Re.: West End Firehouse & Police/Firehouse (Amendment to Existing Contract)
Request for Proposal – Limited Asbestos Bulk Sampling and Consulting Services

Dear Mr. Morris,

Thank you for the opportunity to discuss the needs of the City of Newburgh in the environmental consulting and remediation services area. **Quality Environmental Solutions & Technologies, Inc. (QuES&T)** is pleased to submit the attached amendment to the existing contract for Limited Asbestos Bulk Sampling and Consulting Services at the West End Firehouse and Police/Firehouse, located at 492 Broadway & 22 Grand Street, Newburgh, NY 12550.

QuES&T is a NYS Certified Minority Business Enterprise committed to remaining a leader in the environmental training and technical consulting industry. **QuES&T's** extensive Nuclear Power Industry experience makes us uniquely qualified to provide technical support in state-of-the-art techniques for engineering and contamination control. Additionally, this experience enables us to integrate the essential concepts of "critical path" schedules and minimizing personnel exposures while maintaining a high level of attention to the specific details of each project. **QuES&T** personnel satisfy numerous ANSI and NUREG experience requirements of the Nuclear Regulatory Commission. Our staff has served in various capacities in the Health Physics and Nuclear Engineering disciplines in operational power reactors, nuclear powered vessels, radio-pharmaceuticals and government prototypes.

We are confident you recognize that selection of a qualified technical consultant for professional services, such as pre-construction inspection, project design, project management and air monitoring, represents a step as critical as selecting a reputable environmental remediation contractor. **QuES&T** feels strongly that the success of any remediation project is defined primarily in the planning and design phase. A technically sound project design combined with proper oversight provides the most cost-effective solution and ensures the gains recognized are not at the expense of future liability to the City of Newburgh.

In this regard, **QuES&T** has successfully completed remediation projects, for our client companies, in support of Nuclear and Fossil commercial power plant maintenance outages, facility renovation and demolition, cGMP facility upgrades, recovery from contamination following catastrophic events (e.g. steam line explosions, fires), school building renovations, Corporate asbestos management programs, facility Operations & Maintenance (O&M) programs, UST removals, sub-surface investigations, contaminated soil remediation, LBP stabilization and commercial/residential asbestos & lead abatements.

Technical consulting services are available in the area of regulatory compliance audits, OSHA safety, air monitoring, respiratory protection, laboratory services, building hazard assessments (EPA, HUD, commercial), LBP Risk Assessments, management plans, NYS/NESHAP pre-demolition inspections and full scope project management; including development of remediation response actions and management of all required project and personnel records. Our staff of experienced environmental professionals can prepare all required specifications and procedures to ensure your programs comply with federal, state and municipal regulatory requirements.

QuES&T offers a wide range of OSHA and environmental safety training. Our full range of asbestos safety certification training ensures that our client's employees receive the appropriate training to maximize their safety and minimize your liability. **QuES&T** offers accredited initial and refresher training programs for Operations & Maintenance (O&M), Asbestos Abatement Workers and Supervisors, Project Monitors, Asbestos Project Sampling Technicians (RH-II), Asbestos Project Designers, Asbestos Inspectors (RH-III) and Management Planners. Our accredited training facility (EPA, NYS) contains the most modern equipment to support the hands-on portion of each training program. On-site training services are available for groups of at least twenty-five students and can be tailored to meet the specific needs of City of Newburgh.

QuES&T provides a full range of services in the area of Respiratory Protection. Our technical staff has extensive experience in the development of regulatory compliance programs for NUREG 0041 and OSHA 1910.134 Respiratory Protection Programs. Quantitative or qualitative respirator fit services can be provided at **QuES&T**'s facility or yours.

The Contracting Officer may execute such documents for the transfer of title or other interest in property and take such other action as is necessary or proper to dispose of such property under the provisions of this Policy.

d. Validity of Deed, Bill of Sale, Lease, or Other Instrument. A deed, bill of sale, lease, or other instrument executed by or on behalf of the Land Bank, purporting to transfer title or any other interest in property of the Land Bank in accordance herewith shall be conclusive evidence of compliance with the provisions of this Policy and all applicable law insofar as concerns the title or other interest of any bona fide grantee or transferee who has given valuable consideration for such title or other interest and has not received actual or constructive notice of lack of such compliance prior to transfer of title of such property.

e. Method of Disposition for Real Property.

i. Negotiated Sale.

