9.1 To the fullest extent permitted by State law (constitutional or statutory, as amended), Licensee hereby agrees to, defend, indemnify, and hold Licensor harmless from and against any and all liability, loss, claim, suit, damage, charge or expense which Licensor may suffer, sustain, incur or in any way be subjected to, on account of death of or injury to any person whomsoever (including officers, agents, employees or invitees of Licensor), and for damage to or loss of or destruction of any property whatsoever, arising out of, resulting from, or in any way connected with the construction, repair, maintenance, replacement, presence, existence,

operations, use or removal of the Facilities or any structure in connection therewith, or restoration of premises of Licensor to good order or condition after removal, EXCEPT when proven to have been caused solely by the willful misconduct or gross negligence of Licensor. HOWEVER, to the fullest extent permitted by State law, during any period of actual construction, repair, maintenance, replacement or removal of the Facilities, wherein agents, equipment or personnel of Licensee are on the railroad rail corridor, Licensee's liability hereunder shall be absolute, irrespective of any joint, sole or contributory fault or negligence of Licensor.

9.2 Use of Licensor's rail corridor involves certain risks of loss or damage as a result of the rail operations. Notwithstanding Section 9.1, Licensee expressly assumes all risk of loss and damage to Licensee's Property or the Facilities in, on, over or under the Encroachment, including loss of or any interference with use or service thereof, regardless of cause, including electrical field creation, fire or derailment resulting from rail operations. For this Section, the term "Licensee's Property" shall include property of third parties situated or placed upon Licensor's rail corridor by Licensee or by such third parties at request of or for benefit of Licensee.

9.3 To the fullest extent permitted by State law, as above, Licensee assumes all responsibility for, and agrees to defend, indemnify and hold Licensor harmless from: (a) all claims, costs and expenses, including reasonable attorneys' fees, as a consequence of any sudden or nonsudden pollution of air, water, land and/or ground water on or off the Encroachment area, arising from or in connection with the use of this Encroachment or resulting from leaking, bursting, spilling, or any escape of the material transmitted in or through the Facilities; (b) any claim or liability arising under federal or state law dealing with either such sudden or nonsudden pollution of air, water, land and/or ground water arising therefrom or the remedy thereof; and (c) any subsidence or failure of lateral or subjacent support of the tracks arising from such Facilities leakage.

9.4 Notwithstanding Section 9.1, Licensee also expressly assumes all risk of loss which in any way may result from Licensee's failure to maintain either required clearances for any overhead Facilities or the required depth and encasement for any underground Facilities, whether or not such loss(es) result(s) in whole or part from Licensor's contributory negligence or joint fault.

9.5 Obligations of Licensee hereunder to release, indemnify and hold Licensor harmless shall also extend to companies and other legal entities that control, are controlled by, subsidiaries of, or are affiliated with Licensor, as well as any railroad that operates over the rail corridor on which the Encroachment is located, and the officers, employees and agents of each.

9.6 If a claim is made or action is brought against Licensor, and/or its operating lessee, for which Licensee may be responsible hereunder, in whole or in part, Licensee shall be notified to assume the handling or defense of such claim or action; but Licensor may participate in such handling or defense.

9.7 Notwithstanding anything contained in this Agreement, the limitation of liability contained in the state statutes, as amended from time to time, shall not limit Licensor's ability to collect under the insurance policies required to be maintained under this Agreement.

## **10. INSURANCE:**

10.1 Prior to commencement of surveys, installation or occupation of premises pursuant to this Agreement, Licensee shall procure and shall maintain during the continuance of this Agreement, at its sole cost and expense, a policy of

- (i) Statutory Worker's Compensation and Employers Liability Insurance with available limits of not less than ONE MILLION AND 00/100 U.S. DOLLARS (\$1,000,000.00), which must contain a waiver of subrogation against CSXT and its Affiliates;
- (ii) Commercial General Liability coverage (inclusive of contractual liability) with available limits of not less than FIVE MILLION AND 00/100 U.S. DOLLARS (\$5,000,000.00), naming Licensor, and/or its designee, as additional insured and in combined single limits for bodily injury and property damage and covering the contractual liabilities assumed under this Agreement. The evidence of insurance coverage shall be endorsed to provide for thirty (30) days' notice to Licensor, or its designee, prior to cancellation or modification of any policy. Mail CGL certificate, along with agreement, to CSX Transportation, Inc., Speed Code J180, 500 Water Street, Jacksonville, FL 32202. On each successive year, send certificate to RenewalCOI@csx.com.
- (iii) Business automobile liability insurance with available limits of not less than ONE MILLION AND 00/100 U.S. DOLLARS (\$1,000,000.00) combined single limit for bodily injury and/or property damage per occurrence;
- (iv) Such other insurance as Licensor may reasonably require.

10.2 If Licensee's existing CGL policy(ies) do(es) not automatically cover Licensee's contractual liability during periods of survey, installation, maintenance and continued occupation, a specific endorsement adding such coverage shall be purchased by Licensee. If said CGL policy is written on a "claims made" basis instead of a "per occurrence" basis, Licensee shall arrange for adequate time for reporting losses. Failure to do so shall be at Licensee's sole risk.

10.3 Licensor, or its designee, may at any time request evidence of insurance purchased by Licensee to comply with this Agreement. Failure of Licensee to comply with Licensor's request shall be considered a default by Licensee.

10.4 Securing such insurance shall not limit Licensee's liability under this Agreement, but shall be security therefor.

10.5 (A) In the event Licensee finds it necessary to perform construction or demolition operations within fifty feet (50') of any operated railroad track(s) or affecting any

railroad bridge, trestle, tunnel, track(s), roadbed, overpass or underpass, Licensee shall: (a) notify Licensors; and (b) require its contractor(s) performing such operations to procure and maintain during the period of construction or demolition operations, at no cost to Licensors, Railroad Protective Liability (RPL) Insurance, naming Licensors, and/or its designee, as Named Insured, written on the current ISO/RIMA Form (ISO Form No. CG 00 35 01 96) with limits of FIVE MILLION AND 00/100 U.S. DOLLARS (\$5,000,000.00) per occurrence for bodily injury and property damage, with at least TEN MILLION AND 00/100 U.S. DOLLARS (\$10,000,000.00) aggregate limit per annual policy period, with Pollution Exclusion Amendment (ISO CG 28 31 11 85) if an older ISO Form CG 00 35 is used. The original of such RPL policy shall be sent to and approved by Licensors prior to commencement of such construction or demolition. Licensors reserves the right to demand higher limits.

