Bulletproof Vest Partnership

The Bulletproof Vest Partnership (BVP), created by the Bulletproof Vest Partnership Grant Act of 1998 is a unique U.S. Department of Justice initiative designed to provide a critical resource to state and local law enforcement.

ONE MILLION BVP VESTS: Since 1999, the BVP program has awarded more than 13,000 jurisdictions, a total of \$393 million in federal funds for the purchase of over one million vests (1,197,348 as of December, 2014). BVP is a critical resource for state and local jurisdictions that saves lives. Based on data collected and recorded by BJA staff, in FY 2012, protective vests were directly attributable to saving the lives of at least 33 law enforcement and corrections officers, in 20 different states, an increase 13.7% over FY 2011. At least 14 of those life-saving vests had been purchased, in part, with BVP funds.

New: The Bureau of Justice Assistance (BJA) is pleased to announce the Fiscal Year (FY) 2015 BVP application funding period. **Applications for FY 2015 BVP funds will be accepted beginning April 1, 2015. All applications must be submitted online by 6:00 pm (Eastern Time), May 13, 2015.**

The complete list of FY 2014 BVP awards can be viewed [here](#).

The complete list of FY 2013 BVP awards can be viewed [here](#).

Documentation Requirement: Grantees are required to keep documentation to support the BVP vest application and payment requests for at least a three year period.

Other Federal Funds: Justice Assistance Grant (JAG) funds or other federal funding sources may not be used to pay for that portion of the bullet proof vest (50%) that is not covered by BVP funds. JAG or other federal funds may be used to purchase vests for an agency, but they may not be used as the 50% match for BVP purposes.

NEW! UPDATED Mandatory Wear FAQs

Following two years of declining law enforcement officer line-of-duty deaths, the country realized a dramatic 37 percent increase in officer deaths in 2010. Fifty-nine of the 160 officers killed in 2010 were shot during violent encounters; a 20 percent increase over 2009 numbers. The U.S. Department of Justice is committed to improving officer safety and has undertaken research to review and analyze violent encounters and law enforcement officer deaths and injuries. Due to the increase in the number of law enforcement officer deaths, coupled with our renewed efforts to improve officer safety, beginning with FY 2011, in order to receive BVP funds, jurisdictions must certify, during the application process, that all law enforcement agencies benefitting from the BVP Program have a written "mandatory wear" policy in effect. This policy must be in place for at least all uniformed officers before any FY 2011 funding can be used by the agency. There are no requirements regarding the nature of the policy other than it being a mandatory wear policy for all uniformed officers while on duty. BJA strongly encourages

Body Armor Safety Initiative

Body Armor Safety Initiative - An Initiative of U.S. Department of Justice. In response to concerns from the law enforcement community, the Department of Justice (DOJ) announced an initiative to address the reliability of body armor used by law enforcement personnel and to examine the future of bullet-resistant technology and testing. As part of this initiative, the National Institute of Justice (NIJ) has examined Zylon®-based bullet-resistant vests (both new and used) and is reviewing the process by which bullet-resistant vests are certified.

Updated Frequently Asked Questions (FAQs) for the BVP Program Mandatory Wear Requirement

April 1, 2014

The frequently asked questions and responses below replace previous versions of this document and were developed to provide additional guidance to the law enforcement community based on questions received by BJA to date.

In October 2010 and again in March 2011, the Attorney General announced that DOJ's Bulletproof Vest Partnership (BVP) program will include a new application requirement to ensure that agencies receiving funding for reimbursement of body armor purchases have a written mandatory wear policy for uniformed patrol officers, in place when the FY 2011 BVP applications are submitted.

The following guidance is provided to agencies applying for BVP funding in FY2013:

Q. Why is a mandatory wear requirement necessary?

A. First and foremost, the new requirement is intended to promote the use of body armor in order to reduce line-of-duty deaths among law enforcement officers. Second, this new requirement will ensure that vests purchased through the BVP program will be used. This is particularly important given that many agencies and officers cannot afford total cost of protective vests and BVP funding has been insufficient to reimburse all applicants the maximum 50% for all requested vests. Because of this, BJA desires to ensure that all vests purchased with federal BVP funding will be used to the maximum benefit in protecting officers.

