Request for Proposal – Limited Asbestos Survey

Dear Mr. Morris,

Quality Environmental Solutions & Technologies, Inc. (**QuES&T**) is pleased to submit the attached proposal to perform a limited Asbestos Survey throughout the Exterior Chimney of 282 Fullerton Avenue, Newburgh, New York 12550.

QuES&T is a NYS Certified Minority Business Enterprise committed to remaining a leader in the environmental training and technical consulting industry. **QuES&T's** extensive Nuclear Power Industry experience makes us uniquely qualified to provide technical support in state-of-the-art techniques for engineering and contamination control. Additionally, this experience enables us to integrate the essential concepts of "critical path" schedules and minimizing personnel exposures while maintaining a high level of attention to the specific details of each project. **QuES&T** personnel satisfy numerous ANSI and NUREG experience requirements of the Nuclear Regulatory Commission. Our staff has served in various capacities in the Health Physics and Nuclear Engineering disciplines in operational power reactors, nuclear powered vessels, radio-pharmaceuticals and government prototypes.

We are confident you recognize that selection of a qualified technical consultant for professional services, such as pre-construction inspection, project design, project management and air monitoring, represents a step as critical as selecting a reputable environmental remediation contractor. **QuES&T** feels strongly that the success of any remediation project is defined primarily in the planning and design phase. A technically sound project design combined with proper oversight provides the most cost-effective solution and ensures the gains recognized are not at the expense of future liability to the City of Newburgh.

In this regard, **QuES&T** has successfully completed remediation projects, for our client companies, in support of Nuclear and Fossil commercial power plant maintenance outages, facility renovation and demolition, cGMP facility upgrades, recovery from contamination following catastrophic events (e.g. steam line explosions, fires), school building renovations, Corporate asbestos management programs, facility Operations & Maintenance (O&M) programs, UST removals, sub-surface investigations, contaminated soil remediation, LBP stabilization and commercial/residential asbestos & lead abatements.

Technical consulting services are available in the area of regulatory compliance audits, OSHA safety, air monitoring, respiratory protection, laboratory services, building hazard assessments (EPA, HUD, commercial), LBP Risk Assessments, management plans, NYS/NESHAP pre-demolition inspections and full scope project management; including development of remediation response actions and management of all required project and personnel records. Our staff of experienced environmental professionals can prepare all required specifications and procedures to ensure your programs comply with federal, state and municipal regulatory requirements.

QuES&T offers a wide range of OSHA and environmental safety training. Our full range of asbestos safety certification training ensures that our client's employees receive the appropriate training to maximize their safety and minimize your liability. **QuES&T** offers accredited initial and refresher training programs for Operations & Maintenance (O&M), Asbestos Abatement Workers and Supervisors, Project Monitors, Asbestos Project Sampling Technicians (RH-II), Asbestos Project Designers, Asbestos Inspectors (RH-III) and Management Planners. Our accredited training facility (EPA, NYS) contains the most modern equipment to support the hands-on portion of each training program. On-site training services are available for groups of at least twenty-five students and can be tailored to meet the specific needs of the City of Newburgh.

QuES&T provides a full range of services in the area of Respiratory Protection. Our technical staff has extensive experience in the development of regulatory compliance programs for NUREG 0041 and OSHA 1910.134 Respiratory Protection Programs. Quantitative or qualitative respirator fit services can be provided at **QuES&T's** facility or yours.

For additional information concerning this submittal, please contact us at (845) 298-6031. We look forward to working with the City of Newburgh in the environmental consulting and remediation services area.

Paul A. Rodriguez

*Re: City of Newburgh DPW Garage
Employee Benzene/Methylene Chloride Exposure Monitoring
Chazen Job No: 41448.00*

Dear Mr. Morris:

The Chazen Companies (Chazen) appreciates the opportunity to continue assisting the City of Newburgh (City) with individual 8-hour exposure monitoring for benzene and methylene chloride and 15-minute short term exposure monitoring for benzene for employees working at the DPW garage on Pierces Road, City of Newburgh. The scope below reflects input and continued dialogue with Mr. Mark Stipano, CIH, CSP, CSEA's Industrial Hygiene Specialist. Task number below follows prior Chazen Tasks.

Task 6 – Benzene & Methylene Chloride Exposure Monitoring

Chazen will provide and manage use of personal exposure monitoring badges for up to two 15-minute and 8-hour exposure evaluations on representative employees in the DPW garage. We will plan to use Assay Technologies 566 badges for methylene chloride and benzene, which are validated for STEL sampling as well as 8 hour sampling. One additional badge will be hung in the large interior work area as a reference air space sample. Short-term analysis will focus on potential exposure to benzene since it is our understanding that methylene chloride is not currently in use at the DPW garage, while benzene remains in use as a constituent of gasoline.

The City is asked to identify 1 to 2 representative employees to participate in this study who would be available on the same day for exposure monitoring. Chazen will secure 8-hour exposure badges to the volunteered employees at the beginning of their morning work shifts. Chazen will review their planned day's activities to select a 15 minute period of maximum potential vapor exposure for benzene; during this period Chazen will secure a second badge to these employees for 15 minute exposure evaluation.

Once the 15-minute and 8-hour exposure periods end, employee and reference area badges will be packaged for laboratory analysis by Chazen. The badges will be assigned Alpha-ID numbers rather than employee names to help manage employee privacy. Each badge will be analyzed for Benzene and Methylene Chloride. The lab will be asked on the Chain of Custody to provide results on separate sheets so individual results to be provided to each volunteering employee. Detection limits used by the lab have been confirmed to satisfy PESH/OSHA Permissible Exposure Limits (PEL) and Action Levels (AL) under an 8-hour Time-Weighted-Average (TWA) and Short Term Exposure Limit (STEL) scenario.

Chazen will record the evaluation exposure times (start and stop) and employee activity logs to prepare a summary letter which describes employee activities and sample data exposures, with attached laboratory data. The letter report will not reveal identities of the participating employees. The laboratory results will be compared to PEL and AL standards for 8-Hour TWAs and 15-minute STELs. In addition to completing Chazen's letter report, the individual employees will each be provided their individual results.

Task, Fee and Time Schedule Summary

Chazen proposes to complete this project for a Lump Sum fee of \$4900 for up to 2 employees. This work covers and assumes use and analysis of up to 5 badges (2 badges per employee plus 1 background sample), Chazen presence on site during a one day work shift to secure and remove 8-hour badges and identify suitable periods to deploy 15-minute badges, advance City assignment of volunteers, Chazen review of lab results compared to PEL, AL and STEL standards, Chazen review of activity logs from the selected employees as needed, Chazen preparation of an assessment letter report presenting all laboratory results without names, and Chazen preparation of individual results for participating employees. Additional employees can be included for an additional \$350 per employee.

For this work, Chazen is including professional services of a Certified Industrial Hygienist. Our fee includes CIH time to review the work scope, one conference call if needed with the project team of up to 1 hour, and assistance with preparation of the written report. If a CIH is needed on site for any meetings or other purposes, this is available to the City at an hourly rate of \$160, portal-to-portal from Albany plus mileage.

The City has previously signed our standard professional services contract and our prior proposal outlining our monthly billing procedures. Your signature below authorizes the task above and agrees to the terms and conditions of our professional services contract. This proposal is good for 30 days. We understand that the City will select participating employees. Thank you again for the opportunity to be of service.

THE SECRETARY'S COMMISSION ON ACHIEVING NECESSARY SKILL (SCANS)

What skills will prepare our youth to participate in the modern workplace? What skill levels do entry-level jobs require? In 1990, the Secretary of the Department of Labor, established the Secretary's Commission on Achieving Necessary Skill (SCANS)

WHAT ARE WORKPLACE SKILLS?

To find meaningful work, youth need to master certain workplace skill, SCANS calls these essential "foundation skill" and "competencies".

Workers use foundation skills-academic and behavioral characteristics-to build competencies on.

Foundation skills fall into three domains:

- **Basic Skill**-reading, writing, speaking, listening, and knowing arithmetic and mathematical concept;
- **Thinking Skills**-reasoning, making decisions, thinking creatively, solving problems, seeing things in the mind's eye and knowing how to learn; and
- **Personal Qualities**-responsibility, self-esteem, sociability, self-management, integrity and honesty.

Competencies, however, more closely relate to what people actually do at work. The competencies the SCANS has identified fall into five domains:

- **Resources** - identifying, organizing, planning, and allocating time, money, materials, and workers
- **Interpersonal Skills** - negotiating, exercising leadership, working with diversity, teaching others new skills, serving clients and customers, and participating as a team member.
- **Information Skill** - using computer to process information and acquiring and evaluating, organizing, and maintaining, and interpreting and communicating information
- **Systems Skill** - understanding systems, monitoring and correcting system performance, and improving and designing systems; and
- **Technology Utilization Skills** - selecting technology, applying technology to a task, and maintaining and troubleshooting technology

TERMS AND CONDITIONS

- The first Payment will be due on the Effective Date. If the Lease Agreement uses the terms "Lease Payment" and "Commencement Date" rather than "Payment" and "Effective Date," then, for purposes of this Schedule, the term "Payment" shall have the same meaning as "Lease Payment," and the term "Effective Date" shall have the same meaning as "Commencement Date."