(B) At Licensors's option, in lieu of purchasing RPL insurance from an insurance company (but not CGL insurance), Licensee may pay Licensors, at Licensors's current rate at time of request, the cost of adding this Encroachment, or additional construction and/or demolition activities, to Licensors's Railroad Protective Liability (RPL) Policy for the period of actual construction. This coverage is offered at Licensors's discretion and may not be available under all circumstances.

10.6 Notwithstanding the provisions of Sections 10.1 and 10.2, Licensee, pursuant to State Statute(s), may self-insure or self-assume, in any amount(s), any contracted liability arising under this Agreement, under a funded program of self-insurance, which fund will respond to liability of Licensee imposed by and in accordance with the procedures established by law.

## **11. GRADE CROSSINGS; PROTECTION SERVICES:**

11.1 Nothing herein contained shall be construed to permit Licensee or Licensee's contractor to move any vehicles or equipment over the track(s), except at public road crossing(s), without separate prior written approval of Licensors.

11.2 If Licensors deems it advisable, during any construction, maintenance, repair, renewal, alteration, change or removal of said Facilities, to place watchmen, flagmen, or field construction managers for protection of operations of Licensors or others on Licensors's rail corridor at the Encroachment, and to keep persons, equipment or materials away from the track(s), Licensors shall have the right to do so at the expense of Licensee, but Licensors shall not be liable for failure to do so.

## **12. LICENSORS'S COSTS:**

12.1 Any additional or alternative costs or expenses incurred by Licensors to accommodate Licensee's continued use of Licensors's property as a result of track changes or wire changes shall also be paid by Licensee.

12.2 Licensors's expense for wages ("force account" charges) and materials for any work performed at the expense of Licensee pursuant hereto shall be paid by Licensee within

thirty (30) days after receipt of Licensor's bill therefor. Licensor may, at its discretion, request an advance deposit for estimated Licensor costs and expenses.

12.3 Such expense shall include, but not be limited to, cost of railroad labor and supervision under "force account" rules, plus current applicable overhead percentages, the actual cost of materials, and insurance, freight and handling charges on all material used. Equipment rentals shall be in accordance with Licensor's applicable fixed rate. Licensor may, at its discretion, require advance deposits for estimated costs of such expenses and costs.

### **13. DEFAULT, BREACH, WAIVER:**

13.1 The proper and complete performance of each covenant of this Agreement shall be deemed of the essence thereof, and in the event Licensee fails or refuses to fully and completely perform any of said covenants or remedy any breach within thirty (30) days after receiving written notice from Licensor to do so (or within forty-eight (48) hours in the event of notice of a railroad emergency), Licensor shall have the option of immediately revoking this Agreement and the privileges and powers hereby conferred, regardless of encroachment fee(s) having been paid in advance for any annual or other period. Upon such revocation, Licensee shall make removal in accordance with Article 14.

13.2 No waiver by Licensor of its rights as to any breach of covenant or condition herein contained shall be construed as a permanent waiver of such covenant or condition, or any subsequent breach thereof, unless such covenant or condition is permanently waived in writing by Licensor.

13.3 Neither the failure of Licensor to object to any work done, material used, or method of construction or maintenance of said Encroachment, nor any approval given or supervision exercised by Licensor, shall be construed as an admission of liability or responsibility by Licensor, or as a waiver by Licensor of any of the obligations, liability and/or responsibility of Licensee under this Agreement.

### **14. TERMINATION, REMOVAL:**

14.1 All rights which Licensee may have hereunder shall cease upon the date of (a) termination, (b) revocation, or (c) subsequent agreement, or (d) Licensee's removal of the Facility from the Encroachment. However, neither termination nor revocation of this Agreement shall affect any claims and liabilities which have arisen or accrued hereunder, and which at the time of termination or revocation have not been satisfied; neither party, however, waiving any third party defenses or actions.

14.2 Within thirty (30) days after revocation or termination, Licensee, at its sole risk and expense, shall (a) remove the Facilities from the rail corridor of Licensor, unless the parties hereto agree otherwise, (b) restore the rail corridor of Licensor in a manner satisfactory to Licensor, and (c) reimburse Licensor any loss, cost or expense of Licensor resulting from such removal.

**15. NOTICE:**

15.1 Licensee shall give Licenser at least thirty (30) days written notice before doing any work on Licenser's rail corridor, except that in cases of emergency shorter notice may be given. Licensee shall provide proper notification as follows:

a. For non-emergencies, Licensee shall submit online via the CSX Property Portal from Licenser's web site, via web link:  
[https://propertyportal.csx.com/pub\\_ps\\_res/ps\\_res/jsf/public/index.faces](https://propertyportal.csx.com/pub_ps_res/ps_res/jsf/public/index.faces)

b. For emergencies, Licensee shall complete all of the steps outlined in Section 15.1 a. above, and shall also include detailed information of the emergency. Licensee shall also call and report details of the emergency to Licenser's Rail Operations Emergency Telephone Number: 1-800-232-0144. In the event Licenser needs to contact Licensee concerning an emergency involving Licensee's Facility(ies), the emergency phone number for Licensee is: 845-569-7448.

15.2 All other notices and communications concerning this Agreement shall be addressed to Licensee at the address above, and to Licenser at the address shown on Page 1, c/o CSXT Contract Management, J180; or at such other address as either party may designate in writing to the other.

15.3 Unless otherwise expressly stated herein, all such notices shall be in writing and sent via Certified or Registered Mail, Return Receipt Requested, or by courier, and shall be considered delivered upon: (a) actual receipt, or (b) date of refusal of such delivery.

