September 27, 2018

Members of the City Council
City of Newburgh
City Hall
83 Broadway
Newburgh, New York 12550

Dear Members of the City Council:

This letter sets forth our understanding of the terms and objectives of our engagement, and the nature and scope of the services we will provide to the City of Newburgh ("the Entity").

Prior to the commencement of our audit(s) we may not know if an audit performed in accordance with the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Costs Principles and Audit Requirements for Federal Awards ("Uniform Guidance") is required. Consequently this letter includes the words "if applicable" next to relevant single audit communication requirements.

Audit objectives

We will audit the Entity's statements of the governmental activities, business-type activities, each major fund and the aggregate remaining fund information, which collectively comprise the basic financial statements of the Entity as of and for the year ended December 31, 2018 and issue our report thereon as soon as reasonably possible after completion of our work.

Accounting principles generally accepted in the United States of America provide for certain required supplementary information ("RSI"), such as management's discussion and analysis ("MD&A"), to supplement the Entity's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the Entity's RSI in accordance with auditing standards generally accepted in the United States of America ("US. GAAS"). These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by US GAAP and will be subjected to certain limited procedures, but will not be audited:

- Management's Discussion and Analysis
- Schedule of Changes in the Total OPEB Liability and Related Ratios
- Schedules of Contributions and Proportionate Share of the Net Pension Liability

PKF O'CONNOR DAVIES, LLP
500 Mamaroneck Avenue, Harrison, NY 10528 | Tel: 914.381.8900 | Fax: 914.381.8910 | www.pkfod.com

PKF O'Connor Davies, LLP is a member firm of the PKF International Limited network of legally independent firms and does not accept any responsibility or liability for the actions or inactions on the part of any other individual member firm or firms.

We have also been engaged to report on supplementary information other than the RSI that accompanies the Entity's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS and our auditors' report will provide an opinion on such information in relation to the financial statements as a whole:

- Combining and Individual Fund Financial Statements and Schedules
- Schedule of Expenditures of Federal Awards (if applicable)

We will conduct the audit in accordance with US GAAS, the standards for financial audits contained in Government Auditing Standards ("GAGAS") issued by the Comptroller General of the United States (if applicable), and the audit requirements of Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"), and will include tests of accounting records, a determination of major programs in accordance with Uniform Guidance (if applicable), and other procedures we consider necessary to enable us to express such an opinion and to render the required reports. The aforementioned standards require that we obtain reasonable, rather than absolute, assurance that the financial statements are free of material misstatement, whether caused by error or fraudulent financial reporting; misappropriation of assets, or violations of laws or governmental regulations that are attributable to the Entity's or to acts by management or employees acting on behalf of the Entity. Because the determination of abuse is subjective, GAGAS do not expect auditors to provide reasonable assurance of detecting abuse. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements may exist and not be detected by us even though the audit is properly planned and performed in accordance with US GAAS and GAGAS (if applicable). In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements and on those programs we have determined to be major programs (if applicable). However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting or misappropriation of assets and any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit (if applicable). We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential.

The objective of an audit is the expression of an opinion on whether these financial statements are presented fairly, in all material respects, in conformity with US GAAP and to report on the fairness of the supplementary information referred to in the preceding paragraph when considered in relation to the financial statements as a whole. The objective for our audit also includes reporting on:

- Internal control related to the financial statements and compliance with the provisions of laws, regulations, contracts or grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with GAGAS.

- Internal control related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with Uniform Guidance (if applicable).

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Entity's compliance with the provisions of applicable laws, regulations, contracts, agreements, and grants. However, the objective of our audit will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to GAGAS (if applicable).

Uniform Guidance (if applicable), requires that we also plan and perform the audit to obtain reasonable assurance about whether the Entity has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the "Uniform Guidance Compliance Supplement" for the types of compliance requirements that could have a direct and material effect on each of the Entity's major programs. The purpose of these procedures will be to express an opinion on the Entity's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to Uniform Guidance. As required by Uniform Guidance, we will also perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to prevent or detect material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to Uniform Guidance.

If our opinion on either the financial statements or the Single Audit compliance (if applicable) is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion(s), we may decline to express an opinion or decline to issue a report as a result of the engagement.

In making our risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to GAGAS, if applicable. An audit is also not designed to identify significant deficiencies or material weaknesses. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control and other internal control related matters relevant to the audit of the financial statements that we have identified during the audit, as required by US GAAS, GAGAS and Uniform Guidance (if applicable).