2. You, the undersigned Customer, have applied to us to use the above-described Product for lawful commercial (non-consumer) purposes. **THIS IS AN UNCONDITIONAL, NON-CANCELABLE AGREEMENT FOR THE MINIMUM TERM INDICATED ABOVE**, except as otherwise provided in any non-appropriation provision of the Lease Agreement, if applicable. If we accept this Schedule, you agree to use the above Product on all the terms hereof, including the terms and conditions on the Lease Agreement. **THIS WILL ACKNOWLEDGE THAT YOU HAVE READ AND UNDERSTAND THIS SCHEDULE AND THE LEASE AGREEMENT AND HAVE RECEIVED A COPY OF THIS SCHEDULE AND THE LEASE AGREEMENT.** You acknowledge and agree that the Ricoh service commitments included on the "*Image Management Plus Commitments*" page attached to this Schedule (collectively, the "Commitments") are separate and independent obligations of Ricoh USA, Inc. ("Ricoh") governed solely by the terms set forth on such page. If we assign this Schedule in accordance with the Lease Agreement, the Commitments do not represent obligations of any assignee and are not incorporated herein by reference. You agree that Ricoh alone is the party to provide all such services and is directly responsible to you for all of the Commitments. We are or, if we assign this Schedule in accordance with the Lease Agreement, our assignee will be, the party responsible for financing and billing this Schedule, including, but not limited to, the portion of your payments under this Schedule that reflects consideration owing to Ricoh in respect of its performance of the Commitments. Accordingly, you expressly agree that Ricoh is an intended party beneficiary of your payment obligations hereunder, even if this Schedule is assigned by us in accordance with the Lease Agreement.
3. **Image Charges/Meters:** In return for the Minimum Payment, you are entitled to use the number of Guaranteed Minimum Images as specified in the Payment Schedule of this Schedule. The Meter Reading/Billing Frequency is the period of time (monthly, quarterly, etc.) for which the number of images used will be reconciled. If you use more than the Guaranteed Minimum Images during the selected Meter Reading/Billing Frequency period, you will pay additional charges at the applicable Cost of Additional Images as specified in the Payment Schedule of this Schedule for images, black and white and/or color, which exceed the Guaranteed Minimum Images ("Additional Images"). The charge for Additional Images is calculated by multiplying the number of Additional Images by the applicable Cost of Additional Images. The Meter Reading/Billing Frequency may be different than the Minimum Payment Billing Frequency as specified in the Payment Schedule of this Schedule. You will provide us or our designee with the actual meter reading(s) by submitting meter reads electronically via an automated meter read program, or in any other reasonable manner requested by us or our designee from time to time. If such meter reading is not received within seven (7) days of either the end of the Meter Reading/Billing Frequency period or at our request, we may estimate the number of images used. Adjustments for estimated charges for Additional Images will be made upon receipt of actual meter reading(s). Notwithstanding any adjustment, you will never pay less than the Minimum Payment.

The below service commitments (collectively, the "Service Commitments") are brought to you by Ricoh USA, Inc., an Ohio corporation having its principal place of business at 70 Valley Stream Parkway, Malvern, PA 19355 ("Rico"). The words "you" and "your" refer to you, our customer. You agree that Ricoh alone is the party to provide all of the services set forth below and is fully responsible to you, the customer, for all of the Service Commitments. Ricoh or, if Ricoh assigns the Product Schedule to which this page is attached in accordance with the Lease Agreement (as defined in such Product Schedule), Ricoh's assignee, is the party responsible for financing and billing the Image Management Plus Product Schedule. The Service Commitments are only applicable to the equipment ("Product") described in the Image Management Plus Product Schedule to which these Service Commitments are attached, excluding facsimile machines, single-function and wide-format printers and production units. The Service Commitments are effective on the date the Product is accepted by you and apply during Ricoh's normal business hours, excluding weekends and Ricoh recognized holidays. They remain in effect for the Minimum Term so long as no ongoing default exists on your part.

TERM PRICE PROTECTION

The Image Management Minimum Payment and the Cost of Additional Images, as described on the Image Management Plus Product Schedule, will not increase in price during the Minimum Term of the Image Management Plus Product Schedule, unless agreed to in writing and signed by both parties.

PRODUCT SERVICE AND SUPPLIES

Ricoh will provide full coverage maintenance services, including replacement parts, drums, labor and all service calls, during Normal Business Hours. "Normal Business Hours" are between 8:00 a.m. and 5:00 p.m., Monday to Friday excluding public holidays. Ricoh will also provide the supplies required to produce images on the Product covered under the Image Management Plus Product Schedule (other than non-metered Product and soft-metered Product). The supplies will be provided according to manufacturer's specifications. Ricoh reserves the right to assess a reasonable charge for supply shipments, including overnight delivery. If Ricoh determines that you have used more supplies than the manufacturer's recommended specifications, you will pay reasonable charges for those excess supplies and/or Ricoh may refuse you additional supply shipments. Optional supply items such as paper, staples and transparencies are not included.

RESPONSE TIME COMMITMENT

Ricoh will provide a quarterly average response time of 2 to 6 business hours for all service calls located within a 30-mile radius of any Ricoh office, and 4 to 8 business hours for service calls located within a 31-60 mile radius for the term of the Image Management Plus Product Schedule. Response time is measured in aggregate for all Product covered by the Image Management Plus Product Schedule.

UPTIME PERFORMANCE COMMITMENT

Ricoh will service the Product to be Operational with a quarterly uptime average of 96% during Normal Business Hours, excluding preventative and interim maintenance time. Downtime will begin at the time you place a service call to Ricoh and will end when the Product is again Operational. You agree to make the Product available to Ricoh for scheduled preventative and interim maintenance. You further agree to give Ricoh advance notice of any critical and specific uptime needs you may have so that Ricoh can schedule with you interim and preventative maintenance in advance of such needs. As used in these Service Commitments, "Operational" means substantial compliance with the manufacturer's specifications and/or performance standards and excludes customary end-user corrective actions.

IMAGE VOLUME FLEXIBILITY AND PRODUCT ADDITIONS

At any time after the expiration of the initial ninety day period of the original term of the Image Management Plus Product Schedule to which these Service Commitments relate, Ricoh will, upon your request, review your image volume. If the image volume has moved upward or downward in an amount sufficient for you to consider an alternative plan, Ricoh will present pricing options to conform to a new image volume. If you agree that additional product is required to satisfy your increased image volume requirements, Ricoh will include the product in the pricing options. The addition of product and/or increases/decreases to the Guaranteed Minimum Images requires an amendment ("Amendment") to the Image Management Plus Product Schedule that must be agreed to and signed by both parties to the Schedule. The term of the Amendment may not be less than the remaining term of the existing Image Management Plus Product Schedule but may extend the remaining term of the existing Image Management Plus Product Schedule for up to an additional 60 months. Adjustments to the Guaranteed Minimum Images commitment and/or the addition of product may result in a higher or lower minimum payment. Images decreases are limited to 25% of the Guaranteed Minimum Images in effect at the time of Amendment.

PRODUCT AND PROFESSIONAL SERVICES UPGRADE OPTION

At any time after the expiration of one-half of the original term of the Image Management Plus Product Schedule to which these Service Commitments relate, you may reconfigure the Product by adding, exchanging, or upgrading to an item of Product with additional features or enhanced technology. A new Image Management Plus Product Schedule or Amendment must be agreed to and signed by the parties to the Schedule, for a term not less than the remaining term of the existing Image Management Plus Product Schedule but may, in the case of an Amendment, extend the remaining term of the existing Image Management Plus Product Schedule for up to an additional 60 months. The Cost of Additional Images and the Minimum Payment of the new Image Management Plus Product Schedule will be based on any obligations remaining on the Product, the added product and new image volume commitment. Your Ricoh Account Executive will be pleased to work with you on a Technology Refresh prior to the end of your Image Management Plus Product Schedule or Amendment.

PERFORMANCE COMMITMENT

Ricoh is committed to performing these Service Commitments and agrees to perform its services in a manner consistent with the applicable manufacturer's specifications. If Ricoh fails to meet any Service Commitments and in the unlikely event that Ricoh is not able to repair the Product in your office, Ricoh, at Ricoh's election, will provide to you either the delivery of a temporary loaner, for use while the Product is being repaired at Ricoh's service center, or Ricoh will replace such Product with comparable Product of equal or greater capability at no additional charge. These are the exclusive remedies available to you under the Service Commitments. Customer's exclusive remedy shall be for Ricoh to re-perform any Services not in compliance with this warranty and brought to Ricoh's attention in writing within a reasonable time, but in no event more than 30 days after such Services are performed. Please allow 30 days for resolution.

ACCOUNT MANAGEMENT

Your Ricoh sales professional will, upon your request, be pleased to review your product performance metrics on a quarterly basis and at a mutually convenient date and time. Ricoh will, upon your request, be pleased to annually review your business environment and discuss ways in which Ricoh may improve efficiencies and reduce costs relating to your document management processes.

THIS ADDENDUM (this "Addendum"), dated as of the 15 day of April, 2015, is to that certain Master Lease Agreement no. _____ (the "Agreement"), dated as of the 15 day of April, 2015, between Ricoh USA, Inc. ("we" or "us") and _____ Newburgh, City Of _____, as customer ("Customer" or "you").

The parties, intending to be legally bound, agree that the Agreement shall be modified as follows:

1. Section 16 of the Agreement shall be amended by adding the following sentence at the end of such Section: "If required by law, the provisions of Section 109 of the New York General Municipal Law are incorporated herein by reference."
2. Section 18(b) of the Agreement shall be amended and restated to read as follows:

"(b) Non-Appropriation of Funds. You intend to remit all Payments and other amounts due to us for the entire term of this Lease Agreement and each Schedule to this Lease Agreement if funds are legally available. You reasonably believe that moneys in an amount sufficient to remit all such Payments and amounts can and will lawfully be appropriated and made available to permit your continued utilization of the Product and the performance of its essential function during the entire term of this Lease Agreement and each Schedule to this Lease Agreement. The person in charge of preparing your budget will include in each of your fiscal budgets a request for all Payments to become due in such fiscal period and will use all reasonable and lawful means available to secure the appropriation of money for such fiscal period sufficient to pay all Payments coming due therein. We acknowledge that appropriation of moneys for Payments is a governmental function which you cannot contractually commit yourself in advance to perform, and neither this Lease Agreement nor any Schedule to this Lease Agreement constitutes such a commitment. In the event you are not granted an appropriation of funds for any Product subject to any Schedule to this Lease Agreement at any time during the term of such Schedule, at least thirty (30) days prior to the end of your fiscal period, your chief financial officer shall certify in writing to us that funds have not been appropriated for the next fiscal period and, thereafter you shall have the right to return all, but not less than all, of such Product, at your sole expense, in accordance with Section 14 of this Lease Agreement and terminate the Payments under such Schedule on the last day of the fiscal period for which appropriations were received by remitting to us all Payments and other amounts which are due and have not been paid at or before the end of such fiscal period.