Q. Isn't this policy requirement best left to local law enforcement agencies to decide?

A. BJA is implementing a policy requirement to reduce line of duty deaths and disabling injuries and to ensure that taxpayer funding, appropriated by Congress specifically for body armor to protect officers, is spent wisely and that the armor is used in the field. This requirement was carefully written to ensure that local law enforcement agencies maintain significant discretion in how this requirement is met locally.

Q. Does this requirement pertain to all DOJ funding that may be used for body armor?

A. This requirement is specific to the Bulletproof Vest Partnership Program and the Justice Assistance Grant Program (JAG) administered by BJA.

Q. Does this requirement pertain to BVP funding awarded in prior years, i.e., FY2010 and prior?

A. No, the requirement only pertains to FY2011 and future funding, consistent with appropriations.

Q. When must the policy be in effect?

A. The written "mandatory-wear" policy must be in effect as of the date the jurisdiction submits its FY 2011 application for BVP funds. Each jurisdiction will need to "Certify" during the application process, that it has a written mandatory wear policy for all uniform law enforcement officers. The policies will not need to be submitted with the BVP application, but said policies will be subject to

random review and verification. In order to meet the requirement of the BVP program, all policies must bear the date that the policy was enacted.

Q. What is meant precisely by "while engaged in patrol or field operations"? Who does that cover?

A. This language was included in order to demonstrate that BJA recognizes that some officers in uniform assignments may not always be in situations or environments where they are at risk of being involved in violent encounters. The BVP requirement will not be expanded beyond this language and local agencies may decide how they wish to implement the mandatory wear requirement within their agency. BJA takes no position on agency interpretations so long as the local policy does not serve to eliminate the requirement all together for all officers.

Q. Does this apply to officers who are uniformed, but who are in administrative or support positions that do not regularly engage in police action?

A. As noted above, local agencies may decide what, if any, exceptions should be in place within the mandatory wear policy for uniformed officers.

Q. Can a Chief/Commander have authority to grant exceptions to mandatory wear policy within the agency?

A. Yes, agencies can provide exceptions for individuals, assignments, organizational units, climate-related situations and other factors that may be determined necessary at the local level.

Q. Can an agency exempt an officer for documented medical reasons?

A. Yes.

Q. If an officer is injured/killed in line of duty and was NOT wearing a vest as required by policy, would they risk losing Federal benefits?

A. No blanket policy or automatic disqualification shall be implemented regarding this policy and its effects on federal death, disability or educational benefits through the Public Safety Officers Benefits Program (PSOB).

Q. Does the requirement pertain to correctional agencies and other law enforcement agencies that do not have a traditional "street patrol" function or that have uniformed officers in specialized non-"street patrol" functions, such as jails, civil process service, school resource, security?

A. The mandatory wear policy requirement applies to all agencies that apply for funding through the BVP program, however agencies have discretion in determining which types of specialized functions may be excepted from the mandatory wear requirement or how/when this would be done.

Q. Where can I get a copy of a sample model policy?

A. Law enforcement agency administrators and jurisdiction CEOs can obtain a copy of the Body Armor Model Policy and Issues Paper, developed by the International Association of Chiefs of Police (IACP) by contacting the BVP Help Desk at 1-877-758-3787 or by email at vests@usdoj.gov.