1. Competitive Listing. Land Bank property for sale shall be listed on the Land Bank's website to solicit competitive offers. An initial listing price shall be determined by staff based on a comparative market analysis and consideration of the Land Bank's then-current valuation guidelines, if any. The Contracting Officer is empowered to negotiate a proposed purchase price with interested purchasers, taking into consideration all reasonable business and financial justifications for accepting offers above or below listing price.

2. Award of Purchase Contract. The Contracting Officer shall present the Board of Directors with a summary and analysis of the offers received for a particular property, making a recommendation as to which offers are reasonable and consistent with the Land Bank's mission and purpose.

The Board of Directors, in its sole discretion, may sell property to an Applicant (as defined in Section 5) who has not submitted the highest purchase offer (i.e. sell for less than fair market value) for a variety of reasons consistent with the Land Bank's mission and purpose including, by way of example and not limitation, the submission of a redevelopment plan which provides for (i) a more comprehensive renovation of the property, (ii) owner occupancy, (iii) a valuable community service, or (iv) other community benefit. The Board of Directors will also take into consideration the Applicant's qualifications and experience, financial capacity, the quality and extent of their redevelopment plan, and the planned use for the property when selecting to which Applicant a sales contract will be awarded. In addition, a number of defined discount programs are contained in this Policy which may result in a property

being sold for less than fair market value.

ii. Requests for Proposals. A Request for Proposals (RFP) may be used for the disposition and redevelopment of certain properties identified by the Land Bank to solicit from a specific pool of potential buyers, to allow a greater length of time for interested buyers to develop an offer and development plan, or to solicit development proposals that meet certain criteria set forth by the Land Bank. As with negotiated sales, the Board of Directors will consider the purchase price offered, the planned use, the scope of the redevelopment plan, the buyer's qualifications and capacity to complete the project, and the funds available for redevelopment, in addition to the content of the response to specific criteria or questions contained within the RFP, when selecting a winning proposal.

iii. Direct Sale. The Board of Directors may authorize the sale of property to a buyer without first undertaking the other methods of disposition set forth herein when it determines that a benefit to the community will be had by authorizing such sale without competitive procedures for reasons consistent with the Land Bank's mission and purpose and upon a demonstration that the buyer is uniquely qualified to purchase, develop or otherwise return the property to productive use as set forth in Section 5 of this Policy.

f. Method of Disposition for Personal Property.

i. The Land Bank may dispose of personal property in accordance with its mission, including through Negotiated Sale, Request for Proposals and Direct Sale, as well as by donation. The Land Bank may utilize contractors or professional services to dispose of personal property provided any revenue generated from such disposal is used to support the Land Bank's mission. When determining the method of disposition, the Land Bank shall utilize the method which shall permit obtaining such competition as is feasible under the circumstances and which is consistent with the value and nature of the personal property proposed for disposition (including whether the personal property involved has qualities separate from the utilitarian purpose of such property, such as artistic quality, antiquity, historical significance, rarity, or other quality of similar effect, that would tend to impact the value thereof), and which will be most advantageous to the Land Bank, price and other factors considered, and which shall further the interests of and be consistent with the mission and purpose of the Land Bank.

g. Board Approval for Disposition of Property. The Land Bank shall not sell, lease,

encumber, or alienate property or improvements unless authorized by a majority vote of the entire Board of Directors in accordance with section 1605(i) of the Not-for-Profit Corporation Law.

SECTION 5. BUYER QUALIFICATIONS; APPLICATION; CONSIDERATION; DISCOUNT/PREFERENCE PROGRAMS; ENFORCEMENT; LEASING.

a. Buyer Qualifications.

i. All disposals of Land Bank property shall be made to qualified buyers. A person submitting an application, bid or other offer to purchase property owned by the Land Bank (an “Applicant”) must meet the following requirements to be considered a “qualified buyer”:

1. The Applicant’s Principal Residence for the year immediately preceding the date of the Applicant’s application was in the City of Newburgh, the Applicant intends to relocate to the City of Newburgh and can provide satisfactory evidence thereof, or the Applicant has agreed to engage a responsible property manager located in the City of Newburgh to manage the property which is being disposed of pursuant to this policy. The term “Principal Residence” means the property that the Applicant uses as his or her residence. If the Applicant uses more than one property as his or her residence, the Applicant’s Principal Residence is the property in which the Applicant lives for the majority of the time during the year and not less than half of the year.
2. In the event the Land Bank requires the Applicant to complete any renovations or repairs with regard to the property being disposed of pursuant to this Policy, the Applicant has submitted satisfactory evidence that he or she has a feasible plan and adequate financing to complete the necessary renovations or repairs;
3. If requested by the Land Bank, the Applicant has completed a home-buyer education course;
4. The Applicant is not otherwise disqualified as set forth herein; and
5. The Applicant has completed an application in accordance with this Policy.

ii. An Applicant is disqualified if:

1. At the time of the Applicant’s application, there are unpaid and past

due taxes with respect to any real property owned by the Applicant;

2. A property owned by the Applicant has been foreclosed upon for tax-delinquency by the City of Newburgh and transferred to the Land Bank;

3. At the time of the Applicant's application, the Applicant owes amounts for past due bills, fines, or fees with respect to any real property owned by the Applicant;

4. There are open code violations or a history of code violations with respect to real property owned by the Applicant;

5. More than one (1) nuisance abatement case or proceeding has been commenced with respect to real property owned by the Applicant; or

6. The Applicant, or any spouse, parent, sibling or child of the Applicant, possessed an interest in the property for which the Applicant is applying to purchase at the time such property was foreclosed upon by the City of Newburgh for tax delinquency. The Board of Directors may consider deviating from this criterion (and 5.a.ii.2 above) if the property in question is the applicant's principal residence or principal source of income and the applicant: 1) presents compelling evidence excusing their failure to redeem the property prior to its foreclosure for unpaid real property taxes; and 2) demonstrates that they have sufficient funds to pay in full (i) the real property taxes that were due at the time of foreclosure, (ii) any other liens that were extinguished by the foreclosure (or the ability to reinstate such liens), and (iii) the Land Bank's expenses associated with the acquisition and maintenance of the property; and 3) makes all repairs necessary to bring the property into compliance with applicable health, building and zoning laws, rules and regulations, and 4) demonstrates that they have sufficient income to remain tax-current once they regain title to the property.

b. Applications. Land Bank staff shall develop purchase application forms which Applicants shall be required to complete, so that the Land Bank can evaluate the qualifications of Applicants and select Applicants with development plans that are consistent with the Land Bank's mission and purpose and the comprehensive plans of the municipalities in which the Land Bank's real property is located. The information requested in such applications may vary depending on the type of property that the Land Bank is intending to sell. The Land Bank may require Applicants to submit redevelopment plans and/or

management plans as part of the application process. The Land Bank may require Applicants to submit a contract to purchase with each application.

c. Consideration. In accordance with the terms and conditions of the Land Bank's discount/preference programs, the Land Bank may accept monetary payments and secured financial obligations, covenants and conditions related to the present and future use of the property, contractual commitments of the Applicant, and such other forms of consideration deemed appropriate by the Board of Directors.

d. Discount/Preference Programs. The Land Bank has adopted the following discount and/or preference programs in order to support, through the sale of Land Bank property, development activities which further the Land Bank's mission and purpose:

i. Community Garden/Green Space Program. The Land Bank recognizes the economic, environmental, and social value of community gardens and green space. Accordingly, the Land Bank may sell or lease certain unimproved residential parcels for a nominal fee to Applicants who plan to develop such parcels into community gardens or green spaces. Any lease agreement entered into by the Land Bank and a lessee pursuant to this Community Garden/Green Space Program will require the lessee to be responsible for all property maintenance and upkeep; obtain any required permits for use or development; comply with all local building, zoning, and property maintenance ordinances; obtain approval from the Land Bank prior to installing improvements exceeding \$1,000 in value or placing any signs on the property; and furnish the Land Bank with liability waivers signed by each gardener who will have the right to use the property.

ii. Residential Side-Lot Program. Certain vacant residential lots acquired by the Land Bank may not be readily marketable because of their size, location, or other characteristics. The Land Bank may sell certain vacant residential lots for a discounted price to property owners who own lots which are directly adjacent to such vacant lots. Owners of adjacent, well-maintained properties are the mostly likely purchasers to take care of these vacant lots in many instances, thereby enhancing the value of the purchaser's property, beautifying the surrounding neighborhood, and improving surrounding property values. The Land Bank may require purchasers to combine such lots with the purchaser's adjacent property to create one tax parcel as a condition of the sale.