**16. ASSIGNMENT:**

16.1 The rights herein conferred are the privileges of Licensee only, and Licensee shall obtain Licenser's prior written consent to any assignment of Licensee's interest herein; said consent shall not be unreasonably withheld.

16.2 Subject to Sections 2 and 16.1, this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors or assigns.

16.3 Licensee shall give Licenser written notice of any legal succession (by merger, consolidation, reorganization, etc.) or other change of legal existence or status of Licensee, with a copy of all documents attesting to such change or legal succession, within thirty (30) days thereof.

16.4 Licenser expressly reserves the right to assign this Agreement, in whole or in part, to any grantee, lessee, or vendee of Licenser's underlying property interests in the Encroachment, upon written notice thereof to Licensee.

16.5 In the event of any unauthorized sale, transfer, assignment, sublicense or encumbrance of this Agreement, or any of the rights and privileges hereunder, Licenser, at its

option, may revoke this Agreement by giving Licensee or any such assignee written notice of such revocation; and Licensee shall reimburse Licenser for any loss, cost or expense Licenser may incur as a result of Licensee's failure to obtain said consent.

**17. TITLE:**

17.1 Licensee understands that Licenser occupies, uses and possesses lands, rights-of-way and rail corridors under all forms and qualities of ownership rights or facts, from full fee simple absolute to bare occupation. Accordingly, nothing in this Agreement shall act as or be deemed to act as any warranty, guaranty or representation of the quality of Licenser's title for any particular Encroachment or segment of Rail Corridor occupied, used or enjoyed in any manner by Licensee under any rights created in this Agreement. It is expressly understood that Licenser does not warrant title to any Rail Corridor and Licensee will accept the grants and privileges contained herein, subject to all lawful outstanding existing liens, mortgages and superior rights in and to the Rail Corridor, and all leases, licenses and easements or other interests previously granted to others therein.

17.2 The term "license," as used herein, shall mean with regard to any portion of the Rail Corridor which is owned by Licenser in fee simple absolute, or where the applicable law of the State where the Encroachment is located otherwise permits Licenser to make such grants to Licensee, a "permission to use" the Rail Corridor, with dominion and control over such portion of the Rail Corridor remaining with Licenser, and no interest in or exclusive right to possess being otherwise granted to Licensee. With regard to any other portion of Rail Corridor occupied, used or controlled by Licenser under any other facts or rights, Licenser merely waives its exclusive right to occupy the Rail Corridor and grants no other rights whatsoever under this Agreement, such waiver continuing only so long as Licenser continues its own occupation, use or control. Licenser does not warrant or guarantee that the license granted hereunder provides Licensee with all of the rights necessary to occupy any portion of the Rail Corridor. Licensee further acknowledges that it does not have the right to occupy any portion of the Rail Corridor held by Licenser in less than fee simple absolute without also receiving the consent of the owner(s) of the fee simple absolute estate. Further, Licensee shall not obtain, exercise or claim any interest in the Rail Corridor that would impair Licenser's existing rights therein.

17.3 Licensee agrees it shall not have nor shall it make, and hereby completely and absolutely waives its right to, any claim against Licenser for damages on account of any deficiencies in title to the Rail Corridor in the event of failure or insufficiency of Licenser's title to any portion thereof arising from Licensee's use or occupancy thereof.

17.4 Licensee agrees to fully and completely indemnify and defend all claims or litigation for slander of title, overburden of easement, or similar claims arising out of or based upon the Facilities placement, or the presence of the Facilities in, on or along any Encroachment(s), including claims for punitive or special damages.

17.5 Licensee shall not at any time own or claim any right, title or interest in or to Licenser's property occupied by the Encroachments, nor shall the exercise of this Agreement for

any length of time give rise to any right, title or interest in Licensee to said property other than the license herein created.

17.6 Nothing in this Agreement shall be deemed to give, and Licensors hereby expressly waives, any claim of ownership in and to any part of the Facilities.

17.7 Licensee shall not create or permit any mortgage, pledge, security, interest, lien or encumbrances, including without limitation, tax liens and liens or encumbrances with respect to work performed or equipment furnished in connection with the construction, installation, repair, maintenance or operation of the Facilities in or on any portion of the Encroachment (collectively, "Liens or Encumbrances"), to be established or remain against the Encroachment or any portion thereof or any other Licensors property.

17.8 In the event that any property of Licensors becomes subject to such Liens or Encumbrances, Licensee agrees to pay, discharge or remove the same promptly upon Licensee's receipt of notice that such Liens or Encumbrances have been filed or docketed against the Encroachment or any other property of Licensors; however, Licensee reserves the right to challenge, at its sole expense, the validity and/or enforceability of any such Liens or Encumbrances.

## **18. GENERAL PROVISIONS:**

18.1 This Agreement, and the attached specifications, contains the entire understanding between the parties hereto.

18.2 Neither this Agreement, any provision hereof, nor any agreement or provision included herein by reference, shall operate or be construed as being for the benefit of any third person.

18.3 Except as otherwise provided herein, or in any Rider attached hereto, neither the form of this Agreement, nor any language herein, shall be interpreted or construed in favor of or against either party hereto as the sole drafter thereof.

18.4 This Agreement is executed under current interpretation of applicable Federal, State, County, Municipal or other local statute, ordinance or law(s). However, each separate division (paragraph, clause, item, term, condition, covenant or agreement) herein shall have independent and severable status for the determination of legality, so that if any separate division is determined to be void or unenforceable for any reason, such determination shall have no effect upon the validity or enforceability of each other separate division, or any combination thereof.

18.5 This Agreement shall be construed and governed by the laws of the state in which the Facilities and Encroachment are located.

18.6 If any amount due pursuant to the terms of this Agreement is not paid by the due date, it will be subject to Licensors's standard late charge and will also accrue interest at

eighteen percent (18%) per annum, unless limited by local law, and then at the highest rate so permitted.

18.7 Licensee agrees to reimburse Licensor for all reasonable costs (including attorney's fees) incurred by Licensor for collecting any amount due under the Agreement.