This Lease Agreement and each Schedule to this Lease Agreement shall be deemed executory only to the extent of monies appropriated and available

for the purpose of such Schedule, and no liability on account thereof shall be incurred by the Customer beyond the amount of such monies. The lease obligation under a Schedule to this Lease Agreement is not a general obligation of the Customer. Neither the full faith and credit nor the taxing power of the Customer are pledged to the payment of any amount due or to become due under such lease under a Schedule to this Lease Agreement. It is understood that neither this Lease Agreement, any Schedule to this Lease Agreement nor any representation by any public employee or officer creates any legal or moral obligation to appropriate or make monies available for the purpose of this Lease Agreement or any Schedule to this Lease Agreement.”

3. Except to the extent modified by this Addendum, the terms and conditions of the Agreement will remain unchanged and shall continue in full force and effect.

IN WITNESS WHEREOF, each party has caused its duly authorized officer to execute this Addendum, as of the date first written above.

This Master Maintenance & Sale Agreement ("Agreement") sets forth the specific terms and conditions under which Ricoh USA, Inc. ("Ricoh") agrees to sell the specific equipment, software, and/or hardware ("Products") identified on an Order (defined below) entered into hereunder and/or provide the services identified on an Order ("Services") entered into hereunder to Customer (defined above) from time to time. Either party may terminate the "master" arrangement contemplated by this Agreement at any time upon prior written notice to the other. Termination of this Agreement shall not, however, alter or otherwise modify the rights or obligations of the parties with respect to any Order Form (each an "Order") placed and accepted prior to such termination. Each Order is separately enforceable as a complete and independent binding agreement, independent of all other Orders, if any.

The following terms shall apply to all Service transactions:

1. **Services.** (a) In order to obtain Services from Ricoh hereunder, Customer will either (i) execute an Order (in a form to be provided and executed by Ricoh) referencing this Agreement, or (ii) issue a valid and signed purchase order to Ricoh (each referred to in this Agreement as an "Order"). Each Order must identify the specific equipment to be serviced, the term of the Service engagement, the location at which Services shall be performed and the applicable Service charges for such Order. Ricoh will not be responsible to provide Services for equipment, in the event the term or locations are not identified on the Order accepted by Ricoh.

(b) Ricoh will repair or replace in accordance with the terms and conditions of this Agreement and the manufacturer's specifications any part of the Serviced Products that becomes unserviceable due to normal usage (other than consumable supplies). Failure to permit Ricoh to repair or replace the Serviced Products shall result in a material breach of this Agreement and excuse Ricoh from any and all future performance hereunder. Replacement parts will be furnished on an exchange basis and will be new, reconditioned or used. Except for hard drives on Customer-owned equipment, all parts removed due to replacement will become the property of Ricoh.

(c) The Services provided by Ricoh under an Order will not include the following: (i) repairs resulting from misuse (including without limitation improper voltage or the use of supplies that do not conform to the manufacturer's specifications) or the failure to provide, or the failure of, adequate electrical power, air conditioning or humidity control; (ii) repairs made necessary by service performed by persons other than Ricoh representatives; (iii) service calls or work which Customer requests to be performed outside of Normal Business Hours (defined below) (unless covered under an extended hour service contract) and Service calls or work which Customer requests to be performed on Ricoh Holidays (defined below); (iv) removable cassette, copy cabinet, exit trays, or any item not related to the mechanical or electrical operation of the Serviced Products; (v) consumable supplies such as paper or staples, unless expressly provided for in this Order; (vi) repairs and/or service calls resulting from attachments not purchased from Ricoh; (vii) any software, system support or related connectivity unless specified in writing by Ricoh; (viii) parts no longer available from the applicable manufacturer; (ix) electrical work external to the Serviced Products, including problems resulting from overloaded or improper circuits; (x) installation or de-installation and/or movement of the Serviced Products from one location to another unless specified in writing by Ricoh; and (xi) repairs of damage or increase in service time caused by force majeure events. Damage to Serviced Products or parts arising from causes beyond the control of Ricoh are not covered by this Agreement. Ricoh may terminate its Service obligations under any Order for Serviced Products that have been modified, damaged, altered or serviced by personnel other than those employed by Ricoh.

2. **Service Calls.** Service calls will be made during 9:00am – 5:00pm local service time, Monday through Friday ("Normal Business Hours") at the installation address shown on the applicable Order. Service does not include coverage on Ricoh holidays, which include New Year's Day, Memorial Day, 4th of July, Labor Day, Thanksgiving, the day after Thanksgiving and Christmas Day (collectively, "RicoH Holidays"). Travel and labor-time for the service calls after Normal Business Hours, on weekends and on RicoH Holidays, if and when available and only in the event and to the extent that Ricoh agrees to provide such non-standard coverage, will be charged at overtime rates in effect at the time the service call is made. Customer is responsible for disconnecting, repairing and re-connecting unauthorized attachments or components.

3. **Reconditioning.** Reconditioning and similar major overhauls of Serviced Products may be covered by applicable manufacturer warranties, but are not covered by this Agreement or any Order. If Ricoh determines that such actions may be necessary as a result of normal wear and tear of materials and age factors caused by normal usage in order to keep the Serviced Products in working condition, Ricoh will submit to Customer an estimate of the needed repairs and the cost for such repairs (which costs will be in addition to the Service Charges payable under the Order).

4. **Engineering Changes.** Engineering changes, determined applicable by Ricoh, will be controlled and installed by Ricoh. Engineering changes which provide additional capabilities to the Ricoh Equipment (defined below) covered herein will be made at Customer's request at Ricoh's applicable time and material rates then in effect.

5. **Term.** Each Order shall become effective on the effective date of the Order and shall continue for the term identified in the Order. At the expiration of the initial term or any extended term of the Order, it will automatically, subject to applicable law and without further action required by either party, renew for an additional twelve (12) month period, provided that Customer is not then in default. The contracted rate will be adjusted to Ricoh's then-prevailing rates, to be reflected in an automatic increase as of the renewal date, and Customer expressly consents to such adjustment without additional notice.

6. **Early Termination.** Customer may terminate any Order under this Agreement prior to its maturity so long as Customer is not then in default and provides Ricoh at least thirty (30) days prior written notice. For an Order having an initial term of at least thirty-six (36) months, Customer shall pay to Ricoh, as liquidated damages and not as a penalty, the following early termination fee ("Termination Fee"): (i) if the

RICOH

termination occurs in months one (1) through twelve (12) of the term of such Order, an amount equal to twelve (12) times the "Monthly Service Charge" (as defined below) payable under such Order; (ii) if the termination occurs in months thirteen (13) through twenty-four (24), an amount equal to nine (9) times the Monthly Service Charge; and (iii) if the termination occurs anytime after the twenty-fourth (24th) month, an amount equal to the lesser of six (6) times the Monthly Service Charge or the number of months remaining under the then current term of such Order. For an Order having an initial term of less than thirty-six (36) months, the Termination Fee shall be equal to the lesser of six (6) times the base Monthly Service Charge or the number of months remaining under the initial term of such Service Order. For the purposes herein, the "Monthly Service Charge" shall equal (i) the base monthly Service Charge set forth in this Order; or (ii) in the event this Order does not contain a base monthly Service Charge, the average monthly Order charges for the six (6) month period prior to the date of Customer's termination. If such termination date occurs less than six (6) months after the effective date of the Order, the Monthly Service Charge will be equal to the average monthly Order charges for the number of months the Order was in effect.

7. **Service Charges.** (a) Service charges ("Service Charges") will be set forth on an Order and will be payable by the Customer in advance. Service Charges will not include any charges for repairs or Service that are otherwise covered by the applicable manufacturer's limited warranty during the period covered by any such warranty, to the extent Ricoh has agreed with such manufacturer not to charge a customer for any such charges. Customer acknowledges and agrees that: (i) alterations, attachments, specification changes, or use by Customer of sub-standard supplies that cause excessive service calls may require an increase in Service Charges; (ii) the transfer of the Serviced Products from the location indicated on the applicable Order may result in an increase of Service Charges or the termination of the Order; and (iii) the Toner Inclusive Program (if applicable) is based on manufacturer supply consumption rates. Delivery of supplies will not exceed agreed upon usage. Consumption of covered supply products varying significantly from expected usage may result in additional charges for supplies. Customer agrees to pay when due, all taxes, where applicable, related to an Order, excluding taxes on the income of Ricoh. Customer shall be responsible for any costs related to freight (including fuel surcharges, which may be imposed from time to time), postage/mailing expense (meter rentals) and/or administrative and processing fees and, to the extent Ricoh pays such costs, Customer shall immediately reimburse Ricoh.

(b) Service Charges are based on standard 8.5x11 images. Ricoh reserves the right to assess additional images charges for non-standard images, including 11x17 images. Customer acknowledges that pricing is based on the prevailing rates at the time of the contract. Unless otherwise expressly agreed to in writing, if the term of this Order exceeds twelve (12) months, the Service Charges and any rate expressly set forth in any Order may be increased by Ricoh up to ten percent (10%) annually for each year beyond the initial twelve (12) month period, and Customer expressly consents to such adjustment without additional notice.