The report on internal control and compliance will include a paragraph that states that the purpose of the report is solely to describe the scope of testing of internal control over financial reporting and compliance, and the result of that testing, and not to provide an opinion on the effectiveness of

internal control over financial reporting or on compliance and that the report is an integral part of an audit performed in accordance with GAGAS in considering internal control over financial reporting and compliance and Uniform Guidance (if applicable) in considering internal control over compliance and major program compliance. The paragraph will also state that the report is not suitable for any other purpose.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form (if applicable) that summarize our audit findings. It is management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. If applicable, we will provide copies of our report for you to include with the reporting package you will submit to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors' reports or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audit.

We will also communicate with those charged with governance any (a) fraud involving senior management and other fraud that causes a material misstatement of the financial statements; (b) violations of laws or governmental regulations that come to our attention (unless they are clearly inconsequential); (c) disagreements with management and other serious difficulties encountered in performing the audit; and, (d) various matters related to the Entity's accounting policies and financial statements.

As part of our engagement, we may propose standard, adjusting, or correcting journal entries to your financial statements. Management, however, has final responsibility for reviewing the proposed entries and understanding the nature and impact of the proposed entries to the financial statements. It is our understanding that management has designated qualified individuals with the necessary expertise to be responsible and accountable for overseeing the acceptance and processing of such journal entries.

Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Management's responsibilities

The financial statements and their fair presentation in accordance with US GAAP, including all informative disclosures, and supplementary information are the responsibility of the Entity's management. Management is also responsible for: (1) the selection and application of accounting policies; (2) the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error and for informing us of all significant deficiencies and material weaknesses in the design or operation of such controls of which it has knowledge; (3) ensuring the Entity complies with the laws and regulations applicable to its activities; (4) making all financial records and related information available to us of which you are aware that is relevant to the preparation and fair presentation of the financial statements, as well as any additional information that we may request for the purpose of the audit; (5) providing us with unrestricted access to persons within the Entity from whom we determine it necessary to obtain audit evidence; and (6) adjusting the financial statements and supplementary information to correct material misstatements.

Management is also responsible for identifying government award programs and understanding and complying with the compliance requirements, and for preparation of the schedule of expenditures of federal awards in accordance with the requirements of Uniform Guidance (if applicable). As part of the audit, we will assist with preparation of your financial statements, schedule of expenditures of federal awards (if applicable), and related notes. You agree to include our report on the schedule of expenditures of federal awards (if applicable) in any document that contains, and indicates that we have reported on, the schedule of expenditures of federal awards (if applicable). You also agree to include the audited financial statements with any presentation of the schedule of expenditures of federal awards (if applicable) that includes our report thereon. You are responsible for making all management decisions and assuming all management responsibilities relating to the financial statements, schedule of expenditures of federal awards (if applicable) and related notes, and for accepting full responsibility for such decisions.

Management's responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with US GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with US GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

In order to help ensure that appropriate goals and objectives are met and that there is reasonable assurance that government programs are administered in compliance with compliance requirements, management is responsible for establishing and maintaining effective internal control, including internal control over compliance, and for evaluating and monitoring ongoing activities.

Management's responsibilities also include identifying any significant vendor relationships in which the vendor has responsibility for program compliance and for the accuracy and completeness of that information.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud or illegal acts affecting the Entity involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud or illegal acts could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the Entity received in communications from employees, former employees, grantors, regulators or others. In addition, you are responsible for identifying and ensuring that the Entity complies with applicable laws, regulations, contracts, agreements and grants and for taking timely and appropriate steps to remedy any fraud, illegal acts, violations of contracts or grant agreements, or abuse that we may report. Additionally, as required by Uniform Guidance (if applicable), it is management's responsibility to follow up and take corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying for us previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the audit objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other engagements or studies. The Entity is also responsible for providing management's views on our current findings, conclusions,

and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

At the conclusion of the engagement, we will request from management written confirmation concerning representations made to us in connection with the audit. The representation letter, among other things, will confirm management's responsibility for: (1) the preparation of the financial statements in conformity with US GAAP, (2) the availability of financial records and related data, and (3) the completeness and availability of all minutes of board meetings. Management's representation letter will further confirm that: (1) the effects of any uncorrected misstatements aggregated by us during the engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole, and (2) we have been informed of, or that there were no incidences of, fraud involving management or those employees who have significant roles in the Entity's internal control. You will also be required to acknowledge in the management representation letter our assistance with preparation of the financial statements and schedule of expenditures of federal awards (if applicable) and that you have reviewed and approved the financial statements, schedule of expenditures of federal awards (if applicable), and related notes prior to their issuance and have accepted responsibility for them. We will place reliance on these representations in issuing our report.

In the event that we become obligated to pay any cost, settlement, judgment, fine, penalty, or similar award or sanction as a result of a claim, investigation, or other proceeding instituted by any third party, as a direct or indirect result of an intentional, knowing or reckless misrepresentation or provision to us of inaccurate or incomplete information by the Entity or, any elected official, member of management or employee thereof in connection with this engagement, and not any failure on our part to comply with professional standards, you agree to indemnify us against such obligations.