iii. Affordable Housing Development Program. Due to the community benefit derived from the development of affordable housing, the Land Bank may sell certain properties, including properties with vacant buildings, at a discounted price to

Applicants who plan to develop income-restricted affordable housing. In order to qualify for this discount, the development must be subject to restrictive covenants or otherwise regulated by an affordable housing funder for a defined affordability period.

iv. Tenant to Home Owner Program. The Land Bank may provide a preference to Applicants who occupy a property being disposed of pursuant to this Policy as tenants at the time the Land Bank acquires such property. The Land Bank will encourage all first time homebuyers to take home owner education courses and to receive other financial counseling.

v. Geographically Targeted Revitalization Programs. From time to time, the Land Bank may reduce the sales price of properties in a clearly defined geographic area in order to attract multiple private investors, such that the investors might leverage one another's investments. These targeted programs will be created by resolution of the Board of Directors. The resolution will define the geographic boundaries of the program, whether it is limited to a certain category of real property, the percentage by which the sales price is to be discounted, and the duration of the program. These programs will be advertised on the Land Bank's website and in other promotional materials during the course of the program, and the justification for discounting the sales price will be stated in the resolution disposing of each property.

vi. Additional Discount/Preference Programs. From time to time, the Land Bank may adopt by resolution of the Board of Directors additional discount or preference programs in furtherance of its purpose or mission.

e. Enforcement. In the event a real property disposition is being made in conjunction with a development plan proposed by the Applicant and approved by the Land Bank or with conditions imposed by the Land Bank, the Land Bank shall take appropriate measures to secure the Applicant's completion of the development plan or compliance with the conditions which measures may include a deed restriction or similar mechanism.

f. Leasing. It may be in the best interest of the Land Bank and the furtherance of its mission to lease its real property under certain circumstances, including, but not limited, to the following circumstances:

i. Existing Occupants. In order to avoid displacing persons occupying real property at the time it is acquired by the Land Bank, the Land Bank may enter into lease agreements with any such persons. The Land Bank may offer occupants relocation assistance if the real property is not habitable or if the occupants are unwilling to enter into lease agreements.

- ii. Properties Pending Sale. The Land Bank may lease an occupied parcel of real property for which a sale is pending in order to allow the occupant to enhance the value of the real property and prevent vandalism to which vacant properties are susceptible.

SECTION 6. LAND BANKING AND PLANNED DEVELOPMENT

In some instances the Land Bank will acquire a dense concentration of properties in a geographic area and may “land bank” those properties for a period of time prior to advertising them for sale until a coordinated redevelopment plan can be developed. Such plan will include input from relevant stakeholders such as the municipality, community development corporations and neighborhood associations. Once a plan has been developed, certain properties may be appropriate for the Land Bank to hold for a longer period of time until necessary funds have been raised for their redevelopment pursuant to the plan, until the Land Bank has acquired other strategic properties nearby, assembled larger parcels, certain development approvals have been granted, or other necessary conditions to effectuate the plan are met.

Properties identified as appropriate for affordable housing development (see definition of Affordable Housing in 5.d.iii. of this Policy) through such a planning effort will be advertised as available only for redevelopment that accomplishes the objectives stated in the plan. These objectives may include certain income-restrictions/affordability thresholds, restriction to rental or owner-occupancy, and minimum standards for the quality of renovation or new construction. Other properties in the plan may be deemed appropriate for sale to private developers or individuals using standard methods to advertise properties for negotiated sale. Particular terms of sale (such as design standards or minimum renovation standards) and/or a hierarchy of preferred redevelopment plans may be adopted by the Board of Directors specific to this geographic area as allowable under 5.d.v. of this Policy.

In other instances the Land Bank acquires a scattered assortment of properties and moves to list them for sale soliciting competing offers. In both instances the Land Bank will take into consideration that funds may not yet have been awarded for subsidized projects and that the Applicant may not yet be able to demonstrate proof of funds awarded, and the Land Bank may approve the sale with a closing date to occur once proof of funds is obtained and when the applicant is ready to take title and begin work (i.e. land banking it for the project in order to minimize the buyer’s total carrying costs in light of the community benefits these projects provide). In some cases the Land Bank may land bank properties until an optimal method of disposition can be identified and effectuated.