8. **Use Of Recommended Supplies; Meter Readings.** (a) It is not a condition of this Agreement that Customer use only Ricoh-provided supplies. If Customer uses other than manufacturer-recommended supplies, including paper, developer, toner, and fuser oil, and if such supplies are defective or not acceptable for use on the Serviced Product or cause abnormally frequent service calls or service problems, then Ricoh may, at its option, assess a surcharge or terminate the applicable Order with respect to such Serviced Product. If so terminated, Customer will be offered Service on a "Per Call" basis at Ricoh's then-prevailing time and material rates.

(b) If Ricoh determines that Customer has used more supplies than the manufacturer's recommended specifications as provided by Ricoh, Customer will pay reasonable charges for those excess supplies and/or Ricoh may refuse Customer additional supply shipments. Customer agrees to provide Ricoh true and accurate meter readings monthly and in any reasonable manner requested by Ricoh, whether via telephone, email or otherwise. If accurate meter readings are not provided on a timely basis, Ricoh reserves the right to estimate the meter readings from previous meter readings and Customer agrees to pay Service Charges based on such estimated meter reads. Appropriate adjustments will be made to subsequent billing cycles following receipt of actual and accurate meter readings.

(c) As part of its Services, Ricoh may, at its discretion and dependent upon device capabilities, provide remote meter reading and equipment monitoring services using its @Remote solution. This may allow for automated meter reading and submission, automatic placement of low toner alerts, automatic placement of service calls in the event of a critical Product failure and may enable firmware upgrades. The meter count and other information collected by @Remote ("Data") is sent via the internet to remote servers some of which may be located outside the U.S. @Remote cannot and does not collect Customer document content or user information. Ricoh uses reasonably available technology to maintain the security of the Data; however, Customer acknowledges that no one can guaranty security of information maintained on computers and on the internet. Ricoh retains full rights to the Data (but not Customer documents or information), which it or its authorized third parties may use to service the Serviced Products. Ricoh may also use the Data for its normal business purposes including product development and marketing research, however, the Data will not be provided to market research consultants in a form that personally identifies the Customer. Ricoh may dispose of the Data at any time and without notice. The @Remote technology is the confidential and proprietary information of Ricoh and/or its licensors protected by copyright, trade secret and other laws and treaties. Ricoh retains full title, ownership and all intellectual property rights in and to @Remote. In the event Customer does not rely on automatic meter reading devices or equipment monitoring services; Ricoh reserves the right to assess a surcharge for manual meter reads in addition to the Service Charges.

9. **Basic Connectivity Services.** If any software, system support or related connectivity Services are specifically set forth on an Order and accepted by Ricoh, Ricoh shall provide any such Services at the Customer's location set forth in the Order, as applicable, or on a remote basis. Customer shall provide Ricoh with such access to its facilities, networks and systems as may be reasonably necessary for Ricoh to perform such Services. Customer acknowledges that Ricoh's performance of any such Services is dependent upon Customer's timely and effective performance of its responsibilities as set forth in the Order, as applicable. Unless connectivity Services are specifically identified in the Order as part of the Services to be performed by Ricoh, Ricoh shall have no obligation to perform and no responsibility for the connection of any hardware or software to any Customer network or system.

10. **IT Services and Professional Services.** Customer may acquire connectivity, IT and professional services from Ricoh by executing and delivering to Ricoh an Order for acceptance and by executing a Statement of Work ("SOW") setting forth the specific services to be provided. The applicable Order applies to Ricoh IT Services or other professional services (the "ITS/PS Services"). Ricoh shall provide any such ITS/PS Services at the Customer's location(s) or on a remote basis as set forth in the SOW. Customer shall provide Ricoh with such access to its facilities, networks and systems as may be reasonably necessary for Ricoh to perform such ITS/PS Services. Customer acknowledges that Ricoh's performance of any

such ITS/PS Services are dependent upon Customer's timely and effective performance of its responsibilities as set forth in the SOW. Estimated delivery and/or service schedules contained in any Order or SOW are non-binding estimates. Intellectual property rights, if any, arising from the ITS/PS Services provided under any SOW shall remain the property of Ricoh.

11. **Customer Obligations.** Customer agrees to provide a proper place for the use of the Serviced Products, including but not limited to, electric service, as specified by the manufacturer. Customer will provide adequate facilities (at no charge) for use by Ricoh representatives in connection with the Service of the Serviced Products hereunder within a reasonable distance of the Serviced Products. Customer agrees to provide such access to its facilities, networks and systems as may be reasonably necessary for Ricoh to perform its Services, including but not limited to "360 degree" service access to the Serviced Products. Customer will provide a key operator for the Serviced Products and will make operators available for instruction in use and care of the Serviced Products. Unless otherwise agreed upon by Ricoh in writing or designated in the applicable Order, all supplies for use with the Serviced Products will be provided by Customer and will be available "on site" for servicing. Customer agrees that any systems utilizing similar supplies must be covered under similar inclusive service programs.

12. **Insurance.** At all times during the term of this Agreement, each party agrees to obtain and maintain in effect the following policies of insurance written as primary coverage and not contributing with or in excess of any coverage which each party may carry. These policies will be issued by an insurance carrier with a Best's rating of at least A, VII, which affords the following coverages through self insurance or otherwise: (a) Workers' Compensation Insurance for all such party's employees, including coverage under the applicable state and federal laws where the work will be performed. Each party shall also require that all of its subcontractors maintain similar Workers' Compensation coverage. (b) Employer's Liability Insurance, typically coverage B of the Workers' Compensation policy, with limits of a minimum of: (i) \$1,000,000 for each accident for bodily injury by accident, (ii) \$1,000,000 for bodily injury by disease, and (iii) \$1,000,000 for each employee for bodily injury by disease. Each party shall also require that all of its subcontractors maintain similar Employer's Liability coverage. (c) Commercial General Liability Insurance that includes the other party as an additional insured. Limits shall be a minimum of: \$1,000,000 per occurrence for bodily injury and property damage and (ii) \$2,000,000 annual aggregate. Coverage shall include those perils generally associated with a commercial general liability policy and specifically include contractual liability coverage. Coverage shall contain no exclusions for cross liability between insureds. Each party shall also require that all of its subcontractors maintain similar general liability insurance. Customer shall provide satisfactory evidence of above coverage and failure to provide or request satisfactory evidence of said coverage does not represent a waiver of the requirements for insurance coverage noted above.

13. **Indemnification.** Each party ("Indemnifying Party") shall indemnify, defend and hold harmless the other ("Indemnified Party") from all third-party claims incurred by the Indemnified Party arising out of the death or bodily injury of any agent, employee, or business invitee of the Indemnified Party, or the damage, loss, or destruction of any tangible property of the Indemnified Party, up to a maximum of \$1,000,000, to the extent caused by the negligent acts or omissions or willful misconduct of the Indemnifying Party, its employees, or agents. Without intending to create any limitation relating to the survival of any other provisions of this Agreement, Ricoh and Customer agree that the terms of this paragraph shall survive the expiration or earlier termination of this Agreement. Each party shall promptly notify the other in the event of the threat or initiation of any claim, demand, action or proceeding to which the indemnification obligations set forth in this Section may apply.

The following terms shall apply to all Product sale transactions:

14. **Order, Delivery and Acceptance.** In order to purchase Products from Ricoh hereunder, Customer will either (i) execute an Order (in a form to be provided and executed by Ricoh) referencing this Agreement, or (ii) issue a valid and signed purchase order to Ricoh (each referred to in this Agreement as an "Order"). Each Order must identify the Products, the Product delivery location and the applicable Product charges. Ricoh will not be obligated to sell or deliver Products or Services for which such information is not provided in an Order accepted by Ricoh. Unless otherwise agreed upon by both parties in writing, (a) delivery of Products to common carrier or, in the case of an arranged delivery by a local Ricoh installation vehicle, actual delivery by such vehicle to Customer shipping point, shall constitute delivery to Customer, and (b) Customer shall be responsible for all installation, transportation and rigging expenses. Customer agrees to confirm delivery of all Products covered by each Order when the same is delivered by signing a delivery and acceptance certificate or written delivery acknowledgement. Orders shall not be cancelable by Customer following acceptance by Ricoh. Ricoh reserves the right to make Product deliveries in installments. All such installments shall be separately invoiced and paid for when due, without regard to subsequent deliveries. Delay in delivery of any installment shall not relieve Customer of its obligation to accept remaining installments and remit payments as invoiced by Ricoh. Ricoh reserves the right at any time to revoke any credit extended to Customer because of Customer's failure to pay for any Products when due or for any other credit reason.

15. **Returns; Damaged Products.** No Products may be returned without Ricoh's prior written consent. Only consumable goods invoiced within sixty (60) days will be considered for return. On authorized returns, Customer agrees to pay a restocking charge equivalent to thirty percent (30%) of the purchase price. Products returned without written authorization from Ricoh may not be accepted by Ricoh and is the sole responsibility of Customer. All nonsaleable merchandise (that has been opened or partially used) will be deducted from any credit due to Customer. All claims for damaged Products or delay in delivery shall be deemed waived unless made in writing and delivered to Ricoh within five (5) days after receipt of Products.