To the best of your knowledge, you are unaware of any facts which might impair our independence with respect to this engagement.

The financial statements are the property of the Entity and can be reproduced and distributed as management desires.

You may wish to include our report on these financial statements in a registration statement proposed to be filed under the Securities Act of 1933 or in some other securities offering. You agree that reference to our Firm will not be included in any such offering without our prior permission or consent. Any agreement to perform work in connection with an offering, including an agreement to provide permission or consent, will be a separate engagement.

If you do not engage us for this service, the following paragraph must be included in the offering statement – "PKF O'Connor Davies, LLP, our independent auditor, has not been engaged to perform and has not performed, since the date of its report included herein, any procedures on the financial statements addressed in that report. PKF O'Connor Davies, LLP also has not performed any procedures relating to this official statement."

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

We understand that your accounting department personnel will assist us to the extent practicable in completing the audit. They will provide us with detailed trial balances, supporting schedules, and other information we deem necessary. A list of these schedules and other items of information will be furnished to you before we begin the audit. The timely and accurate completion of this information is an essential condition to our completion of the audit and the issuance of the audit report.

We keep documents related to this engagement in accordance with our records retention policy and applicable regulations or for any additional period requested by the applicable cognizant agency (if applicable). If we are aware that a federal awarding agency (if applicable) or the Entity is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation. We do not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. When records are returned to you, it is your responsibility to retain and protect your records for possible future use, including potential examination by any government or regulatory agencies.

Management is responsible for management decisions and assuming all management responsibilities; for designating an individual with suitable skill, knowledge, and/or experience to oversee the non-attest services we provide; and for evaluating the adequacy and results of those services and accepting responsibility for them.

Non Reliance on Oral Advice

It is our policy to put all advice on which a client intends to rely in writing. We believe that is necessary to avoid confusion and to make clear the specific nature and limitations of our advice. You should not rely on any advice that has not been put in writing by our firm after a full supervisory review.

Electronic and other communication

During the course of the engagement, we may communicate with you or with Entity personnel via fax or e-mail. You should be aware that communication in those media may be unsafe to use and contains a risk of misdirection and/or interception by unintended third parties, or failed delivery or receipt. In the event that the communication provided in this manner contains essential information, we shall require a confirmation of receipt. In that regard, you agree that we shall have no liability for any loss or damage to any person or entity resulting from the use of e-mail or other electronic transmissions, including any consequential, incidental, direct, indirect or special damages.

Access to working papers

During the course of this engagement, we will develop files of various documents, schedules and other related engagement information known as our working papers. As we are sure you can appreciate, these working papers may contain confidential information and our firm's proprietary data. You understand and agree that these working papers are, and will remain, our exclusive property. Except as discussed below, any requests for access to our working papers will be discussed with you before making them available to requesting parties:

- (1) Our firm, as well as other accounting firms, participates in a peer review program covering our audit and accounting practices. This program requires that once every three years we subject our system of quality control to an examination by another accounting firm. As part of this process, the other firm will review a sample of our work. It is possible that the work we

perform for you may be selected for review. If it is, the other firm is bound by professional standards to keep all information confidential.

- (2) We may be requested to make certain working papers available to regulators pursuant to authority given to them by law, regulation or subpoena. Such regulators may include (i) a federal agency providing direct or indirect funding or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities; (ii) the American Institute of Certified Public Accountants; and (iii) the State Education Department. If requested, access to such working papers will be provided under the supervision of our personnel. Furthermore, upon request, we may provide photocopies of selected working papers to them. The regulator may intend, or decide, to distribute the photocopies or information contained therein to others, including other government agencies.

Fees and billing

We estimate our fees will be \$79,400.

The audit fee is based on anticipated cooperation from your personnel, audit condition of the books and records and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

In accordance with our firm policies, work may be suspended if your account becomes overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed even if we have not issued our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket expenditures through the date of termination.

Our fees for these services are due and payable under the payment schedule which follows. Invoices for additional amounts that may be incurred for these and other services will be rendered as such work progresses and are payable upon presentation.

You agree to indemnify our firm, its partners, principals and employees, to the fullest extent permitted by law for any expense, including compensation for our time at our standard billing rates and reimbursement for our out-of-pocket expenses and reasonable attorneys' fees, incurred in complying with or responding to any request (by subpoena or otherwise) for testimony, documents or other information concerning the Entity by any governmental agency or investigative body or by a party in any litigation or dispute other than litigation or disputes involving claims by the Entity against the firm. This indemnification will survive termination of this engagement.