SECTION 7. MISCELLANEOUS.

- a. Modification and Amendment; Filing. These guidelines are subject to modification and amendment at the discretion of the Land Bank and shall be filed annually with all local and state agencies as required under applicable law
- b. Posting on the Land Bank Website. This Policy shall be posted on the Land Bank's website.
- c. Annual Review. This Policy shall be reviewed annually by the Land Bank and approved by the Board of Directors of the Land Bank in accordance with section 2896(1) of the Public Authorities Law.

Terms and Conditions Sale

585 South Street, City of Newburgh (SBL: 14-2-6.1)

STANDARD TERMS:

1. City of Newburgh acquired title to this property in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid school taxes for the tax year of 2018-2019, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any school taxes paid by the City for the tax year 2018-2019, and subsequent levies up to the date of the closing. Upon the closing, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within (18) months of the date of the deed. Within such eighteen (18) month time period the purchaser must either: obtain a Certificate of Occupancy for all buildings on the property; make all buildings granted a Certificate of Occupancy before the date of purchase fit for the use stated in such Certificate of Occupancy; or demolish such buildings. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for their consideration.
6. The City makes no representation as to whether the property is vacant and/or unoccupied. Evictions, if necessary, are solely the responsibility of the purchaser after closing and recording of the deed. The parcel is being sold subject to the City's Vacant Property Ordinance (Chapter 121) and all provisions of law applicable thereto. Within 30 days of closing, the purchaser must register the property and pay any applicable fees or submit an acceptable rehabilitation plan to the Building Department.
7. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date upon which the sale is scheduled to take place. Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.
8. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the purchaser following the closing of sale.

9. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Property may contain paint or other similar surface coating material containing lead. Purchaser shall be responsible for the correction of such conditions when required by applicable law. Property also may contain other environmental hazards. Purchaser shall be responsible for ascertaining and investigating such conditions prior to bidding. Purchaser shall be responsible for investigating and ascertaining from the City Building Inspector's records the legal permitted use of any property prior to closing. Purchaser acknowledges receipt of the pamphlet entitled "Protecting Your Family from Lead in Your Home." Purchaser also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
10. The entire purchase price and all closing costs/fees must be paid by money order or guaranteed funds to the City of Newburgh Comptroller's Office by the date listed in the approved City Council Resolution, notwithstanding any extensions of time granted pursuant to terms contained herein ("Closing Deadline"). Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept credit card payments for the purchase price and closing costs/fees.* **The City is not required to send notice of acceptance or any other notice to a purchaser.** At closing, purchaser, as grantee, may take title as a natural person or as an entity wherein purchaser is an officer or managing member of said entity. If purchaser takes title as an entity, purchaser must provide an affidavit listing all of the members or shareholders of said entity, their addresses, their phone numbers, and their percentage ownership stake in the entity. Purchaser must have at least a fifty-one (51%) ownership stake in said entity in order for said entity to take title.
11. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days from the Closing Deadline. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for its consideration.
12. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the purchaser shall be entitled only to a refund of the purchase money paid. Purchaser agrees that he shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
13. Sale shall be final, absolute and without recourse once title is conveyed on the actual day of closing. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
14. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, tax reimbursements, buyer's premium (if applicable), and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon conveyance of deed.**
15. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.
16. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh. Any survey description shall be provided to the City Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City's Engineer.
17. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has

no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 24 months subsequent to the Closing Deadline date. If such conveyance occurs, purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price at auction and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.

18. In the event that Seller engaged the services of a New York State Licensed Real Estate Broker in connection with this sale, Seller shall pay said Broker any commission earned pursuant to a separate agreement between Seller and Broker.
19. The property is sold subject to an owner-occupancy restriction. The purchaser has agreed to purchase the property subject to the five (5) year owner occupancy restriction shall, within 18 months of the delivery of the deed, establish his domicile and principal residence at said premises and maintain his domicile and principal residence at said premises for a period of at least five (5) years thereafter, provided that within said five (5) year period, the purchaser may convey said premises to another who shall also maintain their domicile and principal residence at said premises for said period. This shall be set forth as a restrictive covenant in the deed, subject upon its breach, to a right of re-entry in favor of the City of Newburgh. This shall be in addition to all other provisions, covenants and conditions set forth in the Terms of Sale.
20. Within ten (10) business days of approval of sale by the City of Newburgh, the purchaser shall tender a non-refundable downpayment in the amount of **\$3,146.00** payable to "City of Newburgh" by money order or guaranteed funds to the City of Newburgh Comptroller's Office. At closing, the downpayment amount shall be credited against the purchase price.