AGREEMENT

THIS AGREEMENT, made this day of February, 2015, BETWEEN

COUNTY OF ORANGE

AND

CITY OF NEWBURGH

AND

CITY OF MIDDLETOWN

AND

CITY OF PORT JERVIS,

all being municipal corporations

of the State of New York;

WITNESSETH:

WHEREAS, the COUNTY OF ORANGE has imposed a Sales and Compensating Use Tax pursuant to the laws of the State of New York, and

WHEREAS, Article 29 of the Tax Law of the State of New York authorizes municipalities to impose certain taxes on retail sales and other similar transactions and compensating use taxes as therein specified, to be administered by the New York State Tax Commissioner, and further provides certain priorities and preemptive rights for each of the parties, and

WHEREAS, there was in existence an Agreement dated January 10, 2008, by and between the County of Orange, hereinafter referred to as the COUNTY, and the CITY OF NEWBURGH, the CITY OF MIDDLETOWN, and the CITY OF PORT JERVIS, hereinafter referred to as the CITIES: said Agreement by its terms expired February 28, 2011, and

WHEREAS, there is presently in existence an Agreement dated December, 2010 by and between the COUNTY, and the CITIES which, by its terms is set to expire February 29, 2016; and

WHEREAS, the parties hereto acknowledge that for due and sufficient consideration acknowledged by them they wish to enter into and execute this Agreement and to be bound by the terms hereof; and

WHEREAS, by resolutions duly adopted by the governing bodies of the COUNTY and each of the three CITIES these municipalities have agreed upon a plan for the COUNTY to distribute a portion of the COUNTY's revenues from its Sales and Compensating Use Taxes to the CITIES and to the Towns and the Villages in Orange County, for the period March 1, 2016 to February 28, 2021; and

WHEREAS, the Charters, laws and resolutions adopted by the governing bodies of each of the three CITIES and by the Orange County Legislature authorize the Chief Elected Official or the City Manager of each of the party-municipalities hereto to execute this Agreement on behalf of each of them;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties hereto mutually covenant and agree as follows:

1. The County shall continue to impose the taxes described in **Section 1210(a)** of the Tax Law of the State of New York at a rate of three percent (3%) or, at its option, at a greater rate (presently 3 ³/₄%) as may be authorized by the State Legislature and County subject to the terms hereinbelow during the term of this Agreement.

2. The term of this Agreement shall be from March 1, 2016 until February 28, 2021.

3. The implementation of the distribution formula contained herein and the distributions of the respective portions of the County Sales and Compensating Use Taxes to all the local municipalities by the COUNTY are contingent upon the CITY OF NEWBURGH, the CITY OF MIDDLETOWN, and the CITY OF PORT JERVIS, all hereby agreeing to and actually forbearing from preempting the County Sales and Compensating Use Taxes during the period of this Agreement. By entering into this Agreement each of the CITIES agrees to refrain from imposing any Sales and Compensating Use Taxes authorized by Section 1210 of the New York State Tax Law or elsewhere, except that the CITIES can impose sales taxes described in Section 1105 (b) and related compensating use taxes in Section 1110 of the Tax Law, as authorized by Section 1210 (b) of such law, which a city has a prior right to impose pursuant to Section 1224

(b)(1) of such law.

4. The CITY OF NEWBURGH has, by Charter, law and/or by resolution, duly adopted by the Common Council of the City of Newburgh, authorized its City Manager to execute this Agreement and has also agreed not to preempt the County Sales and Compensating Use Tax during the period of this Agreement. The CITY OF MIDDLETOWN has, by Charter, law and/or resolution, duly adopted by the Common Council of the City of Middletown, authorized its Mayor to execute this Agreement and has also agreed not to preempt the County Sales and Compensating Use Taxes during the period of this Agreement. The CITY OF PORT JERVIS has, by Charter, law and/or resolution, duly adopted by the City Council of the City of Port Jervis, authorized its Mayor to execute this Agreement and has also agreed not to preempt the County Sales and Compensating Use Taxes during the period of this Agreement. Provided that each CITY can preempt the COUNTY's Sales and Compensating Use Taxes by imposing the sales taxes described in Section 1105(b) and related compensating use taxes in Section 1110 as authorized by Section 1210(b) of the Tax Law

5. The distributions made by the COUNTY hereunder are to be based upon the monies generated by the present 3 3/4% (three and three quarters percent) Orange County Sales and Compensating Use Taxes less the expenses of the Commissioner of Taxation and Finance for administration and collection and amounts withheld for refunds. The expenses of the Commissioner of Taxation and Finance and amounts withheld for refunds shall be deducted from the gross receipts prior to the payment to the County by the State Comptroller pursuant to Tax Law section 1261 or other applicable law, and the remainder shall be the COUNTY's "net collections," as such term is defined in Tax Law Section 1262(f).