Dispute resolution

Any claim or controversy ("dispute") arising out of or relating to this engagement, the services provided thereunder, or any other services provided by or on behalf of the firm or any of its subcontractors or agents to the Entity or at its request (including any dispute involving any person or entity for whose benefit the services in question are or were provided), shall first be submitted in good faith for mediation administered by the American Arbitration Association ("AAA") under its Mediation Rules. The arbitrator shall have the power to award to the prevailing party reasonable legal fees associated with the arbitration and prior mediation. The arbitrator shall have no authority to award non-monetary or equitable relief of any sort. The arbitrator shall not have authority to award damages that are punitive in nature, or that are not measured by the prevailing party's actual compensatory loss.

The award reached as a result of the arbitration will be binding on the parties and confirmation of the arbitration award may be sought in any court having jurisdiction.

This engagement will be governed by the laws of the State of New York, without giving effect to any provisions relating to conflict of laws that would require the laws of another jurisdiction to apply.

Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

Our audit engagement each year ends on delivery of our audit report covering that year. Requests for services other than those included in this engagement letter will be agreed upon separately.

Risk of Loss. Any losses or other liabilities resulting from theft, damage or unauthorized use of Owner's property, by any party other than Contractor, shall be borne by the Owner.

Except for reports required by state, federal, or local regulatory bodies or agencies, any reports rendered under this Contract by the Contractor are prepared for the exclusive use of the Owner. The use of any such reports and data for purposes other than those intended within the scope of the Services is strictly prohibited and is at the Owner's sole risk and responsibility.

Approval of Work. Services performed by Contractor shall be deemed approved and accepted by Owner within a reasonable period of time (but in no event longer than thirty (30) days) after the Owner has had the opportunity to review and/or inspect such services unless Owner objects within such period of time by written notice specifically stating the details in which Owner believes such services are incomplete or defective. Under all circumstances, final payment of the Contract Price shall be deemed as conclusive evidence that the Owner has accepted all Services provided.

Payment Terms. Owner shall make all payments are within 30 days from the date Contractor issues an invoice. Any payment delayed beyond thirty (30) days from the specified due date, unless occasioned by fault of the Contractor, shall be subject to one and one-half (1.5) percent per month interest on the unpaid balance.

Taxes. Owner shall pay all property, franchise, sales, use and other taxes associated with the Services other than taxes imposed on Contractor's net income or Contractor's payroll taxes. The prices hereunder do not includes sales, use,

Default and Termination. Either party may terminate this Agreement by immediate written notice if the other has failed to comply with a material term, provided that the non-defaulting party has first given the defaulting party written notice to cure their default within forty-five (45) days ("Cure Period") and the defaulting party has not done so. If a default cannot be cured within the Cure Period days, the parties may agree an extension as long as the defaulting party provides evidence within the Cure Period that it has commenced a cure and is pursuing it diligently. In the event of any termination, Contractor shall be paid for all services rendered and materials supplied (including materials specifically manufactured/made for the Owner that have yet to be supplied), if any, through the date of termination. For purposes of this section, the failure of the Owner to pay Contractor in accordance with the payment terms of this Contract shall be considered such a substantial failure. In the event of a substantial failure on the part of the Owner, Contractor, in addition to the right to terminate set forth in this paragraph, may also elect to suspend work until the default in question has been cured. No delay or omission on the part of either party in exercising any right or remedy hereunder shall constitute a waiver of any such right or remedy on any future occasion. The effectiveness of a termination by Owner will be conditioned upon receipt by Contractor of such payment for all services rendered and materials supplied (including materials specifically manufactured/made for the Owner that have yet to be supplied), if any, through the date of termination. If Owner incurs costs for damages due to a default of the Contractor that results in termination of this Agreement, Owner may deduct such costs or damages from the final payment due to Contractor. Such deduction will not exceed the final payment owed to Contractor and will constitute a full and final settlement between Owner and Contractor for any and all claims against Contractor by Owner and a release by Owner of any and all further claims against Contractor.

Indemnification. To the maximum extent permitted by law, each party (the "Indemnifying Party") shall defend, indemnify and hold harmless the other party and their respective successors and assigns (each is referred to herein as an "Indemnified Party") against any and all liability for damages, costs, losses, and expenses, including reasonable attorney's fees, resulting from any claim asserted by a third party against the Indemnified Party for wrongful death, bodily injury and/or property damage, but only to the extent caused by the willful or negligent acts or omissions of the Indemnifying Party.

