RESOLUTION NO.: _____ - 2018

OF

FEBRUARY 12, 2018

**A RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A NO-COST
CHANGE ORDER WITH W.M. SCHULTZ CONSTRUCTION, INC.
IN CONNECTION WITH
THE SOUTH WATER STREET SEWER SEPARATION PROJECT**

WHEREAS, by Resolution No. 213-2017 of August 14, 2017, the City Council of the City of Newburgh awarded a bid to and authorized the execution of a contract with W.M. Schultz Construction, Inc., for the construction of the South Water Street Sewer Separation Project; and

WHEREAS, due to unforeseen conditions, including but not limited to, abandoned storm sewer mains, natural gas mains, water mains, wastewater treatment plant building footings and duct banks, non-hazardous petroleum impacted soils, an obstruction in the CSX right-of-way, all of which were encountered but not shown on any historical mapping or construction documents, additional work was required to continue the Project and the inclusion of the additional work due to the unforeseen conditions requires a change order to the contract; and

WHEREAS, the unforeseen additional work can be off-set by lower costs associated with anticipated work, such as rock excavation, and the general contingency in the contract, resulting no additional cost to City;

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he hereby is authorized to execute a no-cost change order, Change Order No. 2, to the construction contract for the South Water Street Sewer Separation Project.

Dear Mr. Morris:

Pursuant to your request, Arcadis has prepared Change Order No. 2 for the City's consideration and action. Change Order No.2 is a no cost change, no time change to the total contract price of \$1,654,000. The South Water Street Sewer Separation Project is required by a New York State Department of Environmental Conservation (NYSDEC) Order on Consent as a result of the Combined Sewer Overflow (CSO) Long Term Control Plan (LTCP).

As you are aware unforeseen conditions arise on almost all construction projects, especially in urban settings with aging infrastructure. This is true with the South Water Street Sewer Separation Project as well. Arcadis included a general contingency of \$75,000, a rock contingency and a sewer lateral contingency to account for these unforeseen conditions. The contract currently includes the following payment items:

Payment Item No.	Description	Payment Amount
1	General Construction	\$1,304,000.00
2	Sewer Laterals	\$25,000.00
3	Rock Excavation	\$250,000.00
4	Contingency Allowance	\$75,000.00
Total Contract Price:		\$1,654,000.00

To date the Contractor has encountered:

- Abandoned storms sewer, not shown on historical mapping or construction drawings;
- Abandoned natural gas mains, not shown on historical mapping or construction drawings;
- Abandoned water mains, not shown on historical mapping or construction drawings;
- Wastewater treatment plant building footings and duct banks not shown on existing construction drawings;
- Non-hazardous petroleum impacted soils;
- An obstruction in the CSX right-of-way that prevented the advancement of the bore;
- Water mains, at greater depths, than normally experienced that required revisions to the new sanitary sewer elevation, and;
- Additional NYS DOT requirements for epoxy reflectorized paint and pavement top course after the receipt of NYS DOT approved drawings.

Due to these unforeseen conditions, Arcadis requested that W.M. Shultz provide change order proposals in order to continue the Work. Arcadis has reviewed W.M Shultz's proposals based on the net changes to the Work, and through negotiations, reduced the total requested amount from \$250,115.59 to \$206,118.66, which seems fair and reasonable relative to the Work.

These change order proposals are summarized in the table below.

RFCOP No.	Description	Cost
1	Testing Firm	\$13,000.00
2	Changes to gravity sewer from St 9+50 to St 19+00	\$14,660.35
3	Removal of abandoned gas and water lines in South Water Street	\$73,314.97
4	Changes to force main routing and connection at the WPCP.	\$14,261.59
5	Change to epoxy reflectorized pavement markings	\$4,427.25
6	Change to 12.5mm superpave top course	\$3,748.50
7	Changes to existing waterline at St 9+45	\$23,993.86
8	Deletion of doghouse manhole and crushed stone	\$(2,791.36)
9	Temporary asphalt markings for South Water Street	\$4,481.40
10	Change to 30-inch casing pipe for bore	\$57,022.10
TOTAL:		\$206,118.66

We are recommending execution of Change Order No. 2 for the lump sum increase of \$206,118.66 to authorize payment for this work to be added to Payment Item 1, for a total of \$1,510,118.66. In addition, we recommend that the remaining funds available in payment items 2 and 3 be reallocated to the Contingency Allowance in payment item 4 as shown in the table below.

Payment Item No.	Description	Payment Amount
1	General Construction	\$1,510,118.66
2	Sewer Laterals	\$15,000.00
3	Rock Excavation	\$11,500.00
4	Contingency Allowance	\$117,381.34
Total Contract Price:		\$1,654,000.00

Please note that additional Contingency Allowance would be utilized for the disposal of non-hazardous petroleum inundated soils, but we anticipate a new change order credit for the City at the end of the project

Attached please find three copies of Change Order No. 2, along with marked-up copies of these Change Order Proposals, which have been agreed to by the Contractor.

If accepted, please authorize this work under Change Order No. 2 by signing where indicated for signature by the Owner on the Change Order form. Please keep one original for the City's records and return two copies to this office.

If you have any questions or concerns, please do not hesitate to call either Robert Ostapczuk or myself at (518) 250 – 7300.

Sincerely,

Arcadis of New York, Inc.

Submitted in Response to Proposal Request No.: RFCOP #3

Contract Name and No.: **Bid # 12-17 South Water Street Sewer Separation**

Contractor: **WM Schultz Construction, Inc.**

Subject: Existing utility obstructions and removal and abandon existing utilities

The following changes to the Contract are proposed:

SCOPE OF WORK: *(attach and list supporting information as required)*

1. *Item:* Per RFCOP #2
2. *Item:*

JUSTIFICATION:

1. *Item:* As order by engineer, existing utility pipes are in conflict with new construction
2. *Item:*

CHANGES IN CONTRACT PRICE AND CONTRACT TIMES:

We propose that the Contract Price and Contract Times be changed as follows:

For Contract Price, when requested by Engineer, attach detailed cost breakdowns for Contractor and Subcontractors, Supplier quotations, and other information required.

For the Contract Times, state increase, decrease, or no change to Contract Times for Substantial Completion, readiness for final payment, and Milestones, if any. If increase or decrease, state specific number of days for changes to the Contract Times.

Description	Amount	Contract Times (days)	
		Substantial	Final
1. Item 1	\$78,169.18	4.50	4.50
2. Item	\$0.00	0	0
Total This Change Order Proposal	\$78,169.18	4.50	4.50

\$73,314.97

Changes to Milestones, if any:

The adjustment proposed is the entire adjustment to the Contract to which the proposer believes it is entitled as a result of the proposed change.

Change Order Proposal By: Kevin C. Ture, Sr. Project Manager

WORK PERFORMED:

White crew was Excavating trench to install 6" force main. We encountered a concrete obstruction after ruling out it was an Electrical Duct Bank and checking with plant workers and inspector. We slowly removed pieces of concrete with excavator. We notice an opening below concrete and spent more time inspecting to obstruction after we removed top we were able to look up both side and discovered it was an old Stone Laid Drain Line. Town Engineer had us fill area where pipe trench. Cross with Light Rip Rap and Cover stone with fabric.

Kevin,

Per our telephone conversation yesterday you requested a price for temp stripes of approx. 4,500 LF (long-line). The price for temp waterborne pavement markings is \$.50/LF (4" width), One Application, NO Traffic Control, No Removal, \$1,000 Daily Minimum, Weekends/Holidays billed additional.

As I mentioned, we have not received any subcontract paperwork from Arold regarding this project.

Re: South Water Street Sewer Separation Project
City of Newburgh

Subject: ***REQUEST FOR CHANGE ORDER***
DIFFERING SITE CONDITION – 16” BORE UNDER CSX RAILROAD

Dear Mr. Brooks,

This letter is to request a change order for the bore under CSX railroad. The basis of this request is contained in Section 4.03, Differing Subsurface or Physical Conditions. The following are the facts relative to this claim;

- 1) During progression of the bore with a 16” casing an obstruction was encountered approx. 14 feet in.
- 2) The obstruction was noted to contain concrete and rebar fragments and some geotextile fabric.
- 3) The inspectors on site were notified of the obstruction.
- 4) The bore could not be advanced any further.
- 5) Bergmann Associates, representing CSX Railroad ordered us to discontinue the bore and leave the casing in place and grout the casing in place.
- 6) CSX requires that if an obstruction is encountered, abandon the bore, fill the casing with grout and ***“propose a new method for the bore”***.

Change Order Justification

Our subcontractor Turner Underground is proposing to install a larger diameter bore of 30” with ½” wall thickness. Please see attached email from Turner proposing a 30” diameter bore. Additionally, we asked another subcontractor, Garden State Tunneling to quote on the 16” bore. The quote they provide was competitive with Turner, however, subsequent to the quote, they sent an email declining the quote and stating that a larger diameter bore will be required. Garden State recommended 36” diameter, I have attached the email from Garden State with their concerns. Given that both experienced auger bore subcontractors have similar recommendation, we feel this Change Order is justified. Additionally, there are no soil boring provided in the contract documents. A question was asked by our estimator at the time of bid about that subject.

We were instructed that as no soils information is being provided, if obstructions or rock is encountered, a change order will be issued. This is also consistent with Section 4.03 Differing Subsurface or Physical Conditions.

Change Order Pricing

Attached please find a quote from Turner Underground to furnish and install a 30" casing. Additionally, please find a work up and WM Schultz's proposal for this change order. This price is a compilation of Turner's upcharge for the larger diameter, the cost of the original 16" casing to be retained by the owner, the support cost of Schultz and the additional cost of new spacers, and more volume of grouting the annular space. Please be advised that this proposal is based on no obstructions. Should obstructions be further encountered, the subcontractor hourly rate will apply and our support costs will be tracked with Time and Material records.

CSX Coordination

The other concern we have is coordination with CSX Railroad. As we all can attest, this has been an ongoing struggle from day one. CSX has now indicated that likely the next available flaggers will be after the 1st of the year and likely they will only be able to provide the same coverage as we had, 1 or 2 days max. on a weekend.

This arrangement is unacceptable for Schultz to consider. We can't entertain a schedule that forces us to enter in a 130' bore with unknown ground conditions with that small of a window to work in. We will require a commitment from CSX of 5-7 days' work to complete the bore. Please coordinate with Bergmann for a larger window to work in.

DOT Coordination and Traffic Safety

I notified Region 8 TMC of the current lane restriction on Water Street and the potential that the current configuration will remain all winter. Unless we hear from DOT to the contrary, we will assume they have no problem with the lane closure/lane shift configuration. Should additional MPT devices such as concrete barrier be ordered, we will request compensation for those costs or whatever temporary measures are ordered.

Schedule impacts

As we can all attest, Schultz's management of the work on this project has put us ahead of schedule with the exception of the bore. Schultz was ready to conduct the bore several months ago and have been at the mercy of CSX. If CSX were able to provide flaggers when we originally requested, the project would be 95% complete right now. Now, we are forced to complete the project in the spring. This fact, combined with further delays relative to this change order puts us in a position of not having control over the schedule. Should the need arrive, WM Schultz respectfully reserves its rights under contract to request time related compensation and potentially extensions to the completion date.

In closing, we at Schultz are committed to completing all projects with safety at the forefront, with high quality work and with all our projects on or ahead of schedule. There have been many changes to the contract work to date, mostly relative to similar situations of differing site conditions. These differing site conditions are commonplace when working under ground in old cities such as Newburgh. The engineers and designers simply can't anticipate everything that is

in the ground and changes need to be implemented to overcome these unknowns. We truly appreciate the team effort with the City of Newburgh and Arcadis in working thru several issues and keeping the project moving forward. I am confident we will work thru this issue and an amicable resolution will be reached.

All of the issues that have been on the table to date, including this one, are beyond the control of the contractor. Please provide your concurrence and issue a change order for this change in work scope at your earliest convenience. We thank you for your consideration in this matter and remain,

Very Truly Yours,
WM SCHULTZ CONSTRUCTION, INC.

Kevin,

Based on your conversation with Bob Turner of our office, attached find a revised quote to complete the bore for the South Water Street Sewer Separation project in the City of Newburgh, NY.

Our initial attempt to install the 16" steel casing at the proposed alignment did not succeed because of unforeseen obstruction composed of broken concrete pieces and steel rebars. Because of the small pipe diameter, it was impossible to determine the exact nature of the obstruction. As a result of the obstruction, crew was not able to steer and maintain desired alignment.

This is a common concurrence in auger-bore installations of casings smaller than 24" diameter and long distances. We therefore are proposing a 30" casing (0.5" wall) instead of the 16" steel casing. The larger diameter casing will provide ample space to let obstruction pass through and also allow crew to access and perform mining of potential larger obstructions.

We propose to remove the partially installed 16" casing provided the removal will not compromise the influence line of the RR embankment. We will maintain the original alignment to progress the 30" casing.

Our initial schedule to perform the bore had to be cancelled because of conflict with the the RR owner's flogger. The inflexibility of the flagger's availability has created some difficulty in scheduling and completion of the project. Any attempt to relax the flagger inflexibility is appreciated.

If the attached quote is acceptable, please sign and return a copy via email. The attached revised quote shall replace all previous agreements. We have waived all costs for the mobilization, labor and equipment costs incurred by TUGI, Inc. for the initial attempt.

Thank you

SUBCONTRACT AGREEMENT

ARTICLE 1 AGREEMENT

This Agreement is made this 29th Day of August in the Year 2017, by and between
W.M. SCHULTZ CONSTRUCTION, INC. (the "CONTRACTOR"), with an address at 831 Route 67, Curtis Industrial Park, Post Office Box 2620, Ballston Spa, New York 12020;

And

Turner Underground Installations (THE "SUBCONTRACTOR"), with an address at 1233 Lehigh Station Road, Henrietta, NY 14467, for services in connection with the SUBCONTRACT WORK for the following PROJECT:

South Water St. Sewer Separation Project

The OWNER is City of Newburgh, NY, 83 Broadway, Newburgh, NY 12550, and the DESIGN PROFESSIONAL for the Project is ARCADIS of New York, Inc., 855 Route 146, Clifton Park, NY 12065.

ARTICLE 2 SCOPE OF WORK

2.1 PARTIES' RELATIONSHIP The Parties each agree to proceed with the Subcontract Work on the basis of mutual trust, good faith, and fair dealing. The Parties shall each endeavor to promote harmony and cooperation.

2.2 SUBCONTRACT WORK The Contractor contracts with the Subcontractor as an independent contractor to provide all labor, materials, equipment, and services necessary or incidental to complete the work for the Project described in Article 1 and as may be set forth in further detail in **Exhibit A**, in accordance with, and reasonably inferable from, that which is indicated in the Subcontract Documents, and consistent with the Progress Schedule, as may change from time to time. The Subcontractor shall perform the Subcontract Work under the general direction of the Contractor and in accordance with the Subcontract Documents.

2.3 CONTRACTOR'S WORK The Contractor's Work is the construction and services required of the Contractor to fulfill its obligations pursuant to its agreement with the Owner (the Work). The "Subcontract Work" is a portion of the Contractor's Work.