6. For the term of this contract, the COUNTY's net collections shall be retained by the COUNTY or allocated and disposed of as follows:

A. The COUNTY shall retain seventy-three and six hundred sixteen thousandths per cent (73.616%) of the COUNTY's net collections for county purposes.

B The COUNTY shall allocate and distribute twenty-six and three hundred eighty four thousandths percent (26.384%) of net collections from the three and three quarters percent (3 3/4%) tax shall be distributed to the CITIES, Towns and Villages as -follows:

B.

1. Thirty-two and five hundred twenty five thousandths percent (32.525%) thereof to the CITIES.

2. Sixty-seven and four hundred seventy—five thousandths percent (67.475%) thereof to the Towns .

C. For the term of this agreement, the amount to be distributed to the three CITIES (32.525% of 26.384% of the sales tax revenues as generated by the three and three quarters percent (3 3/4%) tax described herein) shall be divided among them according to the following percentages:

Newburgh 43.883

Middletown 42.696

Port Jervis 13.421

D. The monies allocated to the Towns located within the County of Orange shall be divided among them based upon their respective populations, determined in accordance with the latest decennial federal census or special population census taken pursuant to Section Twenty of the General Municipal Law completed and published prior to the end of the quarter for which the allocation is made, which the allocation is made, which special census must include the entire area of the

County. Provided where a Village elects a direct cash payment provided in Section 1262(c) of the Tax Law, the amount to be paid to such village shall be determined by the ratio that the population of such village or portion thereof within the town in which such village is located bears to the total population of the entire town, determined in accordance with the latest decennial federal census or special population census taken pursuant to Section Twenty of the General Municipal Law completed and published prior to the end quarter for which the allocation is made, which special census must include the entire area of the County, except that, if the Village of Highland Falls elects a direct cash payment as provided in the second to last unnumbered paragraph of Section 1262 (c), the amount to be paid it shall be determined by the ratio that the full valuation of real property in the Village bears to the full valuation of the entire Town of Highlands.

7. The amounts to be allocated to the CITIES, Towns and Villages shall be calculated quarterly during the term of the Agreement based upon the amount of sales tax revenue generated by the three and three quarters percent (3 3/4%) tax as described herein during the previous quarter.

8. The distribution to the municipalities will be made on or about the 30th day of January, April, July and October of each year covered by this Agreement. The first such payment shall be made on or about April 30, 2016.

9. It is the present intention of the parties hereto that they renegotiate a continuation of this Agreement in the future. The parties therefore agree to commence negotiations for a new Agreement on or about March 1, 2019. In the event a renegotiated Agreement or such other agreement is not reached on or before February 28, 2020, then any of the CITIES that are parties to this Agreement shall notify the County pursuant to Section 1223 of the Tax Law of the State of its intention to adopt legislation imposing a City Sales Tax as permitted by law, such tax to become effective as of March 1, 2021. The purpose of this clause is to enable the CITIES to collect a continuous stream of revenue from the Sales Tax at the end of the term of this Agreement with minimal interruption.