18.8 The provisions of this License are considered confidential and may not be disclosed to a third party without the consent of the other party(s), except: (a) as required by statute, regulation or court order, (b) to a parent, affiliate or subsidiary company, (c) to an auditing firm or legal counsel that are agreeable to the confidentiality provisions, or (d) to Lessees of Licensor's land and/or track who are affected by the terms and conditions of this Agreement and will maintain the confidentiality of this Agreement.

18.9 Licensor shall refund to Licensee any overpayments collected, plus any taxes paid in advance; PROVIDED, however, such refund shall not be made when the cumulative total involved is less than One Hundred Dollars (\$100.00).

STRONGROOM presents

Martin Roth: “A Home With a Garden” (Title TBC)

Proposal for temporary installation  
by artist Martin Roth in the  
Newburgh City Club,  
120 Grand St. in collaboration with  
STRONGROOM

# Brief summary of project

STRONGROOM, a non-profit organization producing contemporary art installations, invited artist Martin Roth to propose a site-specific work in the City of Newburgh.

He would like to turn the site known as the Newburgh City Club at 120 Grand Street, into a temporary park and artwork, which would essentially be a condensed version of Andrew Jackson Downing's original design for Central Park inside the walls of the structure. Among the plantings would be paths and benches for the public to enjoy.

A subtle sound installation will also be installed, which would reflect the sound of the plants themselves through small sensors placed on their leaves. Growth, the wind blowing, or a visitor moving amongst the plants, would create the sound. This will create a kind of "natural" concert hall in Newburgh.

This project honors Downing, one of Newburgh's most important historical figures and creator of this building. The tradition of American Landscape design being born in Newburgh is a little known fact, but this project will connect the dots and celebrate our history by presenting Downing's original Central Park plan (later altered and executed by his students Calvert Vaux and Frederick Law Olmstead after he died).

Conceptually the artist is most interested in this unrealized plan by a great master, and Downing's perspective that houses should be part of nature. Parks are domesticated versions of nature, and bringing the park plan inside this home is a way to emphasize both the domestication of nature, and literally create a house that is part of nature.

# Extended summary of project

Without human disturbance (and without a roof) nature has been able to thrive inside the walls of the former City Club. “While citizens of Newburgh are very aware of nature overtaking buildings and mainly see this as a nuance I want to alter and shape the environment inside the building to emphasize the beauty in nature reclaiming a site in an urban setting.”

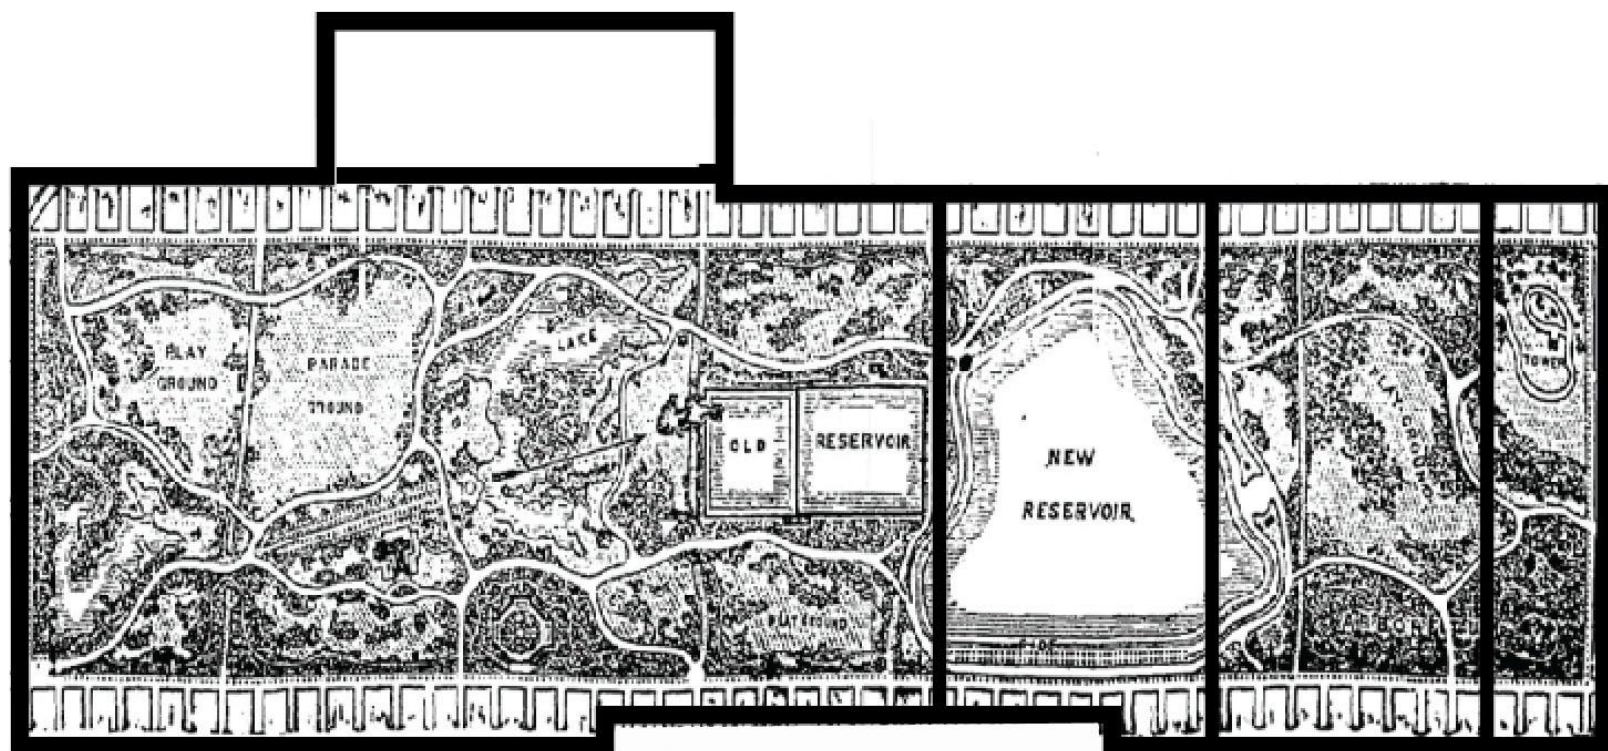

This magical garden with pathways crisscrossing an environment filled with trees, roses, wildflowers, and water features, will of course be only temporary until development of the site takes place. Martin Roth says “I strongly believe that art should be subject to risks of being alive, allowed to grow, grow old, and ultimately even allowed to die”

“For the duration of the exhibition I would like the City Club to exist in two parallel realities: as the site of the former City Club but also as the home of this new extraordinary illusionary public garden. I want to work closely with the natural environment of trees and bushes that already exist inside the City Club but I want to alter it and in a sense cultivate it with more colorful plants and rare flowers. I believe that if you change reality just a little bit, everything changes.”