2.4 SUBCONTRACT DOCUMENTS The Subcontract Documents include this Agreement, the prime agreement, special conditions, general conditions, specifications, drawings, addenda issued and acknowledged prior to execution of this Agreement, amendments, laboratory testing to determine the nature of encountered hazardous materials, other documents listed in this Agreement, and modifications issued in accordance with this Agreement. The Contractor shall make available for inspection by the Subcontractor, upon request, prior to the execution of this

Agreement, copies of the existing Subcontract Documents to which the Subcontractor will be bound. The Subcontractor shall provide copies of applicable portions of the Subcontract Documents to its proposed subcontractors and suppliers. Nothing shall prohibit the Subcontractor from obtaining copies of the Subcontract Documents from the Contractor at any time after the Subcontract Agreement is executed.

2.5 CONFLICTS In the event of a conflict between this Agreement as modified and the other Subcontract Documents, this Agreement shall govern.

2.6 DEFINITIONS

2.6.1 "Agreement" means this Agreement between Contractor and Subcontractor, as modified by the Parties, and exhibits and attachments made part of this Agreement upon its execution.

2.6.1.1 The exhibits are as follows:

Kevin:

After mulling over this project last night and this morning, my field guy, Patrick, just called me and stated that being the carrier pipe is a gravity sewer, it just won't work in a 16" casing. We would have to install with a 36" casing or you would have to rent a pilot tube system for keeping grade with a 16" casing.

I know you stated you already have the casing on the job, but unless you rent the "pilot tube" system, there will be no guaranty on grade. My field guy just doesn't want to touch it unless it is a 36" casing. You have more of a chance to maintain or adjust the grade of the 8" inside the casing.

Let me know your thoughts on this. So sorry for the inconvenience, but please void our price quote unless you rent the pilot tube system that works in conjunction with our bore equipment.

Please call me if you have any questions.

Dear Mr. Morris:

Date:
January 29, 2018

Pursuant to your request, Arcadis of New York, Inc. (Arcadis) has prepared an amendment to our Agreement for professional engineering services, dated July 10, 2014, with the City of Newburgh (City).

Contact:
Robert Ostapczuk

This amendment incorporates additional engineering services related to unforeseen conditions encountered during the construction of the Project. These additional services included environmental sampling and identification of non-hazardous petroleum impacted soils, coordination of disposal activities, use of a photo ionization detector (PID) for soil screening and additional construction inspection services to account for 24-hour construction.

AMENDMENT No. 2

An **Agreement** was executed on July 10, 2014 between City of Newburgh [**Client**], having its principal place of business at 83 Broadway, Newburgh, New York 12550, and Arcadis of New York, Inc. [**Arcadis**], having its principal place of business at 630 Plaza Drive, Highlands Ranch, Colorado 80129 and having an office at 855 Route 146 Suite 210, Clifton Park, New York 12065.

Under the Agreement, Arcadis provides certain professional engineering services related to the bidding and construction of the South Water Street Sewer Separation Project [**Assignment**]. The location of the Project is between South Williams Street and Washington Street, along South Water Street within the City of Newburgh [**Site**], New York [**State**].

Client and Arcadis now desire to amend the Agreement to include the amended Services as described below.

In consideration of the mutual promises in the Agreement, Client and Arcadis agree to amend the Agreement as the following:

1. **Scope of Amended Services.**

Construction Administration: ARCADIS will evaluate contaminated soils by PID screen techniques for separation from un contaminated soils. Arcadis will collect soil samples and subcontract with a laboratory for analysis for contaminants required for disposal.

Construction Inspection: Arcadis will provide 24-hour construction inspection services as requested to meet the Contractor's schedule and coordination of inspectors.

2. **Compensation for Amended Services.**

The estimated additional costs of the Amended Services is \$17,490

Other Provisions. Except as amended herein, all other provisions, terms and conditions in the Agreement shall remain in full force and effect.

Execution Authority. This Amendment to the Agreement is a valid and authorized undertaking of Client and Arcadis. The representatives of Client and Arcadis who have signed below have been authorized to do so.

Scope of Services: McLaren Engineering Group (McLaren) is submitting this proposal to provide structural and electrical engineering services at the Newburgh City Hall. The scope of work is based on a Code Compliance Violations report issued by William Horton, Building Inspector, on January 25, 2018, with notes from Ed Diller on electrical needs. In response to the corrective actions noted, McLaren will provide the following:

- McLaren will make one (1) initial site visit to determine locations in the building where probes will need to be made into the existing structure for the purpose of future observations. One (1) site visit will be performed to identify the areas of electrical deficiencies per the Code Compliance Violations report, as well as to check polarities of existing receptacles.
- Once the requested areas have been abated and exposed by the city, McLaren will perform one (1) site visit to make structural observations of the existing structure at the probed areas and of the existing in-place shoring.
- McLaren will prepare an observation condition report, listing our above observations and recommendations for remediation of the structural and electrical deficiencies
- McLaren will provide a budgetary cost estimate for the anticipated repairs.

Exclusions: (1) Survey or removal of the project site for hazardous materials, testing, permits, or removal costs of any hazardous materials, including asbestos. (2) Attendance at public meetings that may be required. (3) Permitting. (4) Additional site visits requested by the City of Newburgh. (5) Drawings and/or sketches for remediation work. (6) Probes.

The terms and conditions herein are part of this Agreement.

GENERAL TERMS AND CONDITIONS

This proposal is subject to the terms and conditions below and shall remain valid only until March 6, 2018 unless it is accepted as a contract. Hourly rates defined on the reverse side of this proposal are subject to annual revision January 1st. The following General Terms and Conditions are applicable to Agreements between M.G. McLaren, P.C. d/b/a McLaren Engineering Group (McLaren) and the Owner, when attached to and made part of such Agreement or Proposals by reference.

1. **PAYMENT TERMS.** Owner agrees to pay McLaren's invoice, terms net thirty (30) days. Past due balances are subject to interest of 1.0 percent per month, or the maximum permitted by state law. McLaren, after giving seven (7) days written notice, may suspend services under the Agreement until all past due accounts, including applicable interest, have been paid.
2. **TERMINATION.** Either party may terminate this Agreement without cause upon ten (10)-calendar days written notice in the event of substantial failure by the other party to perform in accordance with the terms of this Agreement. Such termination shall not be effective if the substantial failure has been remedied before expiration of the period specified in the written notice. In the event of termination, McLaren shall be paid for services performed to the termination notice date, plus reasonable termination expenses and a termination fee of 10% of the total fee under this Agreement. This Agreement will terminate upon the insolvency of Owner.
3. **STANDARD OF CARE.** McLaren will exercise due and reasonable care in performing its services under this Agreement. No other warranty, express or implied, is made.
4. **INSURANCE.** McLaren represents that it now has in full effect and will maintain the following insurances for the duration of the project. McLaren will furnish to the Owner certificates of insurance upon request. Premiums for insurance coverage in excess of the following when requested by Owner will be invoiced to and paid by Owner.

Professional Liability Insurance (Errors & Omissions), with a limit of \$2,000,000 for each claim and \$2,000,000 in the aggregate.
Comprehensive General Liability - \$1,000,000 per occurrence, \$2,000,000 Aggregate Bodily Injury and Property Damage; Blanket Contractual All Operations Completed Operations; \$1,000,000 Personal Injury A.B.C., plus \$5,000,000 Excess Liability Umbrella;
Worker's Compensation/Coverage A - Statutory/Coverage B - \$1,000,000.

5. **SITE OPERATIONS.** Owner will arrange for right-of-entry to the property for the purpose of performing project management, studies, tests and evaluations pursuant to the agreed services. McLaren will take reasonable precautions to minimize damage to the property caused by its operations. Unless otherwise stated in McLaren's proposal, the Contract Sum does not include cost of restoration due to any related damage, which may result. If Owner requests McLaren to repair such damage, it will be done at an appropriate additional cost to be paid by Owner.
6. **UNFORESEEN CONDITIONS OR OCCURRENCES.** It is possible that unforeseen conditions or occurrences may be encountered at the site, which could substantially alter the necessary services, or the risks involved in completing McLaren's services. If this occurs, McLaren will promptly notify and consult with Owner, but will act based on McLaren's sole judgment where risk to McLaren's personnel is involved. Possible actions could include:
 - a. Complete the original Scope of Services in accordance with the procedures originally intended in this Agreement, if practicable in McLaren's judgment;
 - b. Agree with Owner to modify the Scope of Services and the estimate of charges to include study of the unforeseen conditions or occurrences, with such revision agreed to in writing;
 - c. Terminate the services effective on the date specified by McLaren in writing.
7. **DOCUMENTS.** All documents including paper documents and electronic files generated by McLaren under this Agreement shall remain the sole property of McLaren. Any unauthorized use or distribution of McLaren's work shall be at Owner's sole risk and without liability to McLaren.
8. **CONFIDENTIALITY.** McLaren will maintain as confidential any documents or information provided by Owner and will not release, distribute or publish same to any third party (other than subcontractors), without prior consent of Owner. This provision shall not apply to information in whatever form that comes into the public domain through no fault of McLaren, nor shall they be interpreted to in any way restrict McLaren from complying with a legally enforceable order to provide information or data.
9. **ASSIGNMENT.** This Agreement may not be assigned by Owner without the prior written permission of McLaren.
10. **LIMIT OF LIABILITY.** The Owner shall indemnify and hold harmless McLaren and all of its employees from any damage, liability or cost (including reasonable attorney's fees and cost of defense) arising from such performance for the services, provided that any such claims, damage, loss or expense is caused in whole or in part by the negligent act of omission, and/or strict liability of the Owner, anyone directly or indirectly employed by the Owner (except McLaren) or anyone for whose acts any of them may be liable. The Owner agrees to limit McLaren's liability and his or her consultants to the Owner and to all Construction Contractors and Subcontractors on the project, due to McLaren's negligent acts, errors, or omissions, such that the total aggregate liability of McLaren to all those named shall not exceed \$15,300, including legal fees, or McLaren's total fee for services rendered on this project, whichever is greater. In the event the Owner consents to, allows, authorizes or approves of changes to any plans, specifications or other construction documents, and these changes are not approved in writing by McLaren, the Owner recognizes that such changes and the results thereof are not the responsibility of McLaren. Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the Owner or McLaren. The Owner shall make no claim for professional negligence, either directly or in a third party claim, against McLaren unless the Owner has first provided McLaren with a written certification executed by an independent design professional. The Owner shall promptly report to McLaren any defects or suspected defects in McLaren's work or services of which the Owner becomes aware, so that McLaren may take measures to minimize the consequences of such a defect. Payments to McLaren shall not be withheld, postponed or made contingent on the construction, completion or success of the project or upon receipt by the Owner of offsetting reimbursement or credit from other parties causing Additional Services or expenses. No withholdings, deductions or offsets shall be made from McLaren's compensation for any reason unless McLaren has been found to be legally liable for such amounts.
11. **MEANS AND METHODS / SITE SAFETY** – McLaren shall not have control over, be in charge of or be responsible for construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the construction of the work.

NOW, THEREFORE, BE IT RESOLVED, by the Council of the City of Newburgh, New York, that the sale of the following property to the indicated purchasers be and hereby is confirmed and the City Manager is authorized and directed to execute and deliver a quitclaim deed to said purchasers upon receipt of the indicated purchase price in money order, good certified or bank check, made payable to **THE CITY OF NEWBURGH**, such sums are to be paid on or before May 18, 2018, being approximately ninety (90) days from the date of this resolution; and

<u>Property address</u>	<u>Section, Block, Lot</u>	<u>Purchaser</u>	<u>Purchase Price</u>
373 Third Street	21 - 1 - 4	Beatrice Lorenzetti Walker Adams	\$34,250.00

BE IT FURTHER RESOLVED, by the Council of the City of Newburgh, New York, that the parcel is not required for public use.

Terms and Conditions Sale

373 Third Street, City of Newburgh (21-1-4)

STANDARD TERMS:

1. City of Newburgh acquired title to these properties in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid school taxes for the tax year of 2017-2018, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any school taxes paid by the City for the tax year 2017-2018, and subsequent levies up to the date of the closing. Upon the closing, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within (18) months of the date of the deed. Within such eighteen (18) month time period the purchaser must either: obtain a Certificate of Occupancy for all buildings on the property; make all buildings granted a Certificate of Occupancy before the date of purchase fit for the use stated in such Certificate of Occupancy; or demolish such buildings. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for their consideration.
6. The property is sold subject to an owner-occupancy restriction. The purchaser has agreed to purchase the property subject to the five (5) year owner occupancy restriction shall, within 18 months of the delivery of the deed, establish his domicile and principal residence at said premises and maintain his domicile and principal residence at said premises for a period of at least five (5) years thereafter, provided that within said five (5) year period, the purchaser may convey said premises to another who shall also maintain their domicile and principal residence at said premises for said period. This shall be set forth as a restrictive covenant in the deed, subject upon its breach, to a right of re-entry in favor of the City of Newburgh. This shall be in addition to all other provisions, covenants and conditions set forth in the Terms of Sale.

7. Notice is hereby given that the property is vacant and unoccupied. The parcel is being sold subject to the City's Vacant Property Ordinance and all provisions of law applicable thereto. At closing, the purchaser will be required to register the property and remit the vacant property fee. It is the sole responsibility of the purchaser to redevelop such parcel in accordance with same.
8. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date upon which the sale is scheduled to take place. Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.
9. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the successful purchaser following the closing of sale.
10. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Property may contain paint or other similar surface coating material containing lead. Purchaser shall be responsible for the correction of such conditions when required by applicable law. Property also may contain other environmental hazards. Purchaser shall be responsible for ascertaining and investigating such conditions prior to bidding. Purchaser shall be responsible for investigating and ascertaining from the City Building Inspector's records the legal permitted use of any property prior to closing. Purchaser acknowledges receivership of the pamphlet entitled "Protecting Your Family from Lead in Your Home." Purchaser also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
11. The entire purchase price and all closing costs/fees must be paid by money order or guaranteed funds to the City of Newburgh Comptroller's Office on or before May 18, 2018. Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept credit card payments for the purchase price and closing costs/fees.* **The City is not required to send notice of acceptance or any other notice to a purchaser.** At closing, purchaser, as grantee, may take title as a natural person or as an entity wherein purchaser is an officer or managing member of said entity. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for their consideration.
12. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the successful bidder shall be entitled only to a refund of the purchase money paid with interest. Purchaser agrees that he shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
13. Sale shall be final, absolute and without recourse once title has closed and the deed has been recorded. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
14. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, buyer's premium, and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon recording of deed.**

15. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.
16. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh and provided to the City Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City's Engineer.
17. Evictions, if necessary, are solely the responsibility of the purchaser after closing and recording of the deed.
18. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 24 months subsequent to the auction date. If such conveyance occurs, the purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price at auction and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.

105 William Street, City of Newburgh (45-1-12)

STANDARD TERMS:

1. City of Newburgh acquired title to this property in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid school taxes for the tax year of 2017-2018, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any school taxes paid by the City for the tax year 2017-2018, and subsequent levies up to the date of the closing. Upon the closing, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within (18) months of the date of the deed. Within such eighteen (18) month time period the purchaser must either: obtain a Certificate of Occupancy for all buildings on the property; make all buildings granted a Certificate of Occupancy before the date of purchase fit for the use stated in such Certificate of Occupancy; or demolish such buildings. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for their consideration.
6. Notice is hereby given that the properties are vacant and unoccupied. The parcels are being sold subject to the City's Vacant Property Ordinance and all provisions of law applicable thereto. At closing, the purchaser will be required to register the properties and remit the vacant property fee. It is the sole responsibility of the purchaser to redevelop such parcels in accordance with same.
7. Notice is hereby given that the properties lie within the East End Historic District as designated upon the zoning or tax map. The parcels are being sold subject to all provision of law applicable thereto and it is the sole responsibility of the purchaser to redevelop such parcels so designated in accordance with same.

8. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date upon which the sale is scheduled to take place. Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.
9. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the successful purchaser following the closing of sale.
10. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Property may contain paint or other similar surface coating material containing lead. Purchaser shall be responsible for the correction of such conditions when required by applicable law. Property also may contain other environmental hazards. Purchaser shall be responsible for ascertaining and investigating such conditions prior to bidding. Purchaser shall be responsible for investigating and ascertaining from the City Building Inspector's records the legal permitted use of any property prior to closing. Purchaser acknowledges receivership of the pamphlet entitled "Protecting Your Family from Lead in Your Home." Purchaser also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
11. The entire purchase price and all closing costs/fees must be paid by money order or guaranteed funds to the City of Newburgh Comptroller's Office on or before May 18, 2017. Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept credit card payments for the purchase price and closing costs/fees.* **The City is not required to send notice of acceptance or any other notice to a purchaser.** At closing, purchaser, as grantee, may take title as a natural person or as an entity wherein purchaser is an officer or managing member of said entity. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for their consideration.
12. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the successful bidder shall be entitled only to a refund of the purchase money paid with interest. Purchaser agrees that he shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
13. Sale shall be final, absolute and without recourse once title has closed and the deed has been recorded. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
14. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, buyer's premium, and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon recording of deed.**
15. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.

16. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh and provided to the City Corporation Counsel by the purchaser at least ten (10) days in advance of closing title and approved by the City's Engineer.
17. Evictions, if necessary, are solely the responsibility of the successful bidder after closing and recording of the deed.
18. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 24 months subsequent to the auction date. If such conveyance occurs, the purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price at auction and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.

Terms and Conditions of Sale

235 Carpenter Avenue, City of Newburgh

(7-8-13)

STANDARD TERMS:

1. City of Newburgh acquired title to this property in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid school taxes for the tax year of 2017-2018, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any school taxes paid by the City for the tax year 2017-2018, and subsequent levies up to the date of the closing. Upon the closing, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within (18) months of the date of the deed. Within such eighteen (18) month time period the purchaser must either: obtain a Certificate of Occupancy for all buildings on the property; make all buildings granted a Certificate of Occupancy before the date of purchase fit for the use stated in such Certificate of Occupancy; or demolish such buildings. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for their consideration.
6. Notice is hereby given that the property is vacant and unoccupied. The parcel is being sold subject to the City's Vacant Property Ordinance and all provisions of law applicable thereto. At closing, the purchaser will be required to register the property and remit the vacant property fee. It is the sole responsibility of the purchaser to redevelop such parcel in accordance with same.
7. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date upon which the sale is scheduled to take place. Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.

8. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the successful purchaser following the closing of sale.
9. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Property may contain paint or other similar surface coating material containing lead. Purchaser shall be responsible for the correction of such conditions when required by applicable law. Property also may contain other environmental hazards. Purchaser shall be responsible for ascertaining and investigating such conditions prior to bidding. Purchaser shall be responsible for investigating and ascertaining from the City Building Inspector's records the legal permitted use of any property prior to closing. Purchaser acknowledges receivership of the pamphlet entitled "Protecting Your Family from Lead in Your Home." Purchaser also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
10. The entire purchase price and all closing costs/fees must be paid by money order or guaranteed funds to the City of Newburgh Comptroller's Office on or before May 18, 2018. Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept credit card payments for the purchase price and closing costs/fees.* **The City is not required to send notice of acceptance or any other notice to a purchaser.** At closing, purchaser, as grantee, may take title as a natural person or as an entity wherein purchaser is an officer or managing member of said entity. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for their consideration.
11. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the successful bidder shall be entitled only to a refund of the purchase money paid with interest. Purchaser agrees that he shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
12. Sale shall be final, absolute and without recourse once title has closed and the deed has been recorded. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
13. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, buyer's premium, and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon recording of deed.**
14. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.
15. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh and provided to the City Corporation Counsel by the purchaser at least ten (10) days in advance of closing title and approved by the City's Engineer.
16. Evictions, if necessary, are solely the responsibility of the successful bidder after closing and recording of the deed.

17. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 24 months subsequent to the auction date. If such conveyance occurs, the purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price at auction and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.

I. INTRODUCTION

The New York State Division of Criminal Justice Services (DCJS) seeks applications to fund the Gun Involved Violence Elimination (GIVE) Initiative. Subject to available appropriation, approximately \$13.3 million dollars will be made available to support GIVE in the 17 counties outside of New York City that represent 82% of the Part I violent crime (murder, rape, robbery, aggravated assault) in New York State as reported through the Federal Bureau of Investigation's (FBI) Uniform Crime Reporting (UCR) system. These counties were selected based on the three-year (2014, 2015 and 2016) volume of Part I violent crime reported through the UCR program.

DCJS enhances public safety by providing resources and services that inform decision making and improve the quality of the criminal justice system. DCJS is a multi-function criminal justice support agency with a variety of responsibilities, including collection and analysis of statewide crime data, operation of the DNA databank and criminal fingerprint files, administration of federal and state criminal justice funds, identifying and funding programs that reduce crime, recidivism, and victimization. Additionally, DCJS administers the state's Sex Offender Registry. DCJS conducts research on critical criminal justice issues and provides training, legal guidance and regulation to the State's law enforcement, community corrections and prosecution communities.

DCJS is committed to providing programs that improve the effectiveness of New York's criminal justice system. Proposals will be rated and selected for funding consistent with the best interests of the State. Applicants are encouraged to demonstrate, in their response to this solicitation, how their proposals support New York's commitment to public safety.

II. GUN INVOLVED VIOLENCE ELIMINATION (GIVE) INITIATIVE

A. Program Background

Crime in New York has declined 18% since 2006, making New York the fifth safest state in the nation and the safest large state in the country. To build on this track record of success, DCJS is continuing to focus on the problems of homicide and gun violence. First implemented in July 2014, the Gun Involved Violence Elimination (GIVE) Initiative is a key component of New York's shooting and homicide reduction strategy. GIVE is an evidence-based program involving the integrated efforts of the key criminal justice agencies and some vital support from service organizations in each funded jurisdiction.

The GIVE initiative is rooted in the Problem-Oriented Policing SARA (Scanning, Analysis, Response, and Assessment) Model. The SARA model requires public safety agencies to utilize data to identify a jurisdiction's problem; analyze the problem and identify available resources; develop a response based upon this analysis; and assess the response. A critical element of this initiative is the involvement of agency crime analysts and regional Crime Analysis Centers (CACs) to provide relevant data and

analysis. Together, the agencies, organizations and analysts implement coordinated evidence-based approaches to address the underlying issues associated with shootings and homicides in their areas, through strategies that include the four core elements of GIVE: People, Places, Alignment, and Engagement. (See page 15 for more information.)

In prior GIVE RFAs, applicants were required to submit responses developed through Problem-Oriented policing principles which addressed these four core elements utilizing designated evidence-based strategies. A review of the implementation and effectiveness of these prior efforts is critical, and applicants responding to this RFA must conduct an assessment of their previous GIVE strategy. The information obtained from this assessment should be utilized by the successful applicants to help guide the jurisdiction's plan for their respective RFA contract to begin on July 1, 2018, unless otherwise modified by DCJS.

DCJS recognizes that applicant jurisdictions now have considerable experience operating under the GIVE model, and expects applicants to build on that experience in their responses and reflect additional data analysis and integrated planning. DCJS also expects that as part of the integrated planning process, applicants will explore ways to institutionalize the evidence-based strategies into their agencies' overall standard operating procedures. Ultimately, applicants must specifically demonstrate in their responses how the chosen evidence-based strategies will be aligned to form a **comprehensive** shooting and homicide reduction plan.

B. GIVE Jurisdiction Support

To support efforts by GIVE jurisdictions to institutionalize these evidence-based approaches, DCJS will continue to provide a statewide GIVE network as a mechanism for sharing information on various aspects of program implementation and will continue to provide training and technical assistance. Network activities will include regular meetings, conference calls, webinars and peer-to-peer learning. Participating GIVE agencies will be required to be involved in these activities. The GIVE network will offer participants a forum to highlight successes and identify obstacles, enabling a constructive and candid conversation about effective strategies in reducing firearm-related violence.

GIVE partners will also have access to the Criminal Justice Research Consortium, which will support their efforts to engage in research or program development activities related to the strategies they are utilizing. They will also have an opportunity to benefit from the new DCJS Criminal Justice Knowledge Bank, which compiles and shares effective and promising efforts elsewhere in New York State and across the nation. The Criminal Justice Knowledge Bank is a resource for law enforcement and other professionals who seek to improve the effectiveness of the criminal and youth justice systems in their communities.

To access the DCJS Criminal Justice Knowledge Bank, please click <https://knowledgebank.criminaljustice.ny.gov/>.

See Appendix: *GIVE 2018-2019 Specific Contract Requirements* for more detailed information about the network sharing requirements of the GIVE application.

C. GIVE Aggravated Assault Jurisdictions

The shooting and homicide rates in some GIVE jurisdictions do not rise to the same level as other GIVE jurisdictions. To address this, DCJS conducted an analysis to identify which crimes were driving the violence in these jurisdictions, and determined that the following six jurisdictions must focus their respective GIVE strategies and response efforts toward reducing the Part I violent crime of **Aggravated Assault: Broome, Chautauqua, Rensselaer, Ulster and Rockland counties, and the City of Middletown in Orange County.**

In their responses, these jurisdictions are still each required to develop a comprehensive strategy utilizing the Problem-Oriented Policing SARA framework, and implement applicable evidence-based approaches to combat the identified aggravated assault problem in their jurisdiction. A partial list of evidence-based approaches to combating aggravated assaults can be found in Appendix: *Evidence-Based Policing Resources* within this RFA.

These six jurisdictions are required to fulfill all the requirements set forth in this RFA, but must address aggravated assaults in all areas of the RFA that specifically refer to shootings and homicides. For purposes of this RFA and for GIVE Initiative funding requested for the above jurisdictions' GIVE strategies, DCJS shall utilize the Federal Bureau of Investigation UCR definition of Aggravated Assault.

III. CONTRACT TERM, APPLICANT ELIGIBILITY, APPLICATION SUBMISSION REQUIREMENTS AND FUNDING

A. Contract Term

Grant award agreements, unless otherwise modified by DCJS, will be for a term of one year effective July 1, 2018 to June 30, 2019.

B. Applicant Eligibility

The 17 counties that account for 82% of the Part I violent crime outside of New York City are eligible to apply for funding. (See Appendix: *GIVE 2018-2019 Eligible Police Departments*). These counties were selected based on the three-year (2014-2016) volume of reported Part I violent crime (murder, rape, robbery, aggravated assault).

A single application must be submitted for each eligible county by one of the agencies named below, as designated by the county. Each eligible county must develop a partnership that consists of the eligible police department(s), District Attorney's office, Sheriff's office, and Probation Department. DCJS has designated specific agencies in each jurisdiction that will serve as co-chairs of the county partnership, with the executive heads of these agencies acting as the official co-chairs. This information is in Appendix: *GIVE 2018-2019 Eligible Police Departments* of this RFA.

The following agencies within the 17 counties identified are eligible to receive GIVE grant awards:

- Eligible Police Department(s) (See Appendix: *GIVE 2018-2019 Eligible Police Departments*);
- District Attorney's Offices;
- County Sheriff's Offices;
- County Probation Departments;
- Other agencies within eligible counties or eligible jurisdictions that are approved by the co-chairs (e.g., not-for-profit agencies, etc.); and
- Local governmental agencies that require funding to address the needs of certain populations.

If applicants choose to partner with other agencies approved by the co-chairs, including local governmental agencies requiring funding to address the needs of certain populations, a subcontract and/or a memorandum of understanding/memorandum of agreement (where applicable) with these agencies will be required. Examples of this may include partnerships with county social services departments, or non-profit organizations that offer social services to at-risk individuals.

State and Federal agencies are ***not*** eligible to receive GIVE funding, but their participation is strongly encouraged and their roles should be clearly defined by the applicant in their submission. Applicants are strongly encouraged to engage and collaborate with the New York State Department of Corrections and Community Supervision (DOCCS) and the New York State Police.

C. Application Submission Requirements

The application must be submitted to DCJS using the DCJS Grants Management System (GMS) by **12:00 PM noon, on Wednesday, February 21, 2018.**

- A single application must be submitted for each eligible county by an eligible agency designated by the county.
- The application must be complete, including all narrative responses, as

delineated in Section IV of this RFA.

- All participating agencies – including those associated with Broome, Chautauqua, Ulster, Rensselaer and Rockland counties and the City of Middletown, who must focus on Aggravated Assaults -- must be actively engaged in the GIVE strategy towards the elimination of shootings and homicides. The application from **all** 17 jurisdictions, including those addressing Aggravated Assaults, must clearly articulate the role of each of the partnership members and specifically how each of the agencies within the partnership will support and enhance the comprehensive GIVE strategy.
- Crime Reporting – All law enforcement agencies applying to receive GIVE funding must be up-to-date with submissions of **ALL** crime reports at the time the application is submitted. See Appendix: *GIVE Specific Contract Requirements* for a listing of all required crime reports.
- Monthly Firearm Data – All law enforcement agencies applying to receive GIVE funding must be up to date with their submissions of Monthly Firearm Data Reports at the time this application is submitted. Agencies should note that this report is now due to DCJS 7 days after the end of the reporting period.
- eTrace Data Sharing - All eligible GIVE agencies must have executed the Memorandum of Understanding with the Federal Bureau of Alcohol, Tobacco, and Firearms (ATF) for user access to the ATF eTrace System and are required to “opt in” to the Collective Data Sharing (CDS) option on the system. For more information on this requirement, please see Appendix: *GIVE Specific Contract Requirements*.
- Memorandum of Understanding (MOU)/Memorandum of Agreement (MOA) – The co-chairs must submit an MOU or MOA signed by themselves and all participating partner agencies. In addition, partner agencies must submit letters of support outlining in detail the contribution each agency will make to the strategy. MOUs/MOAs and Letters of Support should be attached to GMS as part of the RFA Application. Contracts will not be finalized until these items are received by DCJS.

D. Funding and Approved Use of State Funds

1. Funding

Subject to available appropriation, approximately \$13.3 million dollars will be made available to support 2018-19 GIVE grant awards. All funding must support program efforts during the contract period. Funding under this program must supplement, not supplant, non-grant funds that would otherwise be available for expenditure on the programs proposed.

DCJS conducts ongoing analyses of the extent of gun-violence in each of the GIVE jurisdictions. In previous GIVE RFA's, to ensure the most effective use of grant funding and direct available resources for combatting gun-violence in New York State to jurisdictions of greatest need, DCJS limited the amounts jurisdictions could apply for based on their ranking for three-year averages of specific gun crimes (Violent Crime by Firearm, Shooting Incidents Involving Injury, and Homicides by Firearm). For 2018-19, GIVE applicants may apply for no more than approximately 105% of the amount of GIVE funding they received in 2017-18; please see Appendix: *Maximum County Funding Amounts* for the list of maximum amounts each jurisdiction is eligible to apply for in 2018-19.