Contractor's Liability. The Contractor's maximum liability for all claims under this Agreement shall not exceed an amount equal to the Contract Price for the year in which the claim arises. Notwithstanding any provision to the contrary contained in this Agreement, in no event shall either party be liable, either directly or indirectly, for any special, punitive, indirect and/or consequential damages, including damages attributable to loss of use, loss of income or loss of profit even if such party has been advised of the possibility of such damages. Contractor is only liable for environmental regulatory fines and penalties imposed by environmental regulatory bodies that result after the Contract Effective Date and only to the extent said violations are directly attributable to Contractor's breach of its contractual obligations hereunder. Prior to settlement or payment of any such fines or penalties, Contractor reserves the right to contest any actions, suits or proceedings for violations through administrative procedures or otherwise. If the Facility loading exceed its design parameters or if influent contains: i) abnormal, toxic or other substances which cannot be removed or treated by the existing Facility; or ii) discharges which violate applicable ordinances, Contractor will use its best efforts to maximize performance of the Facility but shall not be responsible for associated effluent characteristics or damages, fines or penalties which result.

Insurance. Contractor shall procure and maintain through the period of this Contract, at Contractor's own cost and expense (a) general liability insurance in the amount of one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) in the aggregate; and (b) worker's compensation insurance in accordance with all statutory requirements.

will cooperate in good faith with the other and its agents, employees, representatives, officers, contractors and subcontractors to facilitate the performance of the mutual obligations set forth in this Contract.

No Third Party Beneficiaries. This Contract is entered into solely between, and may be enforced only by the Contractor and Owner; and this Contract shall not be deemed to create any rights in third parties, including clients, suppliers, or customers of a party, or to create any obligations of a party to any such third parties.

Terms and Conditions Sale

145 Chambers Street, City of Newburgh

(SBL: 18-4-17)

STANDARD TERMS:

1. City of Newburgh acquired title to this property in accordance with Article 11 of the Real Property Tax Law of the State of New York, and all known rights of redemption under said provisions of law have been extinguished by the tax sale proceedings and/or as a result of forfeiture.
2. For purposes of these Terms and Conditions, parcel shall be defined as a section, block and lot number.
3. All real property, including any buildings thereon, is sold "AS IS" and without any representation or warranty whatsoever as to the condition or title, and subject to: (a) any state of facts an accurate survey or personal inspection of the premises would disclose; (b) applicable zoning/land use/building regulations; (c) water and sewer assessments are the responsibility of the purchaser, whether they are received or not; (d) easements, covenants, conditions and rights-of-way of record existing at the time of the levy of the tax, the non-payment of which resulted in the tax sale in which City of Newburgh acquired title; and (e) for purposes of taxation, the purchaser shall be deemed to be the owner prior to the next applicable taxable status date after the date of sale.
4. The properties are sold subject to unpaid school taxes for the tax year of 2018-2019, and also subject to all school taxes levied subsequent to the date of the City Council resolution authorizing the sale. The purchaser shall reimburse the City for any school taxes paid by the City for the tax year 2018-2019, and subsequent levies up to the date of the closing. Upon the closing, the properties shall become subject to taxation. Water and sewer charges and sanitation fees will be paid by the City to the date of closing.
5. **WARNING: FAILURE TO COMPLY WITH THE TERMS OF THIS PARAGRAPH MAY RESULT IN YOUR LOSS OF THE PROPERTY AFTER PURCHASE.** The deed will contain provisions stating that the purchaser is required to rehabilitate any building on the property and bring it into compliance with all State, County and Local standards for occupancy within (18) months of the date of the deed. Within such eighteen (18) month time period the purchaser must either: obtain a Certificate of Occupancy for all buildings on the property; make all buildings granted a Certificate of Occupancy before the date of purchase fit for the use stated in such Certificate of Occupancy; or demolish such buildings. The deed shall require the purchaser to schedule an inspection by City officials at or before the end of the eighteen (18) month period. If the purchaser has not complied with the deed provisions regarding rehabilitation of the property and obtained a Certificate of Occupancy or Certificate of Compliance by that time, then the title to the property shall revert to the City of Newburgh. The deed shall also provide that the property shall not be conveyed to any other person before a Certificate of Occupancy or Certificate of Compliance is issued. A written request made to the City Manager for an extension of the eighteen (18) month rehabilitation period shall be accompanied by a non-refundable fee of \$250.00 per parcel for which a request is submitted. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to rehabilitate of up to, but not to exceed, three (3) months. Any additional request thereafter shall be made in writing and placed before the City Council for their consideration.
6. The City makes no representation as to whether the property is vacant and/or unoccupied. Evictions, if necessary, are solely the responsibility of the purchaser after closing and recording of the deed. The parcel is being sold subject to the City's Vacant Property Ordinance (Chapter 121) and all provisions of law applicable thereto. Within 30 days of closing, the purchaser must register the property and pay any applicable fees or submit an acceptable rehabilitation plan to the Building Department.