Referencing A.J. Downing’s ideas for this building when it was first built as the home of William Culbert, it will be as Downing stated, “a home with a garden”. More specifically, it will be a home with a view – an internal view. While the building was used as the Newburgh City Club, it was a club for the city’s leading businessmen and politicians in the past - in today’s political climate it will be especially exciting to make a statement that makes this space a club for everyone in Newburgh.

# About the Artist, Martin Roth

Martin Roth was born in Austria and lives and works in New York City. He received an MFA from Hunter College, New York in 2011. Previous to that he studied at Salzburg International Summer Academy of Fine Arts and SOMA, Mexico City.

Roth has exhibited internationally, including group exhibitions at The Hessel Museum of Art, Annandale-on-Hudson, NY; Künstlerhaus and mumok, Vienna, Austria; Dittrich & Schlechtriem, Berlin, Germany; The Artist's Institute and Kunstraum, New York, NY; and solo shows at Capital Gallery, San Francisco, CA; Biquini Wax, Mexico City, Mexico; and Louis B. James, New York, NY. Most recently he had a solo exhibition at the Austrian Cultural Foundation in New York City.

In his installations, Roth often plays with the clash of natural and artificial. His practice has consistently pushed at the various interdependencies that make up one's habitat, calling into question the idea of a "natural environment" through a mutual contamination of organic and artificial elements. Often circling around the nurture of living organisms, his works are strangely intimate and invite the viewer if not to engage directly, at least to consider their relationship to the work on a human scale.

# About Strongroom

Strongroom is a 501(c)(3) organization founded in 2015 and based exclusively in Newburgh. We do not have a permanent space. Instead, our mission is to bring high-quality contemporary art installations and related public programs to various neighborhoods in Newburgh, utilizing empty spaces through temporary site-specific installations by established artists.

Since founding, Strongroom has produced four site-specific projects in the City of Newburgh. Most recently we installed a 35-foot photo collage featuring Liberty Street by artist Jennifer Williams on the corner of Broadway and Liberty.

Newburgh is an incredibly inspiring place for artists. The connection between art, architecture, and history, have proven to be an important thread in Strongroom's programming so far.

Strongroom was founded by Kelly Schroer, who has been a Newburgh resident since March 2014. Kelly has an MA in Contemporary Art and BA in Art History, and has worked in the art world for over a decade in both non-profit and commercial sectors, as well as an independent curatorial practice. She is currently a Sales Associate at David Zwirner, an international blue-chip commercial contemporary art gallery in NYC (full time commuter!)

# Technical details

## Sound installation:

The garden will serve as a “natural concert hall” by creating its own sound. For this the artist will connect several larger trees and bushes growing inside the building to a "music of the plants" device. This device would allow the trees and plants to play their own sound. This plant device was developed by a group of scientists with a background in electronics in order to investigate how plants perceive and act. Two electrodes will be connected to each plant measuring and mapping the variation of the electrical resistance of the plant and turning them into musical notes in the synthesizer. Several outdoor speakers would be arranged around the edges of the interior of the space. The sound will be subtle and calming.

We will need access to an electrical outlet for the midi transmitter and speakers (perhaps via the library or temporary wiring)

## Garden installation:

The plan and plantings for the garden are based on Downing's original Central Park plan, and will be heavily researched through his writings and known sites, including his estate on Grand Street in Newburgh. Examples of plantings would include: Wisteria, hydrangeas, daisies, sedums, roses, Russian sage, rosemary, long grasses, wild flowers, Japanese iris, hibiscus, phlox, peonies, hollyhocks, lilies, achillea, and tomato and strawberry plants, for starters. Also incorporated would be butterflies, bees, and crickets.

Ideally we could have access to a hydrant or water source for initial planting and maintenance.

# Timeline and Funds

## Timeline:

**We would like to realize this project for summer of 2018.** The plantings can take some time however, so **ideally we could have access as early as October of this year** to plant a few things which take longer to grow (including sub-zero roses). The remainder of the planting can happen in the Spring (March/April 2018) with the opening of the garden soon after.

## Funding:

Strongroom will fund the project in its entirety, including a report from a structural engineer to confirm stability of the structure, if required.

## Insurance:

Strongroom has liability insurance and will provide the City of Newburgh with an additionally insured certificate.

# Public access and programs

Ideally the park will be open to the public during daylight hours 7 days a week, until development needs to get underway.

The artist will lead several discussions over the course of the installation, in regards to his artistic practice generally, historical relevance of the installation, and technical information on the sound piece.

Strongroom and the artist would also work together on producing other public programs in the garden which could include concerts, performances, readings, and workshops over the duration of the installation which could include Newburgh history, urban farming and urban planning, or any other related educational topics you can think of! The beauty of contemporary art is its relationship as an entry point to many fields and topics of discussion.

# THANK YOU FOR YOUR CONSIDERATION

Your willingness to read and consider this proposal is much appreciated!

The City of Newburgh's assistance with fostering the arts in our community is vital to Strongroom's and other's efforts to contribute to Newburgh's revitalization through high-quality creative activities, which can be enjoyed and appreciated by all, while celebrating our past, present, and future.

The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days. Any additional request made thereafter shall be made in writing and placed before the City Council for their consideration.