In jurisdictions where more than one police agency is eligible for funding (Orange, Nassau, Westchester), the total amount of the combined county application request cannot exceed the amount noted in Appendix: *Maximum County Funding Amounts*. When determining funding requests, these jurisdictions (Orange, Nassau, Westchester) are **required to consider the extent of the crime problem faced by each police department eligible for funding through GIVE**. DCJS will consider shooting and where applicable, aggravated assault statistics, when determining award amounts for each eligible police department, as applicable.

Applicants are reminded that the GIVE RFA is a competitive process and continued funding is not guaranteed. Nothing herein requires DCJS to approve grant funding for any applicant.

2. Approved Use of State Funds

a. Allowable GIVE Program Costs

All funding requests must relate directly to the proposed GIVE strategy. Funding requests not directly related to the GIVE strategy will not be supported. DCJS reserves the right to re-distribute requested funds within an applicant agency's proposed budget to those specific elements of the GIVE strategy that are best articulated and justified in each applicant's response. See Section IV for additional information regarding the GIVE Initiative budget requests.

Examples of acceptable categories for funding include, but are not limited to, the following:

- (1) **Personnel** – All personnel supported through GIVE funding, whether as employees or as contractors, must devote their work day, commensurate with the percentage of salary GIVE supports, to working on the goals and objectives of the GIVE strategy. Fully funded GIVE positions may not take on duties unrelated to the GIVE strategy. Requests for funding that do not clearly justify how the requested

positions will support the reduction of shootings and homicides (or aggravated assault as applicable), or the enhancement of the CAC/crime analysts will not be considered. A complete job description of each requested personnel line must be included in an application. **Requests to fund positions to support activities unrelated to the strategy will not be considered.** Overtime compensation for non-sworn support or administrative positions will not be funded. This includes overtime for crime analysts and other non-sworn support positions.

- (2) **Requests to fund crime analysts are strongly encouraged**, especially in jurisdictions with resource needs in this discipline. Agencies that utilize more than one analyst to support the GIVE-related work must note the proportion of the allotted GIVE funds that will be designated for each analyst. **All GIVE funded analysts must be certified as NYS Crime Analysts. Any new analysts, not certified, must be certified within one of year appointment.**
- (3) **Crime Analysis and Intelligence-Led Policing** – As a vital component of all GIVE Initiative strategies, requests for software and other crime analysis tools are acceptable. Applicants are encouraged to explore methods of sharing resources, information, and data at the county, regional and statewide levels that enhance crime analysis and support intelligence-led policing.
- (4) **Intelligence Development** – Budget requests that will enhance agency field intelligence capacity are acceptable requests. Requests for overtime funding for intelligence development efforts by sworn law enforcement personnel are acceptable, provided the requests are directly related to the strategy. Intelligence collection efforts relating to incarcerated individuals, as well as those under community-based supervision, are also acceptable uses of funding.
- (5) **Enforcement/Investigative Component** – Requests for overtime funding for extra investigative and enforcement operations by sworn law enforcement personnel conducted as part of the strategy are acceptable, provided the requests are directly related to specific operations and other enforcement efforts of the GIVE strategy and clearly articulated in the budget justification. Specific justification must be made as to why the operation cannot be carried out within standard working shifts. No GIVE funding will be provided for “zero-tolerance” overtime details. Specific justification must be given for investigative support needed as an overtime cost and must tie into the GIVE

comprehensive plan. Relative to enforcement and investigation only, the following two conditions apply:

- The use of overtime funds for GIVE hot-spot policing details must be focused in the specific GIVE zones located within the city, village or municipality. These overtime details must be tracked using Attachment #1: *GIVE Tracker* and submitted quarterly to DCJS in GMS with the quarterly progress report.
- GIVE overtime funds must be proposed based on an analysis of the time of year, day(s) of week, and hours of the day when the majority of gun violence occurs.

(6) **Travel and Training Funds** – Funding to support travel costs to attend meetings, trainings and conferences sponsored or encouraged by DCJS are acceptable requests. NOTE: Funded personnel and command staff are required to make every effort to attend appropriate DCJS sponsored training, meetings and conferences. DCJS intends to host one or two single-day “roundtable” style regional meetings, as well as two or three regional technical assistance offerings and one statewide event held in the Albany area. Agencies are encouraged to plan their funding requests to address any anticipated costs they may incur to attend these meetings as well as any other travel that fosters cross-county information sharing.

b. Unallowable Budget Items

GIVE funds may **not** be used to support the following purchases or expenses:

- (1) Vehicles, firearms or conductive energy devices (e.g., Tasers and Stingers)
- (2) General office supplies and equipment
- (3) Fringe benefit costs for overtime expenses
- (4) Air cards, Leads Online or truancy programs
- (5) Support staff not specifically tied to the GIVE strategy
- (6) Traditional “gun buy-back” programs
- (7) Indirect costs charged by units of local government
- (8) Overtime compensation for non-uniformed support or administrative positions, including overtime for crime analysts and other non-sworn support positions.

IV. GIVE RFA INSTITUTIONALIZATION PLAN (INCLUDES NARRATIVE RESPONSES AND BUDGET)

A. Narrative Responses

Response requirements for this RFA are to be submitted in narrative form as described below. There are NO questions for applicants to answer within the DCJS Grants Management System (GMS) **Questions** module for this RFA. However, applicants must type **Not Applicable or N/A** in the body of any existing question space in GMS for the application to be accepted within GMS as complete. Applications must include a detailed response for each of the following **required Narrative Response** sections, and will be evaluated based on the criteria delineated in Appendix: *2018-19 GIVE Institutionalization Plan Evaluation Criteria*.

All narrative responses **must be submitted as GMS attachments in Microsoft Word, Arial 11-point font, 1.5-line spacing format**. Applications submitted in alternate formats will not be accepted or reviewed by DCJS. Use of the Portable Document Format (PDF) is NOT acceptable when submitting the narrative responses, however, other types of supporting documentation, e.g., charts and maps developed by crime analysts may be submitted in PDF format.

Please do not submit photographs or media articles as part of your proposal. These will not be reviewed or considered by DCJS during the GIVE RFA evaluation process.

Applications that do not address each of the Required Narrative Response elements below or do not adhere to the formatting guidelines above may receive significant point reductions.

Informed decision-making through data-driven policing is recognized as the foundation for effective strategies and crime reduction. The GIVE initiative is rooted in the Problem-Oriented Policing SARA (Scanning, Analysis, Response, and Assessment) Model. As indicated above, this RFA is focused specifically on the reduction of shootings and homicides or aggravated assaults where applicable. Please address each of the sections below when preparing your response.

1. Scanning and Analysis (50 points total) – Not to exceed 5 pages

a. Scanning (25 points)

In this section, applicants must describe how they have completed an assessment of their community. Applicants' responses should detail their coordination with a crime analyst or regional Crime Analysis Center to prepare a comprehensive analysis of shootings and homicides (or

aggravated assaults where applicable) that identifies patterns, trends, locations, and “Top Offenders” (including groups) responsible for the majority of shootings and homicides in the jurisdiction. Applicants should also note any significant changes identified in their analyses to these conditions that occurred during the previous GIVE contract periods, which they will also address in their narrative submission in the response section of the RFA. A summary of the significant data and points of the analysis must be submitted as part of their response to a) scanning.

Agencies should use at least three years of data for analyzing shootings and homicides within the jurisdiction, with particular attention paid to shootings and homicide activity occurring since July 1, 2014. DCJS has provided information to be used as a starting point to support the local assessment of their crime and community that will be undertaken in response to this RFA.

Appendix (a): Shooting Related Violence – GIVE Eligible Jurisdictions.

This table provides cumulative 35 month (January 2015 - November 2017) totals showing the number of shooting incidents, individuals killed by gun violence, reported homicides and reported violent crimes involving a firearm in each GIVE jurisdiction.

Appendix (b): Shooting Incidents Involving Injury by Year by GIVE Jurisdiction (2008-2017).

This table provides the annual number of shooting incidents involving injury for each of the past ten years. 2017 data is limited to eleven months, January through November. 2007 and 2008 data is unavailable for select jurisdictions.

Appendix (c): Firearm Activity Reports. These jurisdiction specific data pages can be used as an initial step in assessing firearm-related crime trends within a jurisdiction. (Additional more comprehensive local analysis must also be performed). The graphs and data tables present a year-to-date (January - November) comparison between the current reporting year (2017) and the prior reporting year (2016) and shows the 5 Year Average for the same YTD period 2012 through 2016.

Appendix (d): Aggravated Assault Crime Data. Recognizing that the frequency of shooting and homicide events vary among GIVE jurisdictions, and based upon an analysis of crime data submitted by each GIVE police department, DCJS has determined that six jurisdictions; Broome, Chautauqua, Rensselaer, Rockland, and Ulster counties, and the City of Middletown must address the violent crime of Aggravated Assault. The data in this appendix provides annual counts of the number and type of assaults that occurred within these six jurisdictions during 2015, 2016, and January through November 2017.

b. Analysis (25 points)

(1) Problem Identification: Applicants must explain in their response how the data provided by DCJS, along with the additional analysis provided by crime analysts or the regional Crime Analysis Center, has influenced the jurisdiction's assessment of shootings and homicides, or aggravated assaults where applicable. Applicants are required to use this analysis to help identify the underlying problem(s) and factors that contribute to the majority of shootings and homicides within their jurisdiction e.g., gangs, narcotics, disputes. Applicants are reminded that the Problem-Oriented Policing (POP) framework must be utilized to identify the underlying issue associated with their crime problem.

(2) Hot Spots: Applicants must describe in this section how they have or will determine "hot spots," and their rationale for choosing the eligibility criteria. Applicants are strongly encouraged to use information gained from the Hot-Spots policing technical assistance offered. Applicants are required to utilize long-term (≥ 3 yr) analysis to determine persistent areas of gun violence within the jurisdiction where the majority of prevention and enforcement efforts regarding the GIVE hot-spots strategy will be concentrated. In their responses, jurisdictions focused on shooting incidents are expected to specifically delineate geographic locations where these efforts will occur such as Hot-Spots, GIVE zones and POP areas. Jurisdictions focused on the crime of aggravated assault must perform an analysis to determine whether or not aggravated assaults are clustered in small geographic locations and implement hot-spots prevention and enforcement, if applicable, according to the results of that analysis.

(3) Top Offenders: All applicants, including those that already utilize a top offender list, must explain how they have or will determine "top offenders" (i.e., the eligibility criteria used and the rationale for said criteria).

Applicants are required to use a non-biased, systematic ranking system to determine the list of top offenders in the jurisdiction, with consideration given to actionable intelligence gathered from crime analysts, field intelligence officers, and other intelligence sources. Applicants must also explain how frequently the list of "top offenders" will be updated. No case specific information should be provided as part of this RFA.

(4) Resources: Applicant responses must include an examination of other resources, programs, and initiatives that currently exist within their communities that support efforts to reduce shootings, homicides, and

associated violence. Examples include but are not limited to Byrne Criminal Justice Innovation grants, street outreach work (SNUG), call in programs (Ceasefire), CORe, Project Safe Neighborhoods, youth development and mentoring programs. Applicants must also describe how these resources will complement and coordinate with the jurisdiction's comprehensive plan under GIVE.

NOTE: The following GIVE jurisdictions are currently using the SNUG program as part of their overall violent crime reduction strategy: Albany, Wyandanch, Buffalo, Hempstead, Mt. Vernon, Poughkeepsie, Rochester, Syracuse, Troy, and Yonkers.

These jurisdictions are required to document in their responses how the SNUG and GIVE programs will coordinate efforts towards the goal of reducing shootings. These jurisdictions are also required to comply with the GIVE/SNUG information sharing requirements noted in Appendix: *GIVE Specific Contract Requirements*.

See Appendix: *GIVE 2018-19 Institutionalization Plan Evaluation Criteria* for the specific evaluation criteria that will be used to rate responses to this part of the application.

2. Response/Strategy Development (25 Points) - Not to exceed 12 pages

The **Response** component of SARA (Scanning, Analysis, Response, and Assessment) sets forth the comprehensive plan with integrated evidence-based strategies that the jurisdiction proposes to use to address the identified problems in a manner that is supported by the analysis conducted.

After the initial Problem-Oriented Policing Scanning and Assessment phases discussed in Section VI are complete, jurisdictions must develop one comprehensive strategy designed to reduce shootings and homicides, or aggravated assaults where applicable, that consists of multiple evidence-based strategies found below, that incorporate all four core elements of GIVE and includes procedural justice into all aspects of the comprehensive GIVE plan.

Applicants are reminded that aspects of Procedural Justice are to be incorporated in all elements of your comprehensive GIVE plan. Procedural justice focuses on the way law enforcement interacts with the public and how these interactions influence crime rates and the public's view of law enforcement and willingness to obey the law. It is not a practice, but a philosophy that promotes organizational change, upholds legitimacy in the community, and enhances officer safety. The four pillars of Procedural Justice

are: Fairness, Impartiality, Giving Voice, and Transparency.

In their response, applicant agencies must explain their plan, the approaches they choose, how their plan responds to the shooting and homicide (or aggravated assault where applicable) problem in their jurisdiction, and how they will incorporate all four of the required core elements into their GIVE strategy. (See below “Core Elements of Strategy.”) Responses will be judged on the way they integrate the strategies and detail the role of each funded partner in strategies designed into one comprehensive plan and how they intend to use the resources identified during the initial assessment (Scanning and Analysis). Jurisdiction plans must articulate enhanced integration with the Crime Analysis Centers or crime analysts in the implementation and institutionalization of these approaches. Institutionalization refers to the process of integrating the GIVE model and evidence-based practices into the overall daily operations of the GIVE partner agencies.

The comprehensive response plan should build on previous GIVE efforts implemented during past contract periods, considering alternative evidence-based strategies that may enhance the jurisdiction’s efforts to eliminate gun-involved violence or aggravated assaults, where applicable.

a. Core Elements of Strategy

The four core elements of GIVE that must be incorporated into an applicant’s comprehensive strategy include:

- (1) People** – The strategy must identify the key players (top offenders that are believed responsible for most shootings and homicides.
- (2) Places** – The strategy must identify and target the geographic locations (hot spots) identified in Section A, Scanning and Analysis, where most shootings and homicides occur.
- (3) Alignment** – The strategy must describe how it will coordinate and align the existing resources identified in Section 1.A, Scanning and Analysis, in its efforts to reduce shootings and homicides.
- (4) Engagement** – The strategy must clearly articulate how organized outreach to key stakeholders and the community at large will occur, how the stakeholders and community will be given a voice, and how coordination will occur in a transparent manner that fosters wide-ranging support for violence reduction efforts.

b. Required Evidence-Based Approaches to Response

Applicants must explain in their narrative responses how they have incorporated **more than one** of the evidence-based response approaches noted below into their comprehensive strategy and response plan.

(1) Hot Spots Policing – Hot Spots policing strategies focus on small geographic areas or locations, usually in urban centers, where crime is concentrated. It is based on the understanding that there are settings with significant clusters of crime that generate a large proportion of the total crime reported in the broader community. Considerable research and analysis have shown that these hotspots tend to persist over long periods of time. The concentration of crime in small places or micro-locations (buildings or addresses, street segments, or blocks) allows for focused interventions that may take a variety of forms. All jurisdictions are required to identify, using a CAC or agency crime analysts, the geographic areas in the city/village that account for the majority of gun crimes. These will hereafter be referred to as “GIVE zones.” GIVE zones should be targeted areas of concentrated crime, not half or entire cities/villages, or municipalities.