7. All purchasers are advised to personally inspect the premises and to examine title to the premises prior to the date upon which the sale is scheduled to take place. Upon delivery of the quitclaim deed by the City of Newburgh to the successful purchaser, any and all claims with respect to title to the premises are merged in the deed and do not survive.
8. No personal property is included in the sale of any of the parcels owned by City of Newburgh, unless the former owner or occupant has abandoned same. The disposition of any personal property located on any parcel sold shall be the sole responsibility of the purchaser following the closing of sale.
9. The City makes no representation, express or implied, as to the condition of any property, warranty of title, or as to the suitability of any for any particular use or occupancy. Property may contain paint or other similar surface coating material containing lead. Purchaser shall be responsible for the correction of such conditions when required by applicable law. Property also may contain other environmental hazards. Purchaser shall be responsible for ascertaining and investigating such conditions prior to bidding. Purchaser shall be responsible for investigating and ascertaining from the City Building Inspector's records the legal permitted use of any property prior to closing. Purchaser acknowledges receivership of the pamphlet entitled "Protecting Your Family from Lead in Your Home." Purchaser also acknowledges that he/she has had the opportunity to conduct a risk assessment or inspection of the premises for the presence of lead-based paint, lead-based paint hazards or mold.
10. The entire purchase price and all closing costs/fees must be paid by money order or guaranteed funds to the City of Newburgh Comptroller's Office by the date listed in the approved City Council Resolution, notwithstanding any extensions of time granted pursuant to terms contained herein ("Closing Deadline"). Such closing costs/fees may include, but are not limited to: recording fees, tax adjustments as of the day of closing, fuel oil adjustments, and applicable condominium charges (e.g. monthly maintenance charges, assessment charges, transfer buy-in fees, and/or closing package ordering fees). *The City of Newburgh does not accept credit card payments for the purchase price and closing costs/fees.* **The City is not required to send notice of acceptance or any other notice to a purchaser.** At closing, purchaser, as grantee, may take title as a natural person or as an entity wherein purchaser is an officer or managing member of said entity. If purchaser takes title as an entity, purchaser must provide an affidavit listing all of the members or shareholders of said entity, their addresses, their phone numbers, and their percentage ownership stake in the entity. Purchaser must have at least a fifty-one (51%) ownership stake in said entity in order for said entity to take title.
11. The City Manager may, in his sole discretion and for good cause shown, grant one extension of time to close title of up to, but not to exceed, sixty (60) additional days from the Closing Deadline. No request shall be entertained unless in writing, stating the reasons therefor, and unless accompanied by a fee of \$250.00 per parcel for which a request is submitted. The fee shall be in addition to all other fees and deposits and shall not be credited against the purchase price and shall not be returnable. Any additional request made thereafter shall be made in writing and placed before the City Council for its consideration.
12. In the event that a sale is cancelled by court order, judgment, the Comptroller or the Newburgh City Council, the purchaser shall be entitled only to a refund of the purchase money paid. Purchaser agrees that he shall not be entitled to special or consequential damages, attorney's fees, reimbursement for any expenses incurred as a result of ownership, improvements of property, or for taxes paid during period of ownership, and this agreement by the purchaser is a material condition of the sale.
13. Sale shall be final, absolute and without recourse once title is conveyed on the actual day of closing. In no event, shall City of Newburgh be or become liable for any defects in title for any cause whatsoever, and no claim, demand or suit of any nature shall exist in favor of the purchaser, his heirs, successors or assigns, against City of Newburgh arising from this sale.
14. Conveyance shall be by quitclaim deed only, containing a description of the property as it appeared on the tax roll for the year upon which the City acquired title or as corrected up to date of deed. The deed will be recorded by the City upon payment in full of the purchase price, tax reimbursements, buyer's premium (if applicable), and closing fees/costs. Possession of property is forbidden until the deed is recorded conveying title to the purchaser. **Title vests upon conveyance of deed.**
15. Upon closing, the City shall deliver a quitclaim deed conveying all of its right, title and interest in the subject property, which deed shall be drawn by the City Corporation Counsel. The City shall not convey

its interest in any street, water, sewer or drainage easement, or any other interest the City may have in the property. The City shall only convey that interest obtained by the City pursuant to the judgment rendered in an *in rem* tax foreclosure action filed in the Orange County Clerk's Office.