For purposes of this subdivision, "latest available return" shall mean the federal or state income tax return for the year immediately preceding the date of making application, provided however, that if the tax return for such tax year has not been filed, then the income tax return for the tax year two years preceding the date of making application shall be considered the latest available.

3. Newly constructed primary residential property purchased by first-time homebuyers at a sales price greater than the maximum eligible sales price shall qualify for the exemption allowed pursuant to this section for that portion of the sales price of such newly constructed primary residential property equal to the maximum eligible sales price, provided, however, that any newly constructed primary residential property purchased at a sales price greater than fifteen percent above the

maximum eligible sales price shall not be allowed any exemption.

4. The legislative body or governing board of a county, city, town or village may adopt a local law, or a school district, other than a school district to which article fifty-two of the education law applies may adopt a resolution to provide for an increase not to exceed twenty-five per centum on the purchase price limit used for eligibility for the exemption provided for in this section.

5. No exemption shall be allowed pursuant to this section for any newly constructed primary residential property purchased by a first-time homebuyer on or after December thirty-first, two thousand twenty-two, unless such purchase is pursuant to a binding written contract entered into prior to December thirty-first, two thousand twenty-two. Provided, however, that any first-time homebuyer who is allowed an exemption pursuant to this section prior to such date shall continue to be allowed further exemptions pursuant to subdivision one of this section.

6. (a) No portion of a single family newly constructed primary residential property shall be leased during the period of time when the first-time homeowner exemption shall apply to the residence. If any portion of the single family newly constructed primary residential property is found to be the subject of a lease agreement the assessor shall discontinue any exemption granted pursuant to this section.

(b) In the event that a primary residential property granted an exemption pursuant to this section ceases to be used primarily for residential purposes or title thereto is transferred to other than the heirs or distributees of the owner, the exemption granted pursuant to this section shall be discontinued.

(c) Upon determining that an exemption granted pursuant to this section should be discontinued, the assessor shall mail a notice so stating to the owner or owners thereof at the time and in the manner provided by [section five hundred ten](#) of this chapter. Such owner or owners shall be entitled to seek administrative and judicial review of such action in the manner provided by law, provided that the burden shall be on such owner or owners to establish eligibility for the exemption.

7. Such exemption shall be granted only upon application by the owner of such building on a form prescribed by the commissioner. The application shall be filed with the assessor of the city, town, village or county having the power to assess property for taxation on or before the appropriate taxable status date of such city, town, village and county.

8. If satisfied that the applicant is entitled to an exemption pursuant to this section, the assessor shall approve the application and such primary residential property shall thereafter be exempt from taxation and special ad valorem levies as provided in this section commencing with the assessment roll prepared on the basis of the taxable status date referred to in subdivision seven of this section. The assessed value of any exemption granted pursuant to this section shall be entered by the assessor on the assessment roll with the taxable property, with the amount of the exemption shown in a separate column.

9. For purposes of this section: (a) “first-time homebuyer” means a person who has not owned a primary residential property

and is not married to a person who has owned a residential property during the three-year period prior to his or her purchase of the primary residential property, and who does not own a vacation or investment home.

(b) “Primary residential property” means any one or two family house, townhouse or condominium located in this state which is owner occupied by such homebuyer.

(c) “Newly constructed” means an improvement to real property which was constructed as a primary residential property, and which has never been occupied and was constructed after the effective date of this section. “Newly constructed” shall also mean that portion of a primary residential property that is altered, improved or reconstructed.

# **Instructions for Form RP-457**

## **Application for Real Property Tax Exemption for First-Time Homebuyers of Newly Constructed Homes (Real Property Tax Law, Section 457)**

### **Authorization for exemption**

Section 457 of the Real Property Tax Law authorizes a partial exemption from real property taxation for “newly constructed homes” purchased by “first-time homebuyers.” Counties, cities, towns, and villages may hold public hearings and then adopt local laws granting the exemption. School districts, other than those in the cities of New York, Buffalo, Rochester, Syracuse, and Yonkers, have the option to hold hearings and pass resolutions providing that the exemption applies to school taxes.

### **Eligibility for exemption**

For purposes of this exemption, a “first-time homebuyer” is any person who has not owned - and whose spouse has not owned - a primary residential property during the previous three years, and who does not own a vacation or investment home. A qualifying “newly constructed home” is a one- or two-family residence, townhouse, or condominium, which was constructed after November 28, 2001, is owner-occupied, and was not previously occupied. The exemption also applies to a renovation or remodeling of an existing home purchased by a first-time homebuyer, provided the renovation or remodeling costs exceed \$3,000 and the contract for the work is contracted for within 90 days from the date of purchase.

Eligibility for the exemption also depends, in part, on the homebuyer's income and the purchase price of the home. The “household income” (defined as the total combined incomes of all of the owners and their resident spouses) may not exceed the income limits established by the State of New York Mortgage Agency (SONYMA) and in effect on the contract date for the purchase and sale of the property for its low interest mortgage program in its non-target, one and two person household category for the county where the property is located. The purchase price of the home is similarly limited, with two exceptions: (1) municipalities opting into the program may increase the purchase price limit by up to 25%, and (2) where the purchase price exceeds the applicable limit by 15% or less, the exemption may be granted as if the purchase price equaled the applicable limit (but otherwise no exemption may be granted). The applicable SONYMA limits are available on that agency's Web site ([www.nyhomes.org/home/buyers](http://www.nyhomes.org/home/buyers)). SONYMA may also be contacted at 641 Lexington Avenue, New York NY 10022 or by telephone (toll free) at 1 800 382-4663.

“Income” for purposes of this exemption is defined as the “adjusted gross income” for federal income tax purposes as reported on the applicant's latest available federal or state income tax return, subject to any subsequent amendments or revisions, reduced by any taxable amounts of distributions from individual retirement accounts or individual retirement annuities (IRAs). A copy of the income tax return(s) must be filed with the application.