(2) Crime Prevention Through Environmental Design (CPTED) – CPTED is based on the principle that proper design and effective use of buildings and public spaces in neighborhoods can lead to a reduction in the fear and incidence of crime, and an improvement in the quality of life. CPTED’s goal is to prevent crime through designing a physical environment that positively influences human behavior. It is based on four principles: natural access control, natural surveillance, territoriality, and maintenance.

(3) Focused Deterrence – Focused deterrence applies to specific criminal behaviors that are being conducted by a select group of chronic offenders in a particular area. It has often been referred to as “pulling levers.” The offenders who are targeted by the program are confronted about their criminal activities, generally by a number of relevant agencies and organizations, and warned about the consequences of continuing to engage in the unacceptable behavior. Participants are provided with the opportunity to obtain social services and assistance. Continuing involvement in criminal activity subjects a participant, and any other members of an associated group where applicable, to increased police and law enforcement scrutiny, as well as enhanced sentences if arrested.

(4) Street Outreach Workers – The model relies on the use of culturally competent staff that respond to shootings and intervene to prevent retaliation and detect and resolve conflicts that are likely to lead to shootings. They develop relationships with high risk individuals who are likely to engage in gun violence and link them with resources such as education and job training. Staff collaborates with neighborhood

organizations and other community groups to organize neighborhood events and public education activities that promote a no-shooting message. The strategy aims to change behaviors, attitudes, and social norms directly related to gun violence. Discrete and careful communication with police (and crime analysis centers where appropriate) is encouraged to ensure appropriate coordination of activities. Jurisdictions that currently have a street outreach program must follow all the requirements listed in Appendix: *Evidence-Based Policing Resources*.

For more detailed information on the above strategies, including links to outside sources, please see Appendix: *Evidence-Based Policing Resources*.

See Appendix: *GIVE 2018-19 Institutionalization Plan Evaluation Criteria* for the specific evaluation criteria that will be used to rate responses to this part of the application. Institutionalization refers to the applicant's efforts to incorporate the GIVE evidence-based approaches into everyday operations.

3. Assessment/Performance Measures (5 points) - Not to exceed 4 pages

A critical piece of the development and institutionalization of any crime reduction strategy is an assessment of the strategy's effectiveness in achieving the desired outcome. Assessment requires an understanding of the expected outcomes of the proposed plan and a definition of qualitative and quantitative performance measures to determine whether the expectations were met. Assessment also requires a clear picture of how strategies were expected to be implemented, the fidelity of their actual implementation, and a periodic review of how the strategies can be modified and improved. Applicants must therefore articulate the following in this section of the RFA:

- a. A detailed operational plan that gathers data and information about the partners' specific efforts to implement the GIVE comprehensive strategy to reduce shootings or, where applicable, aggravated assaults.
- b. A detailed plan describing how the jurisdiction will continually conduct assessments through both qualitative and quantitative measures for gauging the effectiveness of each strategy within the context of a comprehensive GIVE plan.

DCJS has developed both qualitative and quantitative performance measures jurisdictions must report to DCJS via GMS on a quarterly basis. These performance measures can be found in the workplan tab of your contract in

GMS. Jurisdictions may use these performance measures to satisfy the requirements noted above, but are also encouraged to consider other measures that may assist in the assessment of the local GIVE strategy institutionalization efforts.

Note: Should the current measures in GMS be modified by DCJS, GIVE partners will be notified in advance of the contract start date of any changes to reporting requirements.

See Appendix: *2018-19 GIVE Institutionalization Plan Evaluation Criteria* for the specific evaluation criteria that will be used to rate responses to the above parts of the application.

4. GIVE Initiative Budget Worksheet and Budget Narrative (20 Points)

a. General Instructions

One GIVE Initiative Budget worksheet (See Attachment 2: *GIVE Budget Worksheet*) and a complete narrative budget response, must be submitted for each jurisdiction requesting funding. Each agency is required to complete the appropriate section of the budget spreadsheet that references their agency, and must outline the specific budget requested to support each one of the evidence-based strategy categories listed in the budget spreadsheet with appropriate justification for each in a required budget narrative. Any requests for funded personnel must also be detailed in the “personnel” section of the budget spreadsheet, including salary and fringe costs.

b. Complete Attachment 2: *GIVE Initiative Budget Worksheet* and submit as described below:

- (1) Complete the operating budget on Attachment 2: *GIVE Initiative Budget Worksheet*. Operating budgets should project total costs for the contract period and must not exceed the applicant's eligible award. Please note that Tab 2 of the attached budget worksheet (Attachment 2) allows for the entry of other agencies outside of the four primary GIVE partners (police departments, district attorneys' offices, county sheriffs' offices, and county probation departments). This Worksheet must be attached to the submitted application using the **Attachment** module of GMS. See Appendix: *Grants Management System (GMS) Helpful Hints* document for assistance.
- (2) The detailed budget for the grant period provided must be complete, providing sufficient detail and justification for each component. It must also be reasonable and appropriate, as determined by DCJS, and

directly tied to the program plan. For subcontracted agencies approved to provide services, where applicable, upload signed and executed agreements and the approved operating budget using the **Attachment** Module of GMS.

- (3) Applicant budgets should include expenses for travel and training. **Note: Indirect costs are not an allowable expense for governmental agencies.**

Note: The GMS system requires that an actual Budget be included in an application submission. Because this RFA does not require Applicants to enter a budget in GMS, on the GMS Budget Tab, click **“Create New Budget Version”** for your agency. On the next screen, choose **“All Other Expenses”** from the Budget Category dropdown menu. Enter **“See attached budget narrative”** on the Description line. Enter the full requested amount of your grant in the Unit Cost field. Finally, enter **“N/A”** in the justification line, and Save.

As stated above, one GIVE Initiative Budget worksheet (See Attachment 2) along with a complete narrative budget response, must be submitted for each jurisdiction requesting funding.

The detailed requested project budget should be completed in Microsoft Word using Attachment 2: *GIVE Initiative Budget Worksheet* as indicated in this RFA, and uploaded to GMS as a file attachment. In the left navigation menu, choose **“Attachment,”** then **“New.”** Use the Browse function to locate your Budget Worksheet on your local drive, and click **“Open.”** Finally, click **“Upload.”**

Please be advised that very long file names or special characters will not be accepted by the GMS Attachment Module.

DCJS reserves the right to make mathematical corrections to requested budgets.

c. Budget Restrictions

The following restrictions apply to the GIVE Initiative funding requests:

- Applicant’s overall county funding request for the strategy and all approaches may not exceed the maximum amount specified Appendix: *Maximum County Funding Amounts*.
- DCJS may disallow, reduce or reallocate within an applicant’s budget

proposed funds should it be determined that the request lacks clear justification, including failing to make the link between the budget request and the strategy proposed, and/or not adequately supporting the dollar amount requested through the information provided.

d. Budget/Funding Overview

All funding requests must relate directly to the proposed GIVE Initiative strategy as described in Section II of this RFA. Funding requests not directly related to the GIVE strategy will not be granted. Detailed information on allowable programmatic expenses is provided in Section III of this RFA.

All application budget requests must:

- Align with the strategy proposed;
- Clearly promote and enhance the shooting and homicide or aggravated assault reduction strategies;
- Within the budget narrative, provide specific justification for each budget item and its role in the strategy;
- The budget narrative, must clearly define the role of each funded partner in each element of the overall jurisdiction strategy to reduce shootings and homicides or aggravated assaults where applicable, and provide a justification for funding that role;
- The budget must include funding for each jurisdiction to travel to DCJS-sponsored events. A breakdown of all events that agencies will be expected to participate in can be found in Section III under the heading Travel and Training Funds.

Note: During the contract period, budget reallocations requested on final contracts will be carefully reviewed and require sufficient justification as to how the strategy will benefit from the modification, and a description of the impact of not expending the funds as originally requested and awarded. Circumstances do arise that require the need to reallocate, but requests to do so should be limited. Applicants should carefully consider all budget requests to ensure they are critically needed and are accurately estimated to be reasonably certain that amounts awarded will be expended fully within the contract period. All final reallocation requests must be submitted no later than 30 calendar days after the conclusion of the 2018-19 GIVE contract period and must support actual costs of the jurisdiction's GIVE strategy.

(5) Program Work Plan (0 Points)

In the GMS Work Plan module, enter “to be determined” for your Project Goal, Objective, Task, and Performance Measure. These entries are necessary for GMS to accept your application as complete. Upon successful application and if approved for an award, DCJS staff will assist awarded agencies in developing an appropriate program work plan to include project goal, objectives, tasks, and performance measures.

(6) DCJS Criminal Justice Research Consortium and Knowledge Bank (Optional and worth 0 Points)

DCJS continues to encourage GIVE partners to engage in academic partnerships to support and advance their application of GIVE strategies in their communities. Such partnerships can now be funded through the New York State Criminal Justice Research Consortium. The Consortium offers small grants to promote the use of data, foster the implementation and expansion of evidence-based programs, and assess program effectiveness. See <https://knowledgebank.criminaljustice.ny.gov/> for a description of the Criminal Justice Research Consortium.

Academic partners who are currently working within GIVE sites, or any potential academic partners who may work with a GIVE partner in the future, should be encouraged to join the Consortium. More information about the consortium can be found at <https://knowledgebank.criminaljustice.ny.gov/> or by emailing DCJS at researchconsortium@dcjs.ny.gov. To request assistance through the consortium, please submit a project request form, available [here](#). GIVE partners also benefit from the Criminal Justice Knowledge Bank, which compiles and shares effective and promising efforts throughout New York State and across the nation.

V. EVALUATION AND SELECTION

A. Tier I Evaluation – Threshold Pass/Fail

The Tier I Evaluation assesses whether proposals satisfy minimum “pass/fail” criteria for funding. All proposals will be initially screened by DCJS reviewers to determine if the following criteria have been met:

1. Application was submitted by the published deadline
2. Applicant is eligible as defined by this solicitation.
3. Application is complete.

The submitted application shall include:

1. All narrative responses as requested. DCJS reserves the right to allow applicants to correct minor errors or omissions in applications following their submission;
2. GIVE Initiative Budget Worksheet is provided as an attachment itemizing operating expenses in support of the program; and
3. All attachments and required documents. (See Section X. Application Checklist at the end of this document.)

Tier I Evaluation criteria will receive pass/fail ratings. Any proposal that does not meet each of these conditions may be subject to disqualification from further review. DCJS may, at its discretion, request additional information from an applicant as deemed necessary.

B. Tier II Evaluation – Evaluation and Scoring

DCJS staff reviewers will evaluate proposals that successfully pass the Tier I Evaluation. A standard rating tool will be used to score narrative responses provided. (See Section IV. GIVE RFA Institutionalization Plan) The maximum proposal score will be 100 points. Applicants must obtain 70 points to pass the Tier II Evaluation. Each response will be scored and all scores will be totaled, resulting in an overall score. The final score will be determined by averaging Team Reviewers' overall scores for each proposal. Also, in the event of a substantial scoring disparity of total available points, an additional reviewer may rate the affected proposals and the average of all of the scores will determine the final average score.

C. Tier III Evaluation

The Tier III Evaluation assessments will be conducted by designated DCJS executive staff. The Tier III Evaluation will select applicants for funding and determine the award amount through consideration of the Tier II Evaluation scoring and comments, strategic priorities, available funding and best overall value to New York State.

Award amounts for competitive funding will be based on demonstrated need and quality and completeness of application. The DCJS Executive Deputy Commissioner, or his or her designee, will make final decisions regarding approval and individual award amounts based on the quality of each submission, the recommendations of the reviewers and specific criteria set forth in this solicitation. Final award decisions will be made by DCJS in accordance with the best interests of the State. Nothing herein requires DCJS to approve funding for any applicant. DCJS intends to offer one year contracts to successful applicants commencing July 1, 2018.

VI. NOTIFICATION OF AWARDS

Applicants approved for funding will be notified in writing by DCJS via email to the email address provided in GMS. The terms of the final contract agreement are subject to negotiation between DCJS and the grantee.

If DCJS and the successful applicant cannot agree to contract terms within ninety calendar days of notification of selection for award, DCJS reserves the right to rescind the award and redistribute the funds. For those not approved to receive funding awards, notifications will be both emailed to the contact person and sent by U.S. Postal Service mail.

Applicants will be accorded fair and equal treatment with respect to its opportunity for a debriefing. A debriefing is available to any entity that submitted a proposal or application in response to this solicitation who did not receive the full amount of the award requested. A debriefing must be requested in writing by the Applicant within 15 calendar days of being notified in writing by DCJS that the Application was not fully funded.

An Applicant's written request for a debriefing must include specific questions that the Applicant wishes to be addressed and must be submitted to DCJS via the funding mailbox at dcjsfunding@dcjs.ny.gov with the following in the subject line: **Request for Debriefing: GIVE RFA**. The debriefing shall be scheduled to occur within 30 business days of receipt of written request by DCJS or as soon after that time as practicable under the circumstances. The preferred method for the debriefing will be in-person, however, upon mutual agreement by all parties, another means such as telephone, webinar, or any combination thereof may occur.

VII. REQUIRED CONTRACT GMS REPORTING AND DATES

Grants Management System (GMS) Quarterly Progress Reporting

All DCJS grantees will be required to submit quarterly progress reports via GMS that describe quarterly performance and activities in support of the project Work.

Quarterly Fiscal Reports

All grantees will be required to submit quarterly fiscal reports and claims for payment.

Reporting Due Dates:

GMS Progress Reports, and Fiscal Claims for Payment (formerly known as State-Aid Vouchers) are due to DCJS by the following dates:

<u>Calendar Quarter</u>	<u>Report Due</u>
July 1 - September 30	October 31
October 1 - December 31	January 31
January 1 - March 31	April 30
April 1 - June 30	July 31

GIVE Specific Reporting:

In addition to the reporting described above, there are GIVE specific reporting requirements. See Appendix: *GIVE Contract Specific Requirements*.

VIII. ADMINISTRATION OF CONTRACTS

DCJS will negotiate and develop a contract with each successful applicant. The grant contract may be subject to approval by the NYS Office of the Attorney General (OAG) and the Office of the State Comptroller (OSC) before funding may actually be disbursed. If DCJS and the successful applicant cannot agree to contract terms within ninety calendar days of notification of selection for award, DCJS reserves the right to rescind the award and redistribute the funds.

Contract Approval

All contracts may be subject to the approval of the Attorney General and the Comptroller of the State of New York, and until said approval has been received and indicated thereon, the Contract shall be of no force and effect.

Contract Term

DCJS will enter into a contract period as noted in this solicitation. DCJS reserves the right to modify the contract term in the best interests of the State.

Contract Activities

All activities must have prior approval from DCJS and meet the guidelines established by the State of New York.

Contract Changes

Contracts resulting from this solicitation may be executed, increased, terminated, renewed, decreased, extended or amended or renegotiated for any reason at the discretion of the Executive Deputy Commissioner of DCJS as a result of contractual performance, changes in project conditions, or as otherwise may be in the best interests of New York State.

Records

The grantee will keep books, ledgers, receipts, personnel time and effort records, consultant agreements and inventory records pertinent to the project and consistent with DCJS contractual provisions and mandated guidelines. In accordance with the standard contract Appendix A-1 (see "Standard Contract Provisions" below), grantee staff whose salaries are paid in whole or in part from grant funds shall maintain a time recording system that shows the time and effort devoted to the grant project.