STANDARD TERMS:

1. City of Newburgh acquired title to this property in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid school taxes for the tax year of **2018-2019**, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any school taxes paid by the City for the tax year **2018-2019**, and subsequent levies up to the date of the closing. Upon the closing, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within (18) months of the date of the deed. Within such eighteen (18) month time period the purchaser must either: obtain a Certificate of Occupancy for all buildings on the property; make all buildings granted a Certificate of Occupancy before the date of purchase fit for the use stated in such Certificate of Occupancy; or demolish such buildings. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for their consideration.
6. The City makes no representation as to whether the property is vacant and/or unoccupied. Evictions, if necessary, are solely the responsibility of the purchaser after closing and recording of the deed. The parcel is being sold subject to the City's Vacant Property Ordinance (Chapter 121) and all provisions of law applicable thereto. Within 30 days of closing, the purchaser must register the property and pay any applicable fees or submit an acceptable rehabilitation plan to the Building Department.
7. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date upon which the sale is scheduled to take place. Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.

8. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the purchaser following the closing of sale.
9. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Property may contain paint or other similar surface coating material containing lead. Purchaser shall be responsible for the correction of such conditions when required by applicable law. Property also may contain other environmental hazards. Purchaser shall be responsible for ascertaining and investigating such conditions prior to bidding. Purchaser shall be responsible for investigating and ascertaining from the City Building Inspector's records the legal permitted use of any property prior to closing. Purchaser acknowledges receipt of the pamphlet entitled "Protecting Your Family from Lead in Your Home." Purchaser also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
10. The entire purchase price and all closing costs/fees must be paid by money order or guaranteed funds to the City of Newburgh Comptroller's Office by the date listed in the approved City Council Resolution, notwithstanding any extensions of time granted pursuant to terms contained herein ("Closing Deadline"). Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept credit card payments for the purchase price and closing costs/fees. The City is not required to send notice of acceptance or any other notice to a purchaser.* At closing, purchaser, as grantee, may take title as a natural person or as an entity wherein purchaser is an officer or managing member of said entity. If purchaser takes title as an entity, purchaser must provide an affidavit listing all of the members or shareholders of said entity, their addresses, their phone numbers, and their percentage ownership stake in the entity. Purchaser must have at least a fifty-one (51%) ownership stake in said entity in order for said entity to take title.
11. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days from the Closing Deadline. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for its consideration.
12. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the purchaser shall be entitled only to a refund of the purchase money paid. Purchaser agrees that he shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
13. Sale shall be final, absolute and without recourse once title is conveyed on the actual day of closing. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
14. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, tax reimbursements, buyer's premium (if applicable), and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon conveyance of deed.**
15. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.

16. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh. Any survey description shall be provided to the City Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City's Engineer.
17. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 24 months subsequent to the Closing Deadline date. If such conveyance occurs, purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price at auction and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.
18. In the event that Seller engaged the services of a New York State Licensed Real Estate Broker in connection with this sale, Seller shall pay said Broker any commission earned pursuant to a separate agreement between Seller and Broker.
19. Notice is given that the property lies within either the East End Historic District or the Colonial Terraces Architectural Design District as designated in the City of Newburgh's current zoning map. This parcel is sold subject to all provision of law applicable thereto. It is the sole responsibility of the purchaser to redevelop such parcel so designated in accordance any additional laws, rules or regulations applicable to those districts.

RE: Draft amendment to 2018 Council Rules and Order of Procedure
Limit on work session agenda items
Public comment sign-in

CC: Michael G. Ciaravino, City Manager

DATE: September 26, 2018

By Resolution No. 25-2018 of January 22, 2018, the City Council adopted the 2018 Council Rules and Order of Procedure as amended. Following the August 2018 Council meetings, Councilwoman Rayford proposed limiting the number of items on the work session agenda. At the September 6, 2018 work session, proposed amendments to the 2018 Council Rules and Order of Procedure were introduced to implement the proposal. During the September 6, 2018, work session, Mayor Harvey proposed changes to the rules addressing the public comment period to include speaker sign-in and limiting the duration of the public comment period.