### **Scope and duration of exemption**

The exemption, if authorized, lasts for a maximum term of five years, beginning at fifty percent in the first year and declining to ten percent in the fifth and final year. A municipality that opts in to the program may also opt to grant the exemption for a shorter term. Where it is adopted, the exemption applies to taxes and special ad valorem levies; the exemption does not apply to special assessments. The exemption applies only to homes purchased or contracted for before December 31, 2016.

**Filing application**

Application should be filed with the city or town assessor. Application for exemption from village taxes in villages should be filed with the assessor who prepares the assessment roll used in levying village taxes. In Nassau County, application for exemption from county, town, or school district taxes should be filed with the Nassau County Board of Assessors. In Tompkins County, application for exemption from county, city, town, village, or school district taxes should be filed with the Tompkins County Division of Assessment.

**Time of filing application**

The application must be filed in the assessor's office on or before the appropriate taxable status date. In towns preparing their assessment roll in accordance with the schedule provided by the Real Property Tax Law, the taxable status date is March 1. In towns in Nassau County, the taxable status date is January 2. Westchester County towns have either a May 1 or June 1 taxable status date; contact the assessor. In villages and cities, the taxable status dates vary, and the appropriate assessor should be consulted for the correct date.

Once the exemption has been granted, it is not necessary to reapply for the exemption after the initial year for the exemption to continue. There is no need to reapply in subsequent years, but, if the property ceases to be used primarily for residential purposes, or if the property is a single-family residence and any portion is leased, or if title to the property is transferred to persons other than the heirs or distributees of the owner, the exemption is terminated.

This includes monitoring Intranet/Internet usage of any kind. This may also include listening to stored voice-mail messages and the ability to conduct GPS monitoring with electronic devices subject to the City's collective bargaining obligations.

b. The City reserves the right, at any time and for any purpose, to monitor, review, audit, intercept, access, delete, use and disclose all files, documents, telephonic messages, e-mail messages, sites, messaging systems, chat rooms, blogs, news outlets or other communications, created, received, sent or stored over the telephone, e-mail computer or other electronic systems of the City. The City may monitor employee use of City equipment at any time at its discretion, with or without notice to the employee subject to its collective bargaining obligations. Employees should further understand that deleting or erasing material from the system might not in fact remove the material from the system.

c. Employees may not share or disclose passwords issued or provided by the City or used by the City to any unauthorized person or use such passwords for any unauthorized purpose.

d. The City owns any data used or created during working hours and working time and/or using City-owned electronic devices and equipment and on any personal electronic device or equipment when used for work-related tasks. Data may not be removed from the workplace and/or stored on personal electronic devices without the express written permission of the department head, Information Systems Manager and the City Manager. Copying data includes any replication of data, taking photographs or any other electronically displayed information.

5. **CITY'S RIGHT TO AMEND ITS POLICY AND RULES.**

The City may adopt and revise this policy and rules appertaining thereto as it may deem appropriate and necessary from time to time, as authorized by law. The City will adequately post revisions, but it is the user's responsibility to ensure that his/her use of the City of Newburgh computing and communication resources conforms to current policy.

6. **SPECIAL INTERNET AND E-MAIL CONSIDERATIONS**

- a.
  - (i) The City provides access to the Internet to some of its employees based upon the responsibilities of their position. The Internet represents a useful tool for the City in conducting its business, but like any other tool, it must be used properly. For purposes of this policy, the Internet includes any public electronic data communications network.
  - (ii) Internet e-mail offers capabilities similar to other e-mail systems, except that correspondents may be external to the City. External e-mail messages may carry one or more attachments. An attachment may be any kind of data file, such as a word processing document, spreadsheet, software program, or graphic image.
  - (iii) Just as the City has an official Internet web site, so do other organizations. Most public web sites are "read only," meaning that they permit a person who visits the site to read material posted on the web site but not to leave a message. Other web sites permit visitors to establish continuing contact by leaving a message (the electronic equivalent of leaving your business card or a telephone message). The owner or operator of a private web site may record the information that a connection was made from the City. This can have important consequences to the City.
- b.
  - (i) Any and all use of the Internet and/or e-mail may be conducted solely in accordance with the terms and conditions of this Policy and Rules.
- c.
  - (i) **No Violation of Copyright.** Many of the materials on the Internet are protected by copyright. Even though they may seem to be freely accessible, many of the intellectual property laws which apply to print media still apply to software and material published on the Internet. Employees are permitted to print out web pages and to download material from the Internet for informational purposes as long as the purpose for such copying is directly related to City business and as long as such copying falls into the category of "fair use" which is the term used to describe a legal standard defining what the law does and does not allow. Copying or disseminating material that is copyrighted is prohibited. Employees having any questions regarding such materials should contact the Corporation Counsel for guidance in advance of such copying.

- (ii) There are Federal and State laws which protect the rights of persons who originate creative works. Such works can include writings, artwork, graphics, humor, music and so on. Any employee using such material without the permission of the owner may be in violation of such laws and may expose themselves and the City to liability. Such use, which would tend to or would result in a violation of the copyright, patent, trademark or any other laws, rules or regulations of the United States or of the State of New York; or would tend to or would expose the City to liability for same, is prohibited.
  - (iii) As a general rule, employees may not forward, distribute, copy, re-publish, download, upload elsewhere or incorporate into another work, material retrieved from a web site or other external system. Very limited or “fair use” may be permitted by law in certain circumstances. Any employee desiring to reproduce or store the contents of a screen or Web site should contact the Corporation Counsel to ascertain whether the intended use is permissible.
- d. Use of the Internet and/or World Wide Web includes all restrictions, which apply generally to the use of the City’s e-mail and other electronic devices and telephonic equipment, as noted above. In addition, the following rules apply with respect to Internet usage:
- (i) No Downloading of Non-Business Related Data. The City does not allow the download of files from the Internet. However, if a need to download files arises, an employee must receive prior permission from both his/her department head and from the City Information Systems Manager. Elected Officials need only obtain permission from the Information Systems Manager.
  - (ii) No Downloading of Application Programs. The City does not permit the download or installation on City electronic devices or mobile devices of application software from the Internet. The City does not permit the downloading of any program or information which may infiltrate, damage, alter, interfere with or otherwise harm the proper functioning of City systems; or which is unrelated to the conduct of City business. Such software may not only contain embedded viruses, but also is untested and may interfere with the functioning of standard City applications.
  - (iii) No Participation in web-based Surveys without Authorization. When using the Internet with City equipment during the employee(s) workday, the user implicitly involves the City in his/her expression. Therefore, users should not participate in web or e-mail based surveys, interviews or chat rooms without authorization or permission of the department head.