The following terms shall apply to all transactions:

16. **Warranty.** Ricoh agrees to perform its Services in a professional manner, consistent with applicable industry standards. For any Products manufactured by Ricoh ("Ricoch Equipment"), Ricoh further warrants that, at the time of delivery and for a period of ninety (90) days thereafter the Ricoch Equipment will be in good working order and will be free from any defects in material and workmanship. Ricoh's obligations under this warranty are limited solely to the repair or replacement (at Ricoh's option) of parts proven to be defective upon inspection. The foregoing warranty shall not apply (a) if the Ricoch Equipment is installed, wired, modified, altered, moved or serviced by anyone other than Ricoh, or, (b) if the Ricoch Equipment is installed, stored and utilized and/or maintained in a manner not consistent with Ricoh specifications or (c) if a defective or improper

RICOH

non-Ricoh accessory or supply or part is attached to or used in the Ricoh Equipment, or (d) if the Ricoh Equipment is relocated to any place where Ricoh services are not available. CUSTOMER ACKNOWLEDGES THAT THE LIMITED WARRANTY CONTAINED HEREIN DOES NOT ASSURE UNINTERRUPTED OPERATION AND USE OF THE RICOH EQUIPMENT. In connection with any other Product sale, Ricoh shall transfer to Customer any Product warranties made by the applicable Product manufacturer, to the extent transferable and without recourse. Physical or electronic copies of any applicable Product warranty will be delivered by Ricoh to Customer only upon Customer's specific written request. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, RICOH DISCLAIMS ALL WARRANTIES AND REPRESENTATIONS, EXPRESS OR IMPLIED, OF ANY NATURE WHATSOEVER, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR USE, OR FITNESS FOR A PARTICULAR PURPOSE. RICOH SHALL NOT BE RESPONSIBLE AND SHALL HAVE NO LIABILITY FOR LOST PROFITS, LOSS OF REVENUE, OR ANY SPECIAL, EXEMPLARY, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING BUT NOT LIMITED TO DAMAGES ARISING OUT OF OR IN ANY MANNER CONNECTED WITH THIS AGREEMENT, OR THE SUBJECT MATTER HEREOF, OR THE USE OR PERFORMANCE OF THE RICOH EQUIPMENT OR THE LOSS OF USE OF THE RICOH EQUIPMENT, REGARDLESS OF THE FORM OF ACTION AND WHETHER OR NOT SUCH PARTY HAS BEEN INFORMED OF, OR OTHERWISE MIGHT HAVE ANTICIPATED THE POSSIBILITY OF SUCH DAMAGES. RICOH'S TOTAL AGGREGATE LIABILITY TO CUSTOMER, IF ANY, UNDER THIS AGREEMENT, SHALL IN NO EVENT EXCEED THE TOTAL FEES PAID TO RICOH THEREUNDER DURING THE ONE-YEAR PERIOD PRECEDING THE DATE ON WHICH THE CLAIM AROSE. IN NO EVENT SHALL RICOH BE LIABLE TO CUSTOMER FOR ANY DAMAGES RESULTING FROM OR RELATED TO ANY FAILURE OF ANY SOFTWARE PROVIDED HEREUNDER, INCLUDING, BUT NOT LIMITED TO, LOSS OF DATA, OR DELAY OF DELIVERY OF SERVICES UNDER THIS AGREEMENT. RICOH ASSUMES NO OBLIGATION TO PROVIDE OR INSTALL ANY ANTI-VIRUS OR SIMILAR SOFTWARE AND THE SCOPE OF SERVICES CONTEMPLATED HEREBY DOES NOT INCLUDE ANY SUCH SERVICES. Customer must comply with any applicable license agreement or license terms relating to intangible property or associated services included in any Products, such as periodic software licenses and/or prepaid data base subscription rights ("Software License"), whether pursuant to written, click-through, shrink-wrap or other agreements for such purpose, with the third party supplier of the software ("Software Supplier"). Ricoh has no right, title or interest in any third-party software. Customer is solely responsible for entering into Software Licenses with the applicable Software Supplier.

17. **Data Management.** The parties acknowledge and agree that Ricoh shall have no obligation to remove, delete, preserve, maintain or otherwise safeguard any information, images or content retained by or resident in any Serviced Products, whether through a digital storage device, hard drive or other electronic medium ("Data Management Services"). If desired, Customer may engage Ricoh to perform Data Management Services at then-prevailing rates. Customer acknowledges that Customer is responsible for ensuring its own compliance with legal requirements in connection with data retention and protection and that Ricoh does not provide legal advice or represent that the Serviced Products will guarantee compliance with such requirements. The selection, use and design of any Data Management Services, and any decisions arising with respect to the deletion or storage of data, as well as the loss of any data resulting therefrom, shall be the sole and exclusive responsibility of Customer.

18. **Payment; Risk of Loss; Taxes.** Payment terms are net ten (10) days. If invoices are unpaid and overdue, Customer agrees to pay Ricoh a late charge of one and one-half percent (1.5%) per month on any unpaid amounts or the maximum allowed by law, whichever is less, and in addition shall pay Ricoh all costs and expenses of collection, or in the enforcement of Ricoh's rights hereunder, including, but not limited to, reasonable internal and external legal costs, whether or not suit is brought. All remedies hereunder or at law are cumulative; provided, however, that the sole remedy of Customer for any Services not performed in accordance with the Service terms set forth in this Agreement shall be the prompt and proper re-performance of such Services at no additional charge. Unless otherwise agreed upon by both parties in writing, Customer assumes all risk of theft, loss or damage, no matter how occasioned, to all Products covered by this Agreement following delivery by Ricoh to common carrier or, in the case of an arranged delivery by a local Ricoh installation vehicle, delivery by such vehicle to Customer shipping point. Except to the extent of any applicable and validated exemption, Customer agrees to pay any applicable taxes that are levied on or payable as a result of the use, sale, possession or ownership of the Products and/or Services covered hereunder, other than income taxes of Ricoh.

19. **Default.** In addition to any other rights or remedies which either party may have under this Agreement or at law or equity, either party shall have the right to cancel the Services provided under this Agreement immediately: (i) if the other party fails to pay any fees or charges or any other payments required under this Agreement when due and payable, and such failure continues for a period of ten (10) days after being notified in writing of such failure; or (ii) if the other party fails to perform or observe any other material covenant or condition of this Agreement, and such failure or breach shall continue un-remedied for a period of thirty (30) days after such party is notified in writing of such failure or breach; or (iii) if the other party becomes insolvent, dissolves, or assigns its assets for the benefit of its creditors, or files or has filed against it any bankruptcy or reorganization proceeding. Except as expressly permitted by this Agreement, no refund or credit will be given for any early termination of this Agreement or any renewal thereof. If Customer defaults in its obligations hereunder, Ricoh may, in addition to any other remedies available at law or equity, require Customer to immediately pay to Ricoh all past due payments under all Orders, and the early termination fee described in the Early Termination Section above.

20. **Confidentiality; Non-Solicitation; Independent Contractors.** Except for the purposes set forth in the applicable Order, Ricoh shall not use or disclose any proprietary or confidential Customer data derived from its Services hereunder; provided, however, that Ricoh may use general statistics relating to the Service engagement so long as it does not disclose the identity of Customer or make any reference to any information from which the identity of Customer may be reasonably ascertained. Customer agrees that during the term of the Services and for a period of one (1) year after termination thereof, it shall not directly or indirectly solicit, hire, or otherwise retain as an employee or independent contractor any employee of Ricoh that is or was involved with or part of the Services. The relationship of the parties is that of independent contractors.

21. **Assignment; Force Majeure.** Customer shall neither assign any right or interest arising under this Agreement nor delegate any obligations hereunder without the prior written consent of Ricoh. Any such attempted assignment or delegation shall be void. Ricoh shall not be liable for failure to deliver or delays in delivery of Products or Services occasioned by causes beyond Ricoh's control, including without limitation strikes, lockout,

RICOH

fires, embargoes, war or other outbreak of hostilities, inability to obtain materials or shipping space, receipt of orders in excess of Ricoh's or its supplier's then-scheduled production capacity, machinery breakdowns, delays of carrier or suppliers, governmental acts and regulations, unavailability of Services, personnel or materials or other causes beyond Ricoh's control.

22. **Advice of Counsel.** Customer represents and warrants that it has obtained or has had the opportunity to obtain the advice of legal counsel of its choice prior to executing this Agreement and thereby executes this Agreement knowingly and willingly after receiving such legal advice.

23. **Governing Law; Entire Agreement.** This Agreement shall be governed by and construed and interpreted in accordance with the laws of the Commonwealth of Pennsylvania without regard to its conflict of laws principles. The parties hereto also agree to submit to the non-exclusive jurisdiction of the courts of the Commonwealth of Pennsylvania to resolve any action under this Agreement. The Uniform Computer Information Transactions Act shall not apply to this Agreement. This Agreement constitutes the entire agreement between the parties with respect to the subject matter contained in this Agreement; supersedes all proposals, oral and written, and all other communications between the parties relating to the Products; and may not be amended except in writing signed by an officer or authorized representative of Ricoh. Customer agrees and acknowledges that it has not relied on any representation, warranty or provision not explicitly contained in this Agreement, whether in writing, electronically communicated or in oral form. Any and all representations, promises, warranties, or statements, including but not limited to, statements or representations made in sales presentations or sales proposals, by any Ricoh agent, employee or representative that differ in any way from the terms of this Agreement shall be given no force or effect. This Agreement shall be governed solely by these terms and conditions, notwithstanding the inclusion of any additional or different terms and conditions in any order document of any kind issued by Customer at any time. Purchase Orders issued by Customer for Products and/or Services from Ricoh, even if they do not expressly reference or incorporate this Agreement, shall be subject to this Agreement and service only to identify the Products and/or Service ordered and shall not be deemed to alter or otherwise modify the terms and conditions of this Agreement. The delay or failure of either party to enforce at any time any of the provisions of this Agreement shall in no way be construed to be a waiver of such provision or affect the right of such party thereafter to enforce each and every provision of this Agreement. If any provision of this Agreement is held to be invalid or unenforceable, this Agreement shall be construed as though it did not contain the particular provision held to be invalid or unenforceable. Ricoh may accept or reject any order in the exercise of its discretion and may rely upon each order submitted by Customer as a binding commitment. No local, general or trade custom or usage or course of prior dealings between the parties shall be relevant to supplement or explain any term used herein. This Agreement may be executed in one or more counterparts which, taken together, shall constitute one and the same original document. Any notices required under this Agreement should be sent to: 3920 Arkwright Road Macon, GA 31210 Attn: Quality Assurance.