16. The description of the property shall be from the City of Newburgh Tax Map reference or a survey description certified to the City of Newburgh. Any survey description shall be provided to the City Corporation Counsel by the purchaser at least thirty (30) days in advance of closing title and approved by the City's Engineer.
17. By acknowledging and executing these Terms & Conditions, the purchaser certifies that he/she is not representing the former owner(s) of the property against whom City of Newburgh foreclosed and has no intent to defraud City of Newburgh of the unpaid taxes, assessment, penalties and charges which have been levied against the property. The purchaser agrees that neither he/she nor his/her assigns shall convey the property to the former owner(s) against whom City of Newburgh foreclosed within 24 months subsequent to the Closing Deadline date. If such conveyance occurs, purchaser understands that he/she may be found to have committed fraud, and/or intent to defraud, and will be liable for any deficiency between the purchase price at auction and such sums as may be owed to City of Newburgh as related to the foreclosure on the property and consents to immediate judgment by City of Newburgh for said amounts.
18. In the event that Seller engaged the services of a New York State Licensed Real Estate Broker in connection with this sale, Seller shall pay said Broker any commission earned pursuant to a separate agreement between Seller and Broker.
19. Notice is given that the property lies within either the East End Historic District or the Colonial Terraces Architectural Design District as designated in the City of Newburgh's current zoning map. This parcel is sold subject to all provision of law applicable thereto. It is the sole responsibility of the purchaser to redevelop such parcel so designated in accordance any additional laws, rules or regulations applicable to those districts.
20. Within ten (10) business days of approval of sale by the City of Newburgh, the purchaser shall tender a non-refundable downpayment in the amount of **\$3,500.00** payable to "City of Newburgh" by money order or guaranteed funds to the City of Newburgh Comptroller's Office. August 31, 2018

Dear City Manager Ciaravino;

RE: Municipal solid waste agreement with TBE-Montgomery, LLC

TBE-Montgomery, LLC ("Taylor") entered into a Solid Waste Processing and Disposal Agreement (the "Agreement") with City of Newburgh on July 11, 2011 and amended on January 28, 2015 for a solid waste receiving and recycling, biomass fuel preparation and waste power production facility (the "Facility") to be located in Montgomery, Orange County, NY.

Since that date, TBE-Montgomery, LLC has completed a name change and a merger-consolidation into Taylor-Montgomery, LLC on June 30, 2015 (Legal attached). Taylor also has been diligently developing the Facility and has completed all the required permitting, engineering, and design. Taylor is now in the final stage. We are finalizing a construction contract with a large New York state construction contractor and, with the help of a New York city-based investment bank, are raising all the required financing to build the Facility.

Due to the passage of time, the Agreement between you and Taylor needs to be updated and we would respectfully like you to consider amending it per the attached contract amendment. This amendment update is necessary to be able to raise financing for the Facility by Thanksgiving 2018.

Within our contract and further defined in Section 9.02 both the municipality and Taylor have the right to terminate the contract if they wish to do so upon thirty (30) days written notice. We are requesting the parties (Taylor & City of Newburgh) waive the current agreement right to terminate date and replace it with a proposed new date of April 30, 2021. This provides Taylor the additional time to build out, startup and commission the facility and lock in the twenty-year term at the same cost.

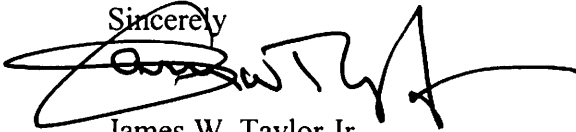

Taylor-Montgomery, LLC

Since the date of our Agreement, much has changed in the waste processing and recycling industries. As I am sure you know, the cost of disposing of waste has only increased due to the decline of the value of recyclable materials such as fiber, glass, plastic and metal as well as the continued shortage of landfill options for municipalities in Orange County and the surrounding counties. As a result, the tipping fees are forecasting higher than they were several years ago.

Our Facility, delayed due to events in the financial markets, remains a viable and cost-effective option for the City of Newburgh. The price in our Agreement (\$66/ton) is about 23% lower than prevailing rates in the region. Taylor intends to honor this price in the future. The Agreement allows you to therefore lock in the cost of waste disposal for 20 years at a rate that is below today's rate, a benefit that flows straight to the City of Newburgh and your taxpayers. You will also recall that our facility will create approximately 30 new full-time local union jobs, further helping our local economy.

We would happy to meet you at your convenience to provide you with more details and answer any questions.

Sincerely

Building Community Cohesiveness and Food Security Through Access to Gardens, Resources, and Fresh Food

... gardens provide benefits at multiple levels, creating an "urban oasis" that provides refuge from urban decay while revitalizing city neighborhoods. At the individual level, gardeners underscored psychological benefits, including pride and a connection with nature. At the neighborhood level, gardeners developed trusting relationships with their neighbors and shared learning experiences. At the community level, gardeners perceived that gardens reclaim city space by cleaning up degraded lots, creating gathering places, and improving the food environment".

Growing an urban oasis: A qualitative study of the perceived benefits of community gardening in Baltimore, MD; Melissa N. Poulsen, Kristyna R S Hulland, Carolyn A. Gulas, Hieu Pham, Sarah L. Dalglish, Rebecca K. Wilkinson, [Peter J. Winch](#); Johns Hopkins University Bloomberg School of Public Health

The Newburgh Urban Farm and Food Initiative (NUFFI) is an active network of local residents and community organizations, which fosters community and residential gardens, the production and distribution of food for the City of Newburgh, and educates Newburgh residents about the connections of food and community. NUFFI provides Outreach, Public Education and Technical Assistance. Existing communities working together to retain 'ownership' of their neighborhoods and culture will develop innovative solutions that accomplish the important goal of empowering residents to work toward a just and resilient food system for the City of Newburgh.

