENDOR, its officers, directors, members, partners, employees, representatives or assignees, or any person, firm, company, agent or others engaged by VENDOR as an expert consultant specialist or subcontractor hereunder.

In the event that any such CITY property is lost or damaged, except for normal wear and tear, then the CITY shall have the right to withhold further payments hereunder for the purposes of set-off in sufficient sums to cover such loss or damage.

VENDOR agrees to defend, indemnify and hold the CITY harmless from any and all liability or claim for loss, cost, damage or expense (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement) due to any such loss or damage to any such CITY property described in this Article.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or by this Agreement.

ARTICLE 16. CONFIDENTIAL INFORMATION

In the course of providing the SERVICES hereunder, VENDOR may acquire knowledge or come into possession of confidential, sensitive or proprietary information belonging to CITY. VENDOR agrees that it will keep and maintain such information securely and confidentially, and not disclose such information to any third parties, including the media, nor use such information in any manner publically or privately, without receiving the prior approval, in writing, of the CITY authorizing such use. VENDOR'S obligations under this clause to maintain the confidentiality of such information and to refrain from using such information in any manner without the prior written approval of the CITY shall survive the termination or expiration of this Agreement.

ARTICLE 17. TERMINATION

The CITY may, by written notice to VENDOR effective upon mailing, terminate this Agreement in whole or in part at any time (i) for CITY'S convenience, (ii) upon the failure of VENDOR to comply with any of the terms or conditions of this agreement, or (iii) upon the VENDOR becoming insolvent or bankrupt.

Upon termination of this Agreement, the VENDOR shall comply with any and all CITY closeout procedures, including, but not limited to:

A. Accounting for and refunding to the CITY within thirty (30) days, any unexpended funds which have been paid to VENDOR pursuant to this Agreement; and

B. Furnishing within thirty (30) days an inventory to the CITY of all equipment, appurtenances and property purchased by VENDOR through or provided under this Agreement, and carrying out any CITY directive concerning the disposition thereof.

In the event the CITY terminates this Agreement in whole or in part, as provided in this Article, the CITY may procure, upon such terms and in such manner as deemed appropriate, SERVICES similar to those so terminated, and the VENDOR shall continue the performance of this Agreement to the extent not terminated hereby. If this Agreement is terminated in whole or in part for other than the convenience of the CITY, any SERVICES or goods procured by the CITY to complete the SERVICES herein will be charged to VENDOR and/or set-off against any sums due VENDOR.

Notwithstanding any other provision of this Agreement, VENDOR shall not be relieved of liability to the CITY for damages sustained by the CITY by virtue of VENDOR'S breach of the Agreement or failure to perform in accordance with applicable standards, and the CITY may withhold payments to VENDOR for the purposes of set-off until such time as the exact amount of damages due to the CITY from VENDOR is determined.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 18. GENERAL RELEASE

The acceptance by VENDOR or its assignees of the final payment under this Agreement, whether by Claimant's Certification form, judgment of any court of competent jurisdiction, or administrative means shall constitute and operate as a general release to

the CITY from any and all claims of VENDOR arising out of the performance of this Agreement.

ARTICLE 19. SET-OFF RIGHTS

The CITY shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but are not limited to, the CITY'S right to withhold for the purposes of set-off any monies otherwise due VENDOR (i) under this Agreement, (ii) under any other agreement or contract with the CITY, including any agreement or contract for a term commencing prior to or after the term of this Agreement, (iii) from the CITY by operation of law, the CITY also has the right to withhold any monies otherwise due under this Agreement for the purposes of set-off as to any amounts due and owing to the CITY for any reason whatsoever including, without limitation, tax delinquencies, fee delinquencies or monetary penalties or interest relative thereto.

ARTICLE 20. DISPUTE RESOLUTION

All disputes shall be heard in the Supreme Court of the State of New York, with venue in Orange County or if appropriate, in the Federal District Court with venue in the Southern District of New York, White Plains division.

ARTICLE 21. GOVERNING LAW

This Agreement shall be governed by the laws of the State of New York. VENDOR shall render all SERVICES under this Agreement in accordance with applicable provisions of all federal, state and local laws, rules and regulations as are in effect at the time such SERVICES are rendered.

ARTICLE 22. CURRENT OR FORMER CITY EMPLOYEES

VENDOR represents and warrants that it shall not retain the SERVICES of any CITY employee or former CITY employee in connection with this Agreement or any other agreement that said VENDOR has or may have with the CITY without the express written permission of the CITY. This

limitation period covers the preceding three (3) years or longer if the CITY employee or former CITY employee has or may have an actual or perceived conflict of interests due to their position with the CITY.

For a breach or violation of such representations or warranties, the CITY shall have the right to annul this Agreement without liability, entitling the CITY to recover all monies paid hereunder and VENDOR shall not make claim for or be entitled to recover, any sum or sums otherwise due under this Agreement. This remedy, if effected, shall not constitute the sole remedy afforded the CITY for such falsity or breach, nor shall it constitute a waiver of the CITY'S right to claim damages or otherwise refuse payment or to take any other action provided for by law or pursuant to this Agreement.

ARTICLE 23. ENTIRE AGREEMENT

The rights and obligations of the parties and their respective agents, successors and assignees shall be subject to and governed by this Agreement, including Schedules A and B, which supersede any other understandings or writings between or among the parties.