WHEREAS, economic development planning is a priority for the City of Newburgh in order to promote jobs, further market realistic building projects, provide housing for workers and others in need of residences, increase tax ratables, achieve energy conservation and other sustainability objectives, and create a livable community; and

WHEREAS, economic markets and available public and private sources of finance have changed dramatically in recent years; and

WHEREAS, the extent to which market-ready development can occur in a community is dependent on the existence of policies in the local comprehensive plan that support zoning and land use regulation for such development; and

WHEREAS, an economic development policy may be adopted as a supplement to an existing comprehensive plan to guide the local legislature and its land use boards and staffs in adopting effective strategies for successful economic development; and

WHEREAS, for economic development to be feasible, an economic development plan must be adopted that accounts for market changes and existing financial resources in order to guide the legislative body and planning board concerning their decisions regarding land use regulation and project review and approval; and

WHEREAS, state policy has recently changed to emphasize the conformance of local plans and policies with adopted regional economic development and sustainability plans, as well as inter-municipal cooperation in planning, in awarding funds under a large number of state funding programs; and

WHEREAS, those policies emphasize policies, programs, and projects that create compact, mixed use developments in areas served by existing infrastructure, including transit and that enhance developed urban communities as the economic engines of the Mid-Hudson Region, create affordable places to live, work, and recreate, enhance tourism, and conserve energy, natural resources, building materials, while reducing harmful Greenhouse Gas emissions and water pollution; and

WHEREAS, the City of Newburgh participates in the Mayors' Redevelopment Roundtable directed by the Land Use Law Center at Pace Law School, which is preparing a variety of best practices that accomplish these policy objectives based on current market and financial conditions; and

WHEREAS, there is a need to reexamine whether our comprehensive plan contains goals, objectives, strategies, and implementation techniques that are consistent with our local needs and values, current market and finance conditions, and regional strategies; and

WHEREAS, there is a need to establish a process whereby our community can examine these new circumstances, policies and practices as well as local conditions and needs; and

WHEREAS, this process and its favorable results will create an opportunity for the cities and villages participating in the Mayors' Redevelopment Roundtable to lead the State in demonstrating how economic development components of local comprehensive plans can be drafted and adopted to create a collaborative vision for the urban communities in a region that builds on the unique assets and needs of each community;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Newburgh that it shall be the legislative policy of the City of Newburgh to create and adopt an economic development policy supplement to its comprehensive plan to accomplish the objectives listed in the Whereas clauses above; and

BE IT FURTHER RESOLVED, that the City Council directs the staff of the relevant departments of the City of Newburgh, their administrators and executives, to create a step-by-step process of involving all key stakeholders, civic and neighborhood leaders, consultants, and economic development partners, and the members of the planning board to participate in creating an economic development policy as a supplement to the comprehensive plan; and

BE IT FURTHER RESOLVED, that, in view of the urgency of stimulating economic development, this effort is intended to be integrated into the recent and existing planning efforts of the City of Newburgh, informed by current data and reports regarding private sector market needs and financing and available public funding resources, and be completed as soon as possible; and

City Clerks Office

Certified Ordinance

Rochester, N.Y.,

TO WHOM IT MAY CONCERN:

I hereby certify that the following is a true copy of an ordinance which was duly passed by the Council of the City of Rochester on **October 14, 2014** and **Approved** by the Mayor of the City of Rochester, and was deemed duly adopted on **October 15, 2014** in accordance with the applicable provisions of law.

Ordinance No. 2014-308

Establishing an Enhanced Incentive Program for Public Works Projects

WHEREAS, the unemployment rate in the City of Rochester is substantially higher than that of Monroe County, which as of July 2014 was 8.7% for the City while only 6.3%% for the County, and

WHEREAS, this higher percentage of City unemployment is in part the result of substantial numbers of City residents who are unemployed due to a lack of job skills and experience, and

WHEREAS, improving the employment opportunities for City residents who live in economically distressed neighborhoods will result in the public benefit of an employed citizenry, including increased spending power, reduced crime and human services costs and stable City neighborhoods, and

WHEREAS, the City desires to encourage contractors on City construction projects to hire and provide meaningful work experiences for City residents who live in economically distressed neighborhoods by offering a bonus to prime contractors and first-tier subcontractors on public works projects if certain targets are met during the project for employment of qualified City residents,

NOW, THEREFORE, BE IT ORDAINED, by the Council of the City of Rochester as follows:

Section 1. An incentive program shall be created based upon the formula set forth below, which shall provide an incentive payment at the completion of a public works contract, provided a contractor meets the targets for employing qualified City residents set forth in this ordinance.

Section 2. A qualified City resident shall be defined as one maintaining a bona fide residence within the portions of the 14604, 14605, 14606, 14608, 14609, 14611, 14613, 14614 and 14621 zip codes which are within the City boundaries.

Section 3. The employment of qualified City residents by the contractor(s) shall not be a condition of award of the contract, which will be awarded to the lowest responsive and responsible bidder, but instead shall be an incentive which may be applied for at the option of a contractor upon completion of the project.

Section 4. The Council of the City of Rochester hereby finds the establishment of this incentive program to be for a public purpose, due to the opportunities for job creation and training for workers living in economically distressed areas within the City, with resulting increased spending power, reduced crime and human services costs and stabilized City neighborhoods.

Section 5. The incentives available under this program shall apply to all City public works projects with a prime contract amount of \$50,000 or more.

Section 6. Public works projects for purposes of this incentive program shall be defined as all publicly bid individual contracts for work on public buildings and infrastructure, and term services contracts for carpentry, electrical, HVAC, painting, plumbing and roofing services.

Section 7. The incentive program shall apply to any prime contractor and any and all first-tier subcontractors who fulfill their contractual obligations for the project.

Section 8. In order to qualify for the incentive, the prime contractor and/or any first tier subcontractor must demonstrate that 10% or more of their total gross payroll for the project was paid to qualified City residents.

Section 9. After determining eligibility as set forth in Section 8 above, an incentive equal to 20% of the gross payroll paid to qualified City residents employed by the contractor on the contract shall be awarded to the contractor.

Section 10. The Director of Finance is authorized to adopt reasonable rules and regulations for the documentation of the incentive claims and the administration of the program.

Section 11. The sum of \$100,000, or so much thereof as may be necessary, is hereby transferred from the 2014-15 Budget for Undistributed Expense to the Jobs Development Fund to fund this incentive program.

Section 12. Ordinance No. 2003-346 is hereby repealed.

Section 13. This ordinance shall take effect for any new public works project awarded after November 1, 2014.

SUBJECT: Procurement Policy

I **PURPOSE**

The purpose of this memorandum is to set forth the policies and procedures for the procurement of goods and services for the City of Newburgh. It is the City's goal to purchase competitively, without prejudice or favoritism and to seek the maximum value for monies expended. The policy is written to ensure compliance with all County, State and Federal procurement rules and regulations.

II **GENERAL**

The Office of the Comptroller will be responsible for ensuring compliance with this memorandum.

III **BASELINE CRITERIA FOR COMPETITIVE BIDS**

General Municipal Law requires that purchase contracts for supplies/materials, equipment and services involving an estimated annual expenditure exceeding \$20,000 and public work contracts exceeding \$35,000 be awarded after a formal competitive bid process. The competitive bid process will be conducted by the Office of the Comptroller. Detailed below are the steps for conducting a competitive bid:

- A. Requesting Department will submit a detail specification of the services required or materials needed to the Office of the Comptroller.
- B. The Office of the Comptroller will review the specifications and prepare a formal RFP (Request for Proposal) or a Small Procurement. The RFP or Small Procurement will be advertised in the City's 3 official newspapers and posted on the Empire State Purchasing Group Website (BidNet).
- C. RFP's and Small Procurements will remain open for a minimum of 15 days.

- D. For RFP's vendors must deliver their proposals in sealed packages to the Office of the Comptroller within the timeframe allotted under the RFP. Packages submitted after the prescribed timeframe will not be accepted.
- E. The Office of the Comptroller will conduct a bid opening after the allotted RFP timeframe. The bid opening will be open to all vendors and the public.
- F. Three representatives from the City of Newburgh will be required to attend the bid opening. The City employees will consist of: a representative from the Department requesting the material/service, a witness from the Office of the Comptroller to verify the opening was conducted fairly, and a secretary to record the bids.
- G. At the conclusion of the bid opening, the requesting Department will be responsible for reviewing and analyzing all bids and making a determination to award to the lowest and most responsive bidder. The justification to award must be submitted to the Office of the Comptroller for review.
- H. Once reviewed and approved by the City Comptroller the winning bidder will be notified and if accepts, a contract will be prepared in conjunction with Corporation Counsel and submitted to the City Council for approval by Resolution. If the winning declines the offer, the City of Newburgh will go to the second lowest most responsive bidder.
- I. Once the Resolution is approved by the City Council, the requesting Department will submit through KVS a purchase requisition. All documents related to the purchase must be attached to the requisition. This includes the Council Resolution and the contract (if applicable).
- J. The City Comptroller will approve the requisition and release the Purchase Order. Once the Purchase Order is released, the vendor is authorized to move forward.
- K. For Small Procurements, the process will remain the same as outlined above except vendors will be able to electronically submit their bids to the Office of the Comptroller for review. There will be no formal bid opening for Small Procurements.
- L. The Office of the Comptroller will determine when it's appropriate to do a RFP vs. a Small Procurement.

