RESOLUTION NO.: _____ - 2019

OF

JANUARY 28, 2019

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF NEWBURGH
TO OPPOSE THE
PROPOSED DANSKAMMER FRACKED GAS PLANT EXPANSION

WHEREAS, Danskammer Energy, LLC, seeks a permit through the State's Article 10 power plant siting process to build and operate a gas power plant with a generating capacity of 525 - 575 megawatts on the shores of the Hudson River in the Town of Newburgh, adjacent to the City of Newburgh; and

WHEREAS, the current power plant located at the site operates only when electric generation demand reaches a peak so that it operates only about 5% of the time; and

WHEREAS, a new power plant would be planned to operate for decades to come as a year-round facility that would operate continuously for an estimated 60 - 70% of the time, burning far more fossil fuel and producing considerably more air pollution than the current plant; and

WHEREAS, gas-powered plants produce pollution that harms air quality locally and the public's health through release of contaminants including the chemical precursors that form smog; and

WHEREAS, children, the elderly and anyone with a pre-existing health conditions affecting their lungs, such as asthma or emphysema, is especially harmful; and

WHEREAS, air quality in the Hudson Valley already violates federal air quality standards on some days; and

WHEREAS, everyone has a right to clean air and a safe and healthy environment; and

WHEREAS, the City of Newburgh includes communities and census blocks that qualify as environmental justice communities under state law and therefore are entitled to extra protection to minimize additional harms through public policy decisions affecting their environmental quality; and

WHEREAS, climate change is causing sea level rise, extreme weather, massive forest fires, flooding and greater precipitation which necessitates shifting critical infrastructure from areas that will flood in the future such as the proposed location for this facility; and

WHEREAS, a large, new gas-powered plant operating at close to baseload capacity will produce millions of metric tons of climate-heating pollution that would fuel the growing climate crisis, contrary to the interests of the City of Newburgh and in contradiction to the State's Energy Plan and Clean Energy Standard of 50% renewable energy generation to be available on the electric grid by 2030, which Governor Cuomo more recently increased to 100% by 2040, as well as contrary to the strong advice of the world's scientists as relayed by the most recent report from the United Nations Intergovernmental Panel on Climate Change (UN IPCC); and

WHEREAS, New York State banned fracking to protect our health and protect the climate, but this facility would use fracked gas, which is especially dangerous to air and water quality of the communities outside of New York from which it is extracted, and the City of Newburgh does not seek increased harms on any community, including outside of New York State, and

WHEREAS, the Wall Street investors in this project, primarily the private equity firm Tiger Infrastructure and its backers, will enjoy profits from the facility but will not provide any benefits to the City or its residents, and

WHEREAS, under Article 10 of the State's Public Service Law, the State's Power Plan Siting Board, a majority of whose members are appointed by Governor Cuomo, will consider Danskammer Energy's application;

NOW THEREFORE BE IT RESOLVED that the City Council of the City of Newburgh urges Governor Cuomo and the Power Plant Siting Board convened under Article 10 of the State Public Service Law to reject Danskammer Energy's proposal to build and operate this large, new polluting facility; and

BE IT FURTHER RESOLVED that the City Council of the City of Newburgh urges other nearby municipalities, Orange County, and other state-level elected officials including the City's representatives in the State Senate and Assembly to also oppose Danskammer Energy's proposal; and

BE IT FURTHER RESOLVED that the City Clerk of the City of Newburgh, New York forward copies of this resolution to Governor Andrew Cuomo, N.Y. Public Service Commission Chairman John B. Rhodes for entry into the record of public comments of the consideration under state law of Danskammer Energy's application, and to N.Y. Assembly Member Jonathan Jacobson, and N.Y. Senator James Skoufis; and

BE IT FURTHER RESOLVED that the City of Newburgh municipal government, including the City Manager and Corporation Counsel, shall take any and all actions necessary and proper to oppose the proposed application to expand the Danskammer Energy Facility.

DISTINGUISHING FEATURES OF THE CLASS: This is an eight month year grant-funded position, with the potential for an additional three years. Under the general supervision of the Director of the Planning and Development or their designee, the incumbent will actively enter the field to assess the City's vacant buildings stock and organize this information in the vacant building registry. The incumbent will also be expected to develop new systems and processes to make the City of Newburgh's approach to vacant building management and code enforcement more effective, efficient, and equitable. In doing so, the incumbent will be called upon to work closely with stakeholders inside and out of the City government and exercise a great deal of independent judgment. Supervision of others is not normally a responsibility of this class.

TYPICAL WORK ACTIVITIES: (Illustrative Only)

- Monitor, record, and evaluate vacant buildings in the City of Newburgh
- Research ownership information of vacant or abandoned building owners
- Facilitate a task force made up of various City departmental representatives to develop a comprehensive, city-wide approach to vacant buildings
- Work closely with the Department of Buildings & Code Compliance, Fire, Police, Corporation Counsel, and others, including members of the public
- Provide vacant building owners with information on resources available through New York State to address abandoned properties
- Evaluate and improve upon the existing City of Newburgh Vacant Building Registry
- Evaluate and improve upon the City's approach to vacant buildings
- Attend community meetings to discuss vacant buildings and the needs of City neighborhoods
- Work with Corporation Counsel to attend and provide testimony at code enforcement proceedings
- Develop a catalogue of actors within the City who are involved with vacant buildings