Liability

Nothing in the contract between DCJS and the grantee shall impose liability on the State of New York for injury or damages incurred during the performance of approved grant activities or caused by the use of equipment purchased with grant funds.

Payments

Payments to reimburse project expenses will be made pursuant to a schedule specified in the contract between the State of New York and the grant award recipient. Where applicable, performance-based expenses will be reimbursed in compliance with the contract milestone performance and costs budget and the project work plan.

Reports

The grantee shall submit all reports to DCJS, as required and described in a format and time frame as specified in the RFA and the contract. The quarterly GMS progress reports of the grantee's activities under this contract must be submitted electronically as directed by DCJS. The quarterly GMS progress reports shall include a description of the grantee's efforts undertaken during the reporting period and the current status of the project. Independent of any reporting schedule, all grantees will be required to inform DCJS of any program issues that are significantly impacting program performance. Any project funded under this solicitation must comply with the requirements established by DCJS. The grantee agrees to submit any other reports considered relevant by DCJS including those described in Appendix: *GIVE Contract Specific Requirements*.

Performance Review

The grantee's performance in all areas mentioned above, in addition to the services contracted for, will be monitored periodically by DCJS and will take the form of site visits, program file review, written and telephone communication, and any other methods deemed necessary by DCJS to ascertain the quality and quantity of grantee activities.

Disposition of Allocations

DCJS reserves the right to reject applications, deny awards, or defer applications for future consideration based on insufficient information in the application, lack of accompanying documentation, the inappropriateness of the project proposed, an organizational history of unsuccessful projects of a similar nature, or a history of contract non-compliance.

Revocation of Funds

Funds awarded to an applicant who does not implement an approved project within 90 calendar days of the contract start date may be revoked and redistributed at the discretion of the Executive Deputy Commissioner of the DCJS or his or her designee.

Encouraging Use of New York State Businesses in Contract Performance

New York State businesses have a substantial presence in State contracts and strongly contribute to the economies of the State and the nation. In recognition of their economic activity and leadership in doing business in New York State, applicants for this solicitation are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the contract(s) resulting from this solicitation. Such partnering with New York State businesses may be as subcontractors, suppliers, protégés or other supporting roles. To assist in demonstrating commitment to the use of New York State businesses in the

performance of the contract(s), all applicants must complete the form provided on the DCJS website at <http://www.criminaljustice.ny.gov/ofpa/forms.htm> entitled: *Encouraging Use of New York State Businesses in Contract Performance* and submit the completed form as an attachment to the their application in GMS. There are no points attributable to this component of the application.

Use of Service-Disabled Veteran-owned Business Enterprises in Contract Performance

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State, bidders/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at

<https://online.ogs.ny.gov/SDVOB/search>.

Bidders/proposers need to be aware that all authorized users of this contract will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and functionality to those that may be obtained from non-SDVOBs. Furthermore, bidders/proposers are reminded that they must continue to utilize small, minority and women-owned businesses consistent with current State law. Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor's optimal performance under the contract, thereby fully benefiting the public-sector programs that are supported by associated public procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects bidders/proposers to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

Bidders/proposers can demonstrate their commitment to the use of SDVOBs by responding to the questions on the form located at http://www.criminaljustice.ny.gov/ofpa/pdfdocs/Veteran_Owned_Business_Form.pdf and attach the completed form, along with your Application, to the NYS Division of Criminal Justice Services' Grants Management System (GMS). There are no points attributable to this component of the application.

STANDARD CONTRACT PROVISIONS

Any contracts negotiated as a result of this solicitation will be subject to the provisions of Appendix A, Appendix A-1, and Appendix M, which contain the standard clauses for all New York State grant contracts with DCJS. Appendices are available on the DCJS website at <http://www.criminaljustice.ny.gov/ofpa/forms.htm>.

Minority and Women-Owned Business Enterprises (M/WBE) and Equal Employment Opportunity (EEO) Requirements

DCJS recognizes its obligation under New York State Executive Law Article 15-A to promote opportunities for the participation of certified minority-and women-owned business enterprises (M/WBEs), as well as the employment of minority group members and women in the performance of DCJS contracts.

Contracts in excess of \$25,000 require grant recipients to document good faith efforts to provide meaningful participation by M/WBEs as subcontractors or suppliers in the performance of grant contracts, as well as the employment of minority group members and women.

Accordingly, applicants requesting in excess of \$25,000 must be prepared to submit a Local Assistance M/WBE Subcontractor/Supplier Utilization Proposal Form (DCJS-3301), and a Local Assistance M/WBE NPS Discretionary Budget Determination Worksheet (DCJS-3309). For contracts in excess of \$250,000 applicants must also submit an M/WBE Equal Employment Opportunity Staffing Plan (DCJS-3300). All forms are located at <http://www.criminaljustice.ny.gov/ofpa/mwbe/index.htm>.

DCJS will review the submitted Local Assistance M/WBE Equal Employment Opportunity Staffing Plan, the Local Assistance M/WBE Subcontractor/Supplier Utilization Proposal Form, Local Assistance M/WBE NPS Discretionary Budget Determination Worksheet, and Minority and Women-Owned Business Enterprises and Equal Employment Opportunity Policy Statement and advise the applicant of DCJS' acceptance once an award determination is made. For additional information regarding M/WBE requirements see also <http://www.criminaljustice.ny.gov/ofpa/forms.htm>. There are no points attributable to this component of the application.

Data Universal Numbering System (DUNS) Registration Requirements

All DCJS funding applicants are required to provide a DUNS number. If you are unsure whether or not your organization has a DUNS number, check with your Fiscal Officer. New applicants will enter the DUNS number in GMS while completing the Participant section; existing DCJS grantees whose DUNS number is not already on file should email the number to dcjsfunding@dcjs.ny.gov to have it entered by DCJS staff prior to submission of the application. Any organization needing a DUNS number can register through the following link: <https://fedgov.dnb.com/webform>. Please note the process of requesting and receiving a DUNS number and/or having it entered into GMS by DCJS staff will require additional time. It is strongly recommended that applicants begin this process early.

IX. APPLICATION SUBMISSION

A. Application Specific Instructions

One proposal should be submitted for each county requesting funding. Proposals must be submitted using the DCJS Grants Management System (GMS).

All narrative proposals must be submitted as GMS attachments in Microsoft Word, Arial 11-point font, 1.5 line spacing format. Applications submitted in alternate formats may not be accepted or reviewed by DCJS. Use of the Portable Document Format (PDF) is NOT acceptable for the program narrative, but is acceptable when submitting other types of supporting documentation, e.g. charts and maps developed by crime analysts.

Please do not submit photographs or media articles as part of your application. These will not be reviewed by DCJS during the GIVE RFA evaluation process.

B. Grants Management System (GMS)

Applications must be submitted to DCJS using the DCJS Grants Management System (GMS). First time GMS users should download the GMS User Manual located at <http://www.criminaljustice.ny.gov/ofpa/gms.htm>

Applications must be complete in order for the GMS submission to be successful. If you need assistance with accessing and using GMS, please contact the DCJS Office of Program Development and Funding GMS Help Desk at (518) 457-9787.

See RFA for specific information related to the application. For general guidance and GMS Helpful Hints see Appendix: *Grants Management System (GMS) Instructions and Helpful Hints*.

Accessing the Application in GMS

To access a new application in GMS, log on to the system and click on "Project." Click the "New" button at the top of the project grid. This will take you to a screen that says "Select a Program Office." Using the drop-down box, find and select GIVE INITIATIVE. Click "Create Project." Your application will now be ready to complete.

Completing the Application

Applicants are encouraged to complete the GMS Application early to avoid any concerns with these automated systems. Each application submitted on GMS will consist of the following components that must be completed for the system to accept the Application:

- Participant name(s);

- Contact information for all participating agencies per application;
- Program specific questions - See GIVE RFA for instruction;
- Project budget– See GIVE RFA for instruction; and
- Program work plan – See GIVE RFA for instruction.

When all of the above requirements and GMS Application components are completed, click the “**Submit**” button. GMS will review the application for completeness. If any fields are missing, a report will display what remains to be completed. Once all fields are complete and you submit successfully, GMS will display a screen that says “*Your application has been submitted.*”

X. APPLICATION CHECKLIST

- Complete all DCJS Grants Management System (GMS) Registration Requirements – See Appendix: *DCJS Grants Management System (GMS) Instructions and Helpful Hints*.
- Complete all necessary contractual requirements as described in Section VIII *Administration of Contracts*.
- Complete Narrative Responses as described in Section IV. GIVE RFA INSTITUTIONALIZATION PLAN (INCLUDES NARRATIVE RESPONSES AND BUDGET) and attach word document to GMS as indicated.
- Complete BUDGET using Attachment 2: *GIVE Budget Worksheet* and attach to GMS as instructed within the RFA.
- Attach the 2018-2019 Memorandum of Understanding(s)/Memorandum of Agreement(s) signed by the partnership members (include justification for any required member signatures not included), to the GMS Application. Contracts will not be finalized until MOU(s)/MOA(s) are received by DCJS.
- Attach signed Letters of Support from the participating 2018-2019 partnership members detailing their role in the strategy to the GMS application. Contracts will not be finalized until Letters of Support are received by DCJS.
- Ensure that Monthly crime data is submitted for primary and secondary (where applicable) police departments and no reports are outstanding at the time of application submission.
- Ensure Monthly Gun Data Reports are submitted for primary and secondary (where applicable) police departments and that no reports are outstanding at the time of application submission.

- Ensure that Application submitted complies with technical submission requirements noted in Section IX Application Submission of the RFA.
- Applications must be submitted to DCJS through the Grants Management System (GMS) by Wednesday, February 21, 2018 at 12:00pm.

Appendix: 2018-19 GIVE Initiative Bidder's Conference/Webinar Information

A Bidder's conference will be held on Wednesday, January 31, 2018 from 1:00 PM – 2:00 PM.

APPENDIX: DCJS GRANTS MANAGEMENT SYSTEM (GMS) INSTRUCTIONS AND HELPFUL HINTS

GMS Helpful Hints: This document provides general GMS information. Instructions for submitting a GIVE application are within the RFA.

General Information

First time GMS users should download the GMS User Manual located at <http://www.criminaljustice.ny.gov/ofpa/gms.htm>

Persons familiar with GMS can use the following simplified guidelines:

Getting Started: Sign on to GMS.

Click "Project" to go to project grid. Click the "New" button at the top of the project grid. This will take you to a screen that says "Select a Program Office" in a drop-down box format. Find and highlight "Name of funding program," then click "Create Project."

This begins your application. You may work on the application, save and return to it at a later time, except as noted below. Note that GMS will time out after 30 minutes of inactivity. That means that you should save your work frequently. Each save re-sets the timer.

In the newly-created project complete the following modules which are listed across the top of the screen:

General - Complete the text screens and press save.

Participants/Contacts - Complete the text screens and press save.

Click on "Add Participant" and in the search prompt that appears type in your agency name. This should take you to a list, find your agency, and click in the blue section of your agency name. This will prompt a drop-down list that defaults to "Grantee." Click "Add." If there will be a separate Implementing Agency, repeat the process, choosing "Implementing Agency" as the Participant Type. In the event your agency is not listed, click the "New" button to add your agency to our database. Please complete all required information on the screen, including the Employer Identification Number (EIN) before you SAVE the entry. GMS will only allow one attempt then locks the entry to edits. Should you still need additional information added to the Participant record, please call GMS Help at (518) 457-9787.

Scroll to the bottom of the screen to add contact information. Click on "Add Contact" and in the search prompt that appears type in the last name of the person to be added. This should take you to a list. Find the person to be added and click in the blue section of the name. This will prompt a drop-down list that defaults to "Primary." Ensure you do this until you have added a minimum of three contacts: Primary, Signatory and Fiscal. In the event that the contact you

are attempting to add does not appear in a search, click the "New Contact" button to add the contact to our database.

Note: If the signatory you try to add is not eSignature registered, you will get an error message and will not be allowed to add that person at that time. You will NOT be able to submit the application without a signatory attached.

Make sure to include the following in your application:

- **Budget - See Application for additional budget specific instructions.**
- **Work plan - See RFA for specific instructions pertaining to the GIVE work plan.**
- **Narrative Questions - See RFA for specific instructions.**

Note: GMS will time out after 30 minutes and unsaved material will be lost. Cutting and pasting from a Word document will prevent the loss of any work.

Attachments -

Click on "Attachment," and upload the required attachments for this solicitation. Note: Follow the instructions in the GMS User's Manual for Attachments. See screen instructions for accepted file types and advice on file names.

Remember: Failure to submit required documents will be considered the same as failure to meet the deadline for application submission. This may result in a non-award due to the application being untimely.

When all requirements are completed, click the "Submit" button. If any fields are missing, a report will display what remains to be completed. Once all fields are complete and the application is submitted, GMS will display a screen that says "*Your application has been submitted.*" In addition, GMS will send an email notification to the Signatory official listed on the application to make him or her aware that an application has been submitted on your jurisdiction's or organization's behalf.

A MONTHLY REQUIREMENTS

1. Monthly Meetings

Monthly partnership meetings are critical for coordination and collaboration and must be held each month. These meetings are required to be structured to maximize the coordination, collaboration and accountability of partner agencies. The general theme of the meeting shall be the discussion of each partner’s role in the four core principles of the jurisdictions GIVE plan: People, Places, Alignment, and Engagement.

- a) The GIVE Initiative Co-Chairs, or their Executive level designee, and at least one representative from every GIVE funded agency within the partnership must attend all monthly meetings. In the case of the District Attorney’s Office, if the District Attorney is unable to attend, the designee must be a supervising Assistant District Attorney or equivalent.
- b) The meeting agenda must be sent via email to the DCJS GIVE Initiative Manager a minimum of two days in advance of the meeting.
- c) The meetings must include an in-depth discussion of the firearm-related violent crime (or aggravated assaults as applicable), shootings and homicides, performance measure outcomes and the need for strategy modification when applicable. In the jurisdictions where a regional Crime Analysis Center (CAC) exists, the CAC should play an integral role in the meeting through preparation (i.e., providing analysis of crimes and related material) and participation. In jurisdictions without a regional CAC, a designated Crime Analyst should assume this role.
- d) In addition to the requirements noted above, the monthly meetings should include a summary of the following information:
 - (1) Number of shooting incidents involving injury;
 - (2) Number of victims hit by gunfire;
 - (3) Individuals killed as a result of gun violence;
 - (4) The number of total aggravated assaults (aggravated assault jurisdictions only)
 - (5) The number of domestic violence-related assaults occurring, both aggravated and simple

For each of the above, jurisdictions should report on the statistics for the identified “GIVE zones”, SNUG zones, and citywide totals.