ARTICLE 24. MODIFICATION

No changes, amendments or modifications of any of the terms and/or conditions of this Agreement shall be valid unless reduced to writing and signed by the party to be bound. Changes in the scope of SERVICES in this Agreement shall not be binding, and no payment shall be due in connection therewith, unless prior to the performance of any such SERVICES, the City Manager of the CITY, after consultation with the Department Head and Corporation Counsel, executes an Addendum to this Agreement, which Addendum shall specifically set forth the scope of such extra or additional SERVICES and the amount of compensation and the extension of the time for performance, if any, for any such SERVICES. Unless otherwise specifically provided for therein, the provisions of this Agreement shall apply with full force and

effect to the terms and conditions contained
in such Addendum.

IN WITNESS THEREOF, the parties hereto have executed this Agreement as of
the date set forth above.

Any subcontract or assignment properly consented to by the CITY shall be subject to all of the terms and conditions of this Agreement.

Failure of VENDOR to obtain any required consent to any assignment, shall be grounds for termination for cause, at the option of the CITY and if so terminated, the CITY shall thereupon be relieved and discharged from any further liability and obligation to VENDOR, its assignees or transferees, and all monies that may become due under this Agreement shall be forfeited to the CITY except so much thereof as may be necessary to pay VENDOR'S employees for past service.

The provisions of this clause shall not hinder, prevent, or affect any assignment by VENDOR for the benefit of its creditors made pursuant to the laws of the State of New York.

ARTICLE 13. INSURANCE

For all of the SERVICES set forth herein and as hereinafter amended, VENDOR shall maintain or cause to be maintained, in full force and effect during the term of this Agreement, at its expense, insurance as may be required by law. Such policies are to be in the broadest form available on usual commercial terms and shall be written by insurers of recognized financial standing satisfactory to the CITY who have been fully informed as to the nature of the SERVICES to be performed. Where applicable, the CITY shall be an additional insured on all such policies with the understanding that any obligations imposed upon the insured (including, without limitation, the liability to pay premiums) shall be the sole obligation of VENDOR and not those of the CITY. Notwithstanding anything to the contrary in this Agreement, VENDOR irrevocably waives all claims against the CITY for all losses, damages, claims or expenses resulting from risks commercially insurable under this insurance described in this Article 13. The provisions of insurance by VENDOR shall not in any way limit VENDOR'S liability under this Agreement.

When applicable, VENDOR shall attach to this Agreement certificates of insurance evidencing VENDOR'S compliance with the following requirements:

Each policy of insurance shall contain clauses to the effect that (i) such insurance shall be primary without right of contribution of any other insurance carried by or on behalf of the CITY with respect to its interests, (ii) it shall

To the extent it is commercially available, each policy of insurance shall be provided on an "occurrence" basis. If any insurance is not so commercially available on an "occurrence" basis, it shall be provided on a "claims made" basis, and all such "claims made" policies shall provide that:

A. Policy retroactive dates coincide with or precede VENDOR'S start of the performance of this Agreement (including subsequent policies purchased as renewals or replacements);

ARTICLE 14. INDEMNIFICATION

VENDOR agrees to defend, indemnify and hold harmless the CITY, including its officials, employees and agents, against all claims, losses, damages, liabilities, costs or expenses (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement), whether incurred as a result of a claim by a third party or any other person or entity, arising out of

DRAFT

2/5/24

Dear Newburgh Arts and Cultural Commission,

As a believer in the power of public art to equalize, engage and educate, I am passionate about the work I have done in public art through writing, research, programming, and project management in the field. My great joy is to see public art in practice because it is truly the most democratic means to the benefits and enjoyment that art can provide to all. The restrictions or barriers commonly associated in private or institutional art are not present in public art. All can actively engage in thought, dialogue and appreciation of art and activism through public art activation. For these reasons, I am interested in the contract position as the Public Art Program Project Manager for Newburgh.

As a graduate fellow for NYC Department of Cultural Percent for Art Program, Public Art unit I served as an Artist Curator. In this position I participated in the daily responsibilities of the art commissions from initial implementation of sites to researching artists, creating panels for stakeholders, reviewing architectural plans for art locations, informing, and inviting artists to submit proposals and shepherding them through the proposal process through virtual and in person check-ins with artists and sitting on panels for final selections for commission. These panels include research, curation, presentation creation and bio presentations with thoughtful consideration of details to consider and include about the artists and their work.

I have written about art for popular audiences, including public art roundup listings in the NY area. I have also written academic papers about controversial public art as well as popular museum exhibitions. I have conducted research on public monuments. I have curated for a small community non-profit art gallery and conducted artist residencies for K-12 students using photography. Finally, my experience as an Events and Promotions Manager for a start-up outdoor gear company required administrative skills as well as budget, logistics and marketing experience.

In my position as a public art curator for NYC DCLA I gained firsthand experience in the teamwork and organizational skills involved in project management for a large city agency. Most recently I have held contract positions as public art grant reviewer for Portland, Oregon, art education outreach for marginalized youth and organized public artist demonstrations for art festivals.

My interest lies squarely in public art, placemaking and public engagement through art activation. I look forward to discussing the position with you further.

Sincerely,

Lisa Bauso