10. The parties recognize that the New York State Legislature has enacted legislation which currently authorizes the COUNTY an additional $\frac{3}{4}\%$ rate Sales Tax rate above the the COUNTY's three (3%) percent and the COUNTY imposes such "Additional Tax" for a current total COUNTY rate of $3\frac{3}{4}\%$. Notwithstanding anything to the contrary provided elsewhere in this AGREEMENT, if the current $3\frac{3}{4}\%$ sales and compensating use tax (the "rate") is ever changed, then the reduced or increased rate shall be immediately substituted for the $3\frac{3}{4}\%$ rate presently in effect (or any rate then presently in effect) and the sharing formula set forth in Paragraph 6 of this AGREEMENT shall be adjusted to reflect the new rate. For example, if the county sales and compensating use tax were reduced from the present $3\frac{3}{4}\%$ to 3%, then the CITIES, and Towns, would receive 26.384% of net collections from the 3% rate and if the county sales and compensating use tax were increased from the present $3\frac{3}{4}\%$ to 4%, then the CITIES and Towns would receive 26.384% of net collections from the 4% rate minus any administrative or other costs as described herein instead of receiving 26.384% of the $3\frac{3}{4}\%$ as is presently the case. Villages may receive their shares as otherwise provided for herein and in applicable State Law. Net collections from such additional tax that are not required to be paid to the CITIES, and Towns and Villages as described herein shall be retained by the COUNTY for county purposes.

11. PARAGRAPH 11 LEFT INTENTIONALLY BLANK.

12. In the event New York State assumes responsibility for funding or paying out of State funds the COUNTY'S Medicaid expenses, or in the event there is any other action taken by the State of New York whereby the State assumes a responsibility and an expense of the COUNTY and in exchange therefore the State retains a portion of the COUNTY's net collections that are the subject of this Agreement, the rights of the parties will be affected pursuant to the terms of this paragraph. If the COUNTY's expense for the program taken over by the State equals or exceeds the amount of COUNTY's net collections retained by the State, then the COUNTY shall continue to distribute to the other municipalities twenty-six and three hundred eighty four thousandths percent (26.384%) of the sales tax revenue generated by the three percent (3%) tax even though the COUNTY may no longer be receiving seventy-three and six hundred sixteen thousandths percent (73.616%) of the original amount of such revenues. If the COUNTY's

expense for the program taken over by the State is less than the amount of COUNTY's net collections retained by the State, then the net loss suffered by the COUNTY shall be shared by the COUNTY, the CITIES, the Towns and the Villages in the same proportion as that by which the revenues are retained and distributed.

13. In the event that a City, Town or Village incurs a monetary debt or obligation to the County, and said debt or obligation remains outstanding for one year after it has become due and owing to the County, following good faith discussions with the County to satisfy the debt or obligation, then the County is authorized to deduct an amount equal to the outstanding amount of such debt or obligation, including statutory interest and penalties, if applicable, from that municipality's share of COUNTY net collections due that municipality as provided in this Agreement. Such deductions shall be from the payment scheduled to be made next following the one year anniversary of the date the debt or obligation accrued, and from each successive share otherwise due to the municipality until the debt or obligation has been paid in full. A municipality may request of the County that the payments be paid in installments for a period not to exceed three years, which request shall not be unreasonably denied.

14. The parties wish to express their intent to continue the terms of the prior AGREEMENT (the one in existence at the time this AGREEMENT is entered into) and in the event interpretation of this AGREEMENT is necessary, the prior agreement referenced in the fourth "WHEREAS" clause above shall be used to interpret the intentions of the Parties to the extent necessary. The changes to this AGREEMENT in comparison to the prior agreement are intended to recognize the COUNTY's current sales and compensating use tax rate (County rate, not including the State rate or the rate imposed as a result of being in the Metropolitan Commuter Transportation District) as currently being 3 ¾%, not the referenced 3% in the prior agreement and are also intended to develop a contingency in the event the County sales tax rate ever changes (either by increase or decrease) from the present rate of 3 ¾% to ensure that the parties respective percentage shares of the Rate, whatever they may be, and whatever such rate actually is, are continued as the same percentages of the new rate, except as otherwise provided in this Agreement.

15. The PARTIES further agree to submit this Agreement for any necessary approvals of the

State or any officer, agency, or department thereof and if it is not approved the PARTIES shall expeditiously renegotiate this AGREEMENT and leave any present AGREEMENT which is valid in force and effect for a period of one year pending such renegotiation.

This agreement may be signed in counterparts.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals on the day and year first above written.