- (1) Total crime guns recovered and submitted to ATF for trace;

- (2) Total persons arrested for firearm-related crimes;
 - (3) Discussion of institutionalization efforts on GIVE Initiatives;
 - (4) Updated intelligence regarding “hot spots” and “top offenders”
 - (5) Documented summaries, including performance measure outcomes from each meeting with general plans and contributions of funded agencies in addressing firearm-related crimes and homicides shall be forwarded via e-mail to the assigned GIVE jurisdiction representative within five (5) business days of the meeting. In addition, monthly reports must be submitted using the DCJS monthly report format.
- 2. Timely, Accurate, Crime Data** – Each month, all participating law enforcement agencies are required to submit monthly crime reports to DCJS through the eJusticeNY Integrated Justice Portal (IJPortal) IBR/UCR Reporting Interface within 30 days after the close of the reporting period.
- 3. Incident-Based Reporting (IBR) Agencies** – Monthly IBR extract files are required to be uploaded through the IBR Reporting Interface on the IJPortal. The following two UCR Summary reports are required to be submitted to DCJS through the UCR Data Entry Interface on the IJPortal:
- a) Hate Crime
 - b) Law Enforcement Officers Killed or Assaulted (LEOKA)
- 4. Summary (UCR) Reporting Agencies** – The following UCR Summary reports are required to be submitted to DCJS through the UCR Data Entry Interface on the IJPortal:
- a) Return A (Monthly Offenses known to Police)
 - b) Arrests of Persons 18 and Over
 - c) Arrest of Persons Under 18
 - d) Supplemental Homicide Report (SHR)
 - e) Arson
 - f) Hate Crime
 - g) Law Enforcement Officers Killed or Assaulted (LEOKA)
- 5. Monthly Gun Data** – Both primary and DCJS designated secondary police departments must submit the Monthly Gun Data Report within 7 business days of the end of the month that is being reported on. When the police department is unable to submit the data within 7 business days, the Chief must submit the reasoning to DCJS while ensuring the data is submitted as soon as possible. If it is deemed that the reasoning for the late submission was out of the control of the police department, a waiver will be granted to avoid a finding of contract non-compliance.

Instructions for accessing and submitting crime reports through the IJPortal can be found at: http://www.criminaljustice.ny.gov/crimnet/ojsa/crimereporting/ucr_refman/IJPortal-UCR-Data-Entry-Manual.pdf

All law enforcement agencies must stay current with their monthly submissions. When the police department is unable to submit the data within 30 days, the Chief must submit the reasoning to DCJS while ensuring the data is submitted as soon as possible. If it is deemed that the reasoning for the late submission was out of the control of the police department, a waiver will be granted to avoid a finding of contract non-compliance.

B. ONGOING REQUIREMENTS

- 1. Information Sharing Networking**– DCJS will conduct region based roundtable style meetings occasionally throughout the budget cycle in order to bring jurisdictions together to discuss current trends and best practices. Agencies will be required to send appropriate representatives when requested by DCJS. Participants of GIVE will also participate in cross-jurisdictional networks that will help shape strategies and share the results of the institutionalization of the strategies with multiple jurisdictions. These networks will be implemented through participation in cross-jurisdictional information sharing meetings, conference calls, and other information sharing initiatives.
- 2. Crime Guns** - All crime gun seizures require the following:
 - a. GGUN Entry:** All required information on the seized firearm are to be submitted via the IJPortal GGUN entry form. This step will automatically initiate an ATF eTrace submission, a NYS Pistol Permit inquiry and submission to the NYS Gun Clearinghouse for further analysis. NOTE: Agencies must have executed an MOU with ATF for access to an eTrace account, and per the MOU, are NOT to make entries into the ATF eTrace program. The GGUN entry will automatically initiate the eTrace inquiry. NOTE: eTrace access is intended for information access only. Agencies are not to submit any information via the eTrace system.
 - b. Lab Submission for Firearm Analysis:** All recovered crime guns and appropriately related ballistic evidence including recovered casings are to be submitted to your regional crime lab for analysis; to include National Integrated Ballistic Information Network (NIBIN) inquiries. Submissions, including test firing requirements, are to be executed per the requirement of your regional crime lab.
 - c. Crime Analysis Support:** All information related to a crime gun recovery including firearm information, incident information on the seizure, and all subsequent results of the above inquiries including NIBIN results are to be shared with your crime analysis unit and/or regional Crime Analysis Center when the information is received.
- 3. Domestic Incident Report Database** - Agencies are required to participate in utilizing the DCJS Domestic Incident Report (DIR) Repository. The repository provides

electronic, cross- agency access to DIRs filed by police departments and sheriff's offices in the 57 counties outside of New York City. This secure database automates information – previously only captured on paper – that will enable law enforcement to more safely respond to domestic incidents, improve the supervision of offenders on parole and probation and enhance the prosecution of domestic violence crimes.

Contact the DCJS Customer Contact Center at cccenter@dcjs.ny.gov, 518-457-5837 or 1- 800-262-3257 for more information and to enroll.

4. **DNA Collection** – Agencies are expected to ensure that all DNA databank collections are being taken in a timely manner and as required by law.
5. **Sex Offender Address Verification** – Agencies are expected to be vigilant in verifying the addresses of all sex offenders assigned to their jurisdictions and promptly report the action taken on eJusticeNY.
6. **Sex Offender Photos** – Agencies are expected to be vigilant in ensuring all photos due from sex offenders assigned to their jurisdiction are obtained in a timely manner and promptly uploaded to eJusticeNY.
7. **SNUG Data Sharing Requirements** – Jurisdiction's that have a SNUG Street Outreach program are required to adhere to the following data sharing requirements:
 - a) Participating police departments will attend monthly meetings, at a minimum, with the SNUG (also known as Neighborhood Violence Prevention Project) program manager or his/her designee and regional crime analysts, or agency crime analyst, to discuss firearm related crime, gang activity, and violence. Meeting frequency may be increased at the discretion of DCJS based on shootings, homicides, and the incidence of violent crime within a jurisdiction.
 - b) By the 15th day of each month, participating police departments will provide SNUG personnel with a monthly list of high risk individuals who have been identified as known or suspected gang members, gang leaders who promote gun violence, and candidates most likely to carry guns and/or be involved in shooting incidents. Police agencies may use discretion when it comes to supplying sensitive information regarding these high-risk individuals (i.e. persons involved in active criminal investigations).
 - c) By the 7th day of each month, the participating police department will provide DCJS a crime map pinpointing the locations of the prior month's shooting incidents for both the SNUG target area(s) and the entire city. A copy of this map will be sent to the GIVE Program Manager and the Statewide SNUG Director.
 - d) Participating police departments will provide DCJS an annual crime map

pinpointing the locations of all shooting incidents which have occurred between July 1 and June 30 of the preceding GIVE contract period for both the SNUG target area(s) and the entire city. This annual crime map will be due on the last day of the month following the expiration date of the contract. A copy of this map will be sent to the GIVE Program Manager and the Statewide SNUG Director.

- e) By the 7th day of each month the participating police department will provide DCJS a report detailing a month to month comparison of shootings and homicides for the current calendar year and the two preceding calendar years for the target area(s) and the entire city.
- f) Participating police departments will develop written protocols detailing established procedures to notify the SNUG program manager or his/her designee of all shootings and/or homicides within 24 hours of each incident. The written procedures must be submitted to DCJS with the first Quarterly Progress Report.

APPENDIX: Evidence – Based Policing Resources

Problem Oriented Policing

“Problem-oriented policing is an approach to policing in which discrete pieces of police business (each consisting of a cluster of similar incidents, whether crime or acts of disorder, that the police are expected to handle) are subject to microscopic examination (drawing on the especially honed skills of crime analysts and the accumulated experience of operating field personnel) in hopes that what is freshly learned about each problem will lead to discovering a new and more effective strategy for dealing with it. Problem-oriented policing places a high value on new responses that are preventive in nature, that are not dependent on the use of the criminal justice system, and that engage other public agencies, the community and the private sector when their involvement has the potential for significantly contributing to the reduction of the problem. Problem-oriented policing carries a commitment to implementing the new strategy, rigorously evaluating its effectiveness, and, subsequently, reporting the results in ways that will benefit other police agencies and that will ultimately contribute to building a body of knowledge that supports the further professionalization of the police.”

- Herman Goldstein (2001)

Jurisdictions must articulate how they will incorporate procedural justice into their overall strategy. Below is a more detailed explanation of procedural justice followed by specific guidance on how to incorporate procedural justice into strategies.

Procedural Justice

“A substantial body of research tells us that—when those who come into contact with the police feel that they are treated fairly—they are more likely to accept decisions by the authorities, obey the law, and cooperate with law enforcement in the future – even if they disagree with specific outcomes. Clearly, each of us has an opportunity, and a responsibility, to refocus on engagement with the individual communities we serve—by involving our fellow citizens in the process of establishing clear norms of behavior; by setting standards for right and wrong; and, ultimately, by relegating the era of suspicion and distrust to the past.”

Former Attorney General Eric Holder in his speech to the International Association of Chiefs of Police on October 21, 2013

Jurisdictions must use more than one of the evidence based strategies listed below when developing a comprehensive strategy to respond to their shooting and homicide problem. All approaches must be formulated based on the four core elements of people, places, alignment, and engagement with the primary goal of the elimination of gun-involved violence. References to additional materials on each of the approaches are included:

Crime Prevention Through Environmental Design (CPTED)

Crime Prevention Through Environmental Design (CPTED) may be a proactive or reactive activity which uses existing aspects of the environment, or modifies the environment, to decrease the likelihood of criminal activity. As a proactive activity, this may occur as new developments are being planned. When reactive, it is likely to be a response to a particular event or series of events. Environmental changes may be modifications to physical structures or vehicular and pedestrian traffic flow. They may entail “target hardening” by modifying access points, installing spot lights or adding video surveillance. It can also involve broader changes to the surrounding environment, such as cleaning up communities, modifying street lighting, fixing broken windows, adding parks and recreation or encouraging outdoor communal social activities. CPTED is an activity that can include a wide variety of law enforcement and community stakeholders. Below is a list of web based resources for a better understanding of CPTED and its institutionalization.

Hot Spots Policing

Hot Spots Policing strategies focus on small geographic areas or locations, usually in urban centers, where crime is concentrated. It is based on the understanding that there are settings with significant clusters of crime that generate a large proportion of the total crime reported in the broader community. The concentration of crime in small places or micro locations (buildings or addresses, street segments, or blocks) allows for focused interventions. These may take a variety of forms. Analysis is necessary to identify the locations and the nature of the crime that characterizes them. Approaches may range from directed patrols and heightened levels of traffic enforcement to aggressive disorder enforcement and problem oriented policing to address the location-specific issues that have been identified through analysis. Below are links to additional

information on Hot Spots Policing.

Street Outreach Workers

The model relies on the use of culturally appropriate staff that respond to shootings to prevent retaliation and detect and resolve conflicts that are likely to lead to shootings. They develop relationships with high risk individuals who are likely to engage in gun violence and link them with resources such as education and job training. Staff collaborates with neighborhood organizations and other community groups to organize neighborhood events and public education activities that promote a no-shooting message. The strategy aims to change behaviors, attitudes, and social norms directly related to gun violence.¹ (See Cure Violence website [Cure Violence](#)).

2. [National Gang Center Bulletin](#)
3. [National League of Cities](#)

Focused Deterrence

The National Network's intervention model, known formally as a "pulling levers" focused deterrence framework^[2], identifies a particular serious crime problem, assembles a partnership of law enforcement, community leaders, and social service providers; conducts research to identify the small number of people driving the vast majority of serious offending; responds to continued offending by activating a variety of sanctions—i.e., "pulling levers"; focuses social services and community resources on offenders; and communicates with them directly and repeatedly to give them a clear moral message from the community that the offending must stop, provide them credible information about the legal consequences for further offending, and offer them help.^[3]
^[4] The model recognizes that offenders, although they engage in behavior damaging to their communities, are also rational, responsible adults governed by formal and informal social norms,

and that they will respond when given the information they need to change their behavior. This approach has resulted in reductions in serious crime in a range of cities nationwide.^[5]

Aggravated Assault

The six jurisdictions (Broome, Chautauqua, Rensselaer, Rockland, and Ulster counties and the City of Middletown in Orange County) are required to focus on aggravated assaults may use the below resources to respond to the problems underlying aggravated assaults (as defined by FBI Uniform Crime Reporting guidelines). APPENDIX: GIVE 2018-2019 Institutionalization Plan Evaluation Criteria

The following criteria should be utilized as a guide to formulate your jurisdiction's GIVE Institutionalization Plan and responses. Applicants' submissions will be evaluated based on the inclusion of the following components:

See Required Narrative Responses: Section a) – Scanning/Analysis (50 Total Points)

1. Did the jurisdiction utilize the Problem-Oriented Policing framework in developing its jurisdictional assessment?
2. Does the jurisdiction provide an adequate assessment of the underlying factors that contribute to the majority of shootings and homicides, or aggravated assaults where applicable, within their jurisdiction?
3. Was this assessment performed with the assistance of the Crime Analysis Center or Crime Analyst?
4. Did the applicant summarize the analysis of their shootings and homicides, or aggravated assaults where applicable?
5. Did the applicant identify patterns, trends, and locations of shootings and homicides, or aggravated assaults where applicable?
6. Did the applicant utilize DCJS crime statistics, along with their own crime analysis, using at least three years of shooting and homicide data, or aggravated assault data where applicable ?
7. Did the applicant address any changes noted in the patterns, trends, locations, and top offenders of their shootings and homicides, or aggravated assaults where applicable, during the initial GIVE cycle?
8. Did the applicant describe the criteria used to develop a list of "top offenders"?
9. Did the applicant summarize how they plan to develop and monitor a "top offender" list?
10. Did the applicant provide a summary of the criteria used to develop a list of "hot spots"?
11. Did the applicant identify specific geographic locations in the jurisdiction where hot-spots enforcement and preventive activities will be concentrated (i.e. GIVE zones)?
12. Did the applicant summarize how they plan to develop and monitor a list of "hot spots"?
13. Did the applicant demonstrate how they plan to use information learned from hot-spot policing technical assistance offerings in their identification of hot-spot location(s) in their jurisdiction?
14. Did the jurisdiction name other programs and resources that currently exist that are used to reduce shootings and homicides and how their GIVE strategy will align with these programs?

15. Does the application describe how the applicant plans to coordinate resources and prevention efforts with state agencies such as DOCCS and the New York State Police?
16. Does the application adequately address the information requested and include the required components established through the RFA?

See Required Narrative Responses: Section b) – Response/Strategy Development (25 Total Points)

1. Is the strategy based on the results of the problem analysis identified during the scanning/analysis phase?
2. Is the strategy based on the data obtained through crime analysis?
3. Is the overall GIVE strategy comprehensive in nature and based on the Problem-Oriented Policing SARA methodology?
4. Does the strategy clearly define the role that each funded agency will play in the jurisdiction's GIVE strategy?
5. Does the strategy clearly define how procedural justice will be incorporated into each aspect of their overall GIVE strategy?
6. Does the strategy include an element of how the agency will address "top offenders"?
7. Does the strategy indicate a plan for addressing "hot spots" within the jurisdiction?
8. Did the agency state a plan for aligning existing programs and resources into their proposed strategy?
9. Does the strategy ensure coordination and alignment with other violence-prevention efforts in the community?
10. Does the strategy articulate the way the agency will obtain active engagement with key stake-holders, the community, and other law enforcement agencies?
11. Does the strategy provide for the ongoing use of timely and relevant crime data?
12. Does the strategy articulate the enhanced integration of the Crime Analysis Center and/or Crime Analysts?
13. Is the applicant's plan to eliminate shootings and homicides, or aggravated assaults where applicable, multifaceted, employing multiple evidence based strategies?
14. Does the applicant clearly articulate how they will develop a plan that will be provided to DCJS on the institutionalization of the strategy?
15. Does the application adequately address the information requested and include the required components established through the RFA?