IV BASELINE CRITERIA FOR NON-COMPETITIVE BIDS

While competitive bids are not required for purchases under \$20,000 (\$35,000 for Public Works), the City must still ensure the best price and service is obtained. Detailed below are the steps for purchasing items/services that are not required to be bid competitively:

- A. Items or services costing under \$5,000 require no documentation. Departments can select a vendor and submit a purchase requisition in KVS.
 - a. Once a Department purchases in the aggregate \$5,000 from the same vendor within the same Fiscal Year for the same items and/or services they must follow the bidding requirements detailed in item B (below).

- B. Items or services costing between \$5,001 and \$19,999 require three written quotes. The Department will select the lowest quote and submit a requisition in KVS. Departments are required to attach all quotes to the requisition.
 - a. Once a Department purchases in the aggregate \$20,000 from the same vendor within the same Fiscal Year for the same items and/or services they must follow the bidding requirements detailed in Section III Competitive Bidding.
- C. All items over \$20,000 (\$35,000 for Public Works) are required to follow the steps outlined in Section III Competitive Bids.

V EXEMPT FROM BIDDING

The following types of purchases are exempt from bidding (competitive and/or non competitive).

- A. Items or services available on a GSA (Govt. State Agencies) or OGS (Office of General Services) contract.
- B. Blanket or Requirement contracts created by other municipalities that allow piggy-backing.
- C. Emergency Procurement (see section VI)
- D. Professional Service Contracts (see section VII)
- E. Preferred Source Vendors (see section VIII)
- F. Sole Source (see section IX)

VI EMERGENCY PROCUREMENT

General Municipal Law defines a “public emergency” as “arising out of an accident or other unforeseen occurrence or condition whereby circumstances affecting public buildings, public property or the life, health, safety or property of the inhabitants of the City require immediate action which cannot await competitive bidding”. Detailed below are the steps for utilizing the Emergency Procurement method:

- A. Obtain in writing (either email or formal written approval) from the City Manager authorization to commence emergency work or procure materials to mediate the hazard or danger.
- B. Once approval is granted by the City Manager, and when practical obtain at least 3 written or verbal vendor quotes.
- C. Department(s) remediating the emergency authorizes the vendor to commence work or deliver materials.

- D. Within 24 hours of the emergency declared and approved by City Manager, the Department will enter a requisition into KVS and attach all supporting documentation to the requisition.
- E. The Office of the Comptroller will approve the requisition and issue a Purchase Order.

VII PROFESSIONAL SERVICES

Professional Services are defined in New York case law and Comptroller opinions. As a general guideline, Professional Services required specialized or technical skills or expertise, training, license or certification, exercise of judgment or discretion, a high degree of creativity and/or a relationship of personal trust and confidence. Examples of Professional Services include:

- A. Physicians
- B. Engineers
- C. Surveyors
- D. Attorneys
- E. Designers/Architects
- F. Insurance/Financial Service firms

VIII PREFERRED SOURCE EXCEPTION FOR PURCHASE CONTRACTS

To advance special social and economic goals, certain providers have 'preferred source' status under the law. The acquisition of commodities and/or services from preferred sources is exempt from statutory competitive procurement requirements. Except in emergency situations, when commodities or good/services are available from a preferred source, they must be purchased from one of the preferred source providers identified below:

- A. The New York State Department of Corrections, Correctional Industries Program (CORCRAFT)
- B. Approved charitable non-profit making agencies for the blind
- C. Equal priority to qualified non-profit making agencies for all other severely disabled persons, a qualified special employment program for mentally ill persons or a qualified veteran's workshop.

IX SOLE SOURCE

Sole Source procurement is an exception to the general rules and policies governing the procurement of goods and/or services. Sole Source procurement may only be used in rare and extraordinary cases where the goods or services sought and required are manufactured, sold or performed by only one entity and/or individual. Generally, this will only apply to the following situations:

- A. Only one company in the world makes and sells a certain good or provides a certain service.
- B. Only one company in the world can service or maintain the equipment without voiding the warranty. (Note: this only applies during the warranty period. After warranty expiration, repairs and maintenance must be bid).
- C. Leasing equipment such as postal machines or copiers that have a certain type of consumable component (e.g. ink cartridges) that must be used to avoid breaching a warranty or a maintenance provision of a lease.
- D. Services performed by companies that traditionally have territories (e.g. cable TV or certain type of equipment dealerships).
- E. Software licensing and/or maintenance contracts specific to the software.

In determining whether a purchase qualifies for a Sole Source exemption, the Office of the Comptroller must document at a minimum:

- A. The unique benefits to the City of the product or service as compared to other products or services available in the marketplace.
- B. That no other product or service provides substantially equivalent or similar benefits.
- C. Determine the benefits received and the cost of the product or service is reasonable in comparison to other products or services in the marketplace.
- D. There is no possibility of competition from competing dealers or distributors.

X PROCESSING PAYMENTS

Once supplies/materials are delivered and/or services rendered, the Office of the Comptroller will be responsible for issuing payments. Payments will be processed twice a week (Tuesdays and Thursdays). Below details the process for processing vendor payments:

- A. Vendor invoices are to be submitted directly to the Office of the Comptroller. Each invoice must include the Purchase Order number or contract number.
- B. The Office of the Comptroller will scan the invoice to an electronic filing system and send the invoice to the requesting Department for sign-off.
- C. The requesting Department is responsible for signing the invoice and sending it electronically back to the Office of the Comptroller. Signing the invoice confirms the supplies/materials were delivered and/or services rendered and the vendor can be paid.
- D. The Office of the Comptroller will process the payment by either issuing a check, EFT (Electronic Funds Transfer) or E-Payable.

- E. In cases where payments are processed against a requirement contract or a blanket order, the Office of the Comptroller will be responsible for tracking payments on an excel file. This will ensure invoice amounts do not exceed the amount authorized on the Purchase Order.
- F. In cases where payments are issued by voucher (e.g. medical bills, county and school taxes), the Office of the Comptroller will be responsible for preparing the payment voucher. All vouchers must be reviewed and approved by the City Comptroller before payment is processed

This Policy takes effect January 1, 2014 and replaces all existing procurement policies issued by the City of Newburgh Office of the Comptroller.

CITY, or any State and/or Federal auditors, and any other persons duly authorized by the CITY, shall have full access and the right to examine any of said materials during said period.

ARTICLE 9. INSURANCE

For all of the SERVICES set forth herein and as hereinafter amended, VENDOR shall maintain or cause to be maintained, in full force and effect during the term of this Agreement, at its expense, Workers' Compensation insurance, liability insurance covering personal injury and property damage, and other insurance with stated minimum coverages, all as listed below. Such policies are to be in the broadest form available on usual commercial terms and shall be written by insurers of recognized financial standing satisfactory to the CITY who have been fully informed as to the nature of the SERVICES to be performed.

Except for Workers' Compensation and professional liability, the CITY shall be an additional insured on all such policies with the understanding that any obligations imposed upon the insured (including, without limitation, the liability to pay premiums) shall be the sole obligation of VENDOR and not those of the CITY. Notwithstanding anything to the contrary in this Agreement, VENDOR irrevocably waives all claims against the CITY for all losses, damages, claims or expenses resulting from risks commercially insurable under this insurance described in this Article 13. The provisions of insurance by VENDOR shall not in any way limit VENDOR'S liability under this Agreement.

<u>Type of Coverage</u>	<u>Limit of Coverage</u>

Employer's liability or similar insurance	\$1,000,000 each occurrence
Automobile liability	\$1,000,000 aggregate
Bodily Injury	\$1,000,000 each occurrence
Property Damage	\$1,000,000 each occurrence

VENDOR shall attach to this Agreement certificates of insurance evidencing VENDOR'S compliance with these requirements.

Each policy of insurance shall contain clauses to the effect that (i) such insurance shall be primary without right of contribution of any

other insurance carried by or on behalf of the CITY with respect to its interests, (ii) it shall not be cancelled, including, without limitation, for non-payment of premium, or materially amended, without fifteen (15) days prior written notice to the CITY, directed to the City Manager, the Corporation Counsel and to the Department Head and the CITY shall have the option to pay any necessary premiums to keep such insurance in effect and charge the cost back to VENDOR.

To the extent it is commercially available, each policy of insurance shall be provided on an "occurrence" basis. If any insurance is not so commercially available on an "occurrence" basis, it shall be provided on a "claims made" basis, and all such "claims made" policies shall provide that:

A. Policy retroactive dates coincide with or precede VENDOR'S start of the performance of this Agreement (including subsequent policies purchased as renewals or replacements);

B. VENDOR will maintain similar insurance for at least six (6) years following final acceptance of the SERVICES;

C. If the insurance is terminated for any reason, VENDOR agrees to purchase an unlimited extended reporting provision to report claims arising from the SERVICES performed or goods provided for the CITY; and

D. Immediate notice shall be given to the CITY through the City Manager of circumstances or incidents that might give rise to future claims with respect to the SERVICES performed under this Agreement.

ARTICLE 10. INDEMNIFICATION

VENDOR agrees to defend, indemnify and hold harmless the CITY, including its officials, employees and agents, against all claims, losses, damages, liabilities, costs or expenses (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement), whether

incurred as a result of a claim by a third party or any other person or entity, arising out of the SERVICES performed and supplied pursuant to this Agreement which the CITY or its officials, employees or agents, may suffer by reason of any negligence, fault, act or omission of VENDOR, its employees, representatives, subcontractors, assignees, or agents.