- (iv) No use of Subscription-based Services without Prior Approval. Some Internet sites require that users subscribe before being able to use them. Users should not subscribe to such services without the authorization of their department head and the City Manager after approval from the Information Systems Manager. Elected Officials need only obtain permission from the Information Systems Manager.
- (v) Remote Access to any systems of the City. Remote access to any systems of the City without proper advance authorization by the Information Systems Manager and the department head is prohibited. Elected officials may request remote access to their City systems and accounts from the Information Systems Manager.

## 7. SECURITY PRECAUTIONS.

a. The Information Systems Manager has overall responsibility for establishing the security standards for City-issued electronic and mobile devices. The Information Systems Manager will:

- (i) Procure all City of Newburgh-owned electronic and mobile devices for City of Newburgh issuance and approve the types of personally owned devices that will be used.

b. To increase security, users shall take all necessary and appropriate measures to protect all City systems, electronic devices and equipment and the data and information which is stored therein and accessed and used thereby. Such measures shall include but not be limited to the following:

- (i) Users should log off of computer or electronic systems or take other appropriate precautions when electronic devices are not in use for a significant period of time.

- (ii) Passwords and user accounts must not be “shared” with any unauthorized individual. Passwords may not be saved in websites or associated keychains, on system hard drives, on personal devices or any other non-approved location.
- (iii) All anti-virus and other protective measures shall be employed at all times that City systems are in use.
- (iv) Careless, reckless, malicious or intentional damage to City systems is prohibited.
- (v) Any violations by employees or non-employees of any provision or part of this policy shall be reported immediately to the department head and the City Manager.

Elected Officials may remove portable electronic devices and portable storage devices from City premises as needed for the performance of their official duties.

- (ix) Act so as to use or allow others the use of e-mail and Internet browsing for other than City business.
- (x) Download from the Internet or open e-mail attachments that are “.exe” files unless the source, sender and/or originator has been properly verified.
- (xi) Use the Internet inquiry/download for inappropriate or improper content.
- (xii) Use media, such as portable storage devices, unless they have been checked for viruses by authorized and qualified City staff. Portable storage devices will be scanned automatically for viruses upon connection to City computers and electronic devices.

Electronic device or mobile device passwords are not to be stored or posted in any publicly accessible area nor kept among private office possessions in a manner that could lead to their exposure even with substantial effort and ingenuity. Information concerning or to the effect that any unauthorized person(s) know a password or access code(s) or other confidential information must be reported to the department head and to the City Manager immediately. Elected officials need only report unauthorized access to passwords and/or other confidential information to the Information Systems Manager. **Re: Mill Street Partners, LLC – Mid Broadway Redevelopment Opportunity**

Dear Mr. Ciaravino:

This firm represents Mill Street Partners (“Mill Street”) the selected redeveloper of the City-owned property located along Broadway between Lander and Johnston Streets (“Project”).

We are writing to request, pursuant to the terms of the Development Agreement, dated October 23, 2012, and as amended through March 2017 (“Development Agreement”), that the City express in writing its support of Mill Street’s request to the Newburgh Housing Authority (“Authority”) that it release the reverter clause affecting a portion of the City owned parcel known as 18 Johnston Street (“Reverter Clause”). The next regular meeting of the Authority’s Board of Commissioners is scheduled for September 21, 2017. Accordingly, Mill Street requests that the City provide a letter of support no later than September 15, 2017 in order to ensure that it can be distributed to the Commissioners ahead of the meeting.

As you are aware, the Reverter Clause states that a portion of 18 Johnston Street, the largest of the City owned parcels subject to the Development Agreement, must be utilized for “municipal purposes,” otherwise title would revert back to the Authority. Since May 2017, Mill Street has had several conversations and meetings with the representatives of the Authority to discuss releasing the Reverter Clause. This week, we were informed for the first time by the Authority’s Legal Counsel that the Board of Commissioners will not act on Mill Street’s request unless, and until, the City (as the current land owner) confirms that it supports releasing the Reverter Clause.

Given the City's representations in the Development Agreement that it possesses the "power, authority and legal right" to deliver and perform its obligations thereunder, including, authority to convey 18 Johnston Street to Mill Street with unencumbered and insurable title so that it may develop the site with a mixed-use project, we trust that the City joins in Mill Street's request to the Authority that it release the Reverter Clause. See Development Agreement §§ 7.02 (City Representations), 5.04 (Acquisition and Conveyance of Development Site) & 1.02 (Description of the Development). Providing written confirmation to the Authority that it concurs with Mill Street's request is also required under the Development Agreement as the City expressly agreed to provide Mill Street with reasonable assistance to secure all necessary cooperation from local government agencies and "similar applicable parties" in order to complete the Development. See id. §§ 2.02 (Obtain Permits and Approvals) & 5.02 (Development Support).

Accordingly, we request that the City provide the Authority with written confirmation that it supports releasing the Revert Clause. In order to comply with the various timeframes under the Development Agreement and the Board of Commissioners' meeting schedule, this confirmation should be provided to the Authority no later than September 15, 2017.

Unfortunately, the failure of the Authority to release the Reverter Clause currently prevents the City's performance of its obligations under the Development Agreement. It is also delaying Mill Street's ability in achieving various Milestones set forth in the Development Agreement. As such, the Term of the Development Agreement must be tolled until the Authority releases the Reverter Clause, or the City is otherwise able to convey unencumbered title to 18 Johnston Street. See id. §§ 6.02 (Force Majeure) & 6.04 (Default by the City).

Should you require any further information please feel free to contact us.

Very truly yours,

ZARIN & STEINMETZ