See Required Narrative Responses: Section c) – Assessment/Performance Measures (5 Total Points)

1. Does the applicant include a plan for the continued monitoring and evaluation of shootings and homicides?
2. Does the applicant include a plan for measuring the institutionalization of the strategy?
3. Does the applicant include quantified performance measures to monitor the effectiveness of the planned strategy?
4. Does the applicant include a plan for assessing the effectiveness of the strategy?
5. Does the applicant provide detailed measurements, other than crime statistics, to measure the effectiveness of the strategy?
6. Does the response address the requirements in the request for application?

See GIVE Initiative Budget Worksheet and Budget Narrative (20 Points)

1. Did the applicant comply with the funding restrictions set forth in this RFA?
2. Did each agency within the eligible jurisdiction complete the individual agency budget section on the combined county budget worksheet for the 12-month budget cycle?
3. Are budget lines directly related to program institutionalization and sufficiently justified?
4. Is there a clear relationship between the budgeted items and resource requirements identified in the applicant's GIVE strategy?
5. Are the roles of budgeted personnel well defined and essential to the applicant's strategy to reduce shootings and homicides?
6. Is the time allotment specified for proposed personnel commensurate with the amount of funding requested for that position?
7. Are non-personnel service items essential and directly related to the strategy?
8. Are budgeted amounts reasonable and calculated based on adequate supporting detail (e.g., number of hours worked, hourly rates, percent-of-effort (FTEs), fringe rates, unit costs, etc.)?
9. Is there sufficient detail with regard to requests for overtime to conduct operations?
10. Are all requested items allowable costs for this RFA?

COUNTY OF ORANGE

Request for Applications for Healthy Orange Interventions

INTRODUCTION

A. The County of Orange, by and through the Orange County Department of Health's Healthy Orange Program ("Healthy Orange"), is seeking applications from schools, worksites, community groups, and organizations that would like to participate in Healthy Orange interventions.

B. An Application Cover Sheet, a Healthy Orange Intervention Description Narrative, a Healthy Orange Intervention Action Worksheet, and Healthy Orange Intervention Budget Worksheet with Narrative Justification, must be submitted to the attention of Danielle Moser with the subject line "RFA for Healthy Orange Interventions" via email to dmoser@orangecountygov.com or via facsimile to (845) 565-5279, by no later than 4:00 p.m., prevailing time, on Friday, March 16, 2018.

GENERAL INFORMATION

A. Procurement Lobbying Law Restricted Period for Communications: Pursuant to State Finance Law §139-j and §139-k, this Request for Applications ("RFA") includes and imposes certain restrictions on communications between the County and an applicant during the procurement process. An applicant is restricted from contacting other than designated staff from the earliest notice of intent to solicit applications through final award and approval of the procurement contract by the County Executive ("restricted period") unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). County employees are required to obtain certain information when contacted during the restricted period. The designated staff contact is Danielle Moser, Telephone (845) 360-6680. Applicants responding to this RFA must familiarize themselves with these State Finance Law requirements and will be expected to affirm that they understand and agree to comply on the Application Cover Sheet included in this RFA.

B. Pay-to-Play Law: Please be advised that this RFA is subject to Orange County Local Law 13 of 2013, as amended, known as the "Pay-to-Play Law". Pay-to-Play Forms will be made available with this RFA. Form A must be included with all applications submitted in response to this RFA; Form B will be required only if an applicant is awarded a contract pursuant to this RFA. Applicants who fail to submit Form A will not have their applications considered. Form B is required for execution of a contract by the County.

C. Questions: Questions can be submitted in writing to Danielle Moser via email at dmoser@orangecountygov.com or by facsimile at (845) 565-5279 by no later than 4:00 p.m. on February 16, 2018.

D. Term: The County anticipates that the term of any contract awarded pursuant to this RFA will be nine (9) months. However, the County may unilaterally extend such term if necessary to fully complete the project, upon the same terms and conditions as set forth in the contract resulting from this RFA.

E. Insurance Requirements: During the term of the Contract, or longer if required, the successful applicant(s) shall maintain, at its expense, Worker's Compensation, disability and liability insurance policies of the types and minimum coverages specified in the contract template attached to this RFA. Certificates of insurance evidencing

the successful applicant(s)'s compliance with these requirements will be required prior to execution of a contract by the County.

F. Form of Contract: Successful applicant(s) agree to execute a contract in the same form as the template attached to this RFA in the timeframe, if any, indicated in this RFA.

G. Submission of Applications: The items checked below must accompany all applications submitted in response to this RFA:

- ☒ Application Cover Sheet from this RFA
- ☒ All items listed in the "Application Submission Requirements" section of this RFA
- ☒ Supplier Application Packet (required prior to contract if applicant has not contracted with the County in the last twelve (12) months under its current business entity name and identification number). The Supplier Application Packet is not included in this RFA but is available at:
http://www.orangecountygov.com/filestorage/124/1332/1392/Supplier_Application_Packet.pdf

H. Anticipated Timeline:

Request for Applications Circulated:	February 2, 2018
Questions Due:	February 16, 2018
Applications Due:	March 16, 2018
Applicant(s) Selected:	On/About the week of April 2, 2018

SCOPE AND SPECIFICATIONS

A. Specifications:

1. Healthy Orange is seeking applications from schools, worksites, community groups, and organizations that would like to participate in Healthy Orange interventions. The applications are intended to act as a catalyst for the development and implementation of community action plan objectives that will lead to policy, system, or environmental changes in representative sectors of Orange County, including community based institutions, worksites, schools, health care facilities, and the community at-large.

2. The following are suggestions for intervention project types which are eligible for 2017 Healthy Orange intervention grant awards:

(a) Establishing public or privately owned concession stands offering healthier food and beverage options.

(b) Planning and instituting a cafeteria "*Make-Over*" which can include, but is not limited to, improving food choices, signage, enhanced environmental aesthetics, or additional equipment purchases.

(c) Increasing the opportunity for physical activity before, during, and after the school or work day. This may include, but is not limited to, providing activity equipment, appropriate curriculum/training/education, bike racks, walking programs, and signage.

(d) Implementing a community supported agriculture ("CSA") share program available to community members and/or employees.

- (e) Establishing a walking path or trail, or a fitness room at a school or workplace.
- (f) Creating Joint-use policies for running track, walking paths, fitness rooms, pools.
- (g) Implementing street calming measures (traffic lights, pedestrian crossings).
- (h) Creating materials and activities related to “complete streets” resolutions or policies.
- (i) Creating materials and activities related to updated food standards and/or procurement policies that increase healthy foods in community sites and settings.

Note: Organizational policy changes must accompany interventions. All proposed intervention projects must include Healthy Orange goals of more physical activity and having better nutrition choices. Proposed intervention projects will be assessed based on the largest number of community members reached.

B. Grant Awards: Grants are available in amounts ranging from \$500.00 to \$4,000.00. Each application must include a detailed budget in the format outlined in this RFA. Grant funds cannot be used to pay salary of staff, mileage, or any other accrued personnel costs. Grant funds will be paid on a reimbursement basis only (see Section G below for information regarding the procedure for reimbursement).

C. Eligible Applicants:

1. Applicants must be partners who have previously participated in Healthy Orange interventions and coalition activities, or those who are interested in future participation in these activities. Active participation in one of these activities will be a condition of any contract awarded pursuant to this RFA.

2. The “Healthy Orange Team” is the leadership branch of Healthy Orange. The Team meets annually in Goshen to identify and plan chronic disease prevention related interventions in and around Orange County. Healthy Orange also has other branch meetings in Newburgh, Middletown, and Port Jervis. These team branches meet quarterly.

3. For more information on participating in any of the above activities contact:

Danielle Moser, Senior Public Health Educator
Orange County Department of Health
Community Health Outreach
130 Broadway
Newburgh, NY 12550
Tel. No.: (845) 360-6680

D. Selection Process:

1. Applications submitted in response to this RFA will be reviewed by the Orange County Department of Health and the Orange County Department of Planning. Applications will be ranked according to the selection criteria set forth below. All applications scoring at least ninety (90) points will be considered and grant awards may be made to each consecutive highest scoring application until the program budget maximum has been reached.

2. The award of any contract pursuant to this RFA may be made to the responsible, responsive applicant(s) whose application(s) is determined to be in the best interest of the County and in accordance with New York General Municipal Law §104-b, taking into consideration the following criteria:

(a) Degree to which the proposed intervention project will contribute to policy, systems or environmental change in the selected community in Orange County **(0-15 points)**;

(b) Degree to which the proposed intervention project reduces the burden of at least one (1) of the following diseases/conditions: (i) obesity, (ii) diabetes, or (iii) cardiovascular disease **(0-20 points)**;

(c) Degree to which the proposed intervention project addresses at least one (1) of the following risk factors: (i) physical inactivity, (ii) poor nutrition, or (iii) cardiovascular disease **(0-20 points)**;

(c) Degree to which evidence-based support indicates effectiveness of proposed intervention project (all proposed intervention projects must have some level of evidence-based support) **(0-15 points)**;

(d) Anticipated degree in reduction of health disparities by the proposed intervention project **(0-15 points)**; and

(e) Degree to which objectives of the proposed intervention project are specific, measurable, achievable, realistic, and time-based (“SMART”) **(0-15 points)**.

E. Application Submission Requirements:

1. Intervention Description Narrative – Describe the proposed intervention project in detail and how it incorporates evidence-based information that will lead to sustainable change in the form of policy, systems, or environmental changes (one (1) page or less on applicant’s letterhead).

2. Healthy Orange Intervention Action Sheet (see Attachment A to this RFA) – To be completed as follows:

(a) Determine policy/system/environmental goal(s);

(b) Create at least one (1) SMART objective;

(c) List main activities that will be developed and implemented to achieve the stated goal and objective(s);

(d) Indicate the timeline for completion of major activities; and

(e) Identify key staff or partners.

3. Narrative Budget Justification (one (1) page or less on applicant letterhead).

4. Healthy Orange Intervention Budget Worksheet (see Attachment B to this RFA) – To be completed as follows:

(a) Indicate specific line items;

(b) Provide dollar amount per line item; and

(c) Provide anticipated in-kind contributions and/or leveraged resources (Each applicant is encouraged to match at least twenty (20%) percent of total amount awarded through in-kind or other contributions).

5. Monitoring and Evaluation – Explain how you would self-monitor implementation and evaluate your goals and objectives for this intervention. Each application must include a plan to monitor implementation and measurements for evaluation. Orange County Department of Health will also conduct an evaluation and monitoring plan that will continue up to one (1) year after grant funding is accepted.

6. Pay-to-Play Documentation – All applications must include the completed Pay-to-Play Form A (forms attached to this RFA). Government entities and school districts are exempt from the Pay-to-Play laws; therefore, applications from such entities do not require Pay-to-Play forms.

7. Disclosure of Prior Non-Responsibility Determinations – All applicants must submit a completed Disclosure of Prior Non-Responsibility Determinations (form attached to this RFA).

F. Grant Award Contract: Applicant(s) awarded a contract pursuant to this RFA (“Awardees”) will enter into a contract with the County. The contract will contain the terms and conditions set forth in Attachment A (Healthy Orange Intervention Action Sheet) and Attachment B (Healthy Orange Intervention Budget Worksheet) submitted in response to this RFA. Therefore, all Awardees must be able to comply with these terms and conditions.

G. Claim Process: Once the contract process has been completed, Awardees will receive a purchase order, which must be submitted with all original receipts or invoices reflecting the purchases made in furtherance of the proposed intervention project for reimbursement to:

Danielle Moser, Senior Public Health Educator
Orange County Department of Health
130 Broadway
Newburgh, NY 12550

All documents for reimbursement must be received by December 17, 2018 unless otherwise indicated in the contract resulting from this RFA.

WITH THE PATROLMEN'S BENEVOLENT ASSOCIATION
OF NEWBURGH, NEW YORK, INC. TO PROVIDE
FOR ADDITIONAL BENEFITS PROVIDED FOR
IN SECTION 242 OF THE MILITARY LAW
FOR POLICE OFFICER ROBERT F. PEDRICK III
WHILE SERVING ACTIVE DUTY IN THE MILITARY
EFFECTIVE ON OR ABOUT JANUARY 16, 2018**

WHEREAS, the City of Newburgh and the Police Benevolent Association of Newburgh, New York, Inc. (hereinafter "the Union"), are parties to a collective bargaining agreement; and

WHEREAS, certain members of the Union serving in the military reserve have been or are liable to be called to active duty as a result of the ongoing conflicts overseas to defend American freedom and protect our people from their declared enemies, and will continue to be required to interrupt regular City employment; and

WHEREAS, the City Council of the City of Newburgh wishes to grant certain additional benefits to such employees; and

WHEREAS, the City Council has reviewed the terms of the Memorandum of Understanding, a copy of which is annexed hereto, and has consulted with the representatives of the City, who have recommended that the City Council approve the agreement;

NOW, THEREFORE, BE IT

RESOLVED, by the Council of the City of Newburgh, New York that the City Manager be and he is hereby authorized to execute on behalf of the City of Newburgh, the Memorandum of Understanding annexed hereto, or in substantially the same form; and be it further

RESOLVED, that the Council of the City of Newburgh hereby extends its esteem, gratitude, appreciation and admiration to every member of the Union and all others called to active duty on behalf of this Country.

MEMORANDUM OF UNDERSTANDING

**BETWEEN
PATROLMEN'S BENEVOLENT ASSOCIATION
OF NEWBURGH, NEW YORK, INC.
AND
THE CITY OF NEWBURGH**

WHEREAS, the CITY OF NEWBURGH (CITY) and PATROLMEN'S BENEVOLENT ASSOCIATION OF NEWBURGH, NEW YORK, INC. (PBA), are desirous of entering into an agreement between the parties to provide for extended military benefits for members who are military reservists and are federally activated to military duty as of the result of the events of September 11, 2001 and the ongoing conflicts overseas beyond the benefits mandated by New York State Military Law.

**IT IS HEREBY UNDERSTOOD AND AGREED BY THE PARTIES HERETO
AS FOLLOWS:**

1. Members of the PBA ordered to active military duty (including ordered service in the reserve force) as a result of the events of September 11, 2001, and the ongoing conflicts overseas, shall be entitled to receive the following benefits:
 - a) Members who have exhausted their entitlement to paid military leave under Section 242 of the Military Law shall be entitled to an additional thirty (30) calendar days or twenty-two (22) working days of supplemental military leave at full pay, whichever is greater, in any one calendar year, not exceeding in total sixty (60) calendar days for any one continuous period of absence;
 - b) Members who have exhausted their entitlement to the paid leave set forth in paragraph (a) above shall be entitled to military leave at a rate of pay equal to the Member's rate of pay pursuant to the Collective Bargaining Agreement less the compensation received by the Member as a result of his or her active duty. The Member shall provide the city with an "enlisted pay chart" establishing the applicable military rate of pay;
 - c) Members shall receive the same individual or family health insurance benefits provided pursuant to the Collective Bargaining Agreement, as received by such members prior to their date of activation;
 - d) Members shall accrue vacation leave at the rate set forth in the Collective Bargaining Agreement during the period they receive benefits pursuant to this Memorandum.

2. The benefits provided in paragraph 1 of this Memorandum shall be in effect from January 16, 2018 to and including June 13, 2018. The terms of this Memorandum may be extended by resolution in the event that the Member's active duty status extends beyond June 13, 2018.

3. The parties agree and acknowledge that this agreement shall not establish any past practice or precedent for members called for active military duty for any reason other than the events of September 11, 2001, and currently ongoing overseas conflicts in Iraq, Afghanistan and related areas.