NUFFI Programs

Community Gardens

NUFFI serves as a "hub" for community garden activities that create opportunities for residents to work **with** each other; providing community-based resources to improve the capacity of residents to access properties; and successfully install and maintain gardens in their neighborhoods.

Residents will be encouraged to assume care of community gardens to foster a sense of community, create safer neighborhoods, and provide healthy, culturally appropriate food that improves food security.

NUFFI will accomplish this by:

- Maintaining community leadership and collaboration of current gardens; and

"For the approximately 42 million home and community gardeners in the US, excess produce donations could add up to 11.47 billion pounds annually. At an average estimated price of \$2.41 per pound of fresh produce, these excess produce donations represent a value of \$27.63 billion."

http://www.ampleharvest.org/downloads/GardenerSurvey/AmpleHarvest.org_Garden_Food_Waste_Study-8-30.pdf

- Adding new gardens in neighborhoods throughout the City of Newburgh.

Services provided by NUFFI will include:

1. Resource materials to all community gardens including education, tool sharing and bulk purchasing.
2. Technical Assistance in design, installation and ongoing maintenance.
3. Community-based Workshops on topics relevant to urban gardening.

Food Access for Greater Food Security & Health

NUFFI will increase access by residents to locally grown healthy food and reduce food waste by providing community gardens and residents with a way to distribute their excess produce. NUFFI will also investigate and create opportunities for additional markets for distributing local products.

NUFFI will accomplish this by:

- Continuing and helping to grow the Newburgh Citywide Produce Donation Program through direct liaison between gardens and food assistance programs, and collaborations with other food access groups.
- Assisting the current Farmers' Markets and investigating the feasibility of a year-round Market.
- Research the development of retail outlets such as a Local Food Coop, a "Buy Local" program to encourage local grocery stores and restaurants to carry local products, and a produce prescription program where local health care providers write prescriptions for produce that can be redeemed at local Farmers' Markets and grocery stores.

Services provided by NUFFI will include:

1. Outreach to community and residential gardens.
2. Distribution to local food assistance programs & markets.
3. Research of models appropriate for Newburgh - Can we sustain a food coop? Will physicians/health care works want to develop a produce prescription program?

Community Events

NUFFI will encourage greater community understanding and support for community gardening through community events.

NUFFI will accomplish this by sponsoring:

- *The Newburgh Urban Farming Fair* highlighting education and fun family activities to start the growing season.
- *A Collard Greens Cook-Off* featuring food and family activities focused on harvest at the end of the growing season.
- *A Speaker Series* on timely topics relating to urban gardening and food.

Outreach & Communications

NUFFI will work with its partners to expand and enhance participation of all sectors of the populations in the City of Newburgh in developing a just and resilient food system for the City.

NUFFI will accomplish this by:

- Continuing to build an expansive collaboration of community organizations supporting urban gardening in the City of Newburgh.
- Designing and delivering an effective communications strategy using multi-lingual and culturally appropriate materials.
- Creating an identity for the Newburgh Urban Farm and Food Initiative through a well-designed Branding/Marketing strategy.
- Developing a citywide Corps of community volunteers to assist with urban gardening activities.

Who We Are

The Newburgh Urban Farm and Food Initiative (NUFFI) began in 2015 as a group of community gardens and organizations brought together by Virginia Kasinki, Outreach Manager for the Downing Park Urban Farm as a loosely formed collaboration to promote urban gardening in the City of Newburgh.

Community Partners include:

- Newburgh Armory Unity Center
- Downing Park Urban Farm
- Grand Street Community Garden
- Hudson Valley Seed
- NHS Center for Hope
- Latinos Unidos
- Orange County Cornell Cooperative Extension
- Downing Park Planning Committee
- Newburgh Community Land Bank
- Orange County Department of Health
- Orange County Land Trust
- City of Newburgh Department of Planning and Economic Development

This effort will continue to be broad based and seek to increase and enhance the partnership with additional representatives from all sectors of the community.

What has been Accomplished

Virginia,

As per your questions regarding the Application of a Seasonal High Tunnel System. USDA Program Policy requires that participants have "control of the land" for the life of the practice which in the case of a Seasonal High Tunnel is 5 years. We have a one-page control of land document (or you can create your own) that would demonstrate that Newburgh Urban Farm has permission to carry out their proposed contract for the following conservation practice(s): Seasonal High Tunnel, Vegetation and Mulch.

If a contract is awarded it will be with the Newburgh Urban Farm and no other persons or organizations such as the City of Newburgh unless specified as part of the contract. I hope this answers your questions, please feel free to call.