Attached for your consideration and review, is a blacklined proposal to incorporate the proposed changes in numerical order as follows:

1. Rule III(D): Proposed amendment precludes adding resolutions, ordinances, and local law to the Regular Meeting agenda if the addition will increase the number of items above the work session limit. This is intended to keep the number of regular meeting agenda items consistent with the number of work session agenda items.

2. Rule VII: Proposed amendment re-institutes the requirement that individuals who wish to speak during public comment sign in with the Clerk in advance of the public comment period. Proposed amendment would provide the Council with the ability to limit the total time for the public comment period before the public comment period begins.
3. Rule IX: Proposed amendment re-institutes the requirement that individuals who wish to speak during the hearing sign in with the Clerk in advance of the public hearing. It is not recommended that the Council limit the duration of the total time for a public hearing because that would be inconsistent with the purpose of conducting a public hearing and may impair the adoption of the underlying resolution, ordinance or local law.
4. Rule X: Proposed amendment provides for a maximum of 20 work session agenda items, including presentations and limits presentations to 15 minutes. The 20 item limit was the consensus of the Council at the September 6, 2018 work session. The proposed amendment includes a priority for items that have a deadline by which Council action is needed in order for those items to be included in the work session agenda before other matters as opposed to a purely first-come, first-served basis for determining the items to be included in the agenda. The amendment also proposes excluding executive session items from the maximum number of work session agenda items because those items tend to be important matters where Council consideration and action cannot often be delayed to the next work session.

The proposed amendments are recommendations and the Council is free to accept, reject or modify as it sees fit.

Case for HV National Adult Baseball Association vs a Minor League Team

	Minor League	HVNABA
Start-up Costs	Previous teams have spent upwards of \$150,000 in order to get the stadium up to the standards of their respective league. Annual maintenance and upkeep will vary.	In order to prepare the stadium for the HVNABA it would cost between \$25-30K . This would include rebuilding the pitchers mound and batter's box and replacing the infield with higher quality material. Yearly maintenance and upkeep will be \$4-5K.
Locker Rooms	Minor League teams will need to have use of the locker room currently occupied by the Hook Elite Boxing Club.	Locker room not needed.
Game Length	Minor League games are an all day event to include, conditioning, batting practice, walk-throughs, etc. This would restrict us from being able to schedule others games, with other organizations on Game Day.	2 hours or less. This gives us the opportunity to accommodate other organization's use of the stadium.
Frequency	Depending upon the schedule, the team can be on the road for a number of games.	We would be guaranteed 4-6 games per week
League Credibility	Minor league teams and organizations start-up and fold on a regular basis. The last two leagues to play in the stadium are no longer in existence.	Has sustained growth over the past 10 years. Growing from 10 to 50 teams.
Local Support	Minor league teams have a hard time gaining local support because the players are not from the area.	The HVNABA have teams from Orange and other adjacent counties, to include a team from Newburgh. This will peak the interest and potentially draw a larger following.
Ground Crew	A dedicated ground crew of 5-7 members would be needed. Most minor league organizations require that the field is dragged prior to the game, after every three innings and after the game. Bases are also required to be changed after every three innings. Additionally during raining days, the grounds crew must be on site to attempt to make the field playable. Minor League cancellations are not regular occurrences.	Our current recreation department staff are fully capable of meeting the requirements for HVNABA games.
Press Box	Significant upgrades to the press box would be required, to include set-up for television broadcasts and wifi for live streaming and statistical updates.	Not needed by the HVNABA
History of Payment	Not good	Very good. HVNABA will pay an estimated \$8,000 to \$10,000 to the City in rental fees..
Concessions	Team keeps the concession as part of the agreement.	City can operate concession stand.

Additional Information:

1. The stadium is currently budgeted \$25,500 annually for upkeep. This would have to be increased by approximately \$15,000 in order to make the required upgrades and sustain it throughout the season.
2. The HVNABA currently plays select games at Delano-Hitch and can begin playing their entire season there in the Spring of 2019. Recruiting a minor league team to the area could take years, depending upon the contracts that they have with their current stadiums.