In the event that any claim is made or any action is brought against the CITY arising out of the negligence, fault, act, or omission of an employee, representative, subcontractor, assignee, or agent of VENDOR either within or without the scope of his respective employment, representation, subcontract, assignment or agency, or arising out of VENDOR'S negligence, fault, act or omission, then the CITY shall have the right to withhold further payments hereunder for the purpose of set-off of sufficient sums to cover the said claim or action. The rights and remedies of the CITY provided for in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 11. PROTECTION OF CITY PROPERTY

VENDOR assumes the risk of and shall be responsible for, any loss or damage to CITY property, including property and equipment leased by the CITY, used in the performance of this Agreement and caused, either directly or indirectly by the acts, conduct, omissions or lack of good faith of VENDOR, its officers, directors, members, partners, employees, representatives or assignees, or any person, firm, company, agent or others engaged by VENDOR as an expert consultant specialist or subcontractor hereunder.

In the event that any such CITY property is lost or damaged, except for normal wear and tear, then the CITY shall have the right to withhold further payments hereunder for the purposes of set-off in sufficient sums to cover such loss or damage.

VENDOR agrees to defend, indemnify and hold the CITY harmless from any and all

liability or claim for loss, cost, damage or expense (including, without limitation, reasonable attorney fees and costs of litigation and/or settlement) due to any such loss or damage to any such CITY property described in this Article.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or by this Agreement.

ARTICLE 12. CONFIDENTIAL INFORMATION

In the course of providing the SERVICES and/or goods hereunder, VENDOR may acquire knowledge or come into possession of confidential, sensitive or proprietary information belonging to CITY. VENDOR agrees that it will keep and maintain such information securely and confidentially, and not disclose such information to any third parties, including the media, nor use such information in any manner publically or privately, without receiving the prior approval, in writing, of the CITY authorizing such use. VENDORS obligations under this clause to maintain the confidentiality of such information and to refrain from using such information in any manner without the prior written approval of the CITY shall survive the termination or expiration of this Agreement.

ARTICLE 13. TERMINATION

The CITY may, by written notice to VENDOR effective six (6) months upon mailing and failure of VENDOR to cure within such six (6) month period, terminate this Agreement in whole upon the material default of VENDOR to comply with any of the terms or conditions of this agreement, or (ii) upon the VENDOR becoming insolvent or bankrupt.

The rights and remedies of the CITY provided herein shall not be exclusive and are in addition to any other rights and remedies provided by law or this Agreement.

ARTICLE 14. NO ARBITRATION

Any and all disputes involving this Agreement, including the breach or alleged breach thereof, may not be submitted to arbitration unless specifically agreed thereto in writing by the City Manager of the CITY, but must instead only be heard in the Supreme Court of the State of New York, with venue in Orange County.

ARTICLE 15. GOVERNING LAW

This Agreement shall be governed by the laws of the State of New York. VENDOR shall render all SERVICES under this Agreement in accordance with applicable provisions of all federal, state and local laws, rules and regulations as are in effect at the time such SERVICES are rendered.

ARTICLE 16. ENTIRE AGREEMENT

The rights and obligations of the parties and their respective agents, successors and assignees shall be subject to and governed by this Agreement, including Schedule A, which supersedes any other understandings or writings between or among the parties.

ARTICLE 17. MODIFICATION

No changes, amendments or modifications of any of the terms and/or conditions of this Agreement shall be valid unless reduced to writing and signed by the party to be bound. Changes in the scope of SERVICES in this Agreement shall not be binding, unless prior to the performance of any such SERVICES, the City Manager of the CITY, after consultation with the Department Head and Corporation Counsel, executes an Addendum or Change Order to this Agreement, which Addendum or Change Order shall specifically set forth the scope of such extra or additional SERVICES. Unless otherwise specifically provided for therein, the provisions of this Agreement shall apply with full force and effect to the terms and conditions contained in such Addendum or Change Order.

IN WITNESS THEREOF, the parties hereto have executed this Agreement as of the date set forth above.

RESOLUTION NO.: _____ - 2015

OF

APRIL 27, 2015

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEWBURGH
CALLING ON THE GOVERNOR, THE NEW YORK STATE ASSEMBLY AND
THE NEW YORK STATE SENATE TO ENACT
THE “ABANDONED PROPERTY NEIGHBORHOOD RELIEF ACT OF 2015”**

WHEREAS, in the wake of the financial crisis of 2008, there has been a marked increase in New York State in the incidence of vacant and abandoned residential properties securing delinquent mortgages, which properties frequently fall into disrepair, thus devaluing neighboring properties and harming the larger community; and

WHEREAS, these vacant and abandoned residential properties have become a blight in the City of Newburgh and in many similarly situated neighborhoods across New York State because the properties are often boarded up, dilapidated, unsafe, inhabited by squatters or used for criminal purposes; and

WHEREAS, an accumulation in a community of vacant and abandoned residential properties that are not properly secured or maintained for extended periods can cause a marked decline in that community's real estate market and the state's property tax base; and

WHEREAS, there are documented instances of such properties being used by criminals to manufacture and/or distribute illegal drugs, thus leading to an increased likelihood of crime in and around the property and neighboring community; and

WHEREAS, the City of Newburgh and similarly situated municipalities across New York State are often forced to expend taxpayer funds to prevent vacant and abandoned residential properties from becoming a public hazard, thereby depleting limited local resources; and

WHEREAS, the City of Newburgh and similarly situated municipalities across New York State are often forced to expend taxpayer funds to investigate and determine the ownership, occupancy and foreclosure status of vacant and abandoned residential properties in order to ensure that, where applicable, the mortgagee is complying with current obligations under Federal, State and/or local law to secure and maintain the property, thereby further depleting limited local resources; and

WHEREAS, relevant provisions of existing State law, enacted in 2009, governing the maintenance of abandoned residential properties impose a duty on plaintiff-mortgagees to maintain

vacant residential properties only *after* a judgment of foreclosure and sale has been entered by a court; and

WHEREAS, this recent State law has in many instances proven inadequate to address the growing number of vacant and abandoned properties falling into disrepair in the City of Newburgh and in many similarly situated municipalities across New York State because many such properties are not subject to a pending foreclosure action, and many that are subject to a pending foreclosure have not proceeded, and will not in the foreseeable future proceed, to a court judgment of foreclosure and sale; and

WHEREAS, there is evidence showing that many current and former New York homeowners have been misled into believing they need to leave their homes earlier in the foreclosure process than the law actually requires, thus resulting in even more vacant and abandoned residential properties throughout our communities; and

WHEREAS, the “Abandoned Property Neighborhood Relief Act of 2015” (A. 06932, S.04781) would help the City of Newburgh and similarly situated municipalities and their residents across the State better address the growing problem of vacant and abandoned residential properties by creating a statewide registry of such properties that can be electronically accessed by such municipalities; and

WHEREAS, the “Abandoned Property Neighborhood Relief Act of 2015” would help the City of Newburgh and similarly situated municipalities and their residents across the State better address the growing problem of vacant and abandoned residential properties by imposing a duty on mortgagees and their loan servicing agents to promptly report these properties to the statewide registry and take earlier, *pre-foreclosure*, action to identify, secure and maintain such vacant and abandoned properties; and

WHEREAS, the “Abandoned Property Neighborhood Relief Act of 2015” would help the City of Newburgh and similarly situated municipalities and their residents across the State better address the growing problem of vacant and abandoned residential properties by providing a much needed and readily available source of information on vacant and abandoned residential properties to local officials throughout the State; and

WHEREAS, the “Abandoned Property Neighborhood Relief Act of 2015” would help the City of Newburgh and similarly situated municipalities and their residents across the State better address the growing problem of vacant and abandoned residential properties by establishing an “Abandoned Property Neighborhood Relief Fund,” comprised of civil penalties collected by the Attorney General in enforcement actions under the Act, which Neighborhood Relief Fund monies would be expended by the Attorney General in the form of Enforcement Assistance Grants to counties, cities, towns and villages to assist localities across the State in their own enforcement efforts under the Act; and

WHEREAS, the “Abandoned Property Neighborhood Relief Act of 2015” would help the City of Newburgh and similarly situated municipalities and their residents across the State better address the growing problem of vacant and abandoned residential properties by also establishing a statewide toll-free hotline that community residents can use to report suspected vacant and abandoned properties to the Attorney General and receive information regarding the status of registered properties, including the identity of the mortgagee or agent responsible for maintaining them; and

WHEREAS, the “Abandoned Property Neighborhood Relief Act of 2015” would help the City of Newburgh and similarly situated municipalities and their residents across the State better address the growing problem of vacant and abandoned residential properties by ensuring that homeowners are provided with clear and early notice that they are legally entitled to remain in their homes until ordered to leave by a court;

NOW THEREFORE, BE IT RESOLVED, by the City Council of the City of Newburgh hereby calls on the Governor, the New York State Assembly and the New York State Senate to promptly enact the “Abandoned Property Neighborhood Relief Act of 2015;” and

BE IT FURTHER RESOLVED, that the City Clerk is hereby directed to transmit certified copies of this Resolution to Governor Andrew Cuomo, N.Y. Assembly Member Frank Skartados and N.Y. Senator William Larkin.

BY ORGANIZATIONS PROVIDING YOUTH PROGRAMS AND SERVICES**

WHEREAS, the City of Newburgh is committed to the safety and security of our employees, volunteers, interns, licensees, visitors, guests or other individuals on the City of Newburgh property or work sites; and

WHEREAS, many organizations have requested the use of City of Newburgh buildings and facilities for the purpose of providing programs and services to the youth of the City; and

WHEREAS, the City of Newburgh finds that it is necessary and appropriate to require those organizations requesting to use City buildings and facilities to comply with all federal, state and municipal laws, rules and regulations applicable to the programs and/or services being provided to youth through an appropriate license agreement setting forth the terms and conditions of the use of City property; and
